7
8 Section 11. Subsections A, B, C, D, and E of Section 11.16.317 of the Seattle Municipal
9 Code, which section was last amended by Ordinance 123120, are amended as follows:

10 **11.16.317 Establishing, expanding and reducing restricted parking zones~~((9))~~**

11 A. The Director of Transportation or the Director's designee shall consider whether a
12 restricted parking zone (RPZ)~~((9))~~ within a designated area, would promote certain benefits or
13 would result in adverse impacts.

14
15 1. Benefits that may lead to establishing an RPZ include, but are not limited to:
16 increased access for area residents, reduced traffic congestion, increased traffic or pedestrian
17 safety, reduced air or noise pollution, reduced commuter parking in neighborhoods, prevention
18 of blighted areas, and promoting the use of alternative modes of transportation.

19
20 2. Adverse impacts that may prevent establishing and RPZ include, but are not
21 limited to: transferring a parking problem to a different area, inability to effectively enforce
22 program restrictions, lack of alternative transportation modes, and availability of simpler,
23 cheaper or more effective solutions.

24
25 3. Regardless of potential benefits or adverse impacts that may result, the Seattle
26 Department of Transportation will not install RPZs in any downtown zone, including all zones

1 contained in Map 1A of Chapter 23.49 ((SMC)), in part because of high demand and multiple,
2 competing needs for on-street parking.

3 B. The Director of Transportation may establish a new or expand an existing restricted
4 parking zone whenever 75 percent or more of the capacity of the streets available for parking on
5 ten contiguous blocks (and/or 20 block faces) in such designated area is generally occupied; over
6 35 percent of the vehicles parked on the street in the area are not owned by residents of the
7 designated area; a strong and effective community engagement effort indicating that generally
8 stakeholders in the designated area have reviewed and support the restricted parking zone, which
9 could include a petition signed by a majority of the residents in the designated area in support of
10 the restricted parking zone; and the public interest would be served. In cases where the criteria
11 listed above are not met, the Director of Transportation is authorized to establish a restricted
12 parking zone when, in the Director's judgment, the parking problem will be ameliorated by a
13 restricted parking zone and the public interest would be served.
14
15

16 C. The Director of Transportation or the Director's designee is authorized to engage
17 affected and interested community stakeholders to review and assist in refining any future RPZ
18 proposals.
19

20 1. The public information and involvement program may include department
21 presentations to business and community organizations, information distribution through the
22 City's web site, news releases and related media, direct mailings of informational materials,
23 facilitated meetings, sounding boards, walking tours, surveys, and other techniques as
24 appropriate to the scale of the proposal.
25
26
27
28

1 2. Prior to the Director of Transportation's decision to establish, not to establish,
2 to dissolve, to expand, or to reduce an RPZ by more than two contiguous blocks, the Seattle
3 Department of Transportation shall hold a public hearing where it will provide interested persons
4 an opportunity to submit written and spoken comment into the public record.

5 3. At least 20 days prior to the public hearing, the Seattle Department of
6 Transportation shall mail a notice of hearing containing the hearing time and location to all
7 owners, commercial lessees and residents of property within 300 feet of the affected restricted
8 parking zone.
9

14 immediately after it is filed.
15

16 3. The applicant for the certificate of approval, not involving approval of
17 preliminary and subsequent design phases also may elect to have the appeal proceed immediately

FISCAL NOTE FOR NON-CAPITAL PROJECTS

Department:	Contact Person/Phone:	CBO Analyst/Phone:
Office of Hearing Examiner	Sue Tanner 684-0703	Not applicable

Legislation Title:

AN ORDINANCE relating to notice procedures in Hearing Examiner proceedings, amending Sections 3.02.090, 3.02.100, 5.55.150, 5.55.230, 6.02.290, 6.202.310, 7.20.100, 10.07.050, 10.52.032, 10.52.034, 11.16.317, 14.04.180, 14.06.120, 14.08.180, 14.10.140, 14.16.080, 15.91.006, 15.91.010, 22.206.217, 22.208.050, 22.210.150, 22.220.140, 22.920.160, 23.66.030, 23.78.014, 23.79.012, 23.91.006, 23.91.010, 25.02.080, 25.08.930, 25.10.540, 25.16.110, 25.16.115, 25.20.115, 25.21.135, 25.22.135, and 25.24.085 to allow the option to provide notice by electronic means in specified circumstances and correct section references and format.

Summary of the Legislation:

This legislation expands the modes for providing hearing notices and copies of decisions in Hearing Examiner cases. The bill would add an option for providing notices and Hearing Examiner decisions electronically to those who wish to receive them in electronic format, update and clarify existing Code language, and correct cross-references and formatting.

