Purpose of this Agreement - The City and the Union recognize that harmonious relations should be maintained between them and with the public. The City, the Union, and the public have a common and sympathetic interest in the operation of an effective and efficient municipal government. All will benefit by a continuous peace and by adjusting any differences which may arise to establish the conference and consultative machinery and procedures hereinafter provided for the following purposes.

1. To provide for fair and reasonable rates of pay, hours, and working conditions for employees of the City.
2. To insure the making of appointments and promotions as provided under Article XVI of the City Charter.
3. To promote stability of employment and establish satisfactory tenure.
4. To provide for improvement and betterment programs designed to aid the employees in achieving their acknowledged and recognized objectives as outlined in this agreement.
5. To promote the highest degree of efficiency and responsibility in the performance of the work and the accomplishment of the public purposes of the City.
6. To adjust properly all disputes arising between them related to the matters covered by this Agreement.
7. To promote systematic labor-management cooperation between the City and its employees.

NON-DISCRIMINATION

The City and the Union agree that they will not discriminate against any employee by reason of age, race, creed, color, sex, national origin, religious belief or marital status. Whenever words denoting the masculine gender are used in this Agreement, they are intended to apply equally to either gender.

The parties agree nothing in this contract, including seniority provisions, shall serve to prevent a job placement or other reasonable accommodation as may be made pursuant to state or federal law for prevention of discrimination on the basis of disability. Application of this provision is not intended to modify the requirements of Article 2.

ARTICLE 1. RECOGNITION AND BARGAINING UNIT

1.1 The City hereby recognizes the Union as the exclusive collective bargaining representative, for the purposes stated in Chapter 108, Extraordinary Session, Laws of 1967 of the State of Washington, of all regular, full-time employees whose job classifications are listed in Appendix A of this Agreement.

ARTICLE 2. UNION MEMBERSHIP AND DUES

2.1 The City recognizes the Union's right to encourage all employees in the bargaining unit to become and remain members in good standing of the Union, and the Union accepts its responsibility to fairly represent all employees in the bargaining unit regardless of membership status. Neither party shall discriminate against any employee or applicant for employment on account of membership in or non-membership in any labor union or other employee organization.

2.2 The City agrees to deduct from the pay check of each employee, who has so authorized it, the regular initiation fee and regular monthly dues uniformly required to members of the Union. The amounts deducted shall be transmitted monthly to the Union on behalf of the employees involved. Authorization by the employee shall be on a form approved by the parties hereto and may be revoked by the employee upon request. The performance of this function is recognized as a service to the Union by the City.

2.3 Each regular full time employee within the bargaining unit whose most recent employment by the City of Seattle commences on or after July 1, 1971, shall make application to become a member of the Union within thirty days following the date of employment within the unit, and all other employees within the bargaining unit who have voluntarily become members of the Union as of April 1, 1971, shall maintain such membership in good standing, and failure by any such employee to apply for and/or maintain such membership in accordance with this provision shall constitute cause for discharge of such employee; provided that it is expressly understood and agreed that the discharge of employees is governed by applicable provisions of the City Charter which provisions are paramount and shall prevail; provided further that the above requirements to

apply for Union membership and/or maintain Union membership shall be satisfied by an offer of the employee to pay the regular initiation fee and the regular dues uniformly required by the Union of its members in municipal employment.

2.3.1 In accordance with RCW 41.56.122, employees covered by this agreement who for bona fide religious tenets or teachings of a church or religious body who are forbidden from joining a union shall contribute monthly an amount equivalent to regular Union dues to a nonreligious charity or to another charitable organization mutually agreed upon by the employee affected and the bargaining representative to which such employee would otherwise pay the regular monthly dues.

2.3.2 Failure by an employee to abide by the above provisions shall constitute cause for discharge of such employee; provided that when an employee fails to fulfill the above obligation, the Union shall provide the employee, the City Director of Labor Relations (and a courtesy copy to the affected Department Head), with thirty (30) days' notification of the Union's intent of discharge action, and during this period the employee may make restitution in the amount which is overdue.

2.3.3 If the employee has not fulfilled the above obligation by the end of the Union's thirty (30) calendar day discharge notification period, the Union will thereafter notify the City Director of Labor Relations in writing, with a copy to the affected department and employee, of such employee's failure to abide by Article II, Section 3. In this notice the Union will indicate whether or not it is still seeking the discharge of the employee for failure to abide by the terms of the labor agreement between the City and the Union.

