**High school:** Roosevelt High School

**Grade next year:** Senior

**Gender:** Female

**Will you need any special arrangements to be able to participate in Youth Commission meetings?** No

**Please list and describe any groups or organizations that you're currently involved with or that you plan to be involved with next year.**

1. I am going to be on my school's varsity golf team in the spring season. I will be playing in matches against other schools but the matches are usually on Tuesdays and Thursdays so it should not conflict with the meetings.
2. I plan on working for the Team Read program again which is a program for high schoolers to go to elementary schools and work one-on-one with a 1st or 2nd grader that is struggling with their reading. It would be in the fall on Tuesdays and Thursdays after school.
3. I might be joining some school clubs but I'm not sure what days and times the clubs will meet after school.

**1. Why do you want to become a member of the Seattle Youth Commission?** I would like to become a member of the Seattle Youth Commission because I want to make a positive impact in my community. It would be a great experience since I would be able to develop leadership skills and work with other people that are my age who are passionate about making a difference in Seattle. It would be an learning experience for me to work with city officials and understand more about how our city government works and what citizens can do to bring about positive change. I would enjoy being a representative and sharing my peers and classmates's voices to the city officials. I like being able to listen to people's problems and actually do something to solve it or offer solutions. I believe in community service and in helping others.

**2. What issues are you passionate about in your community, and why?** I have always cared about the quality of our city parks. Every year my neighbors & my family help clean up Ravenna & Cowen Park. It is astonishing what we find in the park. Clearly a lot of people, and teens, are living in the park and drinking and doing drugs in the park. I think these people should have a

safe place to sleep at night indoors, along with keeping our parks clean and safe for kids to play in. I believe in building a strong sense of community and having local policemen be engaged at the neighborhood level like they used to be.

**3. What are your greatest strengths, and in what areas would you like to improve?** I believe one of my greatest strengths is my perservance and willingness to work hard to achieve my goals. I have had to overcome significant challenges and that hard work and determination has taught me that I can achieve most anything if I put my mind to it. I earned a 3.8 GPA last semester!

I tend to be a bit shy and I would like to learn to be more confident and social.

**4. As a Youth Commissioner, you'll spend a lot of time working in groups. What's your most comfortable role in a group?** I like being a part of a group and I feel comfortable being a co-leader or just working together as a group with no leaders. I do better in small groups since it is easier for me to understand people without too much noise in the setting that we would be in.

**5. As mentioned above, being a Youth Commissioner requires a significant time commitment. Will you be able to attend meetings every Wednesday during the school year from 4-5:30 pm at City Hall (in downtown Seattle)?** Yes

**Explanation (optional):**

**Is there anything else you'd like to share?**

**How did you hear about the Youth Commission?** I attended a school meeting led by Youth Commission students (Zena G was there) and the meeting got me interested in being on the Commission.
