Maria Barrientos, managing partner

qualifications

Ms. Barrientos has over thirty years of experience in real estate development and has successfully managed the development of over \$1 billion worth of real estate development projects in the last thirty plus years. Ms. Barrientos' strong inter-personal communication skills, strategic thinking, leadership and problem-solving abilities enable her to successfully analyze challenging problems and work towards customized solutions. Ms. Barrientos spends considerable time as a volunteer on numerous community-based organizations, particularly on Capitol Hill. Ms. Barrientos has been named one of the most influential developers in Seattle and is categorized by her peers as innovative, creative, and highly influential - creating buildings that incorporate many forward-looking trends.

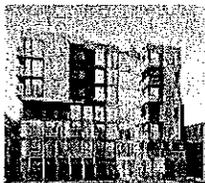

experience

1999 – present **barrientos LLC** Seattle, WA

For the past 15 years, barrientos has provided real estate development services for both private development + fee development work for both public and private entities.

Projects completed or under construction while at barrientos include:

HOUSING PROJECTS

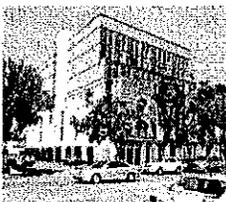

RUBIX - Mixed Use Apartment Development Project

Barrientos is the developer This 73 unit building located 1 block west of Broadway and next to the Library with excellent access to many amenities. barrientos is working Blanton Turner property management to position this building as a premier residential property that addresses the recent trends in how our consumers use both their public and private spaces.

LEXICON Apartments at 120 Harvard Ave E

Barrientos is working as the developer for this 40 unit apartment project located in the Capitol Hill neighborhood of Seattle 1 block from the new light rail station on Broadway and Olive. This project will provide unique, high end boutique apartments for discerning individuals who want large, light filled, gracious spaces and will be ready for lease-up in spring 2014.

Hollywood Lofts – Mixed Use Retail and Residential Lofts

Barrientos is the developer for this 24 unit residential loft project located in the Capitol Hill neighborhood of Seattle across from the new light rail station on Broadway. The project includes the renovation of the 3 story old red brick character building and addition of 2 floors of new lofts. We have been able to

barrientos

development

real estate

retain much of the character of the old building and are in the process of curating the retail spaces, to ensure landing top tenants in the space.

Youngstown Flats - Mixed Use Apartment Development Project

Barrientos teamed up with Legacy Residential Partners to develop this successful apartment building. This 200 unit building is located just east of the Longfellow Creek Trail with easy access to lots of green open space. Barrientos worked with Legacy to re-position the property, which was purchased with fully permitted plans and specs, and mentor PM staff on the development process.

Ruby Condominiums - Mixed Use Apartment Development Project

Barrientos was the owner/developer for this condominium project located at the northern edge of Eastlake at 2960 Eastlake Avenue North, just 2 block south of the University Bridge. A new \$14 million condominium was built on this site with 52 market rate units, 7 retail spaces and below grade parking which was completed in January 2009. www.rubycondos.com

The CHLOE - Mixed Use Apartment Development Project

The project site address is 1408 E Union and lies just east of the Pike Pine commercial corridor at the northwest intersection of 14th and Union. A new \$30 million 120,000 SF mixed-use residential apartment building with street level retail and approximately 120 units of market rate housing and parking stalls was completed in December 2009 www.chloeapartments.com

Packard Building - - Mixed Use Apartment Development Project

Barrientos was the developer for this 60 unit apartment building located at the corner of 12th & Pine in the Pike Pine Triangle neighborhood of Capital Hill. The old, historic building was restored, and 3 new floors of housing added to the existing structure. This project was completed in January 2010. www.packardbuilding.com

Leona Condominiums

Barrientos was the developer for this 18 unit condominium project located on the south slope of Queen Anne at the corner of Queen Anne Avenue & Ward St. The old, historic building has been converted from apartments into condos. This project was completed summer 2008.

The Pearl - Mixed Use Apartment Development Project

The project is located at 1500 Madison and lies along the Pike Pine commercial corridor at 15th and Pine. A new \$20 million 60,000 SF mixed-use residential apartment building with street level retail and 80 units of market rate housing were completed in September 2008. www.thepearlpts.com

The Bernard - Mixed Use Apartment Development Project

This project site lies along the Queen Anne/Uptown commercial corridor on Warren Avenue just north of Denny Way. The existing structure was demolished and was replaced with a new 55,000 SF mixed-use residential project with approximately 62 units of market rate housing and parking located below grade. www.thebernard.com

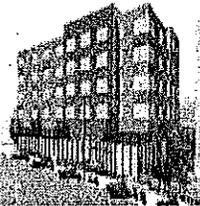

The Gilbert - Mixed Use Apartments on Queen Anne

The project site lies along the Queen Anne commercial corridor at the southwest intersection of West Garfield Street and Queen Anne Avenue North. This project, completed in 2005, includes a 75,000 SF mixed-use residential apartment project with 7 new street level retail stores, 54 units of market rate housing, and parking located below grade. www.thegilbertapartments.com

