AGREEMENT

BY AND BETWEEN

THE CITY OF SEATTLE

AND

WASHINGTON STATE COUNCIL OF COUNTY AND CITY EMPLOYEES,

AFSCME, LOCAL 21

PREAMBLE

This Agreement is between the City of Seattle (hereinafter called the City) and the Washington State Council of County and City Employees, AFSCME, Local 21, (hereinafter called the Union) for the purpose of setting forth the mutual understanding of the parties as to wages, hours, and other conditions of employment of those employees for whom the City has recognized the Union as the exclusive collective bargaining representative.

ARTICLE 1 – NONDISCRIMINATION

- 1.1 The City and the Union shall not unlawfully discriminate against any employee by reason of race, creed, age, color, sex, national origin, religious belief, marital status, or sexual orientation.
- 1.2 Wherever words denoting a specific gender are used in this Agreement, they are intended and shall be construed so as to apply equally to either gender.
- 1.3 Allegations of discrimination shall be a proper subject for the grievance procedure; provided, however, the matter may not be pursued through arbitration (Step 4) if a complaint has been filed and is being pursued with a local government, state, or federal human rights or EEO agency.

ARTICLE 2 – RECOGNITION, BARGAINING UNIT, AND
TEMPORARY EMPLOYMENT

- 2.1 The City recognizes the Union as the exclusive collective bargaining representative for the purpose stated in Chapter 108, Extra Session Laws of 1967 of the State of Washington, for employees employed within the bargaining unit defined in Appendix A and Appendix B of this Agreement. - 2.1.5 The term "part-time employee" shall be defined as an employee who has been regularly appointed and who has a usual work schedule averaging at least twenty (20) hours but less than forty (40) hours per week.
- 2.1.6 The terms *temporary employee* and *temporary worker* shall be defined to include both temporary and less than half time employees and means a person who is employed in:
1. An interim assignment(s) of up to one (1) year to a vacant regular position to perform work associated with a regularly budgeted position that is temporarily vacant and has no incumbent; or
 2. An interim assignment for short-term replacement of a regular employee of up to one (1) year when the incumbent is temporarily absent; or
 3. A short-term assignment of up to one (1) year, which may be extended beyond one year only while the assignment is in the process of being converted to a regular position, to perform work that is not ongoing regular work and for which there is no regularly budgeted position; or
 4. A less than half-time assignment for seasonal, on-call, intermittent or regularly scheduled work that normally does not exceed one thousand forty (1,040) hours in

- a year, but may be extended up to one thousand three hundred (1,300) hours once every three years and may also be extended while the assignment is in the process of being converted to a regular position; or
5. A term-limited assignment for a period of more than one but less than three (3) years for time-limited work related to a specific project, grant or other non-routine substantial body of work, or for the replacement of a regularly appointed employee when that employee is absent on long-term disability time loss, medical or military leave of absence.
- 2.2 All provisions expressed in Chapter 11.0 of the Personnel Rules shall govern the utilization and management of temporary assignments, except where they are inconsistent with the expressed terms of the collective bargaining agreement.
- 2.3 Temporary employees shall be exempt from all provisions of this Agreement except Sections 2.3; 2.3.1; 2.3.2; 17.6; 17.15; 17.16; 19.1; Article 4, Union Membership and Dues, Section 4.1.2; and Article 5, Grievance Procedure; provided, however, temporary employees shall be covered by the Grievance Procedure solely for purposes of adjudicating grievances relating to Sections identified within this Section.
- 2.3.1 Temporary employees who are not in benefits-eligible assignments shall be paid for all hours worked at the first pay step of the hourly rates of pay set forth within the appropriate Appendix covering the classification of work in which he/she is employed. Temporary employees who are in a benefits-eligible assignments shall receive step increases consistent with Personnel Rule 11.
- 2.3.2 Cumulative sick leave with pay computed at the rate of .033 hours for all hours worked and with all benefits and conditions required by Ordinance 123698 shall be granted to all temporary employees not eligible for fringe benefits pursuant to Seattle Municipal Code subsection 4.20.055(C), except that “work study” employees as defined by the administrative rules promulgated by the Seattle Office of Civil Rights shall not be eligible for the sick leave benefit.
- 2.3.3 A temporary worker who is in a term-limited assignment shall receive service credit for layoff purposes if the employee is immediately hired (within thirty (30) business days without a break in service) into the same job title and position after the term is completed.
- 2.3.4 Temporary workers who have worked for the City for one thousand forty (1,040) hours, without a break in service, are eligible to apply for all positions advertised internally.
- 2.3.5 In the event that an interim assignment of a temporary worker to a vacant regular position accrues more than one thousand five hundred (1,500) hours, the department shall notify the Union that a labor-management meeting shall take place within two

(2) weeks for the purpose of discussing the status of filling the vacant position prior to one (1) year.

