WHEREAS, the Agency was selected through an Request for Proposal (RFP) issued by the City on February 16, 2011; and,

WHEREAS, the City and the Agency agree that any and all funds provided pursuant to this Contract are provided for the sole purpose of provision of legal services to indigent persons charged with crimes in Seattle Municipal Court (the “Court”);

NOW, THEREFORE, in consideration of the mutual benefits to be derived, the promises and covenants contained herein, and other good and valuable consideration, the parties CONTRACT AND AGREE as follows:

Section 1: DEFINITIONS

- A. **Case Assignment**: A case assignment is that particular case assigned by the City or the Court to the Agency.
1. **Provisional** case assignment will include all cases initially referred to the Agency and may include cases subsequently assigned to other agencies, conflict cases, duplicate assignments, or cases where the defendant sought private counsel. Provisional case assignment may also include post-adjudication cases requiring additional attorney time after the case has been completed or closed.
 2. The Seattle Municipal Court (SMC) will make provisional assignments directly to the defender agencies. The Primary Defender will refer cases in which they find a conflict of interest to the Secondary Defender. The Secondary Defender will refer cases in which they find a conflict of interest to the Primary Defender, unless the Primary Defender has already declared a conflict, in which case the Secondary Defender will refer such cases to the Conflicts Attorney Panel.
 3. To decline a provisional assignment, the agency must forward the case to the next agency/panel attorney no later than one working day after it received the provisional assignment. If the conflict is identified too late in the day for the hard

copy of the assignment and discovery (if any) to be transmitted to the next agency, the agency's SMC division staff must notify the next agency's SMC supervisors(s) and docket clerk by email that the case will be sent the following working day. The email shall specify the client's name, case number, custody status and date of next hearing. To decline a case, the hard copy, PDF, or email of assignment and discovery (if any) must be transmitted to the next agency/panel attorney no later than two working days after initial receipt of the referral.

4. If the case is declined within one working day due to a conflict of interest, and timely sent on for assignment to the next defender agency or to assigned counsel, the agency will not be deemed to have been "assigned" the case. The case need not be reported in open case reports or close case reports. The agency shall not be obligated to contact the defendant.
 5. Final case assignment will not include conflict cases where attorney work is 2 hours or less; duplicate case assignment; or, cases where defendant sought private counsel and the attorney work is 2 hours or less.
 6. A case which was closed and submitted to the Contract Administrator for full payment because the court had issued a bench warrant for the client and had struck all further court dates shall not be considered a new case when that warrant is quashed or served and new hearing dates are set within 12 months of the issuance of the bench warrant.
 7. Probation Review: A hearing arising from a single notice of hearing subsequent to the disposition of the case.
 8. In the event that one probationary hearing handles probationary matters related to more than one case, the Agency will count the work as one case and be awarded one probationary credit.

1. One case is equivalent to one case credit

Additionally, it shall not include any hearing ordered at the conclusion of a deferred sentence, dispositional continuance, or deferred prosecution unless such hearing occurs within forty-five (45) days of sentencing.
1. A restitution hearing ordered at the time of original disposition, whether it is held within forty-five (45) days or subsequently, shall be included as part of the case credit as defined by this disposition description.

The Agency shall begin the work outlined in the "Scope of Work" section ("the Work") upon receipt of written notice to proceed from the City. The City will acknowledge in writing when the Work is complete.

1. The Agency shall provide the legal services of attorneys and staff in compliance with all of the applicable laws and administrative regulations of the United States, State of Washington, City of Seattle, and the Washington State Supreme Court Rules of Professional Conduct (RPC).
 2. Nothing in this Contract shall be construed to impair or inhibit the exercise of independent, professional judgment by an attorney employed by the Agency with respect to any client wherein an attorney-client relationship has been established pursuant to the terms of this Contract.
 3. Nothing in this Contract shall require or permit, without the consent of the client, access to or disclosure of any confidential communication made by a client to any attorney employed by the Agency or any such confidential communications made to agents or employees of the Agency for such attorney; the advice given by an attorney to a client; or any other statements and materials privileged from disclosure in a court of law. Nothing in this contract shall require or permit, without the consent of the client, access to or disclosure of any information protected or governed by the Rules of Professional Conduct and/or attorney-client privilege pursuant to RPC 1.6.