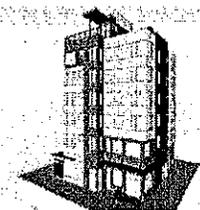

705 South Weller - Mixed Use Apartment Development

The project site lies within the International District commercial corridor at the southeast intersection of South Weller & 7th Avenue South. There were three separate single family houses occupying the site. barrientos built an \$ 8 million mixed-used residential apartment project with street level retail and 40 units of market rate housing with parking. Barrientos was the developer for the project on behalf of ARDA, LLC. This project was completed July 2006. www.705weller.com

Earnestine Anderson Place

Barrientos has been providing mentoring and technical assistance Project Management during the development of this 61 unit apartment project for the Low Income Housing Institute (LIHI). The project will target extremely low income seniors with 75% of the units reserved for homeless seniors. The project will include numerous amenities such as a library, front desk security, community room, computer lab, counseling offices and exercise room that will assist residents as they age.

Ballard Senior Housing

Barrientos has been providing mentoring and project management oversight for the development of this 61 unit apartment project for LIHI. The project is funded by a HUD 202 program and will target low income seniors. The project will include numerous amenities such as a library, front desk security, community room, computer lab, counseling offices and an urban rest stop for homeless residents currently living in the Ballard neighborhood.

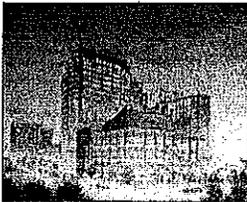

CULTURAL ARTS FACILITIES AND OTHER PROJECTS:

Marion Oliver McCaw Hall

Maria Barrientos was the lead project manager during the renovation and conversion of the old Opera House into the new McCaw Hall; which entailed intense coordination between Seattle Opera, Pacific Northwest Ballet and the building Owner, Seattle Center, during the planning, design, and construction periods. Barrientos managed a project management team of four. Project Cost: \$125 million

Performing Arts Center Eastside

Barrientos was hired to develop a feasibility analysis for the development of a new performing arts center in downtown Bellevue to serve the Eastside community. Barrientos served as the Project Manager for this development project and was coordinating the design, renovation and construction of this stunning new performing arts space before it went on hold.

Seattle Art Museum: Olympic Sculpture Park

Barrientos has served as the project manager for the Olympic Sculpture Park, an 8-acre open space dedicated to the exhibition of sculpture, located on Seattle's north downtown waterfront. Barrientos' responsibilities included writing the program, preparing development and operating budgets, guiding an international designer selection process, overseeing the design process and managing construction of the park, pavilion and underground parking with SAM staff. Project Cost: \$62 million

Village Theatre First Stage

Barrientos served as owner's representative in the redevelopment of Village Theatre's First Stage performing arts facility located in historic downtown Issaquah. This 150 seat performing arts center is now home to both Kidstage and will serve as the home for all First Stage New works produced by Village Theatre.

Village Theatre - Everett

Barrientos recently completed the development of Village Theatre's KidStage performing arts facility in Everett, adjacent to the Everett Performing Arts Center in downtown Everett.

Seattle Asian Art Museum

Barrientos served as a project manager to the Art Museum for all their capital projects needs, including renovations at the Seattle Asian Art Museum located in Volunteer Park on Capitol Hill.

Urban League Village at Colman School

Barrientos LLC worked with the Urban Lion of the historic Colman School building for mixed uses of housing and the African American Museum

Seattle University Performing Arts Center

Barrientos LLC worked with Seattle University to develop a program and project feasibility analysis for a new performing arts center on the campus that is now under construction.

St. Mark's Episcopal Cathedral

Barrientos LLC has served as project manager for various capital projects for St. Mark's over the last 15 years including the new expansion behind the altar, the new roof, renovation to administrative office space, and developing a master building program that will implement their long range strategic plan.

5th Avenue Theatre

Served as the real estate development consultant for the renovation of this beautiful historic theatre structure. The 5th Avenue Theatre planned to increase the lobby size, upgrade Back of House Spaces and renovate the auditorium.

Mann Building Renovation (Wild Ginger Restaurant)

Served as the real estate development consultant in the renovation and development of this historic structure. The Wild Ginger restaurant has moved into this building and is the anchor tenant with one floor of commercial office space.

Sound Transit's Link Light Rail Space at Opus East

Served as the real estate development advisor and project manager for Sound Transit in the search for 60,000 square feet of office space for the Link Light Rail division, which focused on the design and construction of the regional light rail system. barrientos found space, negotiated a lease and served as the tenant representative during the design and construction.

Union Station Renovation for Sound Transit New Headquarters

Represented Sound Transit in the renovation of this historic structure, as their new headquarters space and coordination with the Developer, Union Station Associates.
