Crews building the access pit between South Jackson and South Main streets.

Repairing

BERTHA

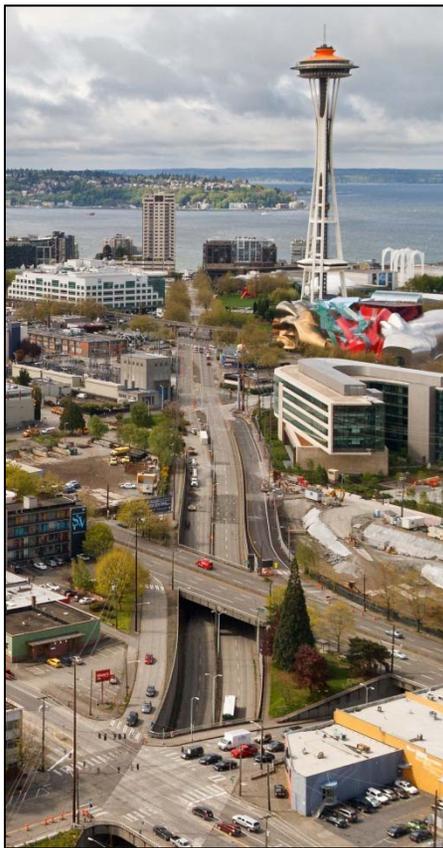

Crews building the access pit between South Jackson and South Main streets.

Repairing

BERTHA

SR 99 will close for **four days in August**

During this closure, crews will:

- Demolish the bridge on SR 99 over Broad Street and replace it with a new roadway
- Replace concrete panels on SR 99 in SODO
- Repair expansion joint on the viaduct near the Seneca Street off-ramp
- Remove ivy from the viaduct
- Complete utility work at Harrison Street

SR 99 will close for **four days in August**

Crews will remove the existing bridge over Broad Street.

SR 99 will close for four days in August

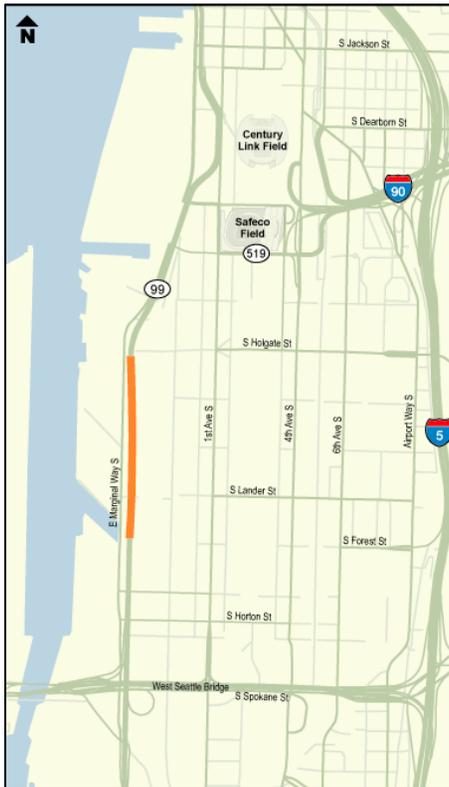

After removing the old bridge, crews will replace it with a new roadway.

SR 99 will close for **four days in August**

Yellow indicates where Broad Street used to be. This area will be transformed to make room for future connections to the SR 99 tunnel's north portal.