The staffing levels will be reviewed annually. The Secondary Defender funding includes administrative, overhead and supply costs. All numbers are on an annual basis.
- E. Immediate Case Assignment: The Agency shall accept case assignments from the Court if there is an immediate need for representation at a hearing and the Primary Defender is unable to represent the client due to a conflict. Immediate case assignments include situations where the Agency must report to a bench warrant or arraignment hearing because the Primary Defender is unable to represent the client due to a conflict.
- F. Case Management of Assigned Counsel: The Secondary Agency, under the direction and oversight of Municipal Court, will be responsible for managing the Conflict Attorney Panel (CAP) for conflict cases. The Secondary Agency will make the referral to private counsel when the contracted defender agencies have a conflict. The Secondary Agency will work with the Conflict Attorney Panel Oversight Committee, which will consist of representatives or designees from SMC, the Agency, the King County Bar Association, and the Federal Defender.

The Secondary Agency will be responsible for recruitment and training of CAP attorneys. The CAP Oversight Committee will be responsible for the selection of CAP attorneys. The City Budget Office (CBO) will continue to review the CAP billings and approve payment. - G. Conflicts: The Agency reserves the right to decline to advise or represent any client on the basis of actual legal, ethical, or professional conflict of interest. The Agency shall be responsible for checking for conflicts and identifying if a conflict exists. The Agency shall have a written policy which explains how they define conflict cases which they will send to the Contract Administrator. The Agency shall perform a conflicts check before any substantial work is done on the case. No payment shall be made for work done on cases which are subsequently identified as conflicts with the exception of cases in which (after work has been performed) the client obtains a new attorney at his own expense or through a request to the Court; or for other extraordinary circumstances approved by the City including, but not limited to, information or evidence which defense counsel could not have reasonably known or discovered at the time of the initial conflicts check.
- H. Duties and Responsibilities of the Agency: In order to perform its responsibilities under the Contract, the Agency shall have the power and duty to:

 4. Suspend remove, or terminate personnel not adequately performing the duties and responsibilities assigned, mishandling funds, engaging or condoning misconduct, or whose conduct or continued performance of duties is detrimental to the Agency program;
 5. Accept and represent all cases and clients officially referred by the Court unless withdrawal from such representation is allowed in accordance with provisions as stated above;
 6. In the event that this Contract is terminated or not renewed, complete the representation of all clients who have been referred by the Court during the period in which the Contract is in effect for the compensation received or receivable under the terms of the Contract, provided that completed representation is not made impossible by a client's failure to appear;
 7. Participate on any City criminal justice committees or workgroups as requested by the Contract Administrator, the Court, or any other City criminal justice agency.
- I. Duties and Responsibilities of Agency Attorneys: In order to perform their duties under this Contract, staff attorneys of the Agency shall:
1. Counsel and represent in all ensuing criminal proceedings before appeal those clients who are officially referred by the Court. 2. Use City funding to represent clients only in criminal matters in Seattle Municipal Court and related infractions, writs, and Rules for Appeal of Decisions of Courts of Limited Jurisdiction (RALJ) appeals. Attorneys shall not use City funding to represent clients in any matter which is civil in nature other than infractions and writs arising out of, or relating to a criminal Case.
3. Counsel clients with regard to their rights to appellate review and file any necessary notice for appellate review when requested by a client.

Section 5: PERFORMANCE AND QUALIFICATIONS

A. Practice Standards and Records

1. The Agency shall ensure that all attorneys, paraprofessional staff and supervisors shall maintain contemporaneous records of all legal services provided on a specific case. The records shall provide a factual description of the work done and shall be sufficiently detailed to allow monitoring of legal service activity by the Contract Administrator.
2. Upon closing a case, all attorney, paraprofessional and supervisor files associated with the case shall be cross referenced and accessible as a whole for monitoring by the Contract Administrator.
3. The Agency shall establish practice standards to address the following substantive areas of Contract compliance. The practice standards shall set objective expectations for each position and shall be measurable by objective means. With each practice standard, the Agency shall include a procedure for monitoring compliance with the standard. Written practice standards are to be filed with the Contract Administrator by January 1, 2012. Practice standards should address the following areas:
 - a. Attorney practice, including but not limited to;
 - i. Lawyer-client relationship, initial case actions, investigation and preparation, preliminary hearings; disposition without trial; trial; post conviction or fact finding and any other areas of attorney practice deemed appropriate by Agency management or Board.
 - ii. Attorney use of paraprofessionals and expert service.
 - b. Paraprofessional practice.
 - c. Supervision of attorneys and paraprofessionals.
4. The Agency agrees that, within available resources, reasonable efforts will be made by the Agency to continue the initial attorney assigned to a client throughout any case in which representation is undertaken. The Agency is not prohibited from rotating attorneys through various Agency divisions or from assigning a single attorney to handle various aspects of legal proceedings for all indigent persons where such

