

This amendment correctly references the list of standards for inspection under the rental housing registration and inspection program

### **22.214.050 Inspection and certificate of compliance required**

\*\*\*

C. If the Department receives a complaint regarding a rental housing unit regulated under this program, the Department shall request that an interior inspection of the rental housing unit identified in the complaint be conducted by a Department inspector using the general authority, process and standards of the full Housing and Building Maintenance Code, Chapters 22.200 through 22.208 of the Seattle Municipal Code. If, after inspecting the rental housing unit the Department received the complaint on, the Department determines the rental housing unit violates the standards in Section ((~~22.214.050.N~~)) 22.214.050.M and would cause the rental housing unit to fail inspection under this Chapter 22.214, the Director may require all other rental housing units on the property be inspected according to Sections 22.214.050.G.1.c and 22.214.050.G.1.d. The inspection of all other rental housing units may be conducted by a private qualified rental housing inspector.
