Principal

As an Architect, I have over 16 years experience in architecture and urban design. Although proficient in leading large scale mixed use, high-density housing and community development projects, my experience also includes Urban Design, Commercial Tenant Improvements and Single Family remodels. My experience with the design process, project management and the preparation of contract documents assist clients with achieving permits in a timely manner. Running projects with multi-disciplinary teams, complicated contexts, and significant public participation makes up much of my background.

Experience
