

CITY OF SEATTLE
ORDINANCE _____
COUNCIL BILL 118061

1
2
3
4 AN ORDINANCE relating to grant funds from non-City sources; authorizing the Director of
5 Transportation (Director) to accept specified grants and execute related agreements for
6 and on behalf of the City; amending Ordinance 124349, which adopted the 2014 Budget,
7 including the 2014-2019 Capital Improvement Program (CIP); changing appropriations
8 to the Seattle Department of Transportation (SDOT); adding new projects; revising
9 allocations for certain projects in the 2014-2019 CIP; and ratifying and confirming
10 certain prior acts.

11 WHEREAS, in 2013, the City of Seattle submitted an application to the Washington State
12 Transportation Improvement Board (TIB) FY 2015 Urban Sidewalk Program to request
13 funds for the construction of the Greenwood Avenue Sidewalks North project; and

14 WHEREAS, in 2013, the City of Seattle partnered with the Seattle Chinatown International
15 District public development authority (SCIDpda) and International Sustainability Institute
16 (ISI) and submitted an application to the Puget Sound Regional Council 2013
17 Transportation Alternatives Program for the Canton and Nord Alleys Repaving Project;
18 and

19 WHEREAS, the City of Seattle will enter into agreements with SCIDpda and ISI for the Canton
20 and Nord Alleys project; and

21 WHEREAS, in 2013, the City of Seattle submitted an application to the Puget Sound Regional
22 Council 2013 Transportation Alternatives Program for the Sound Transit North Link
23 Station Bicycle and Pedestrian Bridge project; and

24 WHEREAS, in 2013, the City of Seattle submitted an application to the King Conservation
25 District Seattle Community Partnership/Member Jurisdiction Grant Program for purchase
26 of an Urban Forestry Tool Trailer; and

27 WHEREAS, these grant funds require execution of agreements; and

28 WHEREAS, spending of these grants will begin in 2014; NOW, THEREFORE,

BE IT ORDAINED BY THE CITY OF SEATTLE AS FOLLOWS:

Section 1. The Director of the Seattle Department of Transportation is authorized to accept the following non-City funding from the grantors listed below, and to execute, deliver, and perform on behalf of the City of Seattle, agreements for the purposes described below. The funds, when received, shall be deposited in the receiving fund identified below to support, or as reimbursement for the corresponding appropriations set forth in Sections 2 and 3 of this ordinance.

Item	Fund	Grantor	Purpose	Amount
1.1	Transportation Operating Fund (10310)	Washington State Transportation Improvement Board (TIB)	Sidewalk improvements at Greenwood Avenue N. from N. 92 nd Street to N. 105 th Street	\$800,000
1.2	Transportation Operating Fund (10310)	Puget Sound Regional Council Transportation Alternatives Program	Canton and Nord Alley Improvements	\$851,018
1.3	Transportation Operating Fund (10310)	King Conservation District – Seattle Community Partnership/Member Jurisdiction	Northgate Bicycle and Pedestrian Improvements	\$600,000
1.4	Transportation Operating Fund (10310)	King Conservation District – Seattle Community Partnership/Member Jurisdiction	Purchase of Urban Forestry Tool Trailer	\$17,300
Total				\$2,268,318

Section 2. Contingent upon the execution of grant or other funding agreements and receipt of the grant funds authorized in Section 1 of this ordinance, appropriations and project allocations for the following items in the 2014 Budget are increased as follows:

Item	Fund	Budget Control Level	Amount	Project Name	Change in Project Allocations (in \$000's)
2.1	Transportation Operating Fund (10310)	Mobility -- Capital (19003)	\$2,460,000	Greenwood Ave Sidewalks (TC367530)	((0)) <u>\$2,460</u>
2.2	Transportation Operating Fund (10310)	Major Maintenance/ Replacement (19001)	\$1,214,018	Canton and Nord Alleys (TC367540)	((0)) <u>\$1,214</u>
2.3	Transportation Operating Fund (10310)	Mobility -- Capital (19003)	\$600,000	Sound Transit North Link Stations Bike & Pedestrian Improvements (TC367350)	((0)) <u>\$600</u>
Net Change			\$4,274,018		\$4,274

These modifications shall operate for the purposes of decreasing or increasing the basis for the limit imposed by Subsection 4(c) of Ordinance 124349.

Section 3. Contingent upon the execution of grant or other funding agreement and receipt of the grant funds authorized in Section 1 of this ordinance, appropriation for the following items in the 2014 budget are increased from the fund shown as follows:

Item	Fund	Department	Budget Control Level	Amount
3.1	Transportation Operating Fund (10310)	Seattle Department of Transportation (SDOT)	Urban Forestry (17006)	\$17,300

Unspent funds so appropriated shall carry forward to subsequent fiscal years until they are exhausted or abandoned by ordinance.

1 Section 4. The Canton and Nord Alleys project TC367540, as described in Attachment A,
 2 and the Greenwood Avenue Sidewalks project, as described in Attachment B, are established in
 3 the 2014 -- 2019 Adopted Capital Improvement Program.

4
 5 Section 5. Appropriations in the 2014 Adopted Budget and project allocations in the 2014
 6 -- 2019 Adopted Capital Improvement Program for the Department of Transportation are
 7 modified as follows:
 8

Item	Fund	Budget Control Level	Change	Project Name	Allocation (in \$000's)
5.1	Transportation Operating Fund (10310)	Mobility -- Capital (19003)	\$(600,000)	Transit Corridor Improvements (TC366860)	((3,122)) <u>\$2,522</u>

Legislation Title: AN ORDINANCE relating to grant funds from non-City sources; authorizing the Director of Transportation (Director) to accept specified grants and execute related agreements for and on behalf of the City; changing appropriations in the 2014 Adopted Budget for the Seattle Department of Transportation (SDOT); adding a new project; revising allocations for certain projects in the 2014-2019 CIP; and ratifying and confirming certain prior acts.

Summary and background of the Legislation: This legislation will authorize the Director to accept the following awarded grant funds:

- \$851,018 for planning, design and construction of Canton Alley and Nord Alley Improvements.
- \$800,000 for design and construction of the Greenwood Avenue Sidewalks.
- \$600,000 for design related to the Sound Transit North Link Station Bike & Pedestrian Improvements.
- \$17,300 for purchase of an Urban Forestry Tool Trailer.

Additionally, this legislation will authorize the Director to execute related agreements.

Work related to the projects funded by the above mentioned grants will begin in 2014. This legislation will authorize SDOT to begin spending specified grant funds in 2014 and allow the projects to continue as planned. Because the grants were awarded in late fall of 2013, the timing of the award notices did not allow them to be included in the Adopted 2014 Budget.

This legislation will create the following two new projects in the 2014-2019 Capital Improvement Program: the Canton Alley and Nord Alleys project (TC367540) and the Greenwood Avenue Sidewalks project (TC367530).

And finally, this legislation will authorize the transfer of \$1.06 million in local funds from the Neighborhood Large Projects and \$600,000 in local funds from the Transit Corridor program to the new Greenwood Avenue Sidewalks project.

Canton Alley and Nord Alley Project Description:

Canton Alley and Nord Alley have both received significant community participation in the initial development and planning for reconstruction and beautification. The Seattle Chinatown International District Preservation and Development Authority (SCIDPDA) and the International Sustainability Institute (ISI) have taken the lead in organizing community input with substantial volunteer investment and the engagement of thousands of people on the design and planning. This has resulted in the development of early conceptual plans and significant community and

financial support. Combined, both projects have received \$115,458 in community cash support, \$285,075 in City of Seattle grants from the Department of Neighborhoods and Office of Economic Development, as well as an \$851,018 federally funded Transportation Alternative Program (TAP) grant.

The Seattle Department of Transportation (SDOT) is the lead to finalize design for the repavement of both alleys and to manage the construction. Community partners will manage beautification, design and construction of lighting, and continued community outreach for design. The outcome of these projects is an improved pedestrian environment, providing safer, revitalized spaces that engage the community and businesses.

SDOT and the community partners have yet to finalize agreements which will outline scope, schedule and funding responsibilities for both the capital improvements as well as maintenance and operations responsibilities. The current funding plan does not include City resources. The local match to the federal grant is a combination of Department of Neighborhoods (DON) grants and funds raised by the community partners. SDOT will rely on these funding sources in order to meet the local match requirements of the federal grant. At this time, SDOT believes this is a viable funding plan; however, since the agreements are not finalized, this may be subject to change. In the event that the local funding sources are not sufficient to meet the grant requirements, SDOT would need to alter the project, redirect funds from another project, or request additional City funding in order to complete the projects(s).