Committee on each request shall be made within 45 days of the hearing and forwarded to the Union. If the Union desires a review of the Committee's reply, it shall be granted and be held no later than 30 days from the request of the meeting. Wage relationship adjustments approved by the Committee shall be applied at the same time as the next general wage settlement and effective the same date as the settlement

ARTICLE 4. GRIEVANCE PROCEDURE

4.1 Recognizing that the terms of the Agreement may be subject to different interpretations, both the Department and the Union should have recourse to an orderly means of resolving any situation resulting in a grievance. The following outline of procedure by which grievances shall be processed is written as for a grievance of the Union against the Department, but it is understood that the steps are similar for a grievance of the Department against the Union.

Arbitration awards or grievance settlements shall not be made retroactive beyond the date of the occurrence or nonoccurrence upon which the grievance is based, that date being thirty (30) calendar days or less prior to the initial filing of the grievance.

4.1.2 Step 1. As the initial step, the grievance shall be discussed by the Union Steward and the immediate supervisor of the employee.

4.1.3 Step 2. If no settlement is arrived at in Step 1, the grievance may be referred in writing by the employee or the steward to the Business Manager of the Union. If the Business Manager decides that the grievance should be forwarded to the Department, he shall submit it in writing within ten (10) working days after the discussions between the shop steward and the supervisor involved. The grievance should set forth the following:

- a. A statement of the nature of the grievance and the facts upon which it is based.

4.3 Step 4. If the difference or complaint is not settled in Step 3, it may be referred to the American Arbitration Association for arbitration to be conducted under its voluntary labor

1. Question or questions at issue
2. Statement of facts
3. Position of employee or employees
4. Remedy sought

The parties agree to abide by the award made in connection with any arbitrable difference. There will be no suspension of work, slowdown or curtailment of services while any difference is in process of adjustment or arbitration.

In connection with any arbitration proceeding held pursuant to this agreement, it is understood as follows:

- A. The arbitrator shall have no power to render a decision that will add to, subtract from or alter, change or modify the terms of this Agreement, and the arbitrator's power shall be limited to interpretation or application of the express terms of this Agreement, and all other matters shall be excluded from arbitration.
- B. The cost of the arbitrator shall be borne equally by the Department and the Union, and each party shall bear the cost of presenting its own case.
- C. The arbitrator's decision shall be made in writing and shall be issued to the parties within thirty (30) days after the case is submitted to the arbitrator.
- D. Nothing herein shall be construed as preventing the Department and the Union from settling by mutual agreement, prior to final award, any grievance submitted to arbitration herein.

4.3.1 By mutual agreement, the parties to this agreement, the Union and the City, may: 1) submit the grievance for mediation in lieu of arbitration (in which case the parties waive the right to pursue the matter further to arbitration); or 2) may request the arbitrator selected for arbitration, or another arbitrator, mediate the dispute which shall then be subject to arbitration if mediation should fail to result in a settlement.

4.4 Any time limits stipulated in the grievance procedure may be extended for stated periods of time by the appropriate parties by mutual agreement in writing.

4.5 When a grievance is of a general nature, it will not be necessary that the Union list the names of the aggrieved employees.

In such cases, the department head shall provide the Personnel Director with the circumstances and reasons leading to the need for such an extension. No extension of this grace period will be allowed.

In all other instances, employees must use all accrued vacation prior to beginning a leave of absence unless the leave of absence is granted to allow the employee to participate as a member of the Union's negotiating committee, relative to collective bargaining for the purpose of amending provisions of this Agreement.

Where the terms of this section 8.10 are in conflict with Ordinance 116761 (family and medical leave) as it exists or may be hereafter modified, the ordinance shall apply.

8.11 The department head shall arrange vacation time for employees on such schedules as will least interfere with the functions of the department but which accommodate the desires of the employees to the greatest degree feasible.

Legislation Title:

AN ORDINANCE relating to City employment; authorizing the execution of a collective bargaining agreement between the City of Seattle and the International Brotherhood of Electrical Workers, Local 77 Seattle Department of Transportation unit to be effective January 23, 2013 through January 22, 2017; providing payment therefor; and ratifying and confirming prior acts.

