WHEREAS, by Ordinance 121572, The City of Seattle granted permission to First & Utah Street Associates, LLC to occupy, construct, maintain, and operate open space improvements over and across Utah Avenue South, between South Stacy Street and South Lander Street; and

WHEREAS, the permission granted by Ordinance 121572, as amended by Ordinance 121855, was due for renewal on October 12, 2014; and

WHEREAS, First & Utah Street Associates, LLC has submitted an application to the Seattle Department of Transportation Director ("Director") to continue maintaining and operating the open space improvements; and

WHEREAS, First & Utah Street Associates, LLC has satisfied all terms of the original authorizing ordinance and the Director recommends that the term permit be renewed subject to the terms identified in this ordinance; NOW, THEREFORE,

BE IT ORDAINED BY THE CITY OF SEATTLE AS FOLLOWS:

Section 1. The permission granted First & Utah Street Associates, LLC by Ordinance 121572 to maintain and operate open space improvements over and across Utah Avenue South, between South Stacy Street and South Lander Street, is renewed for a ten-year period starting on the effective date of this ordinance, and ending at 11:59 p.m. on the last day of the tenth year,

upon the terms and conditions set forth in Ordinance 121572; and as further amended by this ordinance.

Section 2. Sections 1, 2, 3, 4, 5, 6, 7, 8, 9, 10, 11, 12, 13, 14, 15, 16, and 17 of Ordinance 121572 are as amended as follows:

1. **Permission.** Subject to the terms and conditions of this ordinance, The City of Seattle ("City") grants permission (also referred to in this ordinance as a permit) ((is hereby granted)) to the First & Utah Street Associates, LLC ("Permittee"), and its successors and assigns as approved by the Director of the Seattle Department of Transportation ("Director") according to Section 14 of this ordinance, ((as follows:)) to occupy Utah Avenue South between South Stacy Street and South Lander Street to construct, maintain, and operate landscaping, decorative paving, benches, and other open space improvements ((over and across the right-of-way)) in the public place ("open space improvements"). The permit granted ((hereby)) is subject to use by the public for pedestrian travel, emergency vehicle access, and utility purposes.

2. **Term.** The permission ((herèin)) granted to ((the)) Permittee ((, its successors and assigns, shall be)) is for a term of ten ((10)) years ((, commencing)) starting on the effective date of this ordinance and ((terminating)) ending at 11:59 p.m. on the last day of the tenth year. Upon written application ((of)) made by the Permittee at least ((thirty (30))) 180 days before the expiration of the term, the Director ((of Seattle Department of Transportation shall)) or the City Council may renew the permit ((for)) twice, each time for a successive ten ((10))-year ((terms)) term, ((unless))subject to the City ((Council determines)) determining pursuant to Section 3.A. below that the area subject to this permit is necessary for a primary or secondary public use or benefit, or that the Permittee's improvements interfere with a primary or secondary public use or

benefit. The total term of the permission, including renewals, ~~((as originally granted and thus extended))~~ shall not exceed ~~((thirty-))~~30((9)) years~~((, subject to the right of City Council by ordinance to revise any of the terms and conditions contained herein at the time of each renewal))~~. The Permittee shall submit any application for a new permission no later than 180 days prior to the expiration of the then-existing term.

3. **Removal for public use or cause.** The ~~((permit))~~ permission granted ~~((hereby))~~ is subject to ~~((primary and secondary use by the public))~~ use of the street right-of-way or other public place (collectively, public place) by the City and the public for travel, ((and)) utility purposes, and other public uses or benefits. ~~((t))~~The City expressly reserves the right to deny renewal, or terminate the permission at any time prior to expiration of the initial term or any renewal term, and require the Permittee to remove the open space improvements, or any part thereof or installation on the public place, at the Permittee's sole cost and expense in the event that:

~~((A))~~a) the City Council determines~~((;))~~ by ordinance~~((;))~~ that the space occupied by the open space improvements is necessary for any ~~((primary or secondary))~~ public use or benefit~~((;))~~ or that the improvements interfere with any ~~((primary or secondary))~~ public use or benefit; or

(b) the Director determines that use of the open space improvements has been abandoned
; or

~~((B))~~c) the Director ~~((of Transportation ("Director")))~~ determines that any term or condition of this ordinance has been violated, and ~~((such))~~ the violation has not been corrected

by the Permittee by the compliance date after ~~((such notice of violation having been given))~~ a written request by the City to correct the violation (unless a notice to correct is not required due to an immediate threat to the health or safety of the public). ~~((A City Council determination that the space is necessary for a primary or secondary public use or benefit shall be conclusive and final.))~~