Background:

Many people involved in Hearing Examiner cases ask to receive hearing notices and decisions electronically. The Office of Hearing Examiner (OHE) presently scans and sends them, but existing Code sections require that hard copies also be sent through the mail. If the requirement for sending hard copies to those who have requested electronic copies were removed, OHE could provide notices and decisions in the parties' desired format while also reducing OHE paper usage and mailing costs. The attached memo provides a more detailed summary of the proposed amendments.

Please check one of the following:

This legislation does not have any financial implications.

(Please skip to "Other Implications" section at the end of the document and answer questions a-h. Earlier sections that are left blank should be deleted. Please delete the instructions provided in parentheses at the end of each question.)

This legislation has financial implications.

(If the legislation has direct fiscal impacts (e.g., appropriations, revenue, positions), fill out the relevant sections below. If the financial implications are indirect or longer-term, describe them in narrative in the "Other Implications" Section. Please delete the instructions provided in parentheses at the end of each title and question.)

Other Implications:

- a) **Does the legislation have indirect financial implications, or long-term implications?**
Over time, the legislation could save money by allowing the use of e-mail and facsimile transmission of notices and decisions, which would reduce mailing and paper costs and staff time.
- b) **What is the financial cost of not implementing the legislation?**
Not applicable.
- c) **Does this legislation affect any departments besides the originating department?**
The legislation would affect all departments that issue decisions which may be appealed to the Hearing Examiner in that they would be receiving hearing notices and decisions in electronic format rather than hard copy. All affected departments were given the opportunity to comment on the legislation, and some provided helpful comments that were incorporated in it.
- d) **What are the possible alternatives to the legislation that could achieve the same or similar objectives?** Not applicable.
- e) **Is a public hearing required for this legislation?**
A public hearing as required and is tentatively scheduled for June 2012.
- f) **Is publication of notice with *The Daily Journal of Commerce* and/or *The Seattle Times* required for this legislation?**
Notice of the public hearing in the Daily Journal of Commerce is required.
- g) **Does this legislation affect a piece of property?**

RE: Proposed Council Bill Allowing Option for Electronic Transmittal of Hearing Examiner Notices and Decisions

Dear Council President Clark:

I am pleased to transmit the attached proposed Council Bill that would allow the Office of Hearing Examiner (OHE) to provide hearing notices and copies of Hearing Examiner decisions electronically to those who wish to receive them in an electronic format.

Background

OHE and DoIT have recently completed a project that allows appeals to the Hearing Examiner and most other case documents to be filed electronically, thereby reducing the amount of paper required to pursue an appeal. Many of those involved in our cases also ask to receive hearing notices and decisions electronically. We presently scan and send them, but existing Code sections require that hard copies also be sent through the mail. If the requirement for sending hard copies to those who have requested electronic copies were removed, OHE could provide notices and decisions in the parties' desired format while also reducing OHE paper usage and mailing costs.

About two-thirds of the Code sections that provide for an appeal to the Hearing Examiner either say nothing about when and how OHE is to provide notice of hearing and copies of decisions, or they simply cross-reference the procedures found in SMC 3.02.090 and .100 for contested cases before the Hearing Examiner. Code sections that provide for an appeal and do include specific requirements for notice of hearing and distribution of decisions handle it in several different ways. A few, including certain tax cases and some proceedings involving abatement, require

notice by certified mail. Another includes very specific requirements for all notices and other documents served on owners of landmarks. No changes are proposed for those Code sections. The rest include a requirement for "mailing" notice of hearing, or "mailing" the decision, or both, and a few specify use of the "U.S. mail". These are the Code sections we ask the Council to amend.

Proposed Amendments

The proposed revisions to SMC 3.02.090 and .100 form the foundation for the remaining amendments. These Code sections provide the default procedures for hearings and decisions in contested cases. OHE interprets longstanding case law as requiring notices "reasonably calculated under all circumstances to apprise interested parties" of hearings and decisions.¹ The procedures in SMC 3.02.090 and .100 likely meet this requirement, so OHE uses them unless other Code sections specific to particular types of cases require different procedures.

If amended as proposed, SMC 3.02.090 and .100 would state that unless otherwise provided, hearing notices and decisions "shall be provided by personal service or mail to each party," but that with the agreement of a party, notice or decisions "may instead be provided to that party by electronic means." (Notice to City agencies would be provided through interoffice mail or electronically.) The rest of the proposed amendments would remove requirements throughout the Code for mailing notices of hearings, mailing decisions, or both. OHE would then default to the procedures found in SMC 3.02.090 and .100 for providing hearing notices and decisions for these cases as we presently do for most other cases.

OHE anticipates that the terms "mail" and "electronic means" in the proposed amendments to SMC 3.02.090 and .100 are sufficiently generic to cover future developments in mail service and communications without need for frequent amendment. In the attached sample of OHE's hard copy appeal form, the first section ("Appellant Information") shows the formats that OHE would offer today for notices and decisions if the proposed amendments were adopted.

Thank you for considering this legislation. Please contact me if I can answer any questions about it.

Sincerely,

Sue A. Tanner