Summary of the Legislation:

This legislation authorizes a collective bargaining agreement between the City and the International Brotherhood of Electrical Workers, Local 77 ("Local 77") providing for wages, healthcare, and other conditions of employment effective January 23, 2013 through January 22, 2017. This legislation affects approximately 25 City employees represented by Local 77 in the Seattle Department of Transportation (SDOT).

The agreement provides that union members' wages will increase by 2.7 percent in 2013, and 2 percent in 2014. Cost-of-living increases for 2015 and 2016 are projected to be 2.2 percent and 2.5 percent, respectively, based on 100 percent of the percentage increase in the Seattle-Tacoma-Bremerton area Consumer Price Index for June of the previous year over June of the base year. Cost-of-living increases for 2015 and 2016 shall not be less than 2 percent or exceed 7 percent. Signal Electricians I- V job titles will be consolidated to a single job title, Journey-Level Signal Electrician, and paid at the rate of the job title formerly called Signal Electrician IV. Those employees currently in the Signal Electrician V job title will be grandfathered at their current rates of pay with annual cost-of-living increases until they leave the City.

The agreement provides for changes to the administration and cost sharing of City health care plans. Union members who elect the Local 77 health care plan will increase their monthly premium cost share from 5 to 10 percent of the total monthly cost and will see increases to their office and prescription drug copays. Any union member may also opt to enroll in the "most employees" health care plan offered to Coalition of City Union members and non-represented employees (modified to meet the requirements of the Patient Protection and Affordable Care Act); the decision to move to such a plan will be permanent and irrevocable.

The agreement also provides for other changes to union members' working conditions, including a reopener on changes to the City's Retirement System, two additional floating holidays after nine years of employment (the same leave benefit provided to non-represented employees and union members in the Coalition of City Unions), adjusting shift working hours, and increasing the number of working crew chiefs from two to six, among other items. Finally, the agreement

memorializes an understanding between the parties that was reached several bargaining rounds ago (but not expressed in the contract) that disciplinary action shall be a proper subject of arbitration.

Background:

The collective bargaining agreement between the City and Local 77 SDOT bargaining unit expired on January 22, 2013. Union members continued to work on condition that their wages, hours and other working conditions be negotiated. Union members ratified the agreement in July of 2014.

This legislation does not have any financial implications.

This legislation has financial implications.

Labor Relations developed the estimates below to approximate the costs of ratifying the new agreement. Appropriations for 2013 and 2014 were included in Ordinance 124533, which passed Council on July 14, 2014.

Local 77 members' base wages will increase by 2.7 percent for 2013, and 2 percent for 2014, with cost-of-living increases commensurate with the June/June CPI for 2015 and 2016. The net aggregate cost of wages and benefits for members is estimated to grow from \$2.6 million in 2012 to \$2.8 million in 2017, assuming a 2.2 percent increase in 2015 and a 2.5 percent increase in 2016.

Other Implications:

- a) **Does the legislation have indirect financial implications, or long-term implications?**
See above.
- b) **What is the financial cost of not implementing the legislation?**
If the contract is not legislated, employees will continue to receive the same wages that became effective on January 18, 2012. There may be additional legal risks associated with not implementing this legislation.
- c) **Does this legislation affect any departments besides the originating department?**
This proposed Council Bill will impact SDOT's budget, and to the extent provided in the collective bargaining agreement, the operational functions of its Local 77 union members.
- d) **What are the possible alternatives to the legislation that could achieve the same or similar objectives?**
None.
- e) **Is a public hearing required for this legislation?**

No.

f) Is publication of notice with *The Daily Journal of Commerce* and/or *The Seattle Times* required for this legislation?

No.

g) Does this legislation affect a piece of property?

No.

h) Other Issues: None.

2. To insure the making of appointments and promotions as provided under Article XVI of the City Charter.
3. To promote stability of employment and establish satisfactory tenure.
4. To provide for improvement and betterment programs designed to aid the employees in achieving their acknowledged and recognized objectives as outlined in this agreement.
5. To promote the highest degree of efficiency and responsibility in the performance of the work and the accomplishment of the public purposes of the City.
6. To adjust properly all disputes arising between them related to the matters covered by this Agreement.
7. To promote systematic labor-management cooperation between the City and its employees.