- method of assignment is the most reasonable method of obtaining effective legal representation for indigent persons.
5. In-custody Defendants: A member of the Agency staff shall visit any assigned in-custody criminal defendant and obtain basic contact and other fundamental intake information for a bond hearing within one (1) working day from notification to the Agency of the assignment of the case and the in-custody status of the client. The assigned attorney, or another Agency attorney if the assigned attorney is unavailable for this purpose, shall visit the in-custody client within five (5) working days from assignment and notification of the in-custody status of the client. This provision applies to clients in custody on the assigned case at any King County adult detention facility. Documentation of this provision shall be noted in the client case file.
 6. Out- of-Custody Defendants: Agencies shall send out-of-custody clients an assignment letter notifying them of their assigned attorney upon assignment of the case. The Agency attorney of record or a temporarily assigned attorney for the client shall make an initial contact through an in person meeting or phone call with out-of-custody assigned clients within five (5) working days from a case assignment and meet them in person no later than the day prior to the first pretrial hearing. If the Agency is unable to locate the client, or the client is unwilling to meet, the Agency may meet this Contract requirement through the assignment letter or phone calls. Documentation of this provision shall be noted in the client case file.
 7. Post-Adjudicated Cases: Attorney contact prior to the provisional assignment will be recognized as meeting the attorney contact requirements related to in-custody and out-of-custody defendants. Documentation of this provision shall be noted in the client case file.
 8. The Seattle City Attorney's Office is responsible for making a copy of discovery available to the Agency. The Agency shall request discovery as soon as possible after case assignment but no later than three (3) working days of the assignment, whether initial or subsequent, on any case. The Agency shall obtain a copy of discovery at arraignment if available. Documentation of this provision shall be noted in the client case file.
 9. Discovery shall be reviewed within five (5) working days after receipt for purposes of determining any conflicts of interest. Documentation of this provision shall be noted in the client case file.
 10. Agency attorneys and support staff shall demonstrate an understanding of all Seattle Municipal Court Local Rules (SMCLR). Nothing in this provision requires an attorney to violate the Rules of Professional Conduct or to fail to provide effective assistance of counsel in order to comply with the local court rules and this Contract.
 11. The Agency shall establish and enforce policies and procedures to ensure that attorney time and other Defender resources funded by this Contract shall only be used for work which is authorized by this Contract.
 12. The Agency shall ensure that a preliminary written response to any written or oral complaints received from the Contract Administrator concerning services provided by

the employees of the Agency or the Agency itself shall be made within three (3) working days of the date the complaint is received by the Agency Director or the Director's designee. Written complaints include e-mail communications. The Contract Administrator shall copy the supervising attorney on any complaints sent to the Agency.

The Agency shall respond to client complaints within one week. A complaint file will be kept by each supervisor documenting the complaints. Subject to the Rules of Professional Conduct the Agency will provide the Contract Administrator with a summary of this documentation and explain how each complaint was resolved. Subject to the Rules of Professional Conduct the Agency will also provide the Contract Administrator with a summary of cases transferred to the Conflict Attorney Panel for conflict that was due to the breakdown in attorney-client communications.

13. The Agency shall establish policies and procedures for pro-bono work provided by staff of the Agency. These policies and procedures shall assure that any such pro bono work is not provided to the exclusion or detriment of legal services that are the subject of this Contract.

B. Minimum Attorney Qualifications:

1. Every attorney providing indigent defense services must be a licensed member of the Washington State Bar and be a member in good standing of the Bar.
2. Every Agency attorney shall satisfy the minimum requirements for practicing law in Washington as determined by the Washington Supreme Court; including but not limited to seven (7) hours of each year's required continuing legal education credits shall be courses relating to criminal law practice or other areas of law in which the Agency provides legal services to clients under the terms of this Contract. The Agency will maintain for inspection on its premises records of compliance with this provision.
3. The Agency may employ interns pursuant to Admission to Practice Rule (APR) 9. No more than 5% of the cases handled by the Agency may be assigned to Rule 9 interns.
4. The Agency attorneys who supervise the misdemeanor attorneys must have at least three years of criminal defense experience in superior, district or municipal courts in Washington State.
5. Unless prior written approval has been granted by the Contract Administrator, no attorney may provide services under this Contract if that attorney has been removed from representation in a case for failure to perform basic services necessary to the case or to the client, or in any manner has been found to be ineffective on appeal by either an ethics panel or by an appellate court.

