1. BILL SUMMARY

Legislation Title:

AN ORDINANCE relating to Seattle Public Utilities; accepting an easement situated adjacent to Seward Park granted to The City of Seattle for construction and abandoning-in-place of horizontal construction tiebacks; placing the easement under the jurisdiction of Seattle Public Utilities; and ratifying and confirming certain prior acts.

Summary and background of the Legislation:

Seattle Public Utilities (SPU) is building an underground Combined Sewer Overflow (CSO) tank in Seward Park. The partial transfer of jurisdiction for construction of the CSO tank in a portion of Seward Park was approved by Ordinance 124491. Construction costs are diminished significantly if horizontal construction tiebacks are used to support the walls of the tank during construction. If tiebacks are used, they would extend into private property on the western side. Kenny K. Ho, the owner of the adjacent property on the western side, granted SPU an easement for the tiebacks. After construction the tiebacks will de-tension in place and are expected to be completely relaxed within ten years.