- 2.4 The City may establish preparatory training programs, including on-the-job training, for the purpose of providing individuals an opportunity to compete and potentially move laterally or upward into new career fields. It is understood that on-the-job training may involve bargaining unit work even though the "trainee" is not covered by this Agreement. It is also understood that said trainees will not be used for the purpose of displacing regular employees. The City will furnish the Union with a copy of such a training plan(s) if it affects bargaining unit employees prior to implementation.
- 2.5 As part of its public responsibility, the City may participate in or establish public employment programs to provide employment and/or training for and/or service to the City by various segments of its citizenry. Such programs may result in individuals performing work for the City that is considered bargaining unit work pursuant to RCW 41.56. Such programs have included and may include youth training and/or employment programs, adult training and/or employment programs, vocational rehabilitation programs, work study and student intern programs, court-ordered community service programs, volunteer programs, and other programs with similar purposes. Some examples of such programs already in effect include Summer Youth Employment Program (SYEP), Youth Employment Training Program (YETP), Work Study, Adopt-a-Park, Seattle Conservation Corps, and court-ordered Community Service. Individuals working for the City pursuant to such programs shall be exempt from all provisions of this Agreement.
- 2.5.1 The City shall have the right to implement new public employment programs or expand its current programs beyond what exists as of the signature date of this Agreement, but where such implementation or expansion involves bargaining unit work and results in a significant departure from existing practice, the City shall give thirty (30) days' advance written notice to the Union of such and, upon receipt of a written request from the Union thereafter, the City shall engage in discussions with the Union on concerns raised by the Union. Notwithstanding any provision to the contrary, the expanded use of individuals under such a public employment program that involves the performance of bargaining unit work within a given City department, beyond what has traditionally existed, shall not be the cause of (1) a layoff of regular employees covered by this Agreement, or (2) the abrogation of a regular budgeted full-time position covered by this Agreement that recently had been occupied by a regular full-time employee who performed the specific bargaining unit work now being or about to be performed by an individual under one of the City's public employment programs.

- 2.6 The City shall not use temporary employees to supplant permanent positions. Bargaining unit positions shall not be supplanted by use of non-bargaining unit employees.

ARTICLE 3 – RIGHTS OF MANAGEMENT

- 3.1 The right to hire, promote (in accordance with the Personnel Ordinance), discipline, and/or discharge for just cause, improve efficiency, and determine the work schedules and location of department headquarters are examples of management prerogatives. It is also understood that the City retains its right to manage and operate its departments except as may be limited by an express provision of this Agreement. This Agreement shall not limit the right of the City to contract for services of any and all types.
- 3.2 Delivery of municipal services in the most efficient, effective, and courteous manner is of paramount importance to the City and as such, maximized productivity is recognized to be an obligation of employees covered by this Agreement. In order to achieve this goal, the parties hereby recognize the City's right to determine the methods, processes, and means of providing municipal services; the right to increase or diminish operations, in whole or in part; the right to increase or diminish equipment, including the introduction of any and all new, improved, or automated methods or equipment; the assignment of employees to specific jobs, including the right to temporarily assign employees to a specific job or position outside the bargaining unit and the right to determine appropriate work-out-of-class assignments; the determination of job content and/or job duties and the combination or consolidation of jobs; provided, however, the exercise of such rights contained herein shall not modify or change any provision of this Agreement without the written concurrence of the Union and the City.
- 3.3 The Union recognizes the City's right to establish and/or revise performance standards. Such standards may be used to determine acceptable performance levels, prepare work schedules, and to measure the performance of each employee or groups of employees.
- 3.4 The City will make every effort to utilize its employees to perform all work, but the City reserves the right to contract out for work under the following guidelines: (1) required expertise is not available within the City work force, or (2) the contract will result in cost savings to the City, or (3) the occurrence of peak loads above the work force capability.

