CITY OF SEATTLE
ORDINANCE _____
COUNCIL BILL 117802

AN ORDINANCE relating to Freeway Park; authorizing an agreement between the City of Seattle and First Hill/Eighth Avenue LLC concerning connecting a private development to the Pigott Corridor portion of Freeway Park; and ratifying and confirming certain prior acts.

WHEREAS, the City owns, operates and maintains improved real property and appurtenant structures, improvements and landscaping, commonly known as Freeway Park ("Freeway Park"), with a designated street address at 700 Seneca Street, City of Seattle, King County, Washington; and

WHEREAS, in 1975, the City passed Ordinance No. 104768 defining jurisdiction over a portion of Lot 1, Block 105 A.A. Denny's Broadway Addition (the "Fire Lane") as being held for road purposes up to an elevation of 212 feet above mean sea level, City of Seattle datum; and for park, recreation and open space uses above that point; and

WHEREAS, in 1985, Horizon House, a Washington non-profit corporation, completed an improved above-grade pedestrian walkway connecting public streets to Freeway Park known as the Paul Pigott Memorial Corridor ("Pigott Corridor"), and granted to the City of Seattle a non-exclusive easement including the area of the Pigott Corridor structure, recorded in King County, Washington, King County Recording Number 8507230688 (the "Pigott Corridor Easement"), and ownership and control of the Pigott Corridor structure by bill of sale recorded in King County, Washington, King County Recording Number 8507230687; and

WHEREAS, since 1985 and continuing through the present, the City owns, operates and maintains the Pigott Corridor within the Pigott Corridor Easement. The Pigott Corridor Easement includes a provision stating: "no private building or buildings or other permanent structures shall be constructed or permitted to remain within the boundaries of said easement without written permission of the City;" and

WHEREAS, First Hill/Eighth Avenue LLC ("First Hill") is the fee owner of that certain real property located at the corner of Seneca Street and 8th Avenue, commonly known as 800 Seneca Street in the City of Seattle, King County, Washington (the "First Hill Property"); and

1 WHEREAS, First Hill is pursuing construction approvals from the City for a residential
2 development located on the First Hill Property and, in part, over or on the Pigott Corridor
3 Easement and the Fire Lane property ("Project"). One feature of the Project is an open
4 space plaza that will connect to the Pigott Corridor. The open space plaza (the
5 "Connection") will be located atop a podium above a parking garage and is designed to
6 improve public pedestrian access into and out of Freeway Park and to increase
7 connectivity from downtown Seattle to the First Hill neighborhood and vice versa; and

8 WHEREAS, First Hill is acquiring from Horizon House easement rights for portions of the
9 Connection to occupy the existing Pigott Corridor Easement area, known as the "Pigott
10 Corridor Connection Strip;" and

11 WHEREAS, the Connection will have the effect of activating underused portions of Freeway
12 Park and provide park users with nearby amenities not otherwise available; and

13 WHEREAS, Freeway Park Association and other neighbors of the Pigott Corridor have been
14 consulted and agree that the proposed improvements are in the best interests of the
15 community; and

16 WHEREAS, the Connection is to be constructed within portions of the First Hill Property, within
17 portions of the Pigott Corridor Connection Strip, and within a small portion of the Fire
18 Lane property; and

19 WHEREAS, in addition to construction approvals, First Hill requires City consent to physically
20 connect the Connection to the Pigott Corridor, City permits for occupancy of a portion of
21 the Fire Lane property by the Connection, and, under the terms of the Pigott Corridor
22 Easement, City written consent to construct the Connection within the Pigott Corridor
23 Connection Strip; and

24 WHEREAS, the Seattle Department of Parks and Recreation has reviewed First Hill's
25 construction plans, is prepared to issue a Revocable Use Permit for construction activities
26 in the Pigott Corridor Connection Strip, and recommends granting consent to the location
27 of the Connection in the Pigott Corridor Connection Strip and consent to the physical
28 connection between the Connection and the Pigott Corridor subject to the conditions
contained in the Consent and Agreement to Connection and Public Use attached to this
ordinance as Attachment 1; and

