WHEREAS, on May 21, 2008, the Board and the owner of the designated landmark agreed to controls and incentives, and the Board adopted the Central Waterfront Piers Design Guidelines (LPB 176/08) that apply to Piers 54, 55, 56, 57, and 59 for their use in reviewing and making decisions regarding Certificates of Approval applications and for the use of the City Historic Preservation Officer (CHPO) for this group of properties; and

BE IT ORDAINED BY THE CITY OF SEATTLE AS FOLLOWS:

Section 1. DESIGNATION: Pursuant to SMC 25.12.660, the designation by the Landmarks Preservation Board (the Board) of the improvement known as Pier 56, located at

- 17
18 1. Except as provided in Section 2.A.2 or Section 2.B of this ordinance, the owner
19 must obtain a Certificate of Approval issued by the Board pursuant to SMC
20 Chapter 25.12 and the Central Waterfront Piers Design Guidelines (LPB 176/08),
21 or the time for denying a Certificate of Approval must have expired, before the
22 owner may make alterations or significant changes to the following specific

24 of Alaskan Way (the seawall) to the outer harbor line, and from the north edge of
25 the pier pilings to the south edge of the pilings; the exterior pier shed; and the
26
27

1 exposed interior truss system as it existed at the time of designation. The existing
2 parking area at the west end of Pier 56 and the accessory docking facilities and
3 associated building (known as Pier 55 ½) on the north and west side of Pier 55
4 that lie within the site as described in Section 1.A. are excluded from the
5 designation.

6
7 2. No Certificate of Approval or approval by the CHPO is required for the following:

11 c. The addition of safety and security lighting and cameras on the south, north,
12 east, and west elevations of the pier.
13 d. The addition of street furniture, umbrellas, vendor carts, tents for temporary
14 events and bicycle racks that are not permanently affixed to the designated
15 features.
16

17
18 B. CHPO Approval Process.

19 1. The CHPO may review and approve the items listed in Section 2.B.3 of this
20 ordinance according to the following procedure:

- 21 a. The owner shall submit to the CHPO a written request for the alterations,
22 including applicable drawings and/or specifications.
23 b. If the CHPO, upon examination of submitted plans and specifications,
24 determines that the alterations are consistent with the purposes of SMC
25
26
27

1 Chapter 25.12 and the Central Waterfront Piers Design Guidelines the
2 alterations shall be approved without further action by the Board.

3 c. If the CHPO does not approve the alterations, the owner may submit revised
4 materials to the CHPO, or apply to the Board for a Certificate of Approval
5 under SMC Chapter 25.12, as provided in Section 2.A.

6
7 2. The CHPO shall transmit a written decision on the owner's request to the owner
8 within 14 business days of receipt of the request. Failure of the CHPO to approve
9 or disapprove the request shall constitute approval of the request.

10 3. CHPO approval for changes or alterations to the designated features or
11 characteristics of the landmark described in Section 1.B of this ordinance, is
12 available for the following:

13
14 a. For the specified features and characteristics of the building, the addition or
15 elimination of duct conduits, HVAC vents, grilles, fire escapes, pipes, and
16 other similar wiring or mechanical elements necessary for the normal
17 operation of the building; and changes that encourage energy efficiency and
18 renewable energy efforts including but not limited to solar panels and sky
19 lights.

20
21 b. The replacement of deteriorated wood pier pilings and decking with other
22 materials as necessary to meet requirements of applicable environmental
23 regulations. The Board and the CHPO recognize the unique maintenance
24 challenges of the saltwater environment, and that state and federal regulations
25 make it no longer possible to replace existing wood pier pilings and wood
26
27

1 decking in-kind, but that it is important that the replacement be sympathetic.
2 Specifically, the DNR does not authorize the use of treated wood for pilings or
3 decking replacement of deteriorated wood. Treated wood includes wood
4 treated with creosote, AZCA (Ammoniacal Copper Arsenate), and CCA Type
5 C (Chromated Copper Arsenate). Acceptable alternative wood replacement
6 products for pier pilings and decking are steel, concrete, and recycled plastic,
7 as well as other materials that allow for light penetration through decking.
8

- 9 c. Alterations to the projecting glazed addition on the south elevation of Pier 56.
10 d. New building signage where there is an approved signage plan in place.
11 e. Replacement of existing awnings, if not in-kind.
12

13 Section 3. INCENTIVES. The following incentives are hereby granted on the features
14 and characteristics of Pier 56 that were designated by the Board for preservation:

15 A. Uses not otherwise permitted in a zone may be authorized in a designated
16 Landmark by means of an administrative conditional use permit issued pursuant to Seattle
17 Municipal Code Title 23.
18

19 B. Exceptions to certain requirements of the Seattle Building Code, SMC Chapter
20 22.100, and the Energy Code of the City, SMC Chapter 22.700, may be authorized pursuant to
21 the applicable provisions thereof.
22

23 C. Special tax valuation for historic preservation may be available under Chapter
24 84.26 RCW upon application and compliance with the requirements of that statute.

25 Section 4. Enforcement of this ordinance and penalties for its violation are as provided in
26 SMC 25.12.910.
27

1 Section 5. Pier 56 is hereby added alphabetically to Section II, Buildings, of the Table of
2 Historical Landmarks contained in SMC Chapter 25.32.

3 Section 6. The City Clerk is directed to record a certified copy of this ordinance with the
4 King County Director of Records and Elections, deliver two certified copies to the CHPO, and
5 deliver one copy to the Director of the Department of Planning and Development. The CHPO is

Dear Council President Clark:

I am pleased to transmit the attached proposed Council-Bill that designates Pier 56 as a historic landmark, imposes controls, grants incentives and adds Pier 56 to the Table of Historical Landmarks in the Seattle Municipal Code.
