Abbreviated Legal Description: Lots 11-14, Blk. 13, Pontius 4th Add., V. 7, P. 8

Assessor's Property Tax Parcel Account Number: 684970-0055

Seattle City Light PM #: 250429-3-009

THIS TEMPORARY TIEBACK EASEMENT AGREEMENT ("Easement Agreement") is made this ____ day of _____, 2012, by and between PLYMOUTH HOUSING GROUP, a Washington nonprofit corporation, hereinafter called the "Grantor", and THE CITY OF SEATTLE, a municipal corporation of the State of Washington, acting by and through its CITY LIGHT DEPARTMENT, hereinafter called the "Grantee". Grantor is the owner of real property located in the City of Seattle commonly known as 111 Yale Avenue N., and more particularly described in the legal description attached as **Exhibit A** (the "Property").

1. Grant of Easement. The Grantor, for and in consideration of Twenty-Five Thousand Dollars (\$25,000.00) and other valuable consideration, grants to the Grantee a Temporary Tieback Easement (the "Easement") upon the portion of the Property (the "Easement Area") that is legally described in **Exhibit B** and illustrated in **Exhibit C** ("the Tiebacks").

2. Purpose of Easement. The Grantee shall have the right to use the Easement Area for the purpose of constructing ten (10) rows of horizontal construction tiebacks located between approximately twelve (12) and twenty-eight (28) feet below ground surface (BGS) to support Grantee's 1250 Denny Way (former Greyhound bus station) Environmental Remediation project ("Project"), as depicted in **Exhibit C** ("the Tiebacks"). Grantee shall have the right to maintain the Tiebacks tensioned in place until the Project is completed. When the Project is completed, Grantee shall detension and abandon the Tiebacks in place and shall have no further obligation to Grantor under this Easement Agreement.

3. Damage to Grantor's Property/ Property Inspection. In the event improvements in, on, or under the Property or the Property itself are disturbed or damaged by Grantee's use of the Easement Area, Grantee shall restore the disturbed or damaged improvements or Property to the condition existing as of the date immediately before construction commences. Grantee and Grantor shall, prior to the commencement of construction, make an aboveground inspection of the Grantor's Property to ascertain and memorialize its condition prior to construction, and shall make an aboveground inspection of the Property immediately following detensioning and abandonment of the tiebacks to ascertain and document its condition after construction for the purpose of fulfilling Grantee's obligation under this section. If no part of the Property aboveground is disturbed or damaged by

Grantee's use of the Easement Area, Grantor shall notify Grantee in writing of its satisfaction with Grantee's fulfillment of this section within 10 business days of the final inspection.

4. Grantee's Use of Easement Area. Grantee's right to use the Easement Area is limited by the purposes and conditions of use described in this Easement Agreement. Grantee's right to use the Easement Area shall be non-exclusive for the duration of this Easement Agreement as described in Paragraph 5; however, Grantor may use the Easement Area, and the surface and subsurface above and over the Easement Area, without restriction and without notifying the Grantee.

5. Term of Easement Agreement. This Easement Agreement shall commence: (a) after all parties have signed this Easement Agreement and (b) ten days after this Easement Agreement is approved and accepted by ordinance passed by Seattle City Council, and shall terminate: (a) upon Project completion; or (b) twenty-four (24) months from the commencement date of this Agreement, whichever occurs first.

6. Binding Effect. The Easement granted hereby is solely for the benefit of Grantee, and is personal to Grantee, its successors in interest and assigns. Grantee shall have the right to permit third parties to enter upon the Easement Area to accomplish the purposes described herein, provided that all such parties abide by the terms of this Easement. The Easement granted by this Easement Agreement, and the duties, restrictions, limitations, and obligations created by this Easement Agreement, shall run with the land, shall burden the Property and shall be binding upon and the Grantor and its respective successors, assigns, mortgagees, lessees and sublessees and each and every person who shall at any time have a fee, leasehold, mortgage, or other interest in any part of the Easement Area.

7. Compliance with Applicable Law. Grantee shall at all times exercise its rights under this Easement Agreement and its use of the Easement Area in accordance with the requirements of all applicable statutes, orders, rules, and regulations of any public authority having jurisdiction.