WHEREAS, the Seattle Department of Transportation ("SDOT") has jurisdiction over the Fire
Lane property below an elevation of 212 feet above mean sea level, City of Seattle
datum, and the Seattle Department of Parks and Recreation ("Parks") has jurisdiction
over that portion of the Fire Lane property above an elevation of 212 feet above mean sea
level, City of Seattle datum. The Fire Lane property is a public place as defined in
Seattle Municipal Code 15.02.046.G. SDOT is prepared to issue an annual overhang

1 permit to First Hill for the Connection in the Fire Lane property and Parks is prepared to
2 delegate authority to SDOT to include that portion of the Fire Lane property under Parks'
jurisdiction in the annual overhang permit; NOW, THEREFORE,

3 **BE IT ORDAINED BY THE CITY OF SEATTLE AS FOLLOWS:**

4 Section 1. The Superintendent of Parks and Recreation, or his designee, is hereby
5 authorized, on behalf of the City of Seattle, to sign an agreement with First Hill/Eighth Avenue
6 LLC, a Washington limited liability company, substantially in the form of the "Consent and
7 Agreement to Connection and Public Use" attached to this ordinance as Attachment 1, which
8 affects the real property described in Attachment 1, including the City's Pigott Corridor, a
9 portion of a non-exclusive easement from Horizon House to the City Recorded under Number
10 850723688 in the Office of the King County Recorder, and a portion of Lot 1, Block 105 A.A.
11 Denny's Broadway Addition as described in Ordinance No. 104768.

12 Section 2. Any act consistent with the authority of this ordinance taken after its passage
13 and prior to its effective date is ratified and confirmed.

CONSENT AND AGREEMENT TO CONNECTION AND PUBLIC USE

THIS CONSENT AND AGREEMENT TO CONNECTION AND PUBLIC USE (the "**Agreement**") is entered into this ____ day of _____, 2013 ("**Effective Date**"), by and between the CITY OF SEATTLE, a municipal corporation (the "**City**"), and FIRST HILL/EIGHTH AVENUE LLC, a Washington limited liability company ("**First Hill**").

RECITALS

A. WHEREAS, the City owns, operates and maintains improved real property and appurtenant structures, improvements and landscaping, commonly known as Freeway Park ("**Freeway Park**"), with a designated street address at 700 Seneca Street, City of Seattle, King County, Washington.

B. WHEREAS, the City was party to a number of real estate transactions associated with Freeway Park. Among those transactions were:

In 1975, the City passed Ordinance No. 104768 defining jurisdiction over a portion of Lot 1, Block 105 A.A. Denny's Broadway Addition (the "**Fire Lane**") as being held for road purposes up to an elevation of 212 feet above mean sea level, City of Seattle datum; and for park, recreation and open space uses above that point.

In 1981, the City conveyed fee simple title to the R.C. Hedreen Company and Horizon House, Inc. for Lot 1, Block 105 A.A. Denny's Broadway Addition, less the Fire Lane, by Warranty Deed recorded in King County, Washington, King County Recording Number 8201110393, and the City reserved no rights to any of the air space above the portion of Lot 1 that was conveyed. R.C. Hedreen Company conveyed its interest in Lot 1, Block 105 A.A. Denny's Broadway Addition to Horizon House, Inc. via Quit Claim Deed recorded in King County, Washington, King County Recording Number 8201110394.

C. WHEREAS, in 1985, construction was completed of an improved above-grade pedestrian walkway connecting public streets to Freeway Park known as the Paul Pigott Memorial Corridor ("**Pigott Corridor**"), which is located upon a portion of Lot 1, Block 105 A.A. Denny's Broadway Addition. In 1985, Horizon House, a Washington non-profit corporation, granted to the City of Seattle a non-exclusive easement including the area of the Pigott Corridor structure, recorded in King County, Washington, King County Recording {02147358.DOC;18 }

Number 8507230688 (the "**Pigott Corridor Easement**"), and ownership and control of the Pigott Corridor structure by bill of sale recorded in King County, Washington, King County Recording Number 8507230687. Since 1985 and continuing through the present, the City owns, operates and maintains the Pigott Corridor within the Pigott Corridor Easement. The Pigott Corridor Easement includes a provision stating: "no private building or buildings or other permanent structures shall be constructed or permitted to remain within the boundaries of said easement without written permission of the City."

