MEMORANDUM

DATE: November 11, 2010
TO: The Honorable Nick Licata
President, Seattle City Council
FROM: Rosemary B. Aragon, Executive Director, PHPDA
SUBJECT: Appointment to the PHPDA Governing Council

FILED
CITY OF SEATTLE
10 NOV 15 AM 9:58
CITY CLERK

I am happy to forward to the City Council the following appointments to the PHPDA Governing Council for three-year terms:

<u>Name</u>	<u>Term Ends</u>	<u>Position</u>	<u>Succeeding</u>
Marite M. Butners	December 2013	Council Member	(reappointment)
Daniel S. Lessler	December 2013	Council Member	(Gary A. Zimmerman)

The Pacific Hospital Preservation and Development Authority Governing Council is composed of nine members, consisting of four Mayoral appointments, one County Executive appointment, and four appointments by the PHPDA Council.

The bios for the appointees are as follows:

Marite Butners: *Marite Butners is the System Director of Foundation Support Services at Providence Health & Services, a multi-state, not-for-profit health care system with revenues in excess of \$5.8 billion. In her role she has senior responsibility for philanthropy functions, and as such brings expertise in both health care activities and grant making programs to the PHPDA board. She also brings a wide variety of community and volunteer experience, having served on the Board of Community Home Healthcare, the International Delta Society, Humanities Washington, and the National Endowment for the Humanities Federation Board. She is active in philanthropic and planned giving professional organizations. Ms. Butners holds a law degree from DePaul University and a Masters degree from Western Michigan University.*

Daniel S. Lessler: *Dr. Lessler is the Associate Medical Director, Ambulatory Care Services at Harborview Medical Center. He is also an Associate Professor of Medicine, University of Washington. Currently he is a member of the Puget Sound Health Alliance Quality Improvement Committee. Previously he served on the Board of the Foundation for Healthcare Quality and chaired the Washington Pharmacy & Therapeutics Committee. He brings to the PHPDA a broad understanding of the healthcare safety net, in-depth knowledge of ambulatory care operations, and understanding of quality improvement methodologies.*

All appointments to the PDA Council are subject to City Council confirmation. Attached to this memorandum is the current membership roster of the PDA Council, including the new appointees. The resumes of the appointees are also attached.
