

**CITY OF SEATTLE**  
**RESOLUTION 31448**

A RESOLUTION relating to the 2005 Transportation Strategic Plan Update, adopted by Resolution 30790, and the Seattle Transit Plan: To Get Seattle Moving, adopted by Resolution 30799; and authorizing an amendment to the Transit Classification Map.

WHEREAS, by Resolution 26904, the City of Seattle adopted the Seattle Comprehensive Transportation Program (SCTP), a classification system for all Seattle streets; and

WHEREAS, by Resolution 27152, the City of Seattle adopted revisions to the SCTP, Street Classification Guidelines and the Street Classification Maps, which included traffic, transit, truck, bicycle, pedestrian and boulevard classifications; and

WHEREAS, by Resolutions 30790 and 30799, the City of Seattle adopted the TSP and the Seattle Transit Plan, which incorporate an updated classification system for all Seattle streets including traffic, transit, truck, bicycle, and boulevard classifications; and

WHEREAS, by Resolutions 31367, the City of Seattle adopted the Transit Master Plan, which identified key corridors linking urban villages and established performance standards; and

WHEREAS, Metropolitan King County's Metro Transit has proposed routing changes that require revisions to the Transit Classification Map; and

WHEREAS, the City recognizes that periodic changes to Metro Transit's service are necessary for transit service to be responsive to changing conditions, and to maintain a high quality of transit service consistent with the TSP and Seattle Transit Plan; and

WHEREAS, these transit classification changes are consistent with the street classification guidelines found in the Seattle Transit Plan, which focus transit service on streets that are designed to withstand transit vehicle weights and with compatible surrounding land uses; and

WHEREAS, these transit classification changes support the goals and policies of the Seattle Comprehensive Plan, last amended by Ordinance 123854, as well as the strategies of the City's TSP and Seattle Transit Plan; NOW, THEREFORE,

**BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF SEATTLE, THE

**Legislation Title:**

A RESOLUTION relating to the 2005 Transportation Strategic Plan Update, adopted by Resolution 30790, and the Seattle Transit Plan: To Get Seattle Moving, adopted by Resolution 30799; and authorizing an amendment to the Transit Classification Map.

**Summary of the Legislation:**

In 2012, King County Metro approved routing changes that require revisions to the Transit Classification Map. The revisions to the Transit Classification Map are necessary to allow King County Metro to operate service on designated streets. Thirty street segments are proposed for reclassification. Of these thirty segments, fourteen segments are proposed as major transit streets, ten segments are proposed as minor transit streets and six segments are proposed as local transit streets. By adopting the revised Transit Classification Map, this will allow King County Metro to provide transit service that is consistent with the Seattle Transit Master Plan and support the goals and policies of the Seattle Comprehensive Plan.

**Background:**

The proposed legislation relates to the 2005 Transportation Strategic Plan, adopted by Resolution 30790, and the Seattle Transit Plan: To Get Seattle Moving, adopted by Resolution 30799, and authorizing an amendment to the Transit Classification Map. Seattle Comprehensive Transportation Program (SCTP) was adopted by Resolution 26904 and Resolution 27152 adopted revisions to the SCTP, Street Classifications Guidelines and the Street Classification Maps, which included traffic, transit, truck, bicycle pedestrian and boulevard classifications. Resolution 31367 adopted the Seattle Transit Master Plan which identified key corridors linking urban villages and established performance standards. In 2012, King County adopted routing changes that required revisions to the Transit Classification Map.

Proposed 2013 Transit Reclassification Map

City of Seattle  
Office of the Mayor

April 9, 2013

Honorable Sally J. Clark  
President  
Seattle City Council  
City Hall, 2<sup>nd</sup> Floor

Dear Council President Clark:

I am pleased to transmit the attached proposed Resolution that revises the Transit Classification Map.

In 2012, the City of Seattle adopted the Transit Master Plan, which identified key corridors linking urban villages. King County Metro has proposed routing changes that require revisions to the Transit Classification Map. These revisions are necessary to allow King County Metro to operate service on designated streets. Adopting the revised Transit Classification Map will allow King County Metro to provide transit service consistent with the Seattle Transit Master Plan and support the goals and policies of the Seattle Comprehensive Plan.

Thank you for your consideration of this legislation. Should you have questions, please contact Jonathan Dong at (206) 233-8564.

Sincerely,

Michael McGinn  
Mayor of Seattle
