RE: City of Seattle Design Review Board Application

To Whom It May Concern:

I'm writing this brief cover letter to inform of my interest in being one of the members of the City of Seattle's Design Review Board. As a resident of the Greenlake neighborhood for over 10 years, a certified urban planner (A.I.C.P) and as practicing real estate development professional for the past 15 years, I have a diverse knowledge in creative and successful design and development projects. I have a savvy skill for understanding design value and development economics and seek to really do quality place making in our city.

I feel I am uniquely qualified to offer some solid guidance given the nature of the communities we live in and the codes we are to implement. Please consider my application, as I would like to foster the better development of our city.

Given I would qualify as a business owner or developer in the Downtown district, where I remain involved, I'm also open to being a resident or developer representative for the Northeast.

Sincerely,

Lisa Picard