NON-DISCRIMINATION

The City and the Union agree that they will not discriminate against any employee by reason of age, race, creed, color, sex, national origin, religious belief or marital status. Whenever words denoting the masculine gender are used in this Agreement, they are intended to apply equally to either gender.

The parties agree nothing in this contract, including seniority provisions, shall serve to prevent a job placement or other reasonable accommodation as may be made pursuant to state or federal law for prevention of discrimination on the basis of disability. Application of this provision is not intended to modify the requirements of Article 2.

ARTICLE 1. RECOGNITION AND BARGAINING UNIT

1.1 The City hereby recognizes the Union as the exclusive collective bargaining representative, for the purposes stated in Chapter 108, Extraordinary Session, Laws of 1967 of the State of Washington, of all regular, full-time employees whose job classifications are listed in Appendix A of this Agreement.

ARTICLE 2. UNION MEMBERSHIP AND DUES

2.1 The City recognizes the Union's right to encourage all employees in the bargaining unit to become and remain members in good standing of the Union, and the Union accepts its responsibility to fairly represent all employees in the bargaining unit regardless of membership status. Neither party shall discriminate against any employee or applicant for employment on account of membership in or non-membership in any labor union or other employee organization.

2.2 The City agrees to deduct from the pay check of each employee, who has so authorized it, the regular initiation fee and regular monthly dues uniformly required to members of the Union. The amounts deducted shall be transmitted monthly to the Union on behalf of the employees involved. Authorization by the employee shall be on a form approved by the parties hereto and may be revoked by the employee upon request. The performance of this function is recognized as a service to the Union by the City.

2.3 Each regular full time employee within the bargaining unit whose most recent employment by the City of Seattle commences on or after July 1, 1971, shall make application to become a member of the Union within thirty days following the date of employment within the

unit, and all other employees within the bargaining unit who have voluntarily become members of the Union as of April 1, 1971, shall maintain such membership in good standing, and failure by any such employee to apply for and/or maintain such membership in accordance with this provision shall constitute cause for discharge of such employee; provided that it is expressly understood and agreed that the discharge of employees is governed by applicable provisions of the City Charter which provisions are paramount and shall prevail; provided further that the above requirements to apply for Union membership and/or maintain Union membership shall be satisfied by an offer of the employee to pay the regular initiation fee and the regular dues uniformly required by the Union of its members in municipal employment.

2.3.1 In accordance with RCW 41.56.122, employees covered by this agreement who for bona fide religious tenets or teachings of a church or religious body who are forbidden from joining a union shall contribute monthly an amount equivalent to regular Union dues to a nonreligious charity or to another charitable organization mutually agreed upon by the employee affected and the bargaining representative to which such employee would otherwise pay the regular monthly dues.

2.3.2 Failure by an employee to abide by the above provisions shall constitute cause for discharge of such employee; provided that when an employee fails to fulfill the above obligation, the Union shall provide the employee, the City Director of Labor Relations (and a courtesy copy to the affected Department Head), with thirty (30) days' notification of the Union's intent of discharge action, and during this period the employee may make restitution in the amount which is overdue.

2.3.3 If the employee has not fulfilled the above obligation by the end of the Union's thirty (30) calendar day discharge notification period, the Union will thereafter notify the City Director of Labor Relations in writing, with a copy to the affected department and employee, of such employee's failure to abide by Article II, Section 3. In this notice the Union will indicate whether or not it is still seeking the discharge of the employee for failure to abide by the terms of the labor agreement between the City and the Union.

ARTICLE 3. DURATION, MODIFICATION, AND CHANGES

Any modifications requested by either party must be submitted to the other party no later than ninety (90) days prior to the expiration of this Agreement, and any modifications requested at a later date shall not be subject to negotiations unless mutually agreed upon by both parties.

3.1.1 At its discretion for any one or all of the annual pay increase effective dates, the City may implement the new pay rates prior to the January 23 pay date, but no earlier than the beginning of the pay period in which this date falls.