Determination as to (1), (2), or (3) above shall be made by the appointing authority involved, and their determination in such case shall be final, binding and not subject to the grievance procedure; provided, however, prior to approval by the appointing authority involved to contract out work under this provision, the Union shall be notified. The appointing authority involved shall make available to the Union upon request (1) a description of the services to be so performed, and (2) the detailed factual basis supporting the reasons for such action. The Union may grieve contracting out for

work as described herein, if such contract involves work normally performed by employees covered by this Agreement.

ARTICLE 4 – UNION MEMBERSHIP AND DUES

- 4.1 It shall be a condition of employment that each employee covered by this Agreement who voluntarily is or who voluntarily becomes a member of said Union shall remain a member of same during the term of this Agreement. It shall also be a condition of employment that each employee hired prior to January 1, 1972, currently covered by this Agreement who is not a member of the Union shall, on or before the thirtieth (30th) day following said date, either join the Union or pay an amount equivalent to the regular monthly dues of the Union to the Union. Any employee hired or appointed to a position into a bargaining unit covered by this Agreement on or after January 1, 1972, shall on or before the thirtieth (30th) day following the beginning of such employment join the appropriate Union. Failure by any such employee to apply for and/or maintain such membership in accordance with this provision shall constitute cause for discharge of such employee; provided, however, the requirements to apply for Union membership and/or maintain Union membership shall be satisfied by an offer of the employee to pay the regular dues uniformly required by the Union of its members.
- 4.1.1 Employees who are determined by the Public Employment Relations Commission to satisfy the religious exemption requirements of RCW 41.56.122 shall contribute an amount equivalent to regular Union dues to a nonreligious charity or to another charitable organization mutually agreed upon by the employee affected and the bargaining representative to which such employee would otherwise pay the regular monthly dues.
- 4.1.2 A temporary employee shall pay to the Union in lieu of the union membership requirement of Article 4, a service fee in an amount equal to the Union's regular monthly dues uniformly required of regular City employees, commencing with the thirty-first (31st) day following the temporary employee's first date of assignment to perform bargaining unit work.
- 4.1.3 The City shall notify the Union of the following information within thirty (30) calendar days of the date of employment: name, address, job classification, job location and date of hire into the bargaining unit.
- 4.2 When an employee fails to fulfill the above obligation, the Union shall provide the employee and the City with thirty (30) days' written notification of the Union's intent to initiate discharge action and during this period the employee may make restitution in the amount that is overdue. If an employee has not fulfilled the Union membership obligation as described in Section 4.1 by the end of the applicable discharge notification period, the Union shall thereafter notify the City Director of Labor Relations in writing, with a copy to the affected department and employee, of such employee's failure to abide by Section 4.1. In this notice the Union shall specifically

request discharge of the employee for failure to abide by the terms of the Labor Agreement between the City and the Union.

- 4.3 The City shall deduct from the pay check of each employee who has so authorized it, the regular initiation fee and regular monthly dues uniformly required of members of the Union. The amounts deducted shall be transmitted monthly to the Union on behalf of the employees involved. The Union agrees to indemnify and save harmless the City from any and all liability arising out of this Article. Authorization by the employee shall be on a form approved by the parties hereto and may be revoked by the employee upon request. The performance of this function is recognized as a service to the Union by the City.

