AN ORDINANCE relating to civil rights; authorizing the Director of the Office for Civil Rights or her designee to execute an agreement with the Social Justice Fund, a Washington non-profit, to provide services relating to zero youth detention projects; amending Ordinance 124927 by lifting a budget proviso; and ratifying and confirming certain prior acts.

WHEREAS, the City Council passed Resolution 31614 in 2015, endorsing a vision for The City of Seattle to become a city with zero use of detention for youth; and

WHEREAS, The City of Seattle has developed a Race and Social Justice Initiative (RSJI) to implement its longstanding commitments to social justice and ending racism; and

WHEREAS, the City's Office for Civil Rights (OCR) works to advance civil rights and end barriers to equity; and

WHEREAS, Resolution 31614 requested that OCR develop a report that outlines a strategy for engaging City departments, including law enforcement, community members, anti-racist community-based agencies, and partner agencies in the development of the City's Action Plan; and

WHEREAS, OCR completed this report and presented it to the City Council at its February 16, 2016, Council Briefing; and

WHEREAS, as part of the City Council's 2016 budget process, the Council added \$600,000 to OCR's budget for work on Zero Youth Detention projects, and imposed a budget proviso requiring OCR to contract with the Social Justice Fund to administer a community-based competitive bid process to allocate funding towards youth detention alternative services and requiring OCR to contract with the organizations awarded funding through that process; and

WHEREAS, the City Council now prefers that the Social Justice Fund contract directly with the organizations awarded the funding through the competitive bid process to provide the youth detention alternative services; and

BE IT ORDAINED BY THE CITY OF SEATTLE AS FOLLOWS:

Section 1. Attachment A - Agreement for Social Justice Fund Northwest Zero Detention Project

City of Seattle

Seattle Office for Civil Rights and Social Justice Fund Northwest **AGREEMENT for**

EPIC Zero Detention Project **AGREEMENT NUMBER: SOCR2016-02**

This Agreement is made and entered into by and between the City of Seattle ("the City"), a Washington municipal corporation, through its Seattle Office for Civil Rights, as represented by the Director, Patricia Lally; and the Social Justice Fund Northwest ("SJF"), a non-profit organization of the State of Washington and authorized to do business in the State of Washington.

Recitals:

WHEREAS, City Council Resolution 31614 endorses a vision for the City of Seattle to become a city with zero use of detention for youth, and establishing a path forward to develop policies that eliminate the need for youth detention;

WHEREAS, this vision for zero use of detention has long been the vision of Seattle youth of color, particularly African-American youth and other members of Ending the Prison Industrial Complex (EPIC), who have been organizing and leading a campaign against placing youth in detention;

WHEREAS, the purpose of this contract is to allocate City resources for the development of alternatives to detention and incarceration for youth that are community-based and community-led and with clearly defined program outcomes;

WHEREAS, the City Council intends to allocate funds in a manner that focuses on and includes participation from anti-racist, community-based agencies and those most impacted by the criminal justice system;

WHEREAS, the Social Justice Fund Northwest has a long history of funding strategic grassroots community organizing for social change throughout the Northwest and has been at the forefront of social justice philanthropy, developing innovative, democratic and participatory models of donor organizing;

WHEREAS, the Social Justice Fund Northwest, in 2010, launched a new donor and leadership development program called the Giving Project. A Giving Project is a cross-class, multiracial group of 15-25 people who commit to a process of approximately six months. During this time, project members: build community with one another; develop a shared analysis of race and class; fundraise from their own networks and make strategic grants for social change;

WHEREAS, through this agreement, Social Justice Fund Northwest will establish a new model for grassroots, participatory contracting for programs which further the City's goal of zero detention of youth and will solely retain fiscal responsibility for the grants and the outcomes of the organizations funded; SJF will work in relationship with EPIC to adapt and implement the Giving Project model consistent with the City's goal to achieve Zero Detention for youth;

WHEREAS, this participatory contracting model will ensure that those most impacted by youth detention participate in contract funding decisions, thereby bringing expertise, accountability, and greater democracy to the budgeting process; and work to build capacity in the impacted community to resource this work through their own fundraising as well as in partnership with government.

NOW, THEREFORE, in consideration of the terms, conditions, covenants and performance of the Scope of Work contained herein, the City and SJF mutually agree as follows:

1. TERM OF AGREEMENT.

The term of this Agreement begins on the effective date, which is the date when fully executed by all parties, and ends on December 31, 2017, unless amended by written agreement or terminated earlier under the provisions.

2. TIME OF BEGINNING AND COMPLETION.

SJF shall begin the work of Phase I as outlined in the "Scope of Work" ("Work") upon receipt of written notice to proceed from the City. Time limits established under this Agreement shall not be extended because of delays for which SJF is responsible, but may be extended by the City, in writing, for the City's convenience or conditions beyond the SJF's control.

