

Levy-Funded Community Garden Development

PARKS & GREEN SPACES LEVY

P-PATCH COMMUNITY GARDENING PROGRAM

Project Selection Priorities

HIGHEST

- Currently underserved by P-Patch program
- Neighborhood called out in the Parks Levy
- Relatively high percentages of historically and currently underserved populations, including low-income, seniors, immigrants and refugees
- Feasible site(s) already identified and community organizing in place

HIGH

- Designated urban village(s) under the Comp. Plan
- Aligns with city's revitalization focus on Southeast Seattle and South Park
- Relatively limited food access
