1. BILL SUMMARY

Legislation Title: AN ORDINANCE relating to the City's criminal code; amending Sections 6.36.020, 12A.06.120, 12A.06.180, 12A.06.195, 12A.14.080, 12A.16.030, 12A.20.100, 12A.24.010, 12A.24.150, 18.12.255, and 18.12.257 of the Seattle Municipal Code and adding Sections 12A.10.150, 12A.10.220, and 12A.24.105 to the Seattle Municipal Code to conform the Seattle Municipal Code with changes in state law and make technical corrections.

Summary and background of the Legislation: This legislation changes our criminal code mostly to reflect changes made to corresponding state statutes by the 2015 Legislature. It creates the crimes of allowing the unauthorized practice of massage, violating a vulnerable adult protection order, violating an order to surrender a firearm, disclosing intimate images of a person without consent, furtively carrying a pistol, allowing a building to be used for the discharge of a firearm at a person and using, selling or possessing powdered alcohol. It also adds a \$15 fine to the penalty for violating a domestic violence protection order, changes the classification of first-offense Escape and expands the infraction of consuming marijuana to include marijuana concentrates.

4. OTHER IMPLICATIONS

- a) Does the legislation have indirect or long-term financial impacts to the City of Seattle that are not reflected in the above? No.
- b) Is there financial cost or other impacts of not implementing the legislation?
Inasmuch as these new crimes are crimes under state law, which would be enforced in Seattle regardless of the legislation, no cost or impact seems likely.
- c) Does this legislation affect any departments besides the originating department?
This legislation would affect the Police Department, as officers would be enforcing these new crimes, and Municipal Court, which will be adjudicating the charges filed by the City Attorney for these new crimes. As the number of such violations likely will be small, the impact on these other departments should be minimal.
- d) Is a public hearing required for this legislation? No.
- e) Is publication of notice with *The Daily Journal of Commerce* and/or *The Seattle Times* required for this legislation? No.

- f) Does this legislation affect a piece of property?** No.
- g) Please describe any perceived implication for the principles of the Race and Social Justice Initiative. Does this legislation impact vulnerable or historically disadvantaged communities?** None seems apparent.
- h) If this legislation includes a new initiative or a major programmatic expansion: What are the long-term and measurable goals of the program? Please describe how this legislation would help achieve the program's desired goals.** This legislation does not include any new initiatives or major programmatic expansions.