ARTICLE 5 – GRIEVANCE PROCEDURE

- 5.1 Any dispute between the City and the Union concerning the interpretation, application, claim of breach, or violation of the express terms of this Agreement shall be deemed a grievance. Provided that an employee at any time may present a grievance to the City and have such grievance adjusted without the intervention of the Union, if the adjustment is not inconsistent with the expressed terms of this agreement and if the Union has been given reasonable opportunity to be present at any initial meeting called for the resolution of such grievance.
- 5.2 A grievance in the interest of a majority of the employees in a unit of the bargaining unit shall be reduced to writing by the Union and may be introduced at Step 3 of the grievance procedure and be processed within the time limits set forth herein. Grievances shall be filed at the step in which there is authority to adjudicate such grievance.
- 5.3 As a means of facilitating settlement of a grievance, either party may include an additional member at its expense on its committee. If, at any step in the grievance procedure, management's answer in writing is unsatisfactory, the Union's reason for non-acceptance must be presented in writing.
- 5.4 Failure by an employee or the Union to comply with any time limitation of the procedure in this Article shall constitute withdrawal of the grievance; provided, however, any time limits stipulated in the grievance procedure may be extended for stated periods of time by the appropriate parties by mutual agreement in writing. Failure by the City to comply with any time limitation of the procedure in this Article shall allow the Union and/or employee to proceed to the next step without waiting for the City to reply at the previous step, except that employees may not process a grievance beyond Step 3.
- 5.5 Arbitration awards or grievance settlements shall not be made retroactive beyond the date of the occurrence or nonoccurrence upon which the grievance is based, that date being twenty (20) business days or less prior to the initial filing of the grievance.
- 5.6 A grievance shall be processed in accordance with the following procedure:
- 5.6.1 Step 1: The contract grievance shall be reduced to written form by the aggrieved employee stating the section of the agreement allegedly violated and explaining the grievance in detail. The aggrieved employee shall present the written grievance to the employee's supervisor within twenty (20) business days of the alleged contract violation with a copy of the grievance submitted to the Union by the aggrieved employee. The immediate supervisor should consult and/or arrange a meeting with his/her supervisor, if necessary to resolve the contract grievance. The parties shall

make every effort to settle the contract grievance at this stage promptly. The immediate supervisor shall answer the grievance in writing within ten (10) business days after being notified of the grievance, with a copy of the response submitted to the aggrieved employee and the Union.

- 5.6.2 Step 2: If the grievance is not resolved as provided in Step 1, the Union representative or a shop steward shall forward the written grievance to the division head with a copy to the City Director of Labor Relations within ten (10) business days after receipt of the Step 1 answer.

With Mediation:

At the time the aggrieved employee and/or the Union submits the grievance to the division head, the union representative or his/her designee or the aggrieved employee or the division head may submit a written request for voluntary mediation assistance, with a copy to the Alternative Dispute Resolution (ADR) Coordinator, the City Director of Labor Relations and the Union representative or his/her designee. If the ADR Coordinator determines that the case is in line with the protocols and procedures of the ADR process, within fifteen (15) business days from receipt of the request for voluntary mediation assistance, the ADR Coordinator or his/her designee will schedule a mediation conference and make the necessary arrangements for the selection of a mediator(s). The mediator(s) will serve as an impartial third party who will encourage and facilitate a resolution to the dispute. The mediation conference(s) will be confidential and will include the parties. The Union Representative or his/her designee and a Labor Negotiator from City Labor Relations may attend the mediation conference(s). Other persons may attend with the permission of the mediator(s) and both parties. If the parties agree to settle the matter, the mediator(s) will assist in drafting a settlement agreement, which the parties shall sign. An executed copy of the settlement agreement shall be provided to the parties, with either a copy or a signed statement of the disposition of the grievance submitted to the City Director of Labor Relations and the Union. The relevant terms of the settlement agreement shall be provided by the parties to the department's designated officials who need to assist in implementing the agreement. If the grievance is not settled within ten (10) business days of the initial mediation conference date, the City Director of Labor Relations, the appropriate division head and the appropriate Union Representative or his/her designee shall be so informed by the ADR Coordinator.

The parties to a mediation shall have no power through a settlement agreement to add to, subtract from, alter, change, or modify the terms of the collective bargaining agreement or to create a precedent regarding the interpretation of the collective bargaining agreement or to apply the settlement agreement to any circumstance beyond the explicit dispute applicable to said settlement agreement.

If the grievance is not resolved through mediation, the division head shall convene a meeting within ten (10) business days after receipt of notification that the grievance was not resolved through mediation between the aggrieved employee, Shop Steward and/or Union Representative, together with the division head, section manager, and departmental labor relations officer. The City Director of Labor Relations or his/her designee may attend said meeting. Within ten (10) business days after the meeting, the division head shall forward a reply to the Union.

Without Mediation:

The division head shall convene a meeting within ten (10) business days after receipt of the grievance between the aggrieved employee, Shop Steward and/or Union Representative, together with the division head, section manager, and departmental labor relations officer. The City Director of Labor Relations or his/her designee may attend said meeting. Within ten (10) business days after the meeting, the division head shall forward a reply to the Union.

