

Alaskan Way Viaduct **REPLACEMENT** PROGRAM

Seattle City Council
March 11, 2013

Expert Review Panel

- Findings from 2013 report:
 - Program is proceeding within approved budget.
 - WSDOT implemented several of ERP's 2012 recommendations and met many project delivery milestones.
 - Must continue to manage the project schedule and risk closely.
 - Continue work to secure funding sources.
 - Continue to manage risk and monitor ambitious project schedule.
 - Complete WSDOT / City of Seattle agreement outlining roles and responsibilities for surface street projects.

South End Viaduct Replacement

Construction Timeline

 South Holgate Street to South King Street Project

 SR 99 Tunnel Project

Tunnel Boring Machine Update

Preparing for Departure

Tunnel Launch Pit

Tunnel Spoils Conveyor Belt

A similar conveyor belt system at a tunneling project in Asia.

The SR 99 tunnel conveyor belt system foundations beginning to take form.

Preparing for TBM Arrival

SR 99 Tunnel Project Work Site