D. WHEREAS, pursuant to the above described actions, the City owns the Pigott Corridor structure, controls non-exclusive easement rights to the Pigott Corridor Easement, and the City owns the Fire Lane property, all legally described on Exhibit A hereto.

E. WHEREAS, First Hill is the fee owner of that certain real property located at the corner of Seneca Street and 8th Avenue, commonly known as 800 Seneca Street in the City of Seattle, King County, Washington, legally described on Exhibit B hereto (the "**First Hill Property**").

F. WHEREAS, First Hill has obtained a Master Use Permit ("MUP") and revisions, MUP Nos. 3003307, 3012797, and 3014499, and is pursuing construction approvals from the City for a residential development located on the First Hill Property and, in part, over or on the Pigott Corridor Easement and the Fire Lane property ("**Project**"). One feature of the Project is an open space plaza that will connect to the Pigott Corridor. The open space plaza (the "**Connection**") will be located atop a podium above a parking garage and is designed to improve public pedestrian access into and out of Freeway Park and to increase connectivity from downtown Seattle to the First Hill neighborhood and vice versa. Such improved access and increased connectivity is highly desired by the community.

G. WHEREAS, First Hill is acquiring from Horizon House easement rights for portions of the Connection to occupy the existing Pigott Corridor Easement area, known as the "**Pigott Corridor Connection Strip**," and the aerial location of the Connection within the 12 foot wide Pigott Corridor Connection Strip is legally described and depicted on Exhibit C.

H. WHEREAS, the Connection is to be constructed within portions of the First Hill Property, within portions of the Pigott Corridor Connection Strip, and within a small portion of the Fire Lane property (the "**Fire Lane Side Slope Triangle**"), and the location of the Connection within the Fire Lane Side Slope Triangle is legally described and depicted on Exhibit D.

I. WHEREAS, the Seattle Department of Transportation ("SDOT") has jurisdiction over the Fire Lane property below an elevation of 212 feet above mean sea level, City of Seattle datum, and the Seattle Department of Parks and Recreation ("Parks") has jurisdiction over that portion of the Fire Lane property above an elevation of 212 feet above mean sea level, City of Seattle datum. The Fire Lane property is a public place as defined in Seattle Municipal Code 15.02.046.G. SDOT is prepared to issue an annual overhang permit to First Hill for the Connection in the Fire Lane Side Slope Triangle and Parks is prepared to delegate authority to SDOT to include that portion of the Fire Lane Side Slope Triangle under Parks' jurisdiction in the annual overhang permit.

NOW, THEREFORE, for and in consideration of the consents and covenants contained in this Agreement, the parties hereto agree as follows:

AGREEMENT

1. **City Consent.** In consideration of, and subject to, First Hill's grants, covenants and obligations under this Agreement, the City agrees and consents as follows:

1.1 To satisfy the requirement for the City's "written permission" under the Pigott Corridor Easement to connect to or otherwise construct structures within the Pigott Corridor Easement area, and for no other purpose, the City hereby consents to First Hill's construction of the Connection, substantially in conformance with the plans titled Final Record Set, prepared by KwanHenmi, dated March 6, 2013, ("Plans") retained in the files of Parks and available for inspection upon request and reasonable notice, over, through and across the Pigott Corridor Connection strip.

1.2 Parks hereby consents to First Hill's application to SDOT for an annual overhang permit covering the encroachment of the Connection into the Fire Lane Side Slope Triangle, including that portion under the jurisdiction of Parks.

1.3 The City hereby consents to modification of the Pigott Corridor and attachment of the Connection to the Pigott Corridor as shown on the Plans.