C. Evaluations:

The Agency director, or his/her designee, shall evaluate the professional performance of Agency attorneys and paraprofessional staff annually. Attorney evaluations should include monitoring of time and caseload records, review of case files, quality of case preparation, as

well as in-court observation. Paraprofessional evaluations shall be sufficiently comprehensive to assess the quality of the actual work performed. The Agency shall submit to the City a summary report of the annual attorney performance evaluations. The summary will note the number of attorneys evaluated, and how many attorneys met the evaluation criteria in each category. The Agency shall make available to the City its evaluation criteria and evidence evaluations were conducted, although all evaluations are to be confidential between the Agency's director and the Agency attorney.

Section 6: PAYMENT

- A. For July through December 2011, the City shall pay the Agency for the services as specified in Section 4, Scope of Work, in the amount estimated to be \$778,817. This amount is based on the 2011 City of Seattle Assistant City Attorney salary schedule. The specific costs are shown in Attachment 2 – 2011 Charges for Public Defense Services. This attachment will be updated by CBO and the Agency yearly to show the 2012, 2013, and 2014 charges.

The amount of payment to the Agency (“Payment”) for the period for January 1, 2012, through June 31, 2014, will be determined based on the 2012, 2013, and 2014 budgets passed by the Seattle City Council.

Any obligation by the City to provide any amount beyond what is available is specifically conditioned on passage by the Seattle City Council of a supplemental appropriation. In the event that no additional funds are available, the caseloads and Contract Payments as currently described shall be renegotiated to reflect total funds available.

Payment for 2012, 2013, and 2014 shall be adjusted to account for changes in projected caseload and changes in cost. Allowable cost increases include inflationary adjustments to the City of Seattle Assistant City Attorney Salary Schedule as specified in Section 2(A) – Compensation of Counsel. The Agency shall use actual costs instead of COLA for FICA, Unemployment, Medicare, and Workers Comp. Agencies will receive the same healthcare adjustment as the City, identified during the CBO budget process. All other costs will include inflationary adjustments but will not increase more than the July to June annual average of the CPI-W identified by CBO during the budget process. Increased or decreased costs due to changes in level of service must be negotiated and approved by the Contract Administrator.

- B. Payment shall be made by the City to the Agency upon the City’s receipt of an invoice itemizing the Work elements performed for the period covered by the invoice and include an electronic spreadsheet itemizing the completed cases corresponding to the invoice. The Agency shall provide the City with the invoice and documentation twenty (20) days after the close of each calendar month. The City will pay the Agency by the thirtieth (30) day of the following month.
- C. The City will pay the Agency as described in Section 6 A and as shown in Attachment 2. The costs described in Attachment 2 will be pro-rated in a fixed monthly Payment.

- D. Completed cases shall be closed and submitted to the Administrator within sixty (60) days of the date of final action. If a client absconds the case may be closed and submitted to the Administrator.
- E. In the event of failure to comply with any items and conditions of this Contract or to provide in any manner the work or services as agreed to herein, the City reserves the right to withhold any payment until the City is satisfied that corrective action has been taken or completed. This option is in addition to and not in lieu of the City's right to termination as provided in Section 11 of this Contract.

Section 8: OPERATING BUDGET

The Agency shall apply Payment received from the City under this Contract in accordance with the approved budget as shown in Attachment 2.

The City makes no commitments to support and assumes no obligation for future support of the activity contracted herein except as expressly set forth in this Contract.

The Payment by the City to the Agency pursuant to the terms of this Contract are solely for the services and expenses that are directly and legitimately related to the performance of the provisions of this Contract. In the event the City determines that Payment pursuant to this Contract were expended by Agency for any purposes other than those set forth in this Contract, such expenditure shall constitute a material breach of this Contract. Income and expenses, including prorated overhead costs, for the Seattle Municipal Court cases shall be reported and traceable in a method consistent with accounting standards in Contract Section 19 below. If the Agency receives any revenue from any other source, the costs paid, including prorated overhead, for work done with that revenue shall be reported and traceable according to the accounting standards noted below.

Section 9: OTHER EMPLOYMENT

The Agency agrees that its legal staff shall have as its primary employment representation of indigent clients. The Agency further agrees that it will abide by all provisions of this Contract regarding Personal Performance of this Contract.

