Relinquishing portions of two sewer  
main easements

# Easement Relinquishments

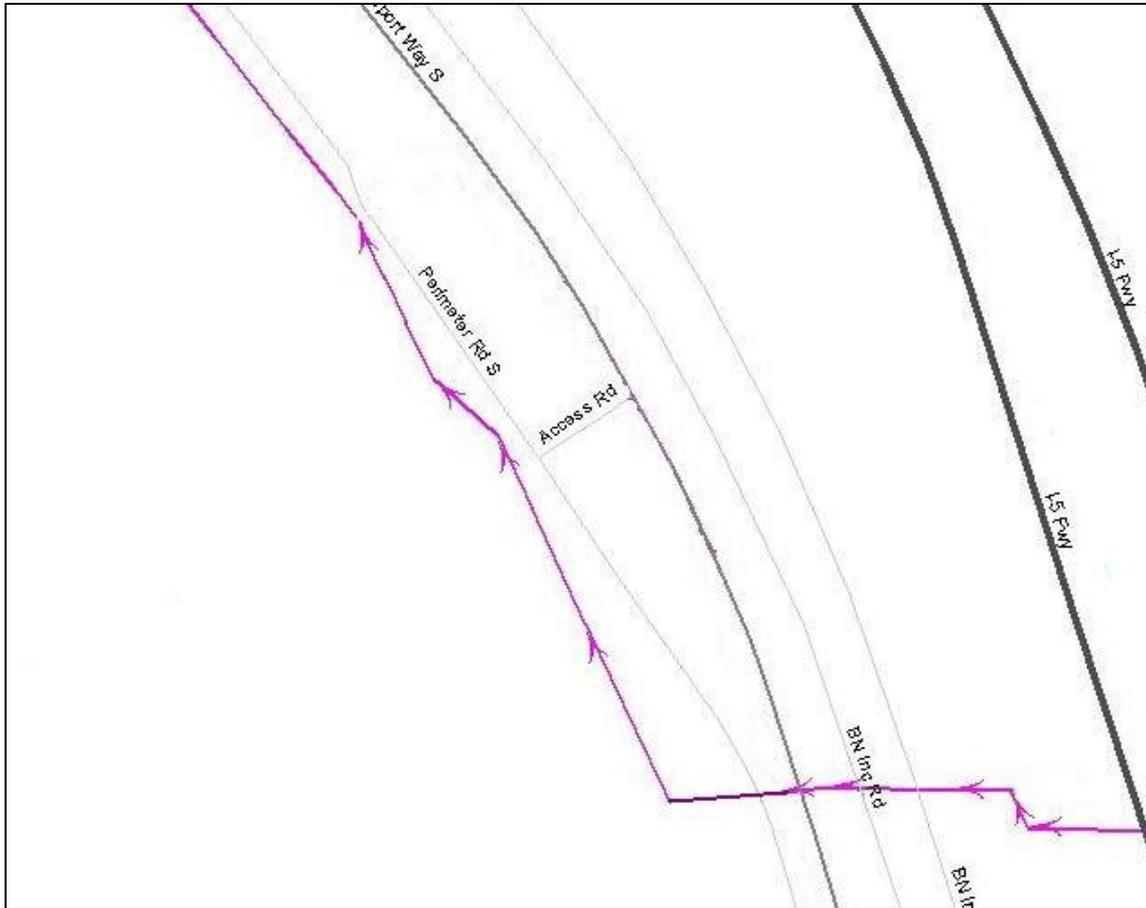

# Original line and pump station circa 1959

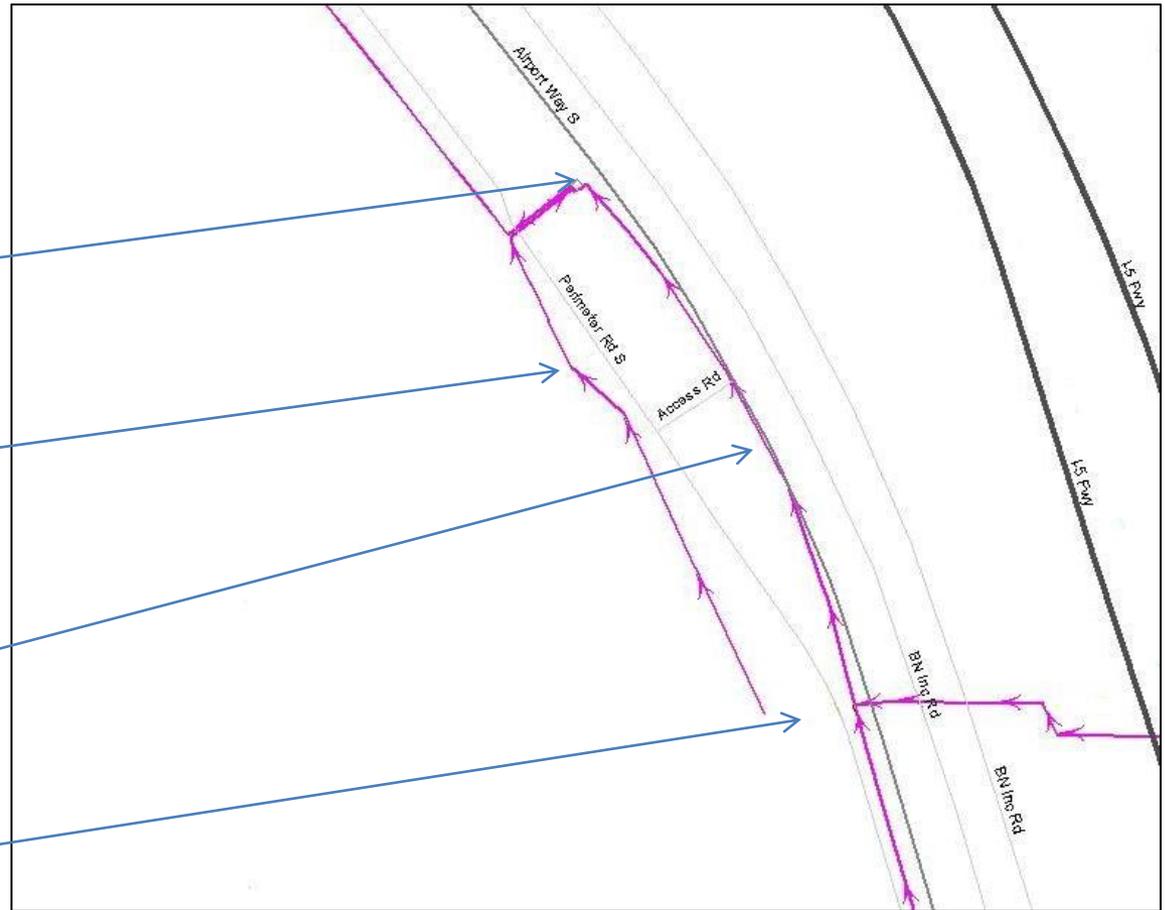