2. **First Hill Grant of Public Access.** First Hill shall construct the Connection substantially in conformance with the Plans. As shown on the Plans, in particular Sheet A1.00, the Connection extends across the Project site from the public sidewalks at the corner

of 8th Avenue and Seneca Street to the Pigott Corridor. First Hill hereby grants, for so long as the Project is in existence, to the City public access over, through, and across the Connection, for the purpose of ingress, egress and pedestrian traffic and use. Except in case of emergency or during limited times when the Connection must be closed for cleaning, maintenance, repair, or reconstruction, public access shall be available during at least the hours that Freeway Park is open to the public.

3. First Hill Use Requirements.

3.1 Compliance with Law. First Hill shall comply with all applicable laws, codes and regulations when exercising any of the rights or performing any of the obligations described in this Agreement.

3.2 Maintenance and Repair. First Hill shall perform ordinary cleaning of and maintenance and repairs to the Connection as necessary to maintain the Connection in a clean and safe condition. All of the costs of the aforementioned cleaning, maintenance and repair responsibilities shall be paid solely by First Hill unless certain work is required by the negligent or intentionally wrongful act or omission of the City or its agent, in which case the City shall pay for said work.

3.3 Insurance. First Hill shall at all times during the duration of this Agreement maintain, at its own expense, the following insurance:

(i) Broad-form All Risk property insurance including but not limited to a) full replacement cost of the Connection and b) earthquake and flood coverage on the Connection for full replacement cost,

(ii) Commercial general liability ("CGL") insurance in an amount not less than \$1,000,000 combined single limit bodily injury and property damage, \$2,000,000 general aggregate and \$2,000,000 products-completed operations written on an occurrence form, which shall include, without limitation, coverage for a) premises/operations, b) contractual liability, c) products and completed operations, d) personal injury, and e) independent contractors (indirect/contingent liability), based on the Insurance Services Office form CG 00 01 or equivalent, and

(iii) Umbrella/Excess Liability insurance in excess of the coverage above, with limits of not less than \$4,000,000 per occurrence and annual aggregate, written on an occurrence form. The minimum total limits requirement may be satisfied with primary CGL or any combination of primary and excess/umbrella limits.

3.3.1 General Insurance Requirements:

- A. Providing evidence of coverage for these stated minimums limits of liability shall not relieve First Hill or any of its respective insurers from liability for claims in excess of such stated minimum limits of liability should higher limits of liability be placed. Such insurance shall be maintained with an insurer (1) authorized to do business in the state of Washington and maintain a current AM Best's Rating of at least "A-VII," or an equivalent industry rating, "The City of Seattle" shall be included as an additional insured for primary and non-contributory basis as respects insurance coverages specified above. Such additional insured status shall (1) be evidenced by an ISO endorsement form CG 20 12 endorsement or equivalent, (2) be primary and non-contributory as respects the City's insurance, and (3) contain a "separation of insureds" provision.
- B. Any policy which provides the insurance required under this Subsection 3.3 shall: (a) be endorsed to be primary to any insurance maintained by the City, (b) contain a severability of interest provision in favor of the insured, and (c) contain a waiver of any rights of subrogation against the City. Neither the insurance required to be carried hereunder, nor the granting of the Connection rights or any other right exercised by First Hill hereunder, nor anything in this Agreement shall limit First Hill's or other person's or entity's responsibility under the law or under this Agreement to City for damage to persons, land, buildings or property.
- C. Coverage shall not be reduced or canceled without thirty (30) days prior written notice to the City, except ten (10) days with respect to cancellation for non-payment of premium, unless a longer notice period is required under RCW 48.18.290.
- D. The City reserves the right to alter minimum coverages and/or limits of liability upon periodical review of the appropriateness of such limits in view of inflation and/or changing industry conditions and to require an increase in such coverages or limits upon ninety (90) days prior written notice.

3.3.2 Evidence of Insurance

- A. First Hill shall deliver to the City certification of insurance no later than the Effective Date. The certification of insurance must include the following:

(1) An ACORD certificate or equivalent form fully disclosing all coverages and limits of liability maintained; and (2) a copy of the additional insured endorsement or blanket additional insured language to the Commercial General Liability documenting that the City of Seattle is an additional insured for primary and non-contributory limits of liability and Products and Completed Operations Additional Insured.