Section 10: CORRECTIVE ACTION

If the City believes that a breach of this Contract has occurred, and if the City believes said breach to warrant corrective action, the following sequential procedure shall apply:

- A. Any dispute or misunderstanding that may arise under this Contract concerning the Agency's performance shall first be resolved through negotiations, if possible, between the Agency's Director or delegate and the City's Contract Administrator or delegate, or if necessary shall be referred to the Director of the City Budget Office (**or delegated representative**). If such officials do not agree upon a decision within a reasonable period of time, the parties may pursue other legal means to resolve such disputes, including but not limited to alternate dispute resolution processes. In absence of an agreed alternative, the following process shall be employed.
 1. The City will notify the Agency and the Board President in writing of the nature of the breach;
 2. The Agency shall respond in writing within three (3) working days of its receipt of such notification, which response shall indicate the steps being taken to correct the specified deficiencies, and the proposed completion date for bringing the Contract into

compliance, which date shall not be more than ten (10) working days from the date of the Agency's response;

3. The City will notify the Agency in writing of the City's determination as to the sufficiency of the Agency's corrective action plan. The determination of the sufficiency of the Agency's corrective action plan will be at the sole discretion of the City; however, the City's determination of the sufficiency of the Agency's corrective action plan shall take into consideration the reasonableness of the proposed corrective action, in light of the alleged breach. In all cases where corrective action is determined by the City to be appropriate, the City shall work with the Agency to implement the plan;
4. In the event that the Agency does not respond within the appropriate time with the corrective action plan, or the Agency's corrective action plan is determined by the City to be insufficient, the City may commence termination of this Contract in whole or in part pursuant to Section 11 (A) Termination;
5. In addition, the City may withhold any payment owed the Agency or prohibit the Agency from incurring additional obligations of funds until the City is satisfied the corrective action has been taken or completed; and
6. Nothing herein shall be deemed to affect or waive any rights the parties may have pursuant to Section 11 Termination.

B. Pending final decision of a dispute hereunder, the Agency shall proceed diligently with the performance of the Contract and in accordance with the direction of the City.

Section 11: TERMINATION

- A. The City may terminate this Contract in whole or in part upon ten (10) working days' written notice to the Agency of good cause. The following constitute good cause for Contract termination:
1. The Agency substantially breaches any duty, obligation, or service required pursuant to this Contract.
 2. The Agency engages in misappropriation of funds or fraudulent disbursement of funds.
 3. The duties, obligations, or services herein become impossible, illegal, or not feasible.

Before the City terminates the Contract under this Section, the City shall provide the Agency written notice of termination, which notice shall include the reasons for termination and the effective date of termination. The Agency shall have the opportunity to submit a written response to the City within (10) working days from the date of the City's notice. If

the Agency elects to submit a written response, the Contract Administrator will review the response and make a determination within ten (10) working days after receipt of the Agency's response. In the event the Agency does not concur with the determination, the Agency may request a review of the decision by the Mayor by written appeal filed within ten (10) days of the Contract Administrator's decision, to the Office of the Mayor. The Contract shall remain in full force and effect until a decision is made and communicated to the Agency by the Mayor. In the event the Mayor reaffirms termination, the Contract shall terminate following the tenth (10) working day from the date of the final decision of and notice by the Mayor, unless a later termination date is specified in the Mayor's notice.

In the event this Contract is terminated in whole or in part pursuant to this Section, the Agency shall be liable for damages, including the reasonable costs of the procurement of similar services from another source unless it is determined by the Contract Administrator that (i) no default actually occurred, or (ii) the failure to perform was without the Agency's control, fault or negligence.

- B. In the event that for any reason, expected or actual funding from any source, not to include funding appropriated by the City from City funds, shall be reduced, withdrawn, suspended, or otherwise not available, the City may suspend or terminate any portion of this Contract which relies on the reduced, withdrawn, suspended, or otherwise unavailable funds.

The City will notify the Agency in writing that the specific funding is no longer available for all or part of this Contract, and upon receipt of such notice, the Agency will be released from performing the services required under the terms of this Contract which relied upon such funding. The City will be released from contracted liability with the Agency for cases not yet assigned pursuant to portions of this Contract for which funds have not been received by the City.

In the event that any such termination is required, the termination of services required to be performed under the terms of this Contract shall be limited to such services that directly rely on such funding; the balance of this Contract shall remain in full force and effect.