- 5.6.3 Step 3: If the grievance is not resolved as provided in Step 2 above, or if the grievance is initially submitted at Step 3 pursuant to Article 5, Section 5.2, the written grievance defined in the same manner as provided in Step 2 shall be forwarded within ten (10) business days after receipt of the Step 2 answer to the City Director of Labor Relations with a copy to the appropriate appointing authority.

Mediation can be requested at Step 3 in the same manner as outlined in Step 2. The grievance must be filed in the time frame specified in Step 3 and responded to in the time frame specified in Step 3 after receipt of notification from the ADR Coordinator that the grievance was not resolved through mediation.

The Director of Labor Relations or his/her designee shall investigate the alleged grievance and, if deemed appropriate, he/she shall contact the Union within five (5) work days to convene a meeting between the appropriate parties at a mutually acceptable date. He/she shall thereafter make a confidential recommendation to the affected appointing authority who shall in turn give the Union an answer in writing ten (10) business days after receipt of the grievance or the meeting between the parties.

- 5.6.4 Step 4: If the grievance is not settled in Step 3, either of the signatory parties to this Agreement may submit the grievance to the American Arbitration Association for arbitration to be conducted under its voluntary labor arbitration regulations, or the City and the Union may mutually agree to an alternative method to select an arbitrator. Such reference to arbitration shall be made within twenty (20) business days after receipt of the City's answer or failure to answer in Step 3 and shall be accompanied by the following information:

- A. Identification of Section(s) of Agreement allegedly violated;
- B. Nature of alleged violation;
- C. Question(s) which the arbitrator is being asked to decide;
- D. Remedy sought.

Mediation can be requested at Step 4 in the same manner as outlined in Step 2. The grievance must be submitted to binding arbitration within the time frame specified in Step 4 and processed within the time frame specified in Step 4 after receipt of notification from the ADR Coordinator that the grievance was not resolved in mediation.

- 5.7 The parties shall abide by the award made in connection with any arbitrable difference. There shall be no suspension of work, slowdown, or curtailment of services while any difference is in process of adjustment or arbitration.
- 5.8 In connection with any arbitration proceeding held pursuant to this Agreement, it is understood that:
 - A. The arbitrator shall have no power to render a decision that will add to, subtract from or alter, change or modify the terms of this Agreement, and his power shall be limited to interpretation or application of the express terms of this Agreement, and all other matters shall be excluded from arbitration.
 - B. The decision of the arbitrator shall be final, conclusive, and binding upon the City, the Union, and the employees involved.
 - C. The cost of the arbitrator shall be borne equally by the City and the Union, and each party shall bear the cost of presenting its own case.
 - D. The arbitrator's decision shall be made in writing and shall be issued to the parties within thirty (30) calendar days after the case is submitted to the arbitrator.
- 5.9 In no event shall this Agreement alter or interfere with disciplinary procedures followed by the City or provided for by City Charter, Ordinance, or Law; provided, however, disciplinary action may be processed through the grievance procedure; provided, further, an employee covered by this Agreement must, upon initiating objections relating to disciplinary action, use either the grievance procedure contained herein (with the Union processing the grievance) or pertinent procedures regarding disciplinary appeals under the City Personnel Ordinance, including Civil Service procedures. Under no circumstances may an employee use both the grievance procedure and Personnel Ordinance procedures, including Civil Service procedures,

relative to the same disciplinary action. In the event both a contract grievance and a Civil Service Commission Appeal have been filed regarding the same disciplinary action, only upon withdrawal of the Civil Service Commission appeal may the grievance be pursued under this contract grievance procedure.

5.10 The parties have agreed, through a Memorandum of Agreement, to adopt the following two procedures attached thereto that were developed by the Citywide Labor-Management Committee on Progressive Discipline:

- A. Either party may request that grievances submitted to arbitration be subjected to a confidential Peer Review by a committee of peers from management or labor, respectively, in which case the time lines of the grievance procedure will be held in abeyance pending the completion of the Peer Review process; and
- B. Either party may make an Offer of Settlement to encourage settlement of a grievance in advance of a scheduled arbitration hearing. However, in the event a party refuses to accept an Offer of Settlement and recovers less than was offered in such settlement, said party will be required to bear all of the costs of arbitration, excluding attorney and witness fees, contrary to Section 5.8C.

