1. BILL SUMMARY

Legislation Title: AN ORDINANCE relating to the Department of Parks and Recreation; authorizing the acquisition of real property commonly known as 8118 Greenwood Avenue North; authorizing acceptance and recording of the deed for open space, park, and recreation purposes; and ratifying and confirming certain prior acts; all by a three-fourths vote of the City Council.

Summary and background of the Legislation: On November 4, 2008, Seattle voters approved a six-year property tax levy, the 2008 Parks and Green Spaces Levy (Levy), for the purpose of improving and expanding the City's parks and green spaces. The attached proposed Council Bill authorizes the Department of Parks and Recreation (DPR) to acquire a 9,706 square foot property in accordance with the terms of the purchase and sale agreement attached to this legislation. The property is improved with a 2,914 square foot pub and its supporting parking lot. The legislation authorizes the acceptance of the deed to the subject property for open space, park, and recreation purposes.

The property is located at 8118 Greenwood Avenue North in the Greenwood-Phinney Residential Urban Village, adjacent to the 8100 Greenwood Avenue North which was acquired by DPR several years ago. These two properties together will become a wonderful neighborhood park next to the Greenwood Library. Both the Greenwood and Phinney neighborhoods expressed support for this acquisition.

The proposed acquisition will fill an identified open space gap in the Greenwood-Phinney Residential Urban Village, and will help satisfy the goal to provide parks within walking distance for residents in and around urban villages. This is a key planning goal included in both Seattle's Parks and Recreation 2006 Development Plan and 2006 Open Space Gap Report Update, and Seattle's Parks and Recreation 2011 Development Plan. The property will be developed using Seattle Park District Funds starting in 2018.

4. OTHER IMPLICATIONS

- a) **Does the legislation have indirect or long-term financial impacts to the City of Seattle that are not reflected in the above?**
No
- b) **Is there financial cost or other impacts of not implementing the legislation?**
Acquiring this property will support the goal of the Neighborhood Parks Acquisitions category of the 2008 Parks Levy Ordinance, which is acquiring property and expanding open space in the Greenwood-Phinney Urban Center Village. If we do not acquire the property now, the property will be redeveloped into townhouses and the opportunity to have a larger neighborhood park will be lost.

No
- d) **Is a public hearing required for this legislation?**
No
- e) **Is publication of notice with *The Daily Journal of Commerce* and/or *The Seattle Times* required for this legislation?**
No
- f) **Does this legislation affect a piece of property?**
Yes
- g) **Please describe any perceived implication for the principles of the Race and Social Justice Initiative. Does this legislation impact vulnerable or historically disadvantaged communities?**
No