- C. In the event of the termination of this Contract, the Agency shall remit any unexpended balance of Payment for cases assigned and not completed, less the amount the City and the Agency agree shall be necessary to deliver services in those cases. The Contract Administrator may request the Agency to attempt to withdraw from any case assigned and not completed. Provided that, should a court require, after the Agency has attempted to withdraw, the appearance of counsel from the Agency for any client previously represented by the Agency where such representation is no longer the obligation of the Agency pursuant to the terms of this Contract, the City will honor payment to the Agency upon judicial verification that continued representation is required. The amount to be paid to the Agency shall be on the same basis as assigned counsel payments.
- D. The Agency reserves the right to terminate this Contract with cause with thirty (30) days written notice should the City substantially breach any duty, obligation or service pursuant

to this Contract. In the event that the Agency terminates this Contract for reasons other than cause resulting from substantial breach of this Contract by the City, the Agency shall be liable for damages, including the excess costs of the procurement of similar services from another source, unless it is determined by the Contract Administrator that (i) no default actually occurred, or (ii) the failure to perform was without the Agency's control, fault or negligence.

- E. In the event that termination is due to misappropriation of funds, non-performance of the scope of services, or fiscal mismanagement, in addition to such other remedies available to the City, the Agency shall return to the City those funds, unexpended or misappropriated, which, at the time of termination, have been paid to the Agency by the City.
- F. Otherwise, this Contract shall terminate on the date specified herein, and shall be subject to extension only by mutual, written agreement of the parties.
- G. Nothing herein shall be deemed to constitute a waiver by either party of any legal right or remedy for wrongful termination of the Contract. In the event that legal remedies are pursued for wrongful termination or for any other reason, the non-prevailing party shall be required to reimburse the prevailing party for all attorney's fees.
- H. In the event of termination or non-renewal of this Contract, all cases not required to be completed by the Agency shall be returned to the Contract Administrator for reassignment.

The Agency shall make affirmative efforts to ensure that applicants are employed, and that employees are treated during employment, without regard to their creed, religion, race, age, color, sex, national origin, marital status, political ideology, ancestry, sexual orientation, gender identity, or the presence of any sensory, mental or physical disability. At the City’s request, the Agency shall provide complete information and verification of the Agency’s compliance.
- B. Any violation of this Section shall be a material breach, for which the City may (1) require the Agency to pay liquidated damages for each day that the Agency is in violation of Seattle Municipal Code Chapter 20.45 during the term of the Contract; or (2) terminate the Contract; or (3) proceed with Debarment as stated in the Debarment Section of this Contract; or (4) impose other remedies as provided for in Seattle Municipal Code Chapter 20.45.

Section 14: LABOR HARMONY

The Agency is required to sign labor peace/labor harmony agreements between the firm and any labor organization that has informed the City or the firm that it seeks to represent employees at the firm. The labor peace/labor harmony agreements will be for the purpose of establishing ground rules for the conduct of the firm and the union during any union organizing effort and collective bargaining process that will guarantee uninterrupted services and to avoid picketing and/or other economic action at the firm that might adversely affect the interests of the City.

Section 15: OTHER LEGAL REQUIREMENTS

Licenses and Similar Authorizations: The Agency, at no expense to the City, shall secure and maintain in full force and effect during the term of this Contract all required licenses, permits, and similar legal authorizations, and comply with all requirements thereof.

In furtherance of these obligations, and only with respect to the City, its employees and agents, the Agency waives any immunity it may have or limitation on the amount or type of damages imposed under any industrial insurance, worker’s compensation, disability, employee benefit or similar laws. - Workers' Compensation per statutory requirements of the Washington industrial insurance Title 51 RCW. It is further specifically and expressly understood that the indemnification provided under Contract Section 16 constitutes the Agency's waiver of immunity under Title 51 RCW solely for the purposes of the indemnification. This waiver has been mutually negotiated by the parties.

Section 18: ESTABLISHMENT AND MAINTENANCE OF RECORDS

- A. The Agency shall maintain accounts and records, including personnel, property, financial, and programmatic records, which sufficiently and properly reflect all direct and indirect costs of any nature expended and services performed in the performance of this Contract.
- B. Said records shall include, but not be limited to, documentation of any funds expended by the Agency for said personal service contracts or subcontracts, documentation of the nature of the service which is rendered, and records which demonstrate the amount of time spent by each subcontractor or personal service contractor rendering service pursuant to the subcontract or personal service contract.

- D. Willful failure to maintain or produce records or other required documentation during the time for maintenance of records may result in specific, related costs being disallowed. In the event the City has reason to believe that such a failure exists, notice shall be given to the Agency and the Agency shall respond in writing. The time for notification and response shall be the same as set forth in Section 11 (A).