- B. At any time upon the City's request, First Hill shall forward to the City a true and certified copy of any insurance policy(s).
- C. Certification of insurance shall be delivered to: Seattle Department of Finance and Administrative Services, Director Risk Management Division, P.O. Box 94669, Seattle, WA 98124-4669, with a copy to: Seattle Department of Parks and Recreation, Director Property Management Division, 100 Dexter Avenue N, Seattle, WA 98109.

3.4 Indemnification. First Hill shall indemnify, defend and hold the City, its officials, officers, employees and agents harmless from and against any loss, claim, suit, damage or injury sustained as a result of the acts or omissions of First Hill or its employees, agents or contractors on or about the Connection to the extent permitted by RCW 4.24.115. Solely to give full force and effect to First Hill's indemnity obligation contained herein and not for the benefit of any person, First Hill specifically and expressly waives any immunity it may have under the Washington State Industrial Insurance Act, Title 51 RCW or any other industrial insurance, workers' compensation or similar laws and acknowledges that this waiver was mutually negotiated by the parties as part of the consideration for this Agreement. This provision shall not be interpreted or construed as a waiver of First Hill's right to assert such immunity, defense or protection directly against any of its own employees. In no event shall First Hill's indemnification obligations under this Agreement be limited to the extent of any insurance available to or provided by First Hill.

4. Pigott Corridor Easement. Nothing in this Agreement is intended to modify the City's rights under the Pigott Corridor Easement, including, without limitation, the City's right to enter the Pigott Corridor Easement area for all purposes described in the Pigott Corridor Easement. In connection with its maintenance, repair, alteration, reconstruction and operation of the Pigott Corridor, the City shall exercise all due care in the area of the Connection, and, to the extent applicable, shall comply with applicable laws, codes, regulations and the terms of this Agreement.

5. Notice and Cure; Remedies. Neither party shall exercise any rights against the other with regard to this Agreement unless the other is in default of this Agreement beyond applicable cure periods. Neither party shall be in default of this Agreement unless the non-defaulting party has first provided written notice of the default and has allowed the defaulting party 30 days to cure the default or, in the event that more than 30 days are required to cure the default, 30 days to begin performance necessary to cure the default. In addition, City shall provide a copy of any notice of default delivered to First Hill to any lender holding a lien upon the First Hill Property (each, a "**Lender**") whose address has been provided to City. City shall provide any such Lender a reasonable opportunity to cure any default on the part of First Hill, and shall accept the performance by Lender of any obligation of First Hill hereunder. In addition to remedies at law, the parties are entitled to pursue equitable remedies, including specific performance.

6. Notices. Notices delivered with regard to this Agreement shall be sent to the applicable address included under the signature line of each party to this Agreement, unless otherwise provided in this Agreement. Notices that are delivered in person shall be effective when delivered. Notices that are sent by overnight courier shall be effective on the next business day after delivery to the courier with charges therefor prepaid or credit extended by the courier to the sender. Notices that are mailed as provided in this Section shall be effective on the earlier of delivery (or first attempted delivery) or three (3) business days after deposit in the mail.

7. Damage or Destruction. In the event of partial or total destruction of the Freeway Park or the Pigott Corridor, whether by earthquake or other casualty, the City, in its sole discretion, may elect not to repair or replace Freeway Park and/or the Pigott Corridor or to permanently close one, even if not damaged, because of destruction of or damage to the other; provided, however, that First Hill may seek City approval to repair or replace the same (as applicable) at its sole cost and expense.

