CITY CLERK

# RIC COCHRANE LEED AP, MUP, MPA

---

## **Fulbright Fellow, Gujarat, India, February-December, 2008**

"Beyond Participation: (Re)Building Sustainable Communities Via Owner-Driven Reconstruction Programs in South Asia": Analyzed disaster recovery programs specific to equitable, sustainable community development, with emphasis on housing reconstruction and livelihood development.

## **Project Associate, Sustainable Development, O'Brien & Company, Seattle, 2006-2008**

Managed sustainable design development, construction and evaluation for corporate campuses, mixed-use, education, and single-family projects; developed sustainability policies and strategies for municipalities, ports, higher education institutions, and private firms; reviewed and edited specifications and construction documents; consulted to corporate sustainability and corporate social responsibility (CSR) programs; produced technical and market analysis reports.

## **Project Manager, Sustainable Development, Catapult Community Developers, Seattle, 2004-2006**

Managed feasibility, design process, construction, and marketing for public-private development projects throughout Puget Sound; hired and managed design teams and other consultants associated with construction and renovation; developed and maintained working relationships with clients, contractors, and development team members; administered construction contracts and supervised contractors; reviewed and negotiated change order proposals.

## **Additional Employment**

### **Research Analyst, Education Development, Global Education Information Consulting Corporation (GEICC), Ltd., Shanghai, China, 2004**

Conducted a comprehensive analysis of private education demand, capacity, and feasibility in Suzhou for the Dulwich Colleges. Worked closely with local and regional planning, education, and transportation bureaus.

### **Editor and Journalist, Various, 2000-2002**

Worked as a professional editor, journalist, and layout designer for the Lewiston (Idaho) Morning Tribune, Bangkok Post, and Nepali Times, and as a freelancer throughout Southeast Asia.

### **Operations Manager, Global Sports Marketing, Nike, Inc., Beaverton, Ore., 1997-2000, 2001**

Managed strategic marketing initiatives in four key market areas: New York, Atlanta, Miami, and Melbourne. Worked across a complex matrix on a corporate, regional and functional basis. Developed summaries of key activities and key metrics/data collection. Tracked budgets and provided observations on competitor activity. Acted as a liaison to corporate marketing groups/functions. Identified, developed and implemented complex systems and business processes to improve efficiencies, effective business management, and profitability.

## **Education, Professional Certifications & Additional Skills**

LEED AP (Leadership in Energy & Environmental Design Accredited Professional, NC v2.2)

Master of Public Administration (MPA), University of Washington, 2006

Master of Urban Planning (MUP), University of Washington, 2006

Bachelor of Science – Biology, University of Puget Sound, 1996

Language: Beginner level Spanish and Mandarin Chinese

## **Professional Mission Statement**

Build dynamic urban neighborhoods based on equity and opportunity, and that achieve ambitious energy efficiency and sustainability objectives in the built environment.

## **Qualifications**

Mr. Cochrane has significant experience in sustainable design consulting, energy code development and compliance, construction management, real-estate project management, development finance, and policy development and research. He holds Master of Urban Planning and Master of Public Administration degrees from the University of Washington in Seattle. Mr. Cochrane's professional qualifications are reflected in a range of demonstrated, practical skills and qualifications, including:

- + Managing real estate development projects
- + Implementing initiatives and projects in compliance with Federal and State building and energy codes, green building practices and energy policy
- + Developing and implementing energy and sustainability policy
- + Working within state and local planning processes
- + Working independently while demonstrating superior leadership in collaborative team structures
- + Communicating effectively, orally and in writing
- + Making consistent, informed decisions within the scope of professional values and responsibilities
- + Working in fast-paced environments with demonstrated ability to juggle multiple and competing demands and establish priorities, to remain flexible, while providing continual attention to detail
- + Assisting in development and presentation of reviews, summaries, informative reports, and recommendations for leadership teams
- + Training and educating industry professionals and peers
- + Developing and managing budgets

## **Experience**

### **Project Manager, Preservation Green Lab, Seattle, WA, 2010-present**

Ric Cochrane is Project Manager for the Preservation Green Lab, a programmatic field office of the National Trust for Historic Preservation. He directs policy and research initiatives, including the City of Seattle model energy code project; life cycle assessment (LCA) research in partnership with Green Building Services and Cascadia Region Green Building Council; and the Getting to 50 building retrofit project in partnership with the New Buildings Institute (NBI).

### **Program Manager, King County GreenTools, Seattle, WA, 2008-2010**

Directed commercial green building and municipal policy development for King County GreenTools, a county-wide green building program. Provided technical assistance for County assets and policy direction for 39 King County municipalities.
