CITY OF SEATTLE

ORDINANCE

COUNCIL BILL 118069

AN ORDINANCE amending Ordinance 124349 that adopted the 2014 Budget; correcting errors in fund codes and budget control level codes, names, and purposes; correcting appropriations for various departments; abrogating and modifying positions; and correcting the spending plan for a project in the 2014-2019 Capital Improvement Program.

WHEREAS, Ordinance 124349 passed by the City Council on November 25, 2013 adopted a budget, including a capital improvement program and position modifications, for the City of Seattle for 2014 and created positions exempt from civil service;

WHEREAS the Adopted 2014 Budget contained some technical errors; and

WHEREAS, the Mayor and City Council seek to correct these errors; and

WHEREAS, the technical corrections do not change in any material way and are consistent with, and maintain Council's intent underlying the Adopted 2014 Budget and 2014-2019 Capital Improvement Program; NOW, THEREFORE,

BE IT ORDAINED BY THE CITY OF SEATTLE AS FOLLOWS:

Section 1. The fund codes, and the Budget Control Level (BCL) codes, , names, and purposes for the corresponding 2014 appropriations in Attachment A of Ordinance 124349 are amended, as follows:

The 2014 Adopted Budget included a number of appropriations that were incorrectly coded to the wrong fund number. The above actions correct those errors.

April 7, 2014
Version 9

Section 2. The corresponding appropriations in Attachment A to Ordinance 124349 for the Department of Neighborhoods are modified as follows:

Item	Fund	Department	Budget Control Level	2014 Appropriation
2.1	General Subfund (00100)	Department of Neighborhoods (DON)	Community Building (00100-I3300)	(((\$3,842,316)) <u>\$3,883,566</u>)
2.2	General Subfund (00100)	Department of Neighborhoods (DON)	Internal Operations (00100-I3200)	(((\$1,514,040)) <u>\$1,472,790</u>)

The Department of Neighborhoods' 2014 Proposed Budget included \$41,250 of funding to add a part-time administrative staff assistant position to the Internal Operations BCL. That proposal was rejected during Council deliberations but was incorrectly reduced from the Community Building BCL instead of the Internal Operations BCL. The above actions restore the Community Building BCL's budget and reduces the internal Operations BCL's budget.

Section 3. The corresponding appropriations in Attachment A to Ordinance 124349 for the Department of Transportation are modified as follows:

Item	Fund	Department	Budget Control Level	Appropriations
3.1	Transportation Operating Fund (10310)	Seattle Department of Transportation (SDOT)	Mobility-Operations (10310-17003)	(((\$39,823,530)) <u>\$39,913,530</u>)
3.2	Transportation Operating Fund (10310)	Seattle Department of Transportation (SDOT)	Mobility-Capital (10310-19003)	(((\$54,509,439)) <u>\$54,419,439</u>)

Funding of \$90,000 was approved in the 2014 Adopted Budget for general planning for the South Lake Union Alternative Transportation Mitigation program as part of Green Sheet 49-1-A-1. The transaction, however, was inadvertently coded to the Mobility-Capital BCL rather

April 7, 2014
Version 9

than Mobility-Operations BCL. To properly account for Council's intent per Green Sheet 49-1-A-1, the above action moves \$90,000 of appropriation authority from the Mobility Capital BCL to the Mobility Operations BCL.

Section 4. The corresponding appropriations in Attachment A to Ordinance 124349 for the Seattle Police Department are modified as follows:

Item	Fund	Department	Budget Control Level	Appropriations
4.1	General Subfund (00100)	Seattle Police Department (SPD)	Professional Standards (00100-P2000)	(((\$14,022,294)) \$12,157,769
4.2	General Subfund (00100)	Seattle Police Department (SPD)	Field Support Administration (00100-P8000)	(((\$30,920,653)) \$32,785,178

The Seattle Police Department's 2014 Proposed Budget incorrectly included the Predictive Policing and Strategic Deployment Unit as part of the Professional Standards BCL, instead of as part of the Field Support Administration BCL. In addition, a data entry error moved too much overtime funding from Field Support Administration to Professional Standards. The above action corrects these errors by moving \$1,864,525 of appropriation authority from the Professional Standards BCL to the Field Support Administration BCL.

