Barbara A. Wright

Seattle, Washington 98112

Home: [REDACTED]

E-Mail: [REDACTED]

Effective and creative leader experienced in managing and implementing complex projects by working collaboratively in a team environment and building successful community partnerships

Professional Experience

**Assistant Director, Environmental Health Division
2010**

June 2003 – June

Public Health – Seattle & King County

Assisted the Director in the leadership, management and daily operation of the Environmental Health Division with direct oversight of fiscal, personnel, program, education and legal activities within the Division.

- Co-authored first major United States transportation project health impact assessment
- Developed internal direction and program for public health involvement in community and transportation planning
- Provided leadership and strategies for developing partnerships with local and regional planning agencies
- Defined and represented the Division's position on numerous cross-divisional teams addressing obesity, community design, emerging issues, internal systems and leadership issues
- Frequently presented at national conferences on the impacts of the built environment on health and health impact assessments
- Worked collaboratively with public health leaders on development of the Centers for Disease Control successful *Communities Putting Prevention to Work* Grant
- Provided coaching and mentoring of senior-level managers in all management responsibility areas
- Collaboratively developed and implemented numerous policies to improve performance and communication within the Division

**Manager, Community Environmental Health Section
Public Health – Seattle & King County**

September 2001 – May 2003

Managed and provided leadership for the drinking water, wastewater and plumbing programs which includes securing new funding sources, improving customer service, creating new partnerships and coordinating cross-sectional teams. Specific accomplishments include:

- Secured funding for a new Operation and Maintenance program in a challenging budget environment through strategic development of community partnerships, collection of supporting data and a comprehensive presentation to the Board of Health

- Developed strong relationships with industry leaders through public involvement processes, individual meetings and community advisory teams
- Addressed difficult workplace performance issues through mentoring, coaching, defining workplace expectations and team building
- Implemented first phase of scanning documents for records management and provided leadership to secure a \$350,000 Department of Ecology grant for Internet retrieval of historical data for customers
- Developed strong and collaborative relationships with State On-Site Program staff, State Environmental Health Department Directors, Seattle Public Utilities, State Drinking Water staff and King County agencies
- Worked on numerous cross-divisional teams concerning emerging environmental health issues, workplace violence prevention, communication policies, labor management issues, etc.

Administrator, Program Development

1997 – 2001

King County Department of Parks and Recreation, Seattle, Washington

Provided leadership and managed planning activities, complex policy development and program oversight in the areas of acquisition, trail and park development, and the property management of the 20,000-acre King County Park System. Specific duties and accomplishments include:

- Established policy direction for and content of the \$20 million Capital Improvement program and subsequently monitored the Capital Improvement Program projects
- Secured \$2.9 million in grants from state and federal grant programs in 2000-2001 and negotiated complex agreements including a \$1.5 million mitigation project on park property
- Developed policies, strategies and long range plans for acquisition, development and management of park and open space properties
- Pursued partnerships to leverage government funds with community groups from open space to active sports organizations to develop recreational facilities
- Worked collaboratively with elected officials on numerous controversial park development issues
- Changed an unproductive work group into a dynamic and highly motivated team through effective recruiting, training and mentoring
- Established and improved internal and external partnerships through regular communication, protocol agreements and legislation to avoid duplication of efforts and to better utilize government funds

**Director, Water System Services Director
Seattle Water Department, Seattle, Washington**

1993 – 1997

Managed and provided leadership of approximately 225 technical, professional and trade employees who operate, maintain and repair the regional water transmission and distribution facilities. Specific duties included the oversight of an \$18 million budget, customer service, material management, fleet management, apprenticeship program and geographic information system. Specific accomplishments included:

- Created the first apprenticeship program which successfully addressed the on-going loss of technical workers and enhanced the workforce diversity
- Developed a comprehensive, one-year training program for existing workers to improve communication and technical skills which over 95% of pipe workers successfully completed
- Initiated a maintenance management program to reduce operating costs and to anticipate future expenditures

- Provided excellent customer service while addressing highly charged, volatile workplace problems in areas of sexual and racial harassment through training, counseling and disciplinary actions and created a safe workplace for all employees

**Manager, King County Parks Division
Seattle, Washington**

1990 – 1993

Provided management and leadership direction of the 250 full-time and 1,000 part-time employees of the King County Parks Division. This work included planning and developing the King County park, trail and open space system; overseeing county-wide recreation and aquatics programs; overseeing the property acquisition program and operating and maintaining the parks, trails, open space lands and recreational facilities owned by the County. Other specific duties included:

- Managed an \$18.6 million operating budget and a \$34 million capital improvement budget
- Coordinated policy, acquisition and development issues with a variety of community groups
- Initiated the County's first Parks and Open Space Plan
- Administrated the \$117 Million 1989 Open Space Bond and successfully completed a majority of the larger parkland acquisitions and development of a regional trail system
- Worked closely with elected officials on a variety of policies and projects

**King County Parks, Planning and Resources Department
Seattle, Washington**

1988 - 1990

During this three year period, held the positions of Deputy Director of the Department, Acting Section Manager and Open Space Planner. As the Deputy Director, advised and represented the Director on all aspects of the Department duties with management oversight in areas of parks and open space management, parks and open space planning, regional trail system planning, comprehensive planning and cultural resources issues.

**Director, Omaha Parks and Recreation Department
Omaha, Nebraska**

1987 – 1988

Responsible for the management and leadership of a municipal park system with an operating budget of \$20 million including the supervision of 335 full-time and 360 part-time employees.

- Created and implemented a realistic capital improvement program
- Contributed to and oversaw development of city parks and recreation master plan
- Initiated design and maintenance standards for an organization with no written guidelines
- Established first planning section in the department history
- Initiated partnership with natural resource district to develop regional trail system on existing flood control levees
- Increased community support for parks and coordinated fundraising for \$1.7 million dollar stadium expansion project and identified and secured funding for a major park acquisition
- Successfully recruited, hired, trained and set expectations for five senior level employees for a department which had been critically understaffed and functioned poorly
- Worked closely with elected officials in the development of budget, policies and projects

**Chief of Staff
Office of the Mayor**

1981 - 1987

Omaha, Nebraska

During this six year tenure, held the positions of Mayoral Aide and Chief of Staff. Responsibilities included policy development advisor and business manager to the Mayor in a city of 360,000 for all phases of municipal government management.

- Developed the first city-wide capital improvement planning process
- Coordinated problem solving and planning activities with city department directors
- Directly oversaw all Parks Department issues and actively contributed to the philosophy and overall strategic plan for the municipal park system
- Supervised Mayor's personal staff in areas of research, public relations, program design, project implementation and public affairs
- Developed goal setting procedures for department directors
- Oversaw budget preparation and developed budget philosophy