8. Indemnity. Grantee shall indemnify, defend (with counsel reasonably satisfactory to Grantor) and hold Grantor and all of Grantor's officers, directors, partners, members, mortgagees, and assigns harmless from and against any and all losses, damages, claims, penalties, liability, suits, costs, and expenses (including, without limitation, reasonable attorneys' fees) suffered or incurred by the Grantor arising out of or related to Grantee's exercise of the rights granted herein, except to the extent that any such losses, damages, claims, penalties, liability, suits, costs, and expenses (including, without limitation, reasonable attorneys' fees) are suffered or incurred as a result of the negligence or willful misconduct of the Grantor.

Solely for the purpose of effectuating the indemnification obligations hereunder, and not for the benefit of any third parties (including but not limited to employees of Grantee), Grantee specifically and expressly waives any immunity that may be granted it under applicable federal, state or local Worker Compensation Acts, Disability Benefit Acts or other employee benefit acts. Furthermore, the indemnification obligations under this Agreement shall not be limited in any way by any limitation on the amount or type of damages, compensation or benefits payable to or for any third party under Worker Compensation Acts, Disability Benefit Acts or other employee benefit acts. The parties acknowledge that the foregoing provisions of this paragraph have been specifically and mutually negotiated between the parties.

Legislation Title:

AN ORDINANCE relating to the City Light Department; authorizing the Superintendent or his designee to enter into two temporary tieback easement agreements with Plymouth Housing Group and Yale Partners, LLC that contain indemnity provisions on portions of Lots 11 through 16, Block 13, Pontius Fourth Addition to the City of Seattle, according to the plat thereof recorded in Volume 7 of Plats, Page 8, records of King County, Washington; and ratifying and confirming certain prior acts.

Summary of the Legislation:

This ordinance authorizes Seattle City Light to enter into two temporary tieback easement agreements that contain indemnity provisions with Plymouth Housing Group and Yale Partners, LLC. These temporary tiebacks are necessary for environmental cleanup of the City's adjoining property, prior to construction of the new North Downtown Substation.

Background:

As authorized by Ordinance 122804, City Light purchased Lots 17, 18, and 19, Block 13, Pontius Fourth Addition to the City of Seattle, for construction of a new North Downtown Substation. Prior to construction, City Light must undertake an environmental remediation project to remove contaminated soil from the substation site that exceeds Washington State clean-up standards.

In order to complete the environmental clean-up, City Light must enter into temporary tieback easement agreements with two abutting property owners, Plymouth Housing Group and Yale Partners, LLC. The tiebacks are necessary to support a shoring wall necessary for the excavation of contaminated soils. These temporary agreements contain provisions that will indemnify the abutting owners against any damages that may result from the Project. Pursuant to state law, City Council approval by ordinance is required for the indemnity obligations.

City Light will pay Plymouth Housing Group \$25,000 for its easement and \$40,000 plus \$500 per month, for the duration of actual construction, to Yale Partners, LLC for its easement. The payment for these easements is included in prior appropriations for the clean-up project.

X This legislation has no financial implications.

Other Implications:

- a) **Does the legislation have indirect financial implications, or long-term implications?**

No.

- b) **What is the financial cost of not implementing the legislation?**

The City will be unable to complete the environmental remediation of its substation site and will be unable to construct the substation.

- c) **Does this legislation affect any departments besides the originating department?**

No.

- d) **What are the possible alternatives to the legislation that could achieve the same or similar objectives?**

None.

- e) **Is a public hearing required for this legislation?**

No.

- f) **Is publication of notice with *The Daily Journal of Commerce* and/or *The Seattle Times* required for this legislation?**

No.

Office of the Mayor

February 14, 2012

Honorable Sally J. Clark
President
Seattle City Council
City Hall, 2nd Floor

Dear Council President Clark:

I am pleased to transmit the attached proposed Council Bill authorizing the Superintendent of Seattle City Light to enter into two temporary tieback easement agreements with Plymouth Housing Group and Yale Partners, LLC. These agreements are required to perform the cleanup of property purchased for a future proposed electrical substation to meet electrical needs in the South Lake Union area.

City Light purchased the property (1250 Denny Way) in 2009, with environmental conditions taken into consideration. Contaminated soils exceeding State of Washington clean-up standards must be removed in a timely manner, and prior to proceeding with the substation. The clean-up involves deep soil excavation and installation of a shoring wall with temporary tiebacks. The temporary tieback easements to be authorized by this legislation contain provisions that will indemnify the abutting owners against any damages that may result from the project.

Thank you for your consideration of this legislation. Should you have questions, please contact Lynn Best, 386-4586.

Sincerely,

A handwritten signature in black ink, appearing to read "Michael McGinn".