In the event of partial or total destruction of the Connection, whether by earthquake or other casualty, First Hill's obligations shall be determined as follows: (a) If the Project is not destroyed and will continue in existence after repair, then First Hill's obligation to provide public open space under City of Seattle permits for the Project shall continue in full force and effect, but the type and design of the public open space shall be subject to further agreement unless the City or First Hill elects to repair or replace the Pigott Corridor and/or Freeway Park (if damaged or destroyed), in which case First Hill shall repair or reconstruct the Connection in substantial conformance with the Plans and this Agreement shall remain in full force and effect; or (b) if the Project is destroyed or damaged to the point that First Hill elects to build a

new project, then this Agreement shall terminate and the parties shall have no further rights or obligations under this Agreement.

8. Successors and Assigns. This Agreement and the benefits and obligations shall run with the land and shall be binding on the parties' successors and assigns. First Hill may collaterally assign its rights hereunder to any Lender.

9. Subordination. The undersigned Lender has joined in the execution of this Agreement to evidence the subordination of the lien of that certain Construction to Permanent Deed of Trust, Financing Statement and Security Agreement (with Assignment of Rents and Fixture Filing), granted by First Hill to Lender and recorded in the official public records of King County, Washington, on March 21, 2013, under King County Recording number 20130321002445. 10. Miscellaneous

10.1 Exhibits. Exhibits A through D attached hereto are incorporated herein.

10.2 Counterparts. This Agreement may be executed in counterparts, each of which shall be deemed an original, but which when taken together shall constitute one and the same instrument.

10.3 Recording. Upon mutual execution of this Agreement, either party may record same.

{02147358.DOC;18 }

10.4 Amendment; Modification. This Agreement may be changed, modified or amended in whole or in part only by a written and recorded agreement executed by the City and First Hill and approved by City of Seattle ordinance.

10.5 Waiver. A party may, at any time or times, at its election, waive any of its rights or any of the other party's obligations hereunder, but any such waiver shall be effective only if contained in a writing signed by the party to be bound by the waiver. No waiver shall be deemed a waiver of any other right or obligation or of a subsequent occurrence of the same or similar breach or other circumstance with respect to which the waiver was given. Additionally, no delay or omission on the part of a party in exercising any rights, power or remedy provided in this Agreement shall be construed as a waiver of or acquiescence in any breach of the terms and conditions set forth herein.

10.6 Severability. If any provision of this Agreement is held to be invalid, illegal or unenforceable in any respect, such invalidity, illegality or unenforceability shall not affect the remainder of such provision or any other provisions hereof.

10.7 Governing Law. This Agreement shall be construed and enforced in accordance with the laws of the State of Washington.

10.8 Attorneys' Fees. In the event either party hereto shall institute any action or proceeding against the other relating to the provisions hereof, then the substantially prevailing party shall be entitled to recover from the other party its reasonable attorneys' fees, paralegal fees, consultant fees and court costs incurred, including on appeal.

FISCAL NOTE FOR NON-CAPITAL PROJECTS

Legislation Title: AN ORDINANCE relating to Freeway Park; authorizing an agreement between the City of Seattle and First Hill/Eighth Avenue LLC concerning connecting a private development to the Pigott Corridor portion of Freeway Park; and ratifying and confirming certain prior acts.

Summary of the Legislation: This legislation authorizes the Superintendent of Parks and Recreation to execute a "Consent Agreement to Connection and Public Use" between First Hill/Eighth Avenue LLC (First Hill) and the City. The agreement authorizes First Hill to construct and operate certain improvements within the easement area surrounding the improvement known as Pigott Corridor, a portion of Freeway Park.

Background: Freeway Park, and especially the Pigott Corridor, has had a complicated history. Many of the details of prior real estate transactions leading to the current legal status of the Pigott Corridor are recited in the preamble of the proposed ordinance. Pigott Corridor (an elevated walkway) is owned by the City but exists in a non-exclusive easement area (Horizon House Easement) that burdens the lands of Horizon House, the adjacent senior living facility. First Hill is developing a 500 foot building at the corner of Eighth and Seneca, next to the Horizon House property. Those two neighbors have entered into a Lot Boundary Adjustment that results in First Hill becoming a direct neighbor of the Pigott Corridor and makes part of their development, located in the Horizon House Easement area, subject to City permission for a permanent structure in the easement area.