If the Agency's response is deemed unacceptable, the question of whether or not specific costs are disallowed shall be determined by a City appointed, qualified independent Certified Public Accountant, in a manner consistent with generally accepted auditing standards and accounting principles. Disallowed costs may be recovered from the Agency by the City.

- A. The Agency shall maintain records and accounts in accordance with accepted accounting practices, including records of the time spent by the Agency on each case.

Upon request, the Agency shall permit the City, and any other governmental agency involved in the funding of the Contract, to inspect and audit all pertinent books and records of the Agency, or any other person or entity that performed work in connection with or related to the Contract services, at any and all times deemed necessary by the city or Agency, including up to six (6) years after the final payment or release of withheld amounts has been made under this Contract. Such inspection and audit shall occur in Seattle, Washington or other such reasonable location as the City or Agency selects. The Agency shall supply the city with, or shall permit the City and/or Agency to make a copy of any books and records and any portion thereof. The Agency shall maintain such data and records in an accessible location and condition for a period of not less than six (6) years following the receipt of final payment under this Contract, unless the City agrees in writing to an earlier disposition.

A copy of this letter shall be provided to the City Contract Administrator along with the annual audit report. The Agency shall provide to the City its response and corrective action plan for all findings and reportable conditions contained in its audit. The Agency shall provide the City with a copy of its IRS Form 990 (Return of Organization Exempt from Tax) when it is filed with the IRS.

All audited annual financial statements shall be based on the accrual method of accounting for revenue and expenditures. Section 20: CONTRACTUAL RELATIONSHIP

The relationship of the Agency to the City by reason of this Contract shall be that of an independent contractor. This Contract does not authorize the Agency to act as the agent or legal representative of the City for any purpose whatsoever and neither the Agency nor its employees shall be deemed employees of the City. The Agency is not granted any express or implied right or authority to assume or create any obligation or responsibility on behalf of or in the name of the City or to bind the City in any manner or thing whatsoever. It is expressly understood and agreed that the Agency and the Agency's employees shall in no event be entitled to any benefits to which City employees are entitled, including, but not limited to overtime, any retirement benefits, worker's compensation benefits, and injury leave or leave benefits. The Agency agrees that it has secured or will secure at the Agency's own expense, all persons, employees, and equipment required to perform the services contemplated/required under this Contract. The Agency further agrees that any equipment or materials acquired with Payment under this Contract shall be utilized for the purpose of performing the services contemplated/required by this Contract.

The Agency shall not assign or subcontract any of its obligations under this Contract without the City's written consent, which may be granted or withheld in the City's sole discretion. Said consent must be sought in writing by the Agency not less than fifteen (15) days prior to the date of any proposed assignment. Any subcontract made by the Agency shall incorporate by reference all the terms of this Contract. The Agency shall ensure that all subcontractors comply with the obligations and requirements of the subcontract. The City's consent to any assignment or subcontract shall not release the Agency from liability under this Contract, or from any obligation to be performed under this Contract, whether occurring before or after such consent, assignment, or subcontract.

Promotional items worth less than \$25 may be distributed by the Agency to City employees if the Agency uses the items as routine and standard promotional materials. Any violation of this provision may result in termination of this Contract. Nothing in this Contract prohibits donations to campaigns for election to City office, so long as the donation is disclosed as required by the election campaign disclosure laws of the City and of the State.

Section 23: NO CONFLICT OF INTEREST

The Agency confirms that the Agency does not have a business interest or a close family relationship with any City officer or employee who was, is, or will be involved in the Agency selection, negotiation, drafting, signing, administration, or evaluating the Agency's performance. As used in this section, the term "Agency" shall include any employee of the Agency who was, is, or will be involved in the negotiation, drafting, signing, administration, or performance of the Contract. As used in this section, the term "close family relationship" refers to the following: spouse or domestic partner; any dependent parent, parent-in-law, child, son-in-law, or daughter-

in-law; or any parent, parent-in-law, sibling, uncle, aunt, cousin, niece or nephew residing in the household of a City officer or employee described above.

The Agency, without additional Payment, shall correct or revise any errors or omissions in the Agency services immediately upon notification by the City. The obligation provided for in this section with respect to any acts or omissions during the term of this Contract shall survive any termination or expiration of this Contract.