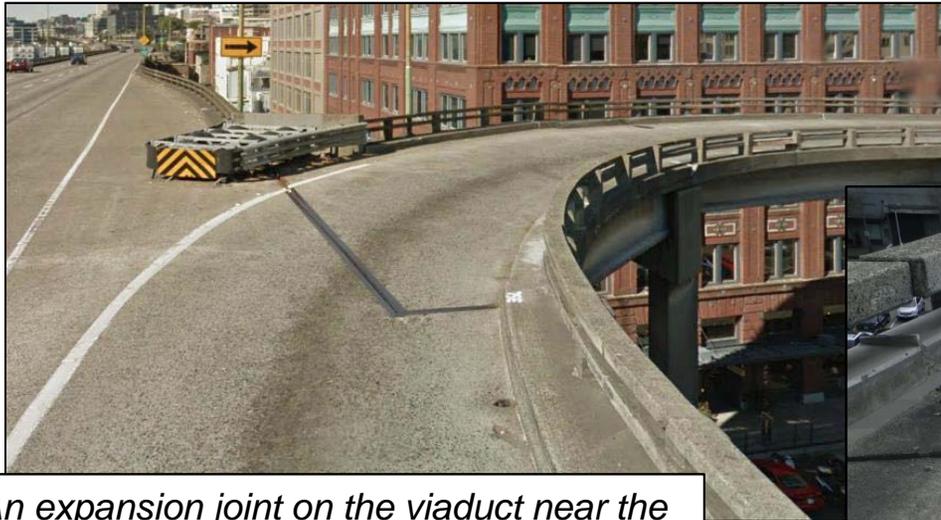

SR 99 will close for **four days in August**

Crews will also replace damaged concrete panels on SR 99 in SODO.

SR 99 will close for **four days in August**

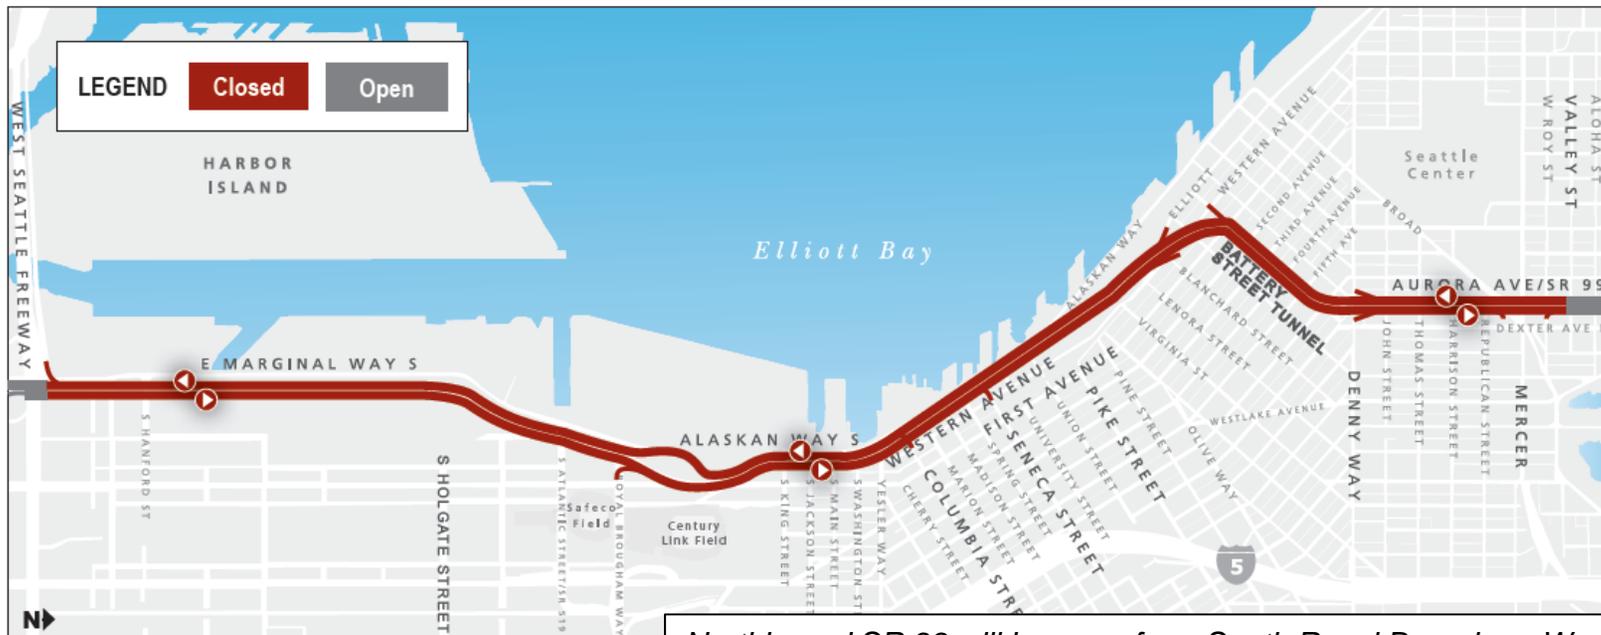

An expansion joint on the viaduct near the Seneca Street off-ramp will be repaired.