First Hill has negotiated an agreement with the City in order to gain the consent necessary for their project. The project, as it connects to park property, is shown in the attached Exhibit A (8 page rendering) to the Fiscal note and titled Connection Drawing. The plaza overlaying the First Hill parking garage connects to the Pigott Corridor structure and two cuts will be made in the wall of the Corridor to allow free movement of pedestrians to and from the development's open plaza area and the Pigott Corridor. Further, the vertical walls of the garage/pedestrian plaza will be supported in part by a cantilevered structure, which also attaches to the base of the Pigott Corridor. This arrangement is better described in the attached drawing, Exhibit A.

Once installed, the new improvements will allow free access to and from the adjacent plaza area to the Pigott Corridor. The plaza will be improved with a variety of commercial amenities that likely will include at least one restaurant. These publicly accessible, commercial facilities will

draw foot traffic to the area and to the adjacent Pigott Corridor. The developer will also install plaza lighting and some supplemental lighting on the Pigott Corridor, which will replace and improve lighting lost by the removal of Corridor walls at the connection points. The improved lighting, together with the increased foot traffic, is predicted to activate the Pigott Corridor and supplant some of the less savory behavior often seen along the Corridor. Parks staff believes that traffic along the Pigott Corridor could increase significantly changing it from a dank, somewhat foreboding public space into the vibrant, heavily used public amenity as originally intended.

 X **This legislation does not have any financial implications.**

Other Implications:

- a) **Does the legislation have indirect financial implications, or long-term implications?**
Increased use and activity along the Pigott Corridor will result in increased maintenance, particularly refuse disposal and general clean up obligations for Parks.
- b) **What is the financial cost of not implementing the legislation?**
The neighboring property will develop without connection to the Pigott Corridor. That development, a tower 500 feet tall, will engulf the Pigott Corridor in shade and enhance the already gloomy conditions prevailing in this part of the park, and lead to decreased public traffic and increased illicit activity. The costs of these impacts are impossible to quantify, but it is clear they will occur.
- c) **Does this legislation affect any departments besides the originating department?**
No.
- d) **What are the possible alternatives to the legislation that could achieve the same or similar objectives?** None currently known.
- e) **Is a public hearing required for this legislation?**
No.
- f) **Is publication of notice with *The Daily Journal of Commerce* and/or *The Seattle Times* required for this legislation?**
No.
- g) **Does this legislation affect a piece of property?**
Yes, the Pigott Corridor at Freeway Park.
- h) **Other Issues:** None

City of Seattle
Office of the Mayor

May 28, 2013

Honorable Sally J. Clark
President
Seattle City Council
City Hall, 2nd Floor

Dear Council President Clark,

I am pleased to transmit the attached proposed Council Bill that authorizes the Superintendent of Parks and Recreation to execute a Consent Agreement with First Hill/Eighth Avenue LLC consenting to the development of a connection, by the private developer, to the Pigott Corridor (part of Freeway Park) and providing for long term maintenance of the connection. This connection, highly sought by the First Hill Neighborhood, will allow for the free flow of pedestrians from the development's open pavilion to the Pigott Corridor and will also allow direct access by Freeway Park users to the commercial establishments being developed as first floor amenities in the new building being constructed at 802 Seneca Street.

In 1985, Horizon House granted the City a non-exclusive easement for the Pigott Corridor. This easement requires City permission for any permanent development within the easement area. The proposed development at 802 Seneca Street calls for the construction of a publicly accessible pedestrian plaza on the roof of the development's parking structure. The plaza will be connected at two points to Pigott Corridor and facilitate travel to and from the plaza area and Pigott Corridor. The new connection will increase pedestrian traffic and access to nearby commercial facilities and is anticipated to activate the Pigott Corridor and Freeway Park and provide a more enjoyable park experience for visitors and those passing through.

Approval of this legislation will improve access to Freeway Park and increase activity on the Pigott Corridor, both public benefits for the City. Thank you for your consideration of this legislation. Should you have any questions, please contact Donald Harris at 684-8018.

Sincerely,

Michael McGinn
Mayor of Seattle