4. **Permittee's obligation to remove and restore.** ~~((In the event that))~~ If the permission ~~((hereby))~~ granted ~~((extends to its termination in thirty (30) years, or the City orders removal of the open space improvements pursuant to the terms of this ordinance,))~~ is not renewed at the expiration of a term, or if the permission expires without an application for a new permission being granted, or if the City terminates the permission, then within ~~((ninety (90)))~~ 90(()) days after ~~((such))~~ the expiration((,)) or termination of the permission, or prior to any earlier date stated in an ordinance or order ((of)) requiring removal((, or prior to the date stated in an "Order to Remove", as the case may be,)) of the open space improvements, the Permittee shall, at its own expense, remove the open space improvements and all of the Permittee's equipment and property from the public place and replace and restore all portions of the public place ~~((and shall return all portions of the right-of-way))~~ that may have been disturbed for any part of the open space improvements~~((, back to the condition for public use as it was prior to construction of the improvements, and in at least))~~ in as good condition ((in all respects as the abutting portions thereof and consistent with the Restoration Plan set forth in Attachment A)) for public use as existed prior to the construction of the open space and in at least as good condition in all respects as the abutting portions of the public place as required by Seattle Department of Transportation ("SDOT") right-of-way restoration standards. ~~((Whereupon, the Director shall issue certificate~~

1 ~~discharging the Permittee from responsibility under this ordinance for occurrence after the date~~
2 ~~of such discharge.))~~

3 5. **Repair or reconstruction.** The open space improvements shall remain the exclusive
4 responsibility of the Permittee and the Permittee shall maintain the open space improvements in
5 good and safe condition for the protection of the public. The Permittee shall not ~~((commence~~

20 required by this ordinance is a violation of Chapter 15.90 of the Seattle Municipal Code (SMC)
21 or successor provisions; however, applicability of Chapter 15.90 does not eliminate any remedies
22 available to the City under this ordinance or any other authority. If the Permittee does not timely

1 fulfill its obligations under this section, the City may at its sole discretion remove the open space
2 improvements and restore the public place at the Permittee's expense, and collect such expense in
3 any manner provided by law.

4 Upon the Permittee's completion of removal and restoration in accordance with this
5 section, or upon the City's completion of the removal and restoration and the Permittee's
6 payment to the City for the City's removal and restoration costs, the Director shall then issue a
7 certification that the Permittee has fulfilled its removal and restoration obligations under this
8 ordinance. Upon prior notice to the Permittee and entry of written findings that it is in the public
9 interest, the Director may, in the Director's sole discretion, conditionally or absolutely excuse the
10 Permittee from compliance with all or any of the Permittee's obligations under this section.

11 **7. Continuing obligations.** Notwithstanding termination or expiration of the permission
12 granted, or closure or removal of the open space improvements, the Permittee shall remain bound

19 any unpaid fees assessed under Section 15 of this ordinance.

20 ((Provided, that upon prior notice to the Permittee and entry of written findings that such is in the

8. **Protections of utilities.** The permission granted ~~((by this permit))~~ is subject to the Permittee bearing the expense of any protection, support, or relocation of existing utilities deemed necessary by the ~~((owner))~~ owners of the ~~((utility))~~ utilities, and shall be done at Permittee's expense with the Permittee being responsible for any ~~((subsequent))~~ damage to the utilities due to the construction, repair, reconstruction, maintenance ~~((-or-))~~, operation, or removal of the open space improvements and for any consequential damage that may result from any damage to utilities or interruption in service caused by any of the foregoing. Whenever a utility needs to excavate within the street area subject to this permit, the Director will require the utility to restore, at its own expense, the pavement or other street area excavated in accordance with the City's Pavement Opening and Restoration Rules and with applicable Seattle Standard Plans and Specifications; provided, however, that if the utility's excavation has disturbed or removed Permittee's open space improvements, the utility shall not be required to be responsible for any additional cost incurred as a result of the open space improvements costing more than the applicable Seattle Standard Plans and Specifications for street surface restoration. Such additional restoration costs shall be the sole responsibility of the Permittee. If Permittee desires surface restoration with decorative or special paving materials, Permittee shall furnish such materials to the utility. Prior to commencement of any pavement opening work in the street area subject to this permit, the Director will require the utility to consult with the Permittee on the means for minimizing interference with the Permittee's use of the street, and the utility's restoration plan and schedule.

1 9. **Open Space Improvements.** The Permittee shall own any improvements and fixtures,
2 including but not limited to: art, benches, or other amenities that were installed in and on the
3 closed street by Permittee((;)); provided, however, that ((said)) ownership may be negotiated
4 with the City at the termination of the permit. Activation of the public place with uses open to
5 the public is allowed, subject to applicable City departments' review and approval. Any
6 activation of the public place for private uses must be permitted by the City.
