Startup Seattle Overview

May 1, 2014

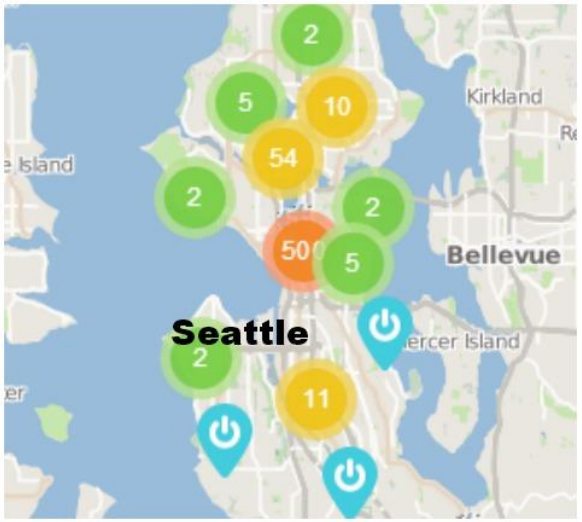
Rebecca Lovell, Startup Liaison
Seattle Office of Economic Development

Startup Seattle connects startups to resources, seeks to expand opportunities in tech and entrepreneurship in under-served communities, and measures and promotes the success of our region's startups.

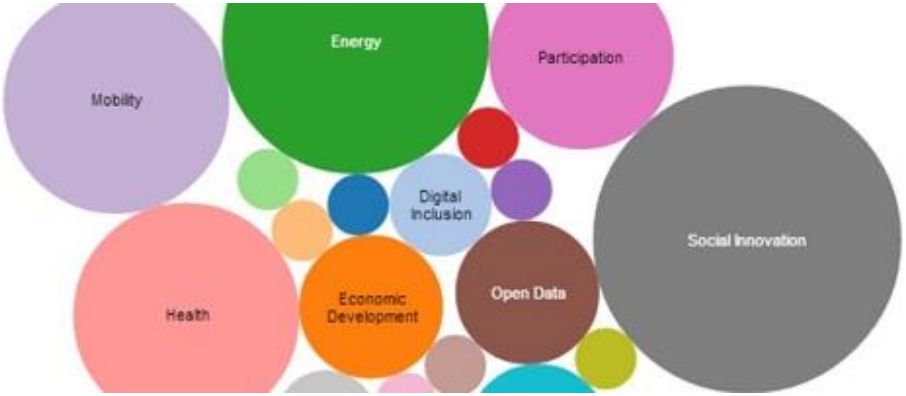
Resources

Opportunities

Impact



"A mere 13% of cities report that they have a structured capacity to listen to entrepreneurs and innovators."



Open, agile and empathetic cities, 3/19/14

Digital inclusion and a diverse technology workforce