Section 5. Effective January 1, 2014, positions are abrogated as follows:

Item	Department	Position Title	Position Status	Number
5.1	Department of Planning & Development (DPD)	Plng&Dev Spec,Sr	Part-time	(1.0)
5.2	Law Department (LAW)	Info Technol Sys Anlyst	Part-time	(1.0)
Total				(2.0)

April 7, 2014
Version 9

The 2014 Adopted Budget, per Green Sheets 49-1-A-1 and 124-1-A-2, created new part-time positions, rather than increasing existing positions' full-time-equivalent (FTE) amounts. For the Law Department, the existing position went from 0.5 FTE part-time to 1.0 FTE full-time. (See item 6.1). For DPD, the existing position should have gone from 0.5 FTE to 0.75 FTE without the addition of a new position. The above actions abrogate the extra positions added.

Section 6. Effective January 1, 2014, the following position is increased from part-time status to full-time status:

Item	Department	Position Title	Position #	Position Status	Number
6.1	Law Department (LAW)	Info Technol Sys Anlyst	10004917	Full-time	1.0
Total					1.0

Green Sheet 124-1-A-2 created a new part-time position in the Law department, but should have changed an existing position from 0.5 FTE part-time to 1.0 FTE full-time. (See item 5.2). The above action makes this correction.

Section 7. The dollar amounts shown or established in the 2014 spending plan for the Library Major Maintenance project (B301111) in the 2014-2019 Adopted Capital Improvement Program are modified as identified in Attachment A.

Section 8. Any act consistent with the authority of this ordinance taken prior to its effective date is hereby ratified and confirmed.

Version 9

Section 9. This ordinance shall take effect and be in force 30 days after its approval by the Mayor, but if not approved and returned by the Mayor within ten days after presentation, it shall take effect as provided by Seattle Municipal Code Section 1.04.020.

**Green Sheet 49-1-A-1 created a new position in the Department of Planning and Development rather than increasing an existing position from 0.5 FTE to 0.75 FTE. The existing position (#26269) remains as part-time so no action is required but it should be noted for Personnel records that position #26269 should now reflect as 0.75 FTE.

Section 2 – Correcting DON BCL appropriations within the same fund		
2.1	Technical correction – Increase to Community Building BCL (Department of Neighborhoods, General Subfund (00100))	\$41,250

Item	Title/Description	Amount / Positions
	This is a technical action to correct an error in the 2014 Adopted Budget by increasing the Community Building BCL by \$41,250. The 2014 Proposed Budget proposed to add funding in the Internal Operations BCL/Internal Operations program for a .5 FTE Admin Staff Asst. In rejecting this proposal, Council incorrectly reduced Community Building BCL/ Neighborhood District Coordinator's program instead of the Internal Operations BCL. The offsetting decrease is shown in item 2.2 making this a budget neutral change.	
2.2	Technical correction – Reduction to Community Building BCL (Department of Neighborhoods, General Subfund (00100))	(\$41,250)
	This is a technical action to correct an error in the 2014 Adopted Budget by decreasing the Internal Operations BCL by \$41,250. The 2014 Proposed Budget proposed to add funding in the Internal Operations BCL/Internal Operations program for a .5 FTE Admin Staff Asst. In rejecting this proposal, Council incorrectly reduced Community Building BCL/ Neighborhood District Coordinator's program instead of the Internal Operations BCL. The offsetting increase is shown in item 2.1 making this a budget neutral change.	
Section 3 – Correcting SDOT BCL appropriations within the same fund		
3.1	Technical correction – Increase to Mobility Operations BCL (Seattle Department of Transportation, Transportation Operating Fund (10310))	\$90,000
	This is a technical action to correct an error in the 2014 Adopted Budget. This action moves \$90,000 of appropriation authority from the Mobility Capital BCL to the Mobility Operations BCL to properly account for Council's intent per Green Sheet 49-1-A-1. This funding was approved in the 2014 Adopted Budget as part of Green 49-1-A-1 but was coded to the capital BCL rather than operations. The \$90,000 pays for general planning for the South Lake Union Alternative Transportation Mitigation program which is an operational expense. The offsetting decrease is shown in item 3.3 making this a budget neutral change.	
3.2	Technical correction – Decrease to Mobility Capital BCL (Seattle Department of Transportation, Transportation Operating Fund (10310))	(\$90,000)
	This is a technical action to correct an error in the 2014 Adopted Budget. This action moves \$90,000 of appropriation authority from the Mobility Capital BCL to the Mobility Operations BCL to properly account for Council's intent per Green Sheet 49-1-A-1. This funding was approved in the 2014 Adopted Budget as part of Green 49-1-A-1 but was coded to the capital BCL rather than operations. The \$90,000 pays for general planning for the South Lake Union Alternative Transportation Mitigation program which is an operational expense. The offsetting increase is shown in item 3.2 making this a budget neutral change.	
Section 4 – Correcting SPD BCL appropriations within the same fund		
4.1	Technical correction – Increase to Field Support Administration BCL (Seattle Police Department, General Subfund (00100))	\$1,864,525
	This is a technical action to correct an error in the 2014 Adopted Budget. This action moves \$1,864,525 of appropriation authority for the Predictive Policing and Strategic Deployment Unit from the Professional Standards BCL to the Field Support Administration BCL. This Unit was inadvertently moved to the wrong BCL in the Proposed Budget template. It also corrects a data entry error that moved too much overtime funding from Field Support Administration to Professional Standards. The offsetting decrease is shown in item 4.2 making this a budget neutral change.	