3.2 A Wage Review Committee shall be convened by the City to hear and rule on wage relationship adjustments proposed by Local 77. Requests for such adjustments, together with justification therefore, must be presented to the City Director of Labor Relations in writing with endorsement by the Union no later than October 15 prior to the expiration of the Agreement, but not earlier than July of that year. A written report of the Wage Review Committee on each request shall be made within 45 days of the hearing and forwarded to the Union. If the Union desires a review of the Committee's reply, it shall be granted and be held no later than 30 days from the request of the meeting. Wage relationship adjustments approved by the Committee shall be applied at the same time as the next general wage settlement and effective the same date as the settlement

ARTICLE 4. GRIEVANCE PROCEDURE

4.1 Recognizing that the terms of the Agreement may be subject to different interpretations, both the Department and the Union should have recourse to an orderly means of resolving any situation resulting in a grievance. The following outline of procedure by which grievances shall be processed is written as for a grievance of the Union against the Department, but it is understood that the steps are similar for a grievance of the Department against the Union.

Arbitration awards or grievance settlements shall not be made retroactive beyond the date of the occurrence or nonoccurrence upon which the grievance is based, that date being thirty (30) calendar days or less prior to the initial filing of the grievance.

4.1.2 Step 1. As the initial step, the grievance shall be discussed by the Union Steward and the immediate supervisor of the employee.

4.1.3 Step 2. If no settlement is arrived at in Step 1, the grievance may be referred in writing by the employee or the steward to the Business Manager of the Union. If the Business Manager decides that the grievance should be forwarded to the Department, he shall submit it in writing within ten (10) working days after the discussions between the shop steward and the supervisor involved. The grievance should set forth the following:

- a. A statement of the nature of the grievance and the facts upon which it is based.
- b. The remedy or correction which it is desired that the Department make.

c. The section or sections of the Agreement, if any, relied upon as being applicable thereto.

4.1.4 When a grievance is so presented, the Department shall reply in writing within ten (10) working days from the receipt of the grievance.

4.2 Step 3. If no settlement is arrived at in Step 2, the grievance shall be submitted within ten (10) working days after the Step 2 answer to a Joint Labor-Management Committee composed of three representatives of the Union and three representatives of the Department, who shall endeavor to settle the grievance within ten (10) working days.

4.3 Step 4. If the difference or complaint is not settled in Step 3, it may be referred to the American Arbitration Association for arbitration to be conducted under its voluntary labor arbitration regulations. Such reference to arbitration will be made within thirty (30) calendar days of the expiration of the settlement period enumerated in Step 3, and will be accompanied by the following information:

1. Question or questions at issue
2. Statement of facts
3. Position of employee or employees
4. Remedy sought

The parties agree to abide by the award made in connection with any arbitrable difference. There will be no suspension of work, slowdown or curtailment of services while any difference is in process of adjustment or arbitration.

In connection with any arbitration proceeding held pursuant to this agreement, it is understood as follows:

- A. The arbitrator shall have no power to render a decision that will add to, subtract from or alter, change or modify the terms of this Agreement, and the arbitrator's power shall be limited to interpretation or application of the express terms of this Agreement, and all other matters shall be excluded from arbitration.
- B. The cost of the arbitrator shall be borne equally by the Department and the Union, and each party shall bear the cost of presenting its own case.
- C. The arbitrator's decision shall be made in writing and shall be issued to the parties within thirty (30) days after the case is submitted to the arbitrator.

D. Nothing herein shall be construed as preventing the Department and the Union from settling by mutual agreement, prior to final award; any grievance submitted to arbitration herein.

4.3.1 By mutual agreement, the parties to this agreement, the Union and the City, may: 1) submit the grievance for mediation in lieu of arbitration (in which case the parties waive the right to pursue the matter further to arbitration); or 2) may request the arbitrator selected for arbitration, or another arbitrator, mediate the dispute which shall then be subject to arbitration if mediation should fail to result in a settlement.

~~4.4~~ Disciplinary action may be processed through the third step of the grievance procedure; but shall not be a subject for arbitration. In no event shall this agreement alter or interfere with disciplinary procedure heretofore followed by the Department or provided for by the City Charter, Ordinance or Law, including the procedure for appeals thereof. This clause shall not, however, prevent the Union from affording to its members such representation in any other proceeding as it may see fit.

4.5.4 Any time limits stipulated in the grievance procedure may be extended for stated periods of time by the appropriate parties by mutual agreement in writing.

4.65 When a grievance is of a general nature, it will not be necessary that the Union list the names of the aggrieved employees.

