Objective

Utilizing my community organizing and technology backgrounds to improve my community.

Work Experience

July 2012 - Present

Latino Community Fund - Director of Programs

Manage multiple programs and fundraising efforts for entire organization. Responsibilities include managing relationships in the community, volunteer management, grant writing, and establishing standards and performance across all programs.

Also in charge of managing technology for organization. Technology tasks include, website maintenance, database administration, social media management, and technology acquisition and management. Currently developing and implementing a yearly technology assessment plan.

January 2009 - July 2012

Latino Community Fund - Board Member

The Latino Community Fund of Washington invests in the Latino community to cultivate new leaders, support effective nonprofit organizations, and improve the quality of life for all Washingtonians. As a board member I oversaw the Student Leadership Development program which developed a leadership network of student leaders all across the state.

July 2012 - December 2012

E.C.O.S.S. - Outreach Coordinator

Oversaw outreach activities for multiple programs. Responsibilities included event management, site visits, translation of outreach materials, and coordination with other outreach personnel. Main programs involved in were American Lung Association Healthy Air at Home and City of Seattle RainWise Program.

July 2009 - July 2012

Video Mar L.L.C. - Partner

Provide both remote and on-site technology support for local small businesses and organizations in the Puget Sound area, primarily focusing on Latino owned businesses. Coordinated with business owners, software vendors, and service providers in a 24/7 support environment. Managed Internet Cafe where we provide Computer Repair services and computer rentals to the local community of South Park.

Education

September 2007 - August 2009

University of Washington - B.A. in Business Administration

Studies focused in Marketing and Entrepreneurship. Developed great communications skills and collaborating with teams when working on projects through the Business and Economic Development Center as a Student Consultant. Often found myself as team leader on various other class projects due to my strong leadership skills. Developed these leadership skills as Chairman of the Hispanic Business Student Association and Mentor for the Young Executives of Color program during my final years.

September 2003 - July 2007

Bellevue Community College - A.A.S. IT Networking and Computing Systems

Studies focused in Cisco Certified Network Administrator and Microsoft Certified Systems Engineer curriculum during my first two years. Last two years were spent focusing on my Business Transfer Degree. Participated in many leadership development activities such as; President of the Latino Club, Student Government Representative, and Officer in the Business Leadership Club.
