Legislation Title:

AN ORDINANCE relating to the Department of Parks and Recreation; accepting deeds for real property and property rights acquired in connection with the Neighborhood Parks, Green Spaces, Trails, and Zoo Levy in designated greenspaces (Southwest Queen Anne Greenbelt, Northeast Queen Anne Greenbelt, Westlake Greenbelt, St. Mark's Greenbelt, Harrison Ridge Greenbelt, Duwamish Head Green Space, West Duwamish Greenbelt, East Duwamish Greenbelt, Seola Beach Greenbelt, Thornton Creek Natural Area, Leschi Natural Area, Me-Kwa-Mooks Natural Area, Longfellow Creek Green Space, Kubota Gardens Natural Area, Kiwanis Ravine Green Space, Puget Creek Green Space, and Puget Ridge Green Space), for park additions (Ballard Corners Park, Hing Hay Park and the Whittier Pocket Park), for new neighborhood parks (Ballard Park, East Capitol Hill Park, Ercolini Park, Fremont Peak Park, Homer Harris Park, Junction Plaza Park, Linden Orchard Park, Maple Leaf Community Garden, Morgan Junction Park, Mt. Baker Ridge Park, Northgate Park and Queen Anne Neighborhood Park), and for an addition to the International District Community Center, all for open space, park, and recreation purposes, and ratifying and confirming certain prior acts.

Summary of the Legislation:

This Council Bill accepts 46 deeds, and one assignment of partial rights to a conservation easement held by Cascade Land Conservancy, all for open space, park, and recreation purposes and places those deeds and rights under the jurisdiction of the Seattle Department of Parks and Recreation (DPR).

Background:

Previous ordinances approved the acquisition of, and appropriated funding for, most of the properties described in this proposed ordinance (see note). The purpose of this legislation is to formally accept the deeds to the previously acquired properties, as required by City Charter. Acquisition and funding authority was provided as follows:

- The 2000 Parks Levy Green Spaces Acquisition Program and the authority to purchase open space properties were created by Ordinances 117276, 120024, 120496, 120500, 120502, 120808, 120868, 120870, 121014, 121138, 121170, 121236, 121434, 121858, 122129, 122215, 122230, 122314, 122425, 122451, 122666 in accordance with the voters' approval of the 2000 Neighborhood Parks, Green Spaces, Trails, and Zoo Levy in the election of November 7, 2000;

- The authority to accept funds for properties funded by the King County Conservation Futures Fund was created by Ordinances 120855, 121358, 121375, 121715, 122067, 122358, 122485, 123257; and
- The authority to apply for grants funded by the Washington Wildlife and Recreation Program was created by Resolution 30869.

Note:

The acquisition of the properties in the Southwest Queen Anne Greenbelt and the Seola Beach Greenbelt did not have prior acquisition authority. Both of these transactions were unique, low cost opportunities that required a quick response from the City. The Southwest Queen Anne Greenbelt and the Seola Beach Greenbelt are both Designated Greenspaces, as defined under Resolution 28653, but were not listed in Ordinance 121170, the ordinance authorizing greenspace acquisitions for the 2000 Pro Parks Levy. Section 2 of the Ordinance rectifies this lack of previous authorization.

The attached legislation includes acceptance of 46 deeds and one assignment of rights in 33 project areas. These acquisitions add 30.2 acres of open space located in natural areas, greenspaces, park additions and other project areas (this total does not include the addition to the International District community center or the assignment of partial rights to the conservation easement in the Me-Kwa-Mooks Natural Area).

The Seattle City charter requires that all properties acquired by the City be accepted by ordinance. The deeds included in this legislation have not been formally accepted and will be accepted once this legislation is passed.

X **This legislation does not have any financial implications.**

City of Seattle
Office of the Mayor

March 15, 2011

Honorable Richard Conlin
President
Seattle City Council
City Hall, 2nd Floor

Dear Council President Conlin:

I am transmitting the attached proposed Council Bill, which accepts deeds for open space, park and recreation purposes, for properties and property interests acquired in connection with the 2000 Neighborhood Parks, Green Spaces, Trails, and Zoo Levy. The purpose of this bill is to formally accept the deeds to these properties, as required by City Charter.

These acquisitions add 30 acres of open space located in green spaces, park additions and new parks, as well as an addition to the International District community center and the assignment of partial rights to a conservation easement in the Me-Kwa-Mooks Natural Area. The properties and property interests were acquired with funds from the 2000 Neighborhood Parks, Green Spaces, Trails, and Zoo Levy; Community Improvement Fund; King County Conservation Futures Levy; and the Washington Wildlife and Recreation Program.

The 2000 Neighborhood Parks, Green Spaces, Trails, and Zoo Levy has done much to continue the green legacy of Seattle Parks; a process that is continuing with the 2008 Parks and Green Spaces Levy. This legislation is a necessary step in preservation of the parks and open spaces that are so highly valued by Seattle residents. Thank you for your consideration of this legislation. Should you have questions, please contact Donald Harris at 684-8018.

Sincerely,

Michael McGinn
Mayor of Seattle