8.2 An employee who is eligible for vacation benefits shall accrue vacation from the date of entering City service or the date upon which he/she became eligible and may accumulate a vacation balance which shall never exceed at any time two (2) times the number of annual vacation hours for which the employee is currently eligible. Accrual and accumulation of vacation time will cease at the time an employee's vacation balance reaches the maximum balance allowed and will not resume until the employee's vacation balance is below the maximum allowed.

8.3 Employees may, with Department approval, use accumulated vacation with pay after completing 1040 hours on regular pay status.

8.4 In the event that the City cancels an employee's already scheduled and approved vacation, leaving no time to reschedule such vacation before the employee's maximum balance will be reached, the employee's vacation balance will be permitted to exceed the allowable maximum and the employee will continue to accrue vacation for a period of up to three months if such exception is approved by both the department head and the Personnel Director in order to allow rescheduling of the employee's vacation. In such cases, the department head shall provide the Personnel Director with the circumstances and reasons leading to the need for such an extension. No extension of this grace period will be allowed.

8.5 "Service year" is defined as the period of time between an employee's date of hire and the one-year anniversary date of the employee's date of hire or the period of time between any two consecutive anniversaries of the employee's date of hire thereafter.

Formatted: Right

8.6 The minimum vacation allowance to be taken by an employee shall be one-half of a day, or at the discretion of the head of the department, such lesser amount as may be approved by the department head.

8.7 An employee who leaves City service for any reason after more than six (6) months service shall be paid in a lump sum for any unused vacation he/she has previously accrued. Upon the death of an employee in active service, such payment will be made to the estate of the deceased employee.

8.8 An employee who is granted an extended leave of absence which includes the next succeeding calendar year shall be paid in a lump sum for any vacation earned in the current year or, at the City's option, the employee shall be required to exhaust such vacation time before being separated from the payroll.

Where the terms of this section 8.8 are in conflict with Ordinance 116761 (family and medical leave) as it exists or may be hereafter modified, the ordinance shall apply.

8.9 An employee returning from military leave of absence, shall be given service credit for such service for purposes of determining the vacation accrual rate upon return to employment.

8.10 Where an employee has exhausted his/her sick leave balance, the employee may use vacation for further leave for medical reasons only with prior approval of the department head. In all other instances, employees must use all accrued vacation prior to beginning a leave of absence unless the leave of absence is granted to allow the employee to participate as a member of the Union's negotiating committee, relative to collective bargaining for the purpose of amending provisions of this Agreement.

Where the terms of this section 8.10 are in conflict with Ordinance 116761 (family and medical leave) as it exists or may be hereafter modified, the ordinance shall apply.

8.11 The department head shall arrange vacation time for employees on such schedules as will least interfere with the functions of the department but which accommodate the desires of the employees to the greatest degree feasible.

ARTICLE 9. SICK LEAVE

If an employee is on a special work schedule, particularly where a relief replacement is necessary if he is absent, he/she shall notify his/her immediate supervisor as far as possible in advance of his scheduled time to report to work.

In like circumstances and upon like application the department head may authorize for the purpose of attending the funeral of a relative other than a close relative, not to exceed five (5) days chargeable to the sick leave account of an employee. For purposes of this Section, the term "close relative" shall mean the spouse, child, mother, stepmother, father, stepfather, brother, sister, grandchild, grandfather or grandmother of the employee or spouse, and the term relative other than a "close relative" shall mean the uncle, aunt, cousin, niece or nephew of the employee, or the spouse of the brother or sister of the spouse of the employee.

An employee who is involved in such a work stoppage shall not be disciplined or suffer any loss of wages for such action if one of the three conditions as described above actually prevailed at the time of the work stoppage. Any questions regarding the merits of safe vs. unsafe conditions shall be judged pursuant to Section 17.1.

17.6.1 Whenever an employee is injured on the job and compelled to seek immediate medical treatment, the employee shall be compensated in full for the remaining part of the day of injury without effect to his/her sick leave or vacation account. Scheduled workdays falling within only the first three (3) calendar days following the day of injury shall be compensable through accrued sick leave. 17.6.2 Such compensation shall be authorized by the Personnel Director or his/her designee with the advice of such employee's department head on request from the employee supported by satisfactory evidence of medical treatment of the illness or injury giving rise to such employee's claim for compensation under Seattle Municipal Code 4.44, as now or hereinafter amended.

