1. Conveyance and Consideration. Grantor, for and in consideration of the sum of Five Hundred Twenty-Five Thousand Dollars and no Cents (\$525,000.00), hereby grants, without warranty of title, to GCW Shoreline, LLC, an undivided three-quarters interest, and to WG @ Shoreline, LLC, an undivided one-quarter interest, as tenants in common, and their successors, a non-exclusive easement for the purposes of parking vehicles upon, as well as access over, through, and across, a portion of Grantor's property ("Grantor Property") that is legally described in **Exhibit "A"**. Grantor reserves unto itself and its assigns: (i) all aerial rights above, over, across and through the Easement Area; (ii) all subsurface rights beneath, across and through the Easement Area; (iii) the right to enter, exit, and traverse the Easement Area for the purpose of replacing, repairing, improving, removing, operating and maintaining its present or future facilities or structures lying within, suspended above, or located on Grantor Property; (iv) the right to install transmission or distribution poles, pole support structures, wires, insulators, crossarms, braces, fiber optic equipment, and any other necessary or convenient related appurtenances anywhere within the Easement Area, along with the right to enter, exit and traverse the Easement Area for such installation; and (v) all other rights as fee owner of the Grantor Property and Easement Area that do not unreasonably interfere with the Grantees rights pursuant to this Easement.

If Grantor anticipates the need to temporarily use the Easement Area for construction, maintenance, repair, or safety purposes, Grantor shall make reasonable efforts to notify one or both Grantees in advance. 4.12 This Easement and all its covenants, terms and conditions shall become perpetual and run with Grantor Property. Upon conveyance of the fee simple interest of Grantees' property, the successor in interest shall automatically be deemed to have assumed all obligations and liabilities arising out of or in connection with this Easement, and the predecessor released therefrom, except for actions arising from sections 4.9 or 4.10 above.

4.13 The obligation(s) of the Grantees to the Grantor under this Easement are joint and several, and may not be waived or apportioned except by written consent of Grantor.

BILL SUMMARY & FISCAL NOTE

1. BILL SUMMARY

Legislation Title:

AN ORDINANCE relating to the City Light Department; declaring certain real property rights surplus to utility needs; authorizing the General Manager and Chief Executive Officer to execute an agreement for the City to grant an easement for parking and access purposes over a portion of the City's fee-owned Bothell-Canal Transmission Corridor at 17524 Aurora Avenue North in the City of Shoreline, Washington; accepting payment for the true and full value of the easement from GCW Shoreline, LLC, and WG @ Shoreline, LLC; and ratifying and confirming certain prior acts.

Summary: This legislation authorizes Seattle City Light to grant an easement to GCW Shoreline, LLC, and WG @ Shoreline, LLC, for parking and access for a Walgreen's Store in Shoreline, Washington, in City Light's Bothell-Canal Transmission Corridor, and authorizes the acceptance of \$525,000 for this easement.

Background: GCW Shoreline, LLC, and WG @ Shoreline, LLC (GCW and WG Shoreline") own property in Shoreline, Washington that is leased to the Walgreen Company ("Walgreen's"). GCW and WG Shoreline currently lease a portion City Light's transmission corridor abutting their parcel, which provides access and customer parking for Walgreen's.

GCW and WG Shoreline are seeking to sell their property. The lease between GCW and WG Shoreline and City Light has a 30-day cancellation provision. Without permanent rights for access and parking, GCW and WG Shoreline conclude that their property is unmarketable. For that reason, GCW and WG Shoreline have requested to purchase a permanent easement for parking and access within a portion of City Light's abutting transmission corridor.

The proposed easement would prohibit GCW and WG Shoreline from constructing any structures in the easement area, would allow City Light to install additional transmission or distribution poles anywhere in the easement area, and provides for other prohibited uses by the Grantee and allowable uses by City Light, consistent with the continued transmission use of the City's property.

GCW and WG Shoreline have agreed to pay City Light \$525,000 for the permanent easement, based on an independent appraisal by an MAI appraiser.
