QUALIFICATIONS

- Strong understanding of non-motorized planning, active transportation and public engagement.
- Passionate about bicycling for transportation and engaging complex issues to enhance quality of life in Seattle.
- Excellent written and verbal communicator and receptive, flexible team member.
- Effectively supports planning processes through compelling analyses of urban issues; generating planning documents and high-quality illustrations; providing detail-oriented coordination of community engagement.
- Facilitation and dispute resolution experience with the ability to maintain composure and guide constructive dialog.

RELEVANT EXPERIENCE

Non-motorized Planner/Assistant Project Manager
SvR Design Company – Seattle, WA

June 2013 – Present

- Support senior planning and engineering staff in creating proposals, conceptual design reports, graphics and presentation materials for a variety of clients and audiences.
- Familiar with bicycle facility design, the Seattle Bicycle Master Plan and implementation.
- Advance projects through bicycle facility design, policy analysis and project management.

Group Lead, Rainier Valley Greenways, volunteer position
Seattle Neighborhood Greenways – Seattle, WA

September 2013 – Present

- Coordinate and facilitate monthly meetings, conduct community outreach and advance neighborhood initiatives with the goal of creating safe and healthy streets for all in SE Seattle.
- Active Bike Works volunteer, building sustainable communities by educating youth and promoting bicycling.

Steering Committee Member, University District Livability Partnership (UDLP)
University District (U District) Neighborhood – Seattle, WA

January 2013 – Present

- Familiar with current projects, neighborhood planning process and public engagement in the U District including the U District Urban Design Framework, neighborhood greenway development and alleyway activation projects.

International Bicycle Urbanism Symposium Volunteer, 3-month project
University of Washington – Seattle, WA

April – June 2013

- Member of the conference-planning team that convened practitioners for two days of exploring how cities can best encourage and accommodate bicycle transportation.

EcoDistricts Institute Project Coordinator, Bellingham Team, 5-month internship
Sustainable Connections – Bellingham, WA

Winter/Spring 2012

- Coordinated an inter-organizational team of senior-level officials from the Port and City, WWU and the private sector to attend the EcoDistricts Institute, a training opportunity for city leadership teams to learn best practices in sustainable district development.

Seattle, WA 98104

Re: Get Engaged Program Application: Seattle Bicycle Advisory Board

To whom it may concern:

I am pleased to submit my application for the Get Engaged Program position with the Seattle Bicycle Advisory Board (SBAB). Through my work as a non-motorized planner at SvR Design Company and a community organizer with Seattle Neighborhood Greenways, *I have worked closely with members of SBAB including Jessica Szelag and Lara Normand.* In learning more about their work with SBAB, I am enthusiastic about joining the Board.

As SBAB stewards the Bicycle Master Plan and works make Seattle a world-class city for bicycling, I am eager to use my background and skills to contribute the Board's important work. *My non-motorized planning/bicycle facility design background, communication/graphics/research expertise and interests in active transportation and safe streets will allow me to meaningfully engage in SBAB's discussions and analyses.* As you'll see in my attached resume, my work on a variety of project teams has grown my ability to effectively collaborate with the broad spectrum of disciplines integral in improving bicycling conditions in Seattle.

I am eager to serve on SBAB because *I am invested in making bicycling a viable transportation choice for all ages and abilities.* I am interested in growing my understanding of the public process, bicycle program and facility development and implementation. Serving on SBAB is the next step in my professional development as I'm building a career focused on creating livable, healthy places.

Please consider my application for this position and my attached resume. I'd like the opportunity to meet with you and members of the Board to discuss the position in greater detail. I hope to be one of your top applicants for this position and look forward to hearing from you soon.

Sincerely,

Lauren Squires
