Legislation Title:

A RESOLUTION of intention to establish a five-year SoDo (South of Downtown) Parking and Business Improvement Area and fixing a date and place for a hearing thereon.

Summary of the Legislation:

This Resolution is the second of two similar pieces of legislation that must be prepared, per RCW 35.87A, to form a new SoDo Parking and Business Improvement Area (“SoDo BIA”). This resolution declares the public hearing date and place for the initiative. After the public hearing, the Council may propose a bill to create the SoDo BIA with a special assessment on the owners of property within the boundaries of the SoDo BIA to pay for activities intended to increase economic vitality in the Area. This subsequent bill will likely establish the new SoDo BIA with the boundaries as shown in Exhibit A to the Resolution.

Background:

A proposal was put together recommending the formation of the SoDo BIA. The local property owners developed a proposal that they believe to be efficient, accountable and responsive to the area’s needs. The group worked to collect signatures for a petition to form a Business Improvement Area that will allow for the implementation of the SoDo business plan that would include the following program components:

1. Advocacy
2. Security
3. Cleaning
4. Transportation
5. Marketing
6. Business Development
7. Communications and Networking

The petitioning effort resulted in an approximate 60% show of support by more than 250 of the affected ratepayers. This meets the required demonstration of 60% financial support from the responsible ratepayers.

The SoDo BIA is expected to be funded by a special assessment levied on the owners of property within its boundaries. The SoDo BIA will be overseen by a Ratepayers Advisory Board, which

would be broadly representative of the ratepayers in the area covered by the improvement district.

X **This legislation does not have any financial implications.**

Other Implications:

a) **Does the legislation have indirect financial implications, or long-term implications?**
No.

b) **What is the financial cost of not implementing the legislation?**
None. The SoDo BIA is established as a revenue-neutral program.

c) **Does this legislation affect any departments besides the originating department?**
No.

d) **What are the possible alternatives to the legislation that could achieve the same or similar objectives?**
None. Improvement area services are in addition to, and not a replacement of, basic City services, and are funded by assessments on the properties that benefit from the services. If the legislation is not passed, the services under the improvement area will not be provided.

e) **Is a public hearing required for this legislation?**
No.

f) **Is publication of notice with *The Daily Journal of Commerce* and/or *The Seattle Times* required for this legislation?** Yes. After adoption, this resolution must be published.

g) **Does this legislation affect a piece of property?** Yes.

h) **Other Issues:** None.

List attachments to the fiscal note below: None.

City of Seattle
Office of the Mayor

July 16, 2013

Honorable Sally Clark
President
Seattle City Council
City Hall, 2nd Floor

Dear Council President Clark:

I am pleased to transmit the attached Resolution, which states the Council's intention to establish a new SoDo (South of Downtown) Parking and Business Improvement Area (SoDo BIA), and sets a date and location for a public hearing. Over the past several months, a proposal was developed by local property owners to form a new business improvement area. A recent petitioning effort resulted in a 60% show of financial support of the proposal by the owners of property, meeting the required demonstration of 60% in financial support from the responsible ratepayers. The formation of a new SoDo BIA will bring high-quality services to the SoDo neighborhood enhancing the economic vitality.

The Resolution also sets a date and location where the City's Government Performance and Finance Committee will hold a public hearing in Council Chambers to receive all evidence for or against the proposed establishment of the SoDo BIA. Depending upon the outcome of the public hearing, the Executive may submit a bill to establish the SoDo BIA within its proposed boundaries. The SoDo BIA is expected to be funded by a special assessment levied on the owners of property within the BIA's prescribed area. The SoDo BIA will be overseen by a Ratepayers Advisory Board, which will be broadly representative of the ratepayers in the improvement district.

In light of the strong ratepayer support for forming the SoDo BIA during the petitioning process, we anticipate ratepayers will be supportive of this initiative. Thank you for your consideration of this legislation. Should you have questions, please contact Teri Allen at 684-5226, or Fred Podesta at 386-0041.

Sincerely,

Michael P. McGinn
Mayor of Seattle
