Work Experience

Nelson\Nygaard Consulting Associates
Associate, Seattle, Washington. January 2010 to present.
Work on transportation projects for public and private sector clients throughout the United States. Specific practice areas include public transit planning and operations, transportation demand management, and multimodal transportation. Tasks include report writing, data collection and analysis, and public engagement.

Seattle Department of Transportation
Travel Demand Modeling Intern, Seattle, Washington. June 2009 to December 2009.
Conducted modeling analysis using the Seattle Travel Demand Model for City of Seattle transportation projects. Updated street and transit network data in the model. Researched and wrote reports on greenhouse gas modeling methodologies and tools, current practices in travel demand modeling, and transportation concurrency programs. Developed materials to explain travel demand modeling to a lay audience.

Nelson\Nygaard Consulting Associates
Intern, Seattle, Washington. May 2008 to December 2009.
Contributed writing, data and GIS analysis, and other work to a variety of sustainable transportation projects.

Parcel Insight
Researcher, Seattle, Washington. September 2007 to December 2009.
Researched properties for Parcel Insight, an environmental and real estate information company. Located and scanned aerial photos and topographic maps of land parcels.

North Central College

Acquisitions Assistant, Naperville, Illinois. April 2005 to August 2007.

Ordered monographs and continuation materials and coordinated payment for items purchased. Supervised student assistants working in the Acquisitions Unit.

Cataloged monographs and theses. Maintained databases using Microsoft Access.

Performed authority control.

*Honors and
Awards*