17.6.3 Compensation for holidays and earned vacation falling within a period of absence due to such disability shall be at the normal rate of pay but such days shall not be considered as regularly scheduled workdays as applied to the time limitations set forth within Section 17.6. Disabled employees affected by the provisions of SMC 4.44 shall continue to accrue vacation and sick leave as though actively employed during the period set forth within Section 17.6.

17.6.4 Any employee eligible for the benefits provided by SMC 4.44 whose disability prevents him/her from performing his/her regular duties but in the judgment of his/her physician could perform duties of a less strenuous nature, shall be employed at his/her normal rate of pay in such other suitable duties as the department head shall direct, with the approval of such employee's physician until the Personnel Director requests closure of such employee's claim pursuant to SMC 4.44, as now or hereinafter amended.

17.6.5 Sick leave shall not be used for any disability herein described except as allowed in Section 17.6.1.

17.6.6 The afore-referenced disability compensation shall be understood to be in lieu of State Industrial Insurance Compensation and Medical Aid.

19.4 One (1) day emergency leave per Agreement year without loss of pay may be taken with approval of the employee's supervisor and/or department head when it is necessary that the

employee be off work in the event of a serious illness or accident of a member of the immediate family, or an unforeseen occurrence with respect to the employee's household, either of which necessitates immediate action on the part of the employee. The "immediate family" is limited to the spouse, domestic partner, children and parents of the employee. The "household" is defined as the physical aspects of the employee's residence.

19.5 The employees covered by this Agreement may examine their Departmental Personnel File in the Department Personnel Office in the presence of the Personnel Officer or a designee. 20.3 When an employee is transferred to any position in which he/she has had no previous experience, he/she shall be given a reasonable break-in period with an experienced employee in that position.

20.4 All employees working on poles, towers, or suspense-type platforms seventy-five (75) feet above ground or higher shall receive additional compensation while actually working at these heights. This additional compensation shall be at the straight-time rate in addition to the normal rate in effect at the time the work is being performed. This rule shall not apply when employees are working on the roofs of buildings where no exceptional hazard exists.

20.5 Employees shall not be required to report before or after their regular work periods for the purpose of picking up vehicles or materials.

20.6 Employees shall not be required to attend meetings called by the City except during the regular working hours.

Mayor

October 14, 2014

Honorable Tim Burgess
President
Seattle City Council
City Hall, 2nd Floor

Dear Council President Burgess:

I am pleased to transmit the attached proposed Council Bill that authorizes a collective bargaining agreement between the City and the International Brotherhood of Electrical Workers, Local 77 ("Local 77") for the time period January 23, 2013 through January 22, 2017. This legislation affects approximately 25 City employees represented by Local 77 in the Seattle Department of Transportation (SDOT).

The agreement provides for wages, benefits and other working conditions for Local 77 SDOT members. Union members' wages will increase by 2.7 percent in 2013, and 2 percent in 2014. Cost-of-living increases for 2015 and 2016 are projected to be 2.2 percent and 2.5 percent, respectively. The projection is based on 100 percent of the percentage increase in the Seattle-Tacoma-Bremerton area Consumer Price Index for June of the previous year as compared to June of the base year. Cost-of-living increases for 2015 and 2016 shall not be less than 2 percent or exceed 7 percent. Signal Electricians I- V job titles will be consolidated to a single job title, Journey-Level Signal Electrician, and paid at the rate of the job title formerly called Signal Electrician IV. Those employees currently in the Signal Electrician V job title will be grandfathered at their current rates of pay with annual cost-of-living increases until they leave the City.

The agreement provides for changes to the administration and cost sharing of City health care plans. Union members who elect the Local 77 health care plan will increase their monthly premium cost share from 5 to 10 percent of the total monthly cost and will see increases to their office and prescription drug copays. Any union member may also opt to enroll in the "most employees" health care plan offered to Coalition of City Union members and non-represented employees. The agreement also provides for a reopener on changes to the City's Retirement System, two additional floating holidays after nine years of employment (the same as for non-represented and Coalition of City Union employees), adjusting shift working hours, and increasing the number of working crew chiefs from two to six, among other items.

Thank you for your consideration of this legislation. Should you have questions, please contact David Bracilano at (206) 684-7874 or Sarah Butler at (206) 684-7929.

Sincerely,

Edward B. Murray