**In 1960, City of Seattle built a sewer system east of Airport Way S and connected it to upstream end.**

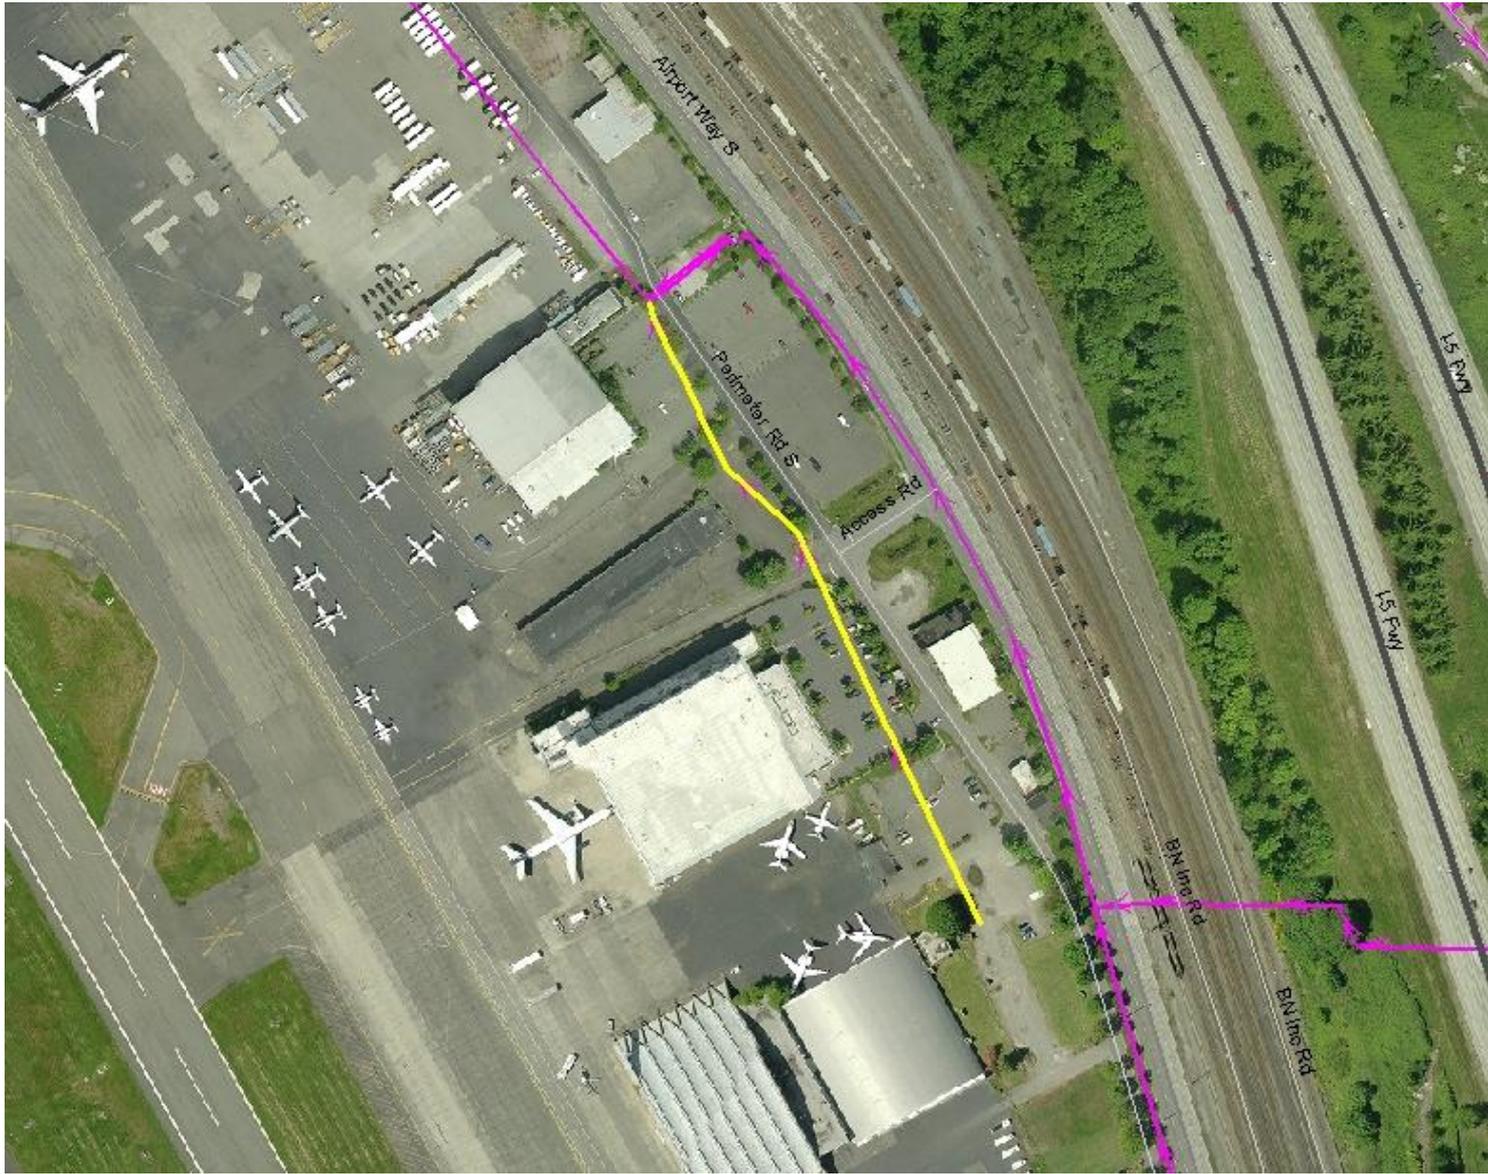

**In 1965  
WSDOT moved  
a portion of the  
sewer line that  
was under I-5**

**In 1967, the City of Seattle:**

- 1. Installed a new pump station**
- 2. Removed an existing pump station**
- 3. Installed a new sewer main**
- 4. Plugged and abandoned a sewer main**