Section 25: INTELLECTUAL PROPERTY RIGHTS

- A. Copyrights. The Agency shall retain the copyright (including the right of reuse) to all materials and documents prepared by the Agency in connection with the Work, whether or not the Work is completed. The Agency grants to the City a non-exclusive, irrevocable, unlimited, royalty-free license to use copy and distribute every document and all the materials prepared by the Agency for the City under this Contract. - B. Patents: The Agency hereby assigns to the City all rights in any invention, improvement, or discovery, together with all related information, including but not limited to designs, specifications, data, patent rights and findings developed in connection with the performance of the Contract or any subcontract hereunder. Notwithstanding the above, the Agency does not convey to the City, nor does the City obtain, any right to any document or material utilized by the Agency that was created or produced separate from the Contract or was pre-existing material (not already owned by the City), provided that the Agency has clearly identified in writing such material as pre-existing prior to commencement of the Work. To the extent that pre-existing materials are incorporated in the work, the Agency grants the City an irrevocable, non-exclusive right and/or license to use, execute, reproduce, display and transfer the pre-existing material, but only as an inseparable part of the work.
- C. The City may make and retain copies of such documents for its information and reference in connection with their use on the project. The Agency does not represent or warrant that such documents are suitable for reuse by the City or others, on extensions of the project or on any other project.

Section 26: CONFIDENTIALITY

- A. The Agency understands that any records (including but not limited to proposal submittals, the Contract, and any other contract materials) it submits to the City, or that are used by the City even if the Agency possesses the records, are public records under Washington State law, RCW Chapter 42.56. The City must promptly disclose public records upon a request to the City, unless a statute exempts them from disclosure. The Agency also understands that even if part of a record is exempt from disclosure, the rest of that record generally must be disclosed.
- B. If the City receives a public disclosure request made pursuant to RCW Chapter 42.56, the City will not assert an exemption from disclosure on behalf of the Agency. For materials that the Agency has properly and clearly marked to be confidential, the City may notify the Agency of the request and postpone the release of documents for ten business days to allow the Agency to file a lawsuit seeking an injunction preventing the release of the documents pursuant to RCW 42.546.540. Any notification by the City to the Agency is provided as a courtesy and not a City obligation. Unless the Agency obtains and serves an injunction upon the City before the close of business on the tenth working day after the date of the notification, the City may release the documents. It is the Agency's discretionary decision whether to file the lawsuit.
- C. In order to request that material not be disclosed until receipt of notification of a public disclosure request, the Agency must identify the specific materials and citations very clearly, following the instructions given by the City. The City will not withhold material for notification if the Agency simply marked "confidential" on the document header, footer, stamped on all pages, or offered a generic statement that the entire document is protected. Only material specifically listed and properly cited to the City will be temporarily withheld until the City provides notification of a public disclosure request.
- D. If the Agency does not submit a request following the instructions and forms that the City requires for such purpose, the Agency is deemed to have authorized releasing any and all information submitted to the City.
- E. Notwithstanding the above, the Agency must not take any action that would affect the City's ability to use services provided under this Contract, or the Agency's obligations under this Contract.
- F. The Agency will fully cooperate with the City in identifying and assembling records that may be in the possession of the Agency in case of any public disclosure request.
- G. The Agency will possess, or have access to, information (both materials and information provided by the City or prepared for the City, as a result of the Work). This information is likewise to be treated by the Agency as confidential. The Agency will not permit the duplication or disclosure of such information to any persons (other than its own employee, agent or representative who requires such information for the direct performance of the Agency obligations hereunder), unless such duplication, use or

disclosure is specifically authorized in writing by the City. Such information does not include ideas, concepts, know-how or techniques related to information that, at the time of disclosure, is in the public domain unless the entry of that information into the public domain is a result of any breach of this Contract. Likewise, information does not include that which has been independently developed, already possessed without obligation of confidentiality, or rightfully obtained from a third party without an obligation of confidentiality.

Section 27: EXTRA WORK

The City may desire to have the Agency perform work or render services in connection with this project other than that expressly provided for in Contract Section 4. This will be considered extra work, supplemental to this Contract, and shall not proceed unless authorized by an amendment. Any costs incurred due to the performance of extra work prior to execution of an amendment will not be reimbursed under this Contract or an amendment.

The rights and remedies of the City under these debarment provisions are in addition to any other rights and remedies provided by law or under the Contract.

Federal or Other Debarment: The Agency shall immediately notify the City of any suspension or debarment or other action that excludes the Agency or any sub-consultant from participation in Federal contracts. The Agency shall verify all sub-consultants that are intended and/or used by the Agency for performance of City Work are in good standing and are not debarred, suspended or otherwise ineligible by the Federal Government.