3. SCOPE OF WORK.

The Scope of Work of this Agreement and the time scheduled for completion of such Work are:

This Agreement prohibits SJF from acting as a legal representative of the City. SJF is not granted express or implied rights or authority to assume or create any obligation or responsibility for or in the name of the City, or to bind the City. The City is not liable for or obligated to pay sick leave, vacation pay, or any other benefit of employment, nor to pay social security or other tax that may arise from employment or Work under this Agreement. SJF shall pay all income and other taxes as due. SJF may perform work for other parties; the City is not the exclusive user of the services that SJF provides.

The City may negotiate a reduction in SJF fees or charge a rental fee based on the actual costs to the City, for City premises or equipment.

16. KEY PERSONS.

If any such individual leaves SJF's employment, SJF shall present to the City one or more individuals with greater or

Any subcontract made by SJF shall incorporate by reference this Agreement, except as otherwise provided. SJF shall ensure that all subcontractors comply with the obligations and requirements of the subcontract. 18. FEDERAL DEBARMENT.

SJF shall immediately notify the City of any suspension or debarment or other action that excludes SJF or any subcontractor from participation in Federal contracts. Promotional items worth less than \$25 may be distributed by SJF to City employees if SJF uses the items as routine and standard promotional materials. Any violation of this provision may cause termination of this Agreement. Nothing in this Agreement prohibits donations to campaigns for election to City office, so long as the donation is disclosed as required by the election campaign disclosure laws of the City and of the State.

20. NO CONFLICT OF INTEREST.

SJF confirms that neither SJF nor its workers have any business interest or a close family relationship with any City officer or employee who was or will be involved in the SJF selection, negotiation, drafting, signing, administration or evaluation of SJF's Work. As used in this Section, the term SJF includes any worker of SJF who was, is, or will be, involved in negotiation, drafting, signing, administration or performance of the Agreement. The term "close family relationship" refers to: spouse or domestic partner, any dependent parent, parent-in-law, child, son-in-law, daughter-in-law; or any parent, parent-in-law, sibling, uncle, aunt, cousin, niece or nephew residing in the household of a City officer or employee described above.

21. ERRORS AND OMISSIONS, CORRECTIONS.

SJF is responsible for professional quality, technical accuracy, and the coordination of all designs, drawings, specifications, and other services furnished by or on the behalf of SJF under this Agreement. SJF, without additional compensation, shall promptly correct or revise any errors or noncompliance with this Agreement in any of SJF's Work, or the Work of its subcontractors, upon notification by the City. The obligation provided for in this Section survives Agreement termination or expiration for any errors or

omissions or non-compliance which is not reasonably discoverable by the City until after termination or expiration of the Agreement.

22. INTELLECTUAL PROPERTY RIGHTS.

- A. Copyrights. SJF shall retain any copyright (including the right of reuse) applicable to all materials and documents prepared by SJF for the Work, whether or not the Work is completed. SJF grants to the City a non-exclusive, irrevocable, unlimited, royalty-free license to use, copy and distribute for City purposes, every document and all the materials prepared by SJF for the City under this Agreement. If requested by the City, a copy of all drawings, prints, plans, field notes, reports, documents, files, input materials, output materials, the media upon which they are located (including cards, tapes, discs, and other storage facilities), software program or packages (including source code or codes, object codes, upgrades, revisions, modifications, and any related materials and/or any other related documents or materials developed solely for and paid for by the City to perform the Work, shall be promptly delivered to the City.
- B. Patents: SJF assigns to the City all rights in any invention, improvement, or discovery, with all related information, including but not limited to designs, specifications, data, patent rights and findings developed with the performance of the Agreement or any subcontract. Notwithstanding the above, SJF does not convey to the City, nor does the City obtain, any right to any document or material utilized by SJF created or produced separate from the Agreement or was pre-existing material (not already owned by the City), provided that the SJF has identified in writing such material as pre-existing prior to commencement of the Work. If pre-existing materials are incorporated in the work, SJF grants the City an irrevocable, non-exclusive right and/or license to use, execute, reproduce, display and transfer the pre-existing material, but only as an inseparable part of the work.
- C. The City may make and retain copies of all documents provided under this Agreement for the City's information and reference with and use on the project. SJF does not represent or warrant that such documents are suitable for reuse by the City or others, on extensions of the project or on any other project.

23. PROPRIETARY AND CONFIDENTIAL INFORMATION.

The State of Washington's Public Records Act (Release/Disclosure of Public Records) Under Washington State Law (reference RCW Chapter 42.56, the Public Records Act) all materials received or created by the City of Seattle are considered public records. These records include but are not limited to bid or proposal submittals, agreement documents, contract work product, or other bid material.

