**CITY OF SEATTLE**  
**ORDINANCE \_\_\_\_\_**

COUNCIL BILL 117896

AN ORDINANCE relating to the City Light Department; accepting various easements for overhead and underground electrical rights in King County, Washington; placing said easements under the jurisdiction of the City Light Department; and ratifying and confirming certain prior acts.

WHEREAS, City Light requires that the owner of a new or altered electrical service obtain for the City an easement in gross whenever City Light conductors must pass over, under, or through the property of another person; or when service equipment such as poles or vaults must be located either on the property being served or the property of a third person; and

WHEREAS, City Light obtained, on behalf of The City of Seattle, the necessary easements to provide electrical service from the property owners listed herein; NOW, THEREFORE,

**BE IT ORDAINED BY THE CITY OF SEATTLE AS FOLLOWS:**

Section 1. The City hereby accepts the following easements, each granting to The City of Seattle an easement for overhead or underground electrical distribution rights upon, under and across the real property in King County, Washington, as more particularly described in the document listed after each Grantor's name.

**Legislation Title:**

AN ORDINANCE relating to the City Light Department; accepting various easements for overhead and underground electrical rights in King County, Washington; placing said easements under the jurisdiction of the City Light Department; and ratifying and confirming certain prior acts.

**Summary of the Legislation:**

This legislation accepts easements for electrical overhead and underground distribution rights in King County, Washington.

**Background:**

Seattle City Light requires that the owner of a new or altered electrical service obtain for the City an easement in gross whenever: a) City Light conductors must pass over, under, or through the property of another person; or b) service equipment such as poles or vaults must be located either on the property being served or the property of a third person.

All requests to Seattle City Light for new or altered electrical service are reviewed first by City Light engineers to determine specific service requirements and the necessary easement area. City Light's real estate staff then obtains the necessary easement from the owner.

Legislation is requested to accept distribution easements on a quarterly basis; this legislation accepts 47 easements from the property owners listed herein.

**X This legislation does not have any financial implications.**

**Other Implications:**

a) **Does the legislation have indirect financial implications, or long-term implications?**

No.

**b) What is the financial cost of not implementing the legislation?**

City Light cannot provide electrical service for these customers without these easements in place. The financial cost of not implementing this legislation would be the foregone revenue of these customer accounts.

**c) Does this legislation affect any departments besides the originating department?**

No.

**d) What are the possible alternatives to the legislation that could achieve the same or similar objectives?**

None.

**e) Is a public hearing required for this legislation?**

No.

**f) Is publication of notice with *The Daily Journal of Commerce* and/or *The Seattle Times* required for this legislation?**

No.

**g) Does this legislation affect a piece of property?**

Yes. Mapping of these 47 distribution easements is available in the Kroll indices maintained in the offices of City Light.

**h) Other Issues:**

None.

**List attachments to the fiscal note below:**

None.