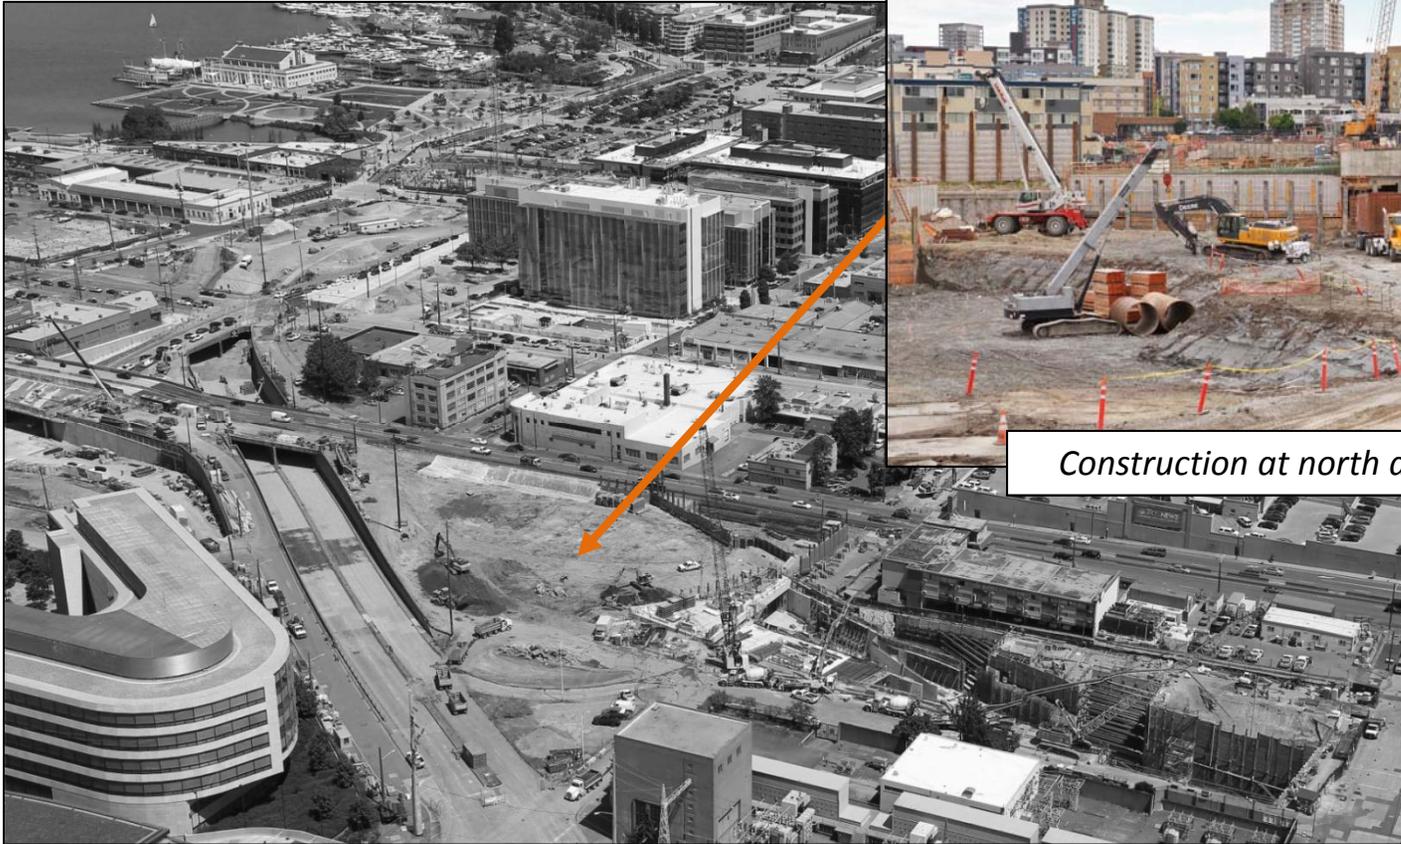

SR 99 will close for **four days in August**

10 p.m. Friday Aug. 22 - 5 a.m. Monday, Aug. 25
