2 is subject to ~~((primary and secondary))~~ use of the street right-of-way or other public place by the
3 City and the public for travel, ~~((and))~~ utility purposes, and other public uses or benefits. The City

19 may in its sole discretion remove the skybridge and restore the street right-of-way or public place
20 at the Permittee’s expense, and collect such expense in the manner provided by law.

26 restoration obligations under this ordinance ((for occurrences after the date of such discharge)).
27
28

1 Upon prior notice to the Permittee and entry of written findings that it is in the public interest,