The State of Washington's Public Records Act requires that public records must be promptly disclosed by the City upon request unless that RCW or another Washington State statute specifically exempts records from disclosure. Exemptions are narrow and explicit and are listed in Washington State Law (Reference RCW 42.56 and RCW 19.108).

As mentioned above, all City of Seattle offices ("the City") are required to promptly make public records available upon request. However, under Washington State Law some records or portions of records may be considered legally exempt from disclosure. A list and description of records identified as exempt by the Public Records Act can be found in RCW 42.56 and RCW 19.108.

If SJF provides the City with any documents which SJF reasonably believes are exempt from disclosure, SJF must notify the City in writing at the time of disclosure and properly identify the exempt documents. If the City receives a public disclosure request for any records or parts of records that SJF has properly and specifically identified as exempt at the time SJF provided the documents to the City, on the City Non-Disclosure Request Form (Form) submitted with Contractor's bid/proposal the City, as a courtesy, will provide SJF notice and will delay disclosure for up to ten business days to permit SJF to obtain and serve the City with a court injunction to prevent the City from releasing the records (reference RCW 42.56.540). If SJF fails to obtain a court order and serve the City within the ten days, the City may release the documents.

The City will not assert an exemption from disclosure on Contractor's behalf. If Contractor believes that its records are exempt from disclosure, Contractor is obligated to seek an injunction under RCW 42.56.540.

Contractor acknowledges that the City will have no obligation or liability to Contractor if the records are disclosed.

24. DISPUTES.

Resolution of any dispute or misunderstanding that may arise under this Agreement concerning SJF's performance, or SJF's subcontractors' performance, shall first be attempted through negotiations between SJF's Project Manager and the City's Project Manager. If those parties are not able to resolve the dispute, it shall be referred to the Director and SJF's senior executive(s). If such officials do not agree upon a decision within a reasonable period of time, either party may decline or discontinue such discussions and may then pursue the legal means to resolve such disputes, including but not limited to alternative dispute resolution processes. Nothing in this dispute process shall mitigate the rights of the City to terminate this Agreement. Notwithstanding all of the above, if the City believes in good faith that some portion of the Work has not been completed satisfactorily, the City may require SJF to correct such Work prior to the City payment. The City will provide to SJF a written explanation of the concern and the remedy that the City expects. The City may withhold from any payment otherwise due, an amount that the City in good faith finds to be under dispute, or if the SJF provides no sufficient remedy, the City may retain the amount equal to the cost to the City for otherwise correcting or remedying the work not properly completed.

25. TERMINATION.

- A. For Cause: The City may terminate the Agreement if SJF is in material breach of this Agreement, and such breach has not been corrected to the City's reasonable satisfaction in a timely manner.
- B. - C. For City's Convenience: The City may terminate this Agreement without cause and including for the City's convenience, upon written notice to SJF.

SJF agrees this payment shall fully and adequately compensate SJF and all subcontractors for all profits, costs, expenses, losses, liabilities, damages, taxes and charges of any kind (whether foreseen or unforeseen) attributable to the termination of this Agreement. For termination under Section 25.A, the City reserves all rights to all remedies available at law or equity.
- F. Upon termination, the SJF shall provide the City with the most current design documents, contract documents, writings and other products SJF has produced to termination, along with copies of all project-related correspondence and similar items. The City shall have the same rights to use these materials as if termination had not occurred; provided however, that the City shall indemnify and hold SJF harmless from any claims, losses, or damages to the extent caused by modifications made by the City to the SJF's work product.

Phase I

SJF will lead the EPIC Zero Detention Project ("Project") from planning and recruitment to identification of Project grant recipients. All grants will be in the form of a grant agreement between SJF and each recipient, and the grant agreements will detail the specific programs and services to be funded. SJF, in relationship with EPIC, will develop a program curriculum that guides participants toward funding decisions geared to: eliminate the need to detain or incarcerate youth; eliminate racial inequities in arrest rates, detention, sentencing and prison population; and center communities of color and other youth facing oppression in the provision, creation, and use of community-based alternatives.

In Phase I, SJF will develop a Request for Proposal (RFP) to be used in the Project and will deliver the RFP to OCR for input. The RFP will be used by the Project participants to identify and select the organizations whose planned efforts and programs further the goals of Resolution 31614 and who will be considered by the Project participants to receive funding. From this pool, Project participants will select proposals from organizations for further consideration, and will conduct site visits prior to final selection. OCR, represented by one consistent individual, may participate in the site visits of all finalists. The Project participants will then select the programs and organizations to receive funding through a grant agreement with SJF. The number of grant recipients and the funding amount per grant will be determined in the Project process. The total amount available for all grant recipients is \$500,000.

