CITY CLERK

# Bryce Goldsen

High school: Blanchet

Grade next year: Junior

## 1. How would you rate your participation in the Youth Commission this year?

4

### Why?

I have given a lot of time to the youth commission this year, I have attended all most all of the meeting, expect for a few in the spring due to spring sports. I've given time outside of the commission to research and contact people for the environment committee.

## 2. Why do you want to serve on the Youth Commission again?

I would love to serve on the commission again for many reasons. Mainly to continue my work on the environment committee, and to keep going on are projects that we have not been able to fully finish this year. I would also like to join another smaller committee that I would be interested in.

## 3. What was your most positive experience as a Youth Commissioner this year?

My most positive experience has been seeing so many youth like me, so interested in the cities government. Also it has been joining the environment committee and gaining so much interest in something that i didn't know much about until I joined the Youth Commission.

## 4. What was your most challenging experience?

I would say the most challenging experience I have had, was at first deciding what policy group I wanted to join. I was interested in quite a few to start and it was very hard to decide between them. I finally made a decision to join the environment committee, and I'm defiantly happy I made this choice.

## 5. What skills and knowledge did you gain, and what would you hope to gain next year?

I learned many things while being on the commission this year. First how youth can get involved with so many different parts of the city government. Yet, I learned the most about the environment and the cities role in it, and how so many different parts of the city are involved in the environment. This I learned could make geting projects done a lot harder then I would have ever thought before.

**6a. In what activities do you expect to participate next year, and how will you make the Youth Commission a priority on your schedule?**

I expect to play tennis year round, but that should not at all impact my work on the commission next year. The youth commission will be a priority on my schedule. I will make sure to attend all most every single meeting during the year, and give time to the commission out side of the meetings to my projects with the environment.

**6b. Will you be able to attend Youth Commission meetings at City Hall every Wednesday from 4:00 – 5:30 during the school year?**

Yes

**7. How would you be an active leader on the Commission next year?**

I will be an active member of the commission next year by taking leadership in the Environment Committee. With Andrew leaving, and with Llani as a possible intern for next year, I would be the only current commissioner left on the environment committee. I would continue to work and hopefully Finish or at least keep going with the three projects that we had began working on this year

**8. What's the one thing you'd most like to accomplish on the Commission next year?**

If I had to accomplish one thing next year it would be geting school to have cell phone recycling boxes in the schools. We have made a lot of headway this year on this project but we are yet to fully achieve it. Next year geting this into at least some schools in Seattle would be my main goal.

**9. What are some changes you'd like to see in the program, and what will you do to help make them happen?**

If I had to see one major change occur it would being having some projects that the whole commission works on as a whole. I know that we had wanted to do this at the start of the year, but we never really got involved as a whole in these projects. I would love to see at least one or two of these that the commission would work on, and I would defiantly take the lead on one of them.

**10. Is there anything else you'd like to say? (optional)**

## Seattle Youth Commission

*June 2013*

25 members: per CB 116791, SMC 3.67, all subject to City Council confirmation, 1-year terms

- 12 Appointed by City Council
- 13 Appointed by Mayor
