Legislation Title: AN ORDINANCE relating to the Seattle Public Utilities' Arbor Heights Fire Flow Improvements project; accepting an easement for water and sewer purposes over, under, through, across, along and upon property commonly known as 3707 SW 105th Street, King County Assessor Parcel number 022303-9302; and ratifying and confirming certain prior acts.

Summary and background of the Legislation:

This legislation would authorize acceptance of an easement for water and sewer purposes private property at 3707 SW 105th Street.

Seattle Public Utilities' Arbor Heights Fire Flow Improvements project replaced a 2-inch water main with an 8-inch water main to increase and assure greater water flow for fire suppression. The City of Seattle has no easement rights for water or sewer infrastructure within the said property. The property owner has donated and granted the needed easement. This was a high priority project due to the inadequate water flow for fire protection. The easement was required before the project could proceed. For this reason the easement was obtained at that time and this prior act needs to be ratified and confirmed.