1. BILL SUMMARY

Legislation Title:

AN ORDINANCE relating to civil rights; authorizing the Director of the Office for Civil Rights to execute an agreement with the Social Justice Fund, a Washington non-profit, to provide services relating to zero youth detention projects; amending Ordinance 124927 by lifting a budget proviso; and ratifying and confirming certain prior acts.

Summary and background of the Legislation: This Legislation is related to the funds for work related to youth detention alternative services (also known as zero detention projects) which the City Council included in the 2016 Adopted Budget. The Legislation approves a contract with the Social Justice Fund (SJF) and lifts a Council proviso on the funding as required by Council Green Sheet 34-1-A-2.

Resolution 31614, passed by the Council in September 2015, endorsed a vision of the City of Seattle becoming a city with zero use of detention for youth, and set forth steps the City could take to eliminate the need for youth detention. The Resolution also expressed the City's intent to allocate City resources for alternatives to detention and incarceration for youth.

During the 2016 budget process, City Council added funding and position authority to carry out the work associated with the resolution. Most of the funding was intended for a contract with the SJF to administer a community-based competitive process to allocate contract funding towards youth detention alternative services and then to contract with the organizations awarded funding through that process. SJF is a non-profit that has been funding grass-roots strategies and programs for social change throughout the Northwest since 1978 through a unique grass roots, community-driven funding allocation process known as the Giving Project.

The Giving Project brings together a multi-racial group of 15-25 people who work together over six months to build community with one another, develop a shared analysis of race and class, fundraise from their own networks and make strategic grants based on a competitive funding process. Because of the Race and Social Justice Initiative nexus, the Office for Civil Rights (OCR) has become the City department fiscally responsible for the contracting with SJF.

The 2016 Adopted Budget appropriated \$600,000 to OCR for this contract, which includes the administrative and personnel costs for SJF, as well as the funds to be used for the zero detention projects. Specific use of these funds will be developed as outlined in the attached contract with no more than \$100,000 dedicated to administrative and personnel costs for SJF.

Council imposed the following proviso on the funding: “None of the money appropriated in the 2016 budget for the Office for Civil Rights (OCR) may be spent on a contract with the Social Justice Fund for Zero Detention Projects until the City Council approves the proposed contract by ordinance.”

This legislation does not have direct financial implications because funding associated with the contract was previously discussed and approved in the 2016 Adopted Budget.

2. CAPITAL IMPROVEMENT PROGRAM

 This legislation creates, funds, or amends a CIP Project.

3. SUMMARY OF FINANCIAL IMPLICATIONS

 X This legislation does not have direct financial implications.

4. OTHER IMPLICATIONS

- a) **Does the legislation have indirect or long-term financial impacts to the City of Seattle that are not reflected in the above?**

This funding is one-time in nature at this time. Should the City determine that this work will occur in the long-term, additional resources will need to be identified for this purpose.

- b) **Is there financial cost or other impacts of not implementing the legislation?**

This contract has been budgeted and appropriated in the 2016 Adopted Budget; if the proviso is not lifted, none of the funding would be available for use for this or other purposes until the proviso is lifted.

- c) **Does this legislation affect any departments besides the originating department?**

The Office for Civil Rights will execute the contract with SJF and make payments to the contractors.

- d) **Is a public hearing required for this legislation?**

No.

- e) **Does this legislation require landlords or sellers of real property to provide information regarding the property to a buyer or tenant?**

No.

- f) **Is publication of notice with *The Daily Journal of Commerce* and/or *The Seattle Times* required for this legislation?**

No.

- g) **Does this legislation affect a piece of property?**

No.

h) Please describe any perceived implication for the principles of the Race and Social Justice Initiative. Does this legislation impact vulnerable or historically disadvantaged communities?

Yes, as mentioned previously, SJF brings together a multi-racial group of 15-25 people who work together over six months to build community with one another, develop a shared analysis of race and class, fundraise from their own networks and make strategic grants based on a competitive bid process. It is anticipated that this process will ensure the inclusion of vulnerable or historically disadvantaged communities in the solutions to address youth detention, an issue which currently disproportionately affects these communities.

As Section 6 of the Zero Detention Resolution states:

The City Council intends to allocate funds in a manner that focuses on and includes participation from anti-racist community-based agencies and African-American youth - so that those who are most disproportionately arrested, detained, and incarcerated are able to determine their own circumstances and be engaged in developing a different path forward for their communities.”

i) If this legislation includes a new initiative or a major programmatic expansion: What are the long-term and measurable goals of the program? Please describe how this legislation would help achieve the program’s desired goals.

The long-term and measurable goal of this process is to reduce the incidence of youth incarceration. Specific goals and measurable outcomes will be defined and included in the individual contracts with the grantees, yet to be determined.
