

**CITY OF SEATTLE**  
**ORDINANCE \_\_\_\_\_**  
**COUNCIL BILL \_\_\_\_\_**

AN ORDINANCE relating to rental housing registration and inspection; adding a new Chapter 22.214 to the Seattle Municipal Code; retitling portions of Chapter 6.440 as Chapter 22.214; amending portions of the retitled Chapter 6.440; and repealing portions of Chapter 6.440.

WHEREAS, the City Council (“Council”) has determined substandard and unsanitary residential buildings and dwelling units exist within the City of Seattle (“City”); and

WHEREAS, the Council adopted Resolution 31221 on June 1, 2010 and requested the Department of Planning and Development (“DPD”) convene a Stakeholders Group that would recommend what the contours of the rental housing inspection program should be; and

WHEREAS, the Council adopted Ordinance 123311 on June 1, 2010 and established the basis for a City’s rental housing licensing and registration and inspection program and included a delayed effective date to allow DPD to work with the Stakeholder Group to determine the extent of the program; and

WHEREAS, the Stakeholders Group met fourteen times between December 2010 and January 2012, resulting in a series of recommendations on the scope of a rental housing licensing program that were provided to DPD and used to develop this ordinance; and

WHEREAS, as permitted by Substitute Senate Bill 6459, the Council is authorized to implement changes to the program initially established under Ordinance 123311. The program changes in this ordinance retitle sections of Ordinance 123311 to align the rental housing inspection regulations to the City’s Housing and Building Maintenance Code instead of the City’s licensing requirements; and amend portions of the existing regulations to implement program recommendations developed by DPD, the Stakeholders group, and public comment; all while continuing the Council’s intent to inspect and register rental housing units in the city as initially provided for under Ordinance 123311; and

WHEREAS, the fees that will be imposed by separate ordinance to recover the cost of the rental housing registration and inspection program are intended to only cover costs to implement and administer the program; NOW THEREFORE,

**BE IT ORDAINED BY THE CITY OF SEATTLE AS FOLLOWS:**

7           Section 12. Section 6.440.080 of the Seattle Municipal Code, which section was adopted  
8 in Ordinance 123311, is retitled and amended as follows:
