Honorable Tim Burgess
President
Seattle City Council
City Hall, 2nd Floor

Dear Council President Burgess:

I am pleased to transmit the attached proposed Council Bill that accepts twenty deeds for street or alley purposes and places the properties under the jurisdiction of the Seattle Department of Transportation. The deeds are for properties transferred to the City for street or alley purposes as a result of conditions imposed on private development projects. The Council Bill also ratifies and confirms any actions taken by the City prior to the effective date of this legislation that are consistent with accepting the deeds.

Article IV, Section 14, of the Seattle City Charter requires that the City Council accept by ordinance all deeds conveying property rights to the City of Seattle. The Seattle Department of Transportation processes deeds acquired from developers for right-of-way purposes, and submits them for the City Council to accept by ordinance in batches of approximately twenty per ordinance.

Thank you for your consideration of this legislation. Should you have questions, please contact Larry Huggins at 684-5001.

Sincerely,

A handwritten signature in black ink, appearing to read "Edward B. Murray", written over a horizontal line.