Item	Title/Description	Amount / Positions
4.2	Technical correction – Decrease to Professional Standards (Seattle Police Department, General Subfund (00100))	(\$1,864,525)
	This is a technical action to correct an error in the 2014 Adopted Budget. This action moves \$1,864,525 of appropriation authority from for the Predictive Policing and Strategic Deployment Unit from the Professional Standards BCL to the Field Support Administration BCL. This Unit was inadvertently moved to the wrong BCL in the Proposed Budget template. It also corrects a data entry error that moved too much overtime funding from Field Support Administration to Professional Standards. The offsetting increase is shown in item 4.1 making this a budget neutral change.	
Section 5 – Reducing Positions Incorrectly added in the 2014 Budget		Positions
5.1	Remove Planning & Development Specialist position (Department of Planning & Development, Planning and Development Fund (15700))	(1.0)
	This is a technical action to correct an error in the 2014 Adopted Budget. This item abrogates 1.0 full-time Planning & Development Specialist position from the Department of Planning and Development. Green Sheet 49-1-A-1 created a new position rather than increasing an existing position (#26269) from 0.5 FTE to 0.75 FTE. The existing position remains as part-time so no other action is required.	
5.2	Removing Technology Systems Analyst Position (Law Department, General Subfund (00100))	(1.0)
	This is a technical action to correct an error in the 2014 Adopted Budget. This item abrogates 1 (0.5 FTE), part-time Information Technology Systems Analyst position in the Law Department. The Green Sheet (GS 124-1-A-2) transaction in the 2014 Adopted Budget erroneously created a new position rather than increasing an existing position from part-time to full-time. (See related item 6.1).	
Section 6 – Modifying Positions in the 2014 Budget		
6.1	Changing an Existing Information Technology Systems Analyst Position from Part-time to Full-Time (Law Department, General Subfund (00100))	
	This item changes an Information Technology Systems Analyst position (10004917) in the Law Department from part-time to full-time status. The Green Sheet (GS 124-1-A-1) transaction in the 2014 Adopted Budget instead erroneously had created a new position rather than increasing this existing position to full-time. (See related item 5.2.)	
Section 7 – Project Spending Plan Changes		
7.1	Library Major Maintenance (Seattle Public Library, Cumulative Reserve Subfund Real Estate Excise Tax I)	
	This item changes the 2014 spending plan to match appropriations in the 2014-2019 Capital Improvement program (CIP). The Library received an additional \$280,000 in funding appropriation in Real Estate Excise Tax I (REET I) Subaccount (00163), increasing the Library Major Maintenance BCL REET I appropriation for 2014 from \$500,000 to \$780,000. This change is reflected in the Library Major Maintenance project page's Revenue Sources and Fund Appropriation subsections, however it is not observed in the Spending Plan by Fund subsection.

Honorable Tim Burgess
President
Seattle City Council
City Hall, 2nd Floor

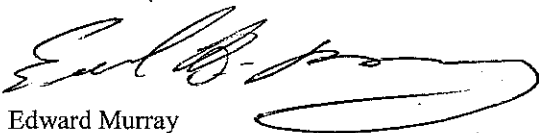

Dear Council President Burgess,

I am transmitting the attached proposed Council Bill, which corrects technical errors contained in the 2014 Adopted Budget and 2014-2019 Capital Improvement Program.

These technical corrections do not change in any material way the 2014 Adopted Budget or the 2014-2019 Adopted Capital Improvement Program and are consistent with Council's intent when adopting these budgets. Corrections contained in this legislation include amending Fund and Budget Control Levels (BCL) to reflect correct fund numbers, net zero appropriation adjustments within department BCLs, position corrections, and a spending plan correction on a capital improvement project within the 2014-2019 Capital Improvement Program.

Thank you for your consideration of this legislation. Should you have any questions, please contact Tom Taylor at 233-5032.

Sincerely,

Edward Murray
Mayor of Seattle