The spending plans for the Interdepartmental Funds and the Private Donations are not yet finalized. Some of these funds will be spent directly by the community partners, but these amounts are unknown. This funding plan was used to apply for the federal grant.

The Interdepartmental Funds line represents City of Seattle DON grants and an Office of

Economic Development (OED) grant (Only in Seattle). The Private Donations line represents funds to be raised by the community partners.

Operation and Maintenance Notes:

The new grants provide funding for improvements to the existing system so there will be a negligible increase in the Operations and Maintenance costs.

The sidewalks added by the Greenwood Avenue Sidewalks projects are expected to have a minimum useful life of 40 – 50 years. However, in Seattle’s temperate climate we expect them to well outperform their useful life expectancy and should last 80 to 100 years if designed correctly. In addition, per SMC 15.72.010 the adjacent property owners are responsible for the maintenance of sidewalks.

The Northgate Pedestrian/Bicycle improvements are so early in the design process that it is unclear what assets will be added to SDOT’s inventory, making it impossible to estimate future O&M costs at this time.

Other Implications:

- a) **Does the legislation have indirect financial implications, or long-term implications?**

Acceptance of these grants will commit the department to design and construct improvements as outlined in the State Transportation Plan.

- b) **What is the financial cost of not implementing the legislation?**

Without this legislation the City cannot receive and utilize the aforementioned grant funds, and will not be able to design and construct the projects outlined.

- c) **Does this legislation affect any departments besides the originating department?**

Yes. Both the Department of Neighborhoods and Office of Economic Development have provided grants to the partnering agencies in the amount of \$285,075 for the planning, design and construction of the Canton and Nord Alley projects. Without this legislation, a significant fund source for completing this work will prevent the completion of design and construction of the projects outlined.

- d) **What are the possible alternatives to the legislation that could achieve the same or similar objectives?**

Acceptance of the grant awards is a pre-requisite for the receipt of the federal funds. There are no alternatives that could achieve the same or similar objectives.

e) **Is a public hearing required for this legislation?**

No

f) **Is publication of notice with *The Daily Journal of Commerce* and/or *The Seattle Times* required for this legislation?**

No.

g) **Does this legislation affect a piece of property?**

No.

h) **Other Issues:**

These projects have involved significant community input, development and commitment from both the neighbors and communities around the International District and Pioneer Square. Through the Department of Neighborhoods, community members have committed more than \$115,458 in both in-kind and cash donations to match the DON Neighborhood Matching Grant funds.

This program enhances the safety, quality and condition of the pedestrian and neighborhood environments. Typical improvements may include, but are not limited to, sidewalk construction, repairs and replacement, installation of curb bulbs or other traffic calming devices, and improvements to crosswalks. The Neighborhood Street Fund is funded by the Bridging the Gap (BTG) transportation levy and is a triennial program. The projects funded are identified by the community and prioritized by the District Councils and the BTG Oversight Committee. Prior to 2013, the elements of this project were included in the NSF/CRS Neighborhood Program. Beginning in 2013, the NSF/CRS Neighborhood Program will only reflect improvements that can be completed by City crews, and improvements that are contracted out will be covered by this project.

2014 - 2019 Adopted Capital Improvement Program

City of Seattle
Edward B. Murray
Mayor

March 18, 2014

Honorable Tim Burgess
President
Seattle City Council
City Hall, 2nd Floor

Dear Council President Burgess:

I am pleased to transmit the attached proposed Council Bill that accepts various grant funds and executes related agreements for the transportation improvement projects listed below:

- Design and construction of Greenwood Avenue Sidewalks
- Design related to the Northgate Bicycle and Pedestrian Improvements
- Design and construction of Canton Alley and Nord Alley
- Purchase of an Urban Forestry Tool Trailer

The grant funding for these projects will enhance pedestrian safety through improvements to sidewalks, bus stops and transit accessibility. The Northgate pedestrian and bicycle improvements will connect communities and neighborhoods divided by I-5. The City will partner with the community to implement pedestrian improvements to the Canton and Nord alleys. The grants will also allow SDOT to purchase an Urban Forestry Neighborhood Beautification Tool Trailer.

Thank you for your consideration of this legislation. Should you have questions, please contact Dori Costa (SDOT) at 615-0765.

Sincerely,

A handwritten signature in black ink, appearing to read "Edward B. Murray".

Edward B. Murray
Mayor of Seattle

cc: Honorable Members of the Seattle City Council
