If Grantor anticipates the need to temporarily use any portion of the Easement Area for construction, maintenance, repair, or safety purposes, Grantor shall make reasonable efforts to notify Grantee in advance. However, in cases of emergency, no such advance notification shall be required. Grantee shall at no time interfere with Grantor's access to, egress from, or ability to traverse the Easement Area or Grantor Property or allow such interference by their agents, lessees or assigns.

4.12 This Easement and all its covenants, terms and conditions shall become perpetual and run with Grantor Property and benefit the Grantee Property. Upon conveyance of the fee simple interest of Grantee's property, the successor in interest shall automatically be deemed to have assumed all obligations and liabilities arising out of or in connection with this Easement, and the predecessor released therefrom, except for actions arising from sections 4.9 or 4.10 above.

4.13 The obligation(s) of the Grantee to the Grantor under this Easement are joint and several, and may not be waived or apportioned except by written consent of Grantor.