The parties may mutually agree to alter, amend, or eliminate these procedures by executing a revised Memorandum of Agreement.

5.11. Alternative Dispute Resolution (ADR): The City and the Union encourage the use of the City's Alternative Dispute Resolution Program or other alternative dispute resolution (ADR) processes to resolve non-contractual workplace conflicts/disputes. Participation in the program or in an ADR process is entirely voluntary and confidential.

ARTICLE 6 – WORK STOPPAGE

- 6.1 The City and the Union agree that the public interest requires the efficient and uninterrupted performance of all City services, and to this end pledge their best efforts to avoid or eliminate any conduct contrary to this objective. During the term of this Agreement, the Union and/or the employees covered by this Agreement shall not cause or engage in any work stoppage, strike, slowdown, or other interference with City functions. Employees covered by this Agreement who engage in any of the foregoing actions shall be subject to such disciplinary actions as may be determined by the City; including, but not limited to, the recovery of any financial losses suffered by the City.

ARTICLE 7 – CLASSIFICATIONS, RATES OF PAY AND OTHER COMPENSATION

An employee who does not use the full allowance in one calendar year may carry over the remaining balance to the next year for use in addition to the amount allocated for that year. This carryover shall not extend into the ensuing year after the expiration of the contract.

- 7.10 The City shall provide and clean, on a reasonable basis, uniforms and specialized and/or protective clothing in accordance with department policy and procedures.

- 7.11 All uniforms and/or wearing apparel referenced above shall be charged to the employee who is to guarantee its return in exchange for replacement or at the termination of employment. The physical exam required to obtain or renew the license may be done on City time. The City will pay as a maximum amount, the rates charged by City identified clinics for the physical exam. Employees shall be notified of clinics offering the exam at this reimbursement rate. If an employee is covered by a City medical plan that includes coverage for physical exams, the employee shall have the exam form completed through the plan's providers (Group Health or Aetna) or shall seek reimbursement through the medical plan.

Employees required to have a Hazardous Material endorsement (HME) are required per Federal regulations to submit to a background records check and fingerprinting. Employees may make application for such HME on City time and shall be reimbursed for the fees associated with the background records check and fingerprinting if such endorsement is required by the job.

The City shall make a reasonable effort to make City trucks or equipment available for skill tests.

In addition, for those employees qualifying as described above, fees charged for department-approved classes offered for employees to assist them in passing this exam shall be reimbursed on a one-time-only basis.

Employees in other job titles or positions not involving the driving of vehicles requiring the CDL, who wish to take exam preparation or driver training courses, may request approval of the courses and reimbursement of fees in the normal manner in which educational expenses are applied for and approved by departments; provided, however, license fees for those individuals will not be reimbursed, nor shall the City be obligated to make City trucks or equipment available for skill tests for these individuals.

 - C. If an employee separates from the City service before an overpayment is repaid, any remaining amount due the City will be deducted from his/her final paycheck(s).
 - D. By other means as may be mutually agreed between the City and the employee. The Union Representative may participate in this process at the request of the involved employee. All parties will communicate/cooperate in resolving these issues.

- 8.2 "Regular pay status" is defined as regular straight-time hours of work plus paid time off such as vacation time, holiday time off, and sick leave. At the discretion of the City, up to one hundred and sixty (160) hours per calendar year of unpaid leave of absence may be included as service for purposes of accruing vacation.
- 8.3 The vacation accrual rate shall be determined in accordance with the rates set forth in Column No. 1. Column No. 2 depicts the corresponding equivalent annual vacation for a regular full-time employee. Column No. 3 depicts the maximum number of vacation hours that can be accrued and accumulated by an employee at any time.

Accrual and accumulation of vacation time shall cease at the time an employee's vacation balance reaches the maximum balance allowed and shall not resume until the employee's vacation balance is below the maximum allowed.

- 8.5 Employees may, with department approval, use accumulated vacation with pay after completing one thousand forty (1,040) hours on regular pay status.
- 8.6 The minimum vacation allowance to be taken by an employee shall be one half ($\frac{1}{2}$) of a day or, at the discretion of the heads of the various departments, such lesser fraction of a day as shall be approved by respective appointing authorities .
- 8.7 The appointing authority shall arrange vacation time for employees on such schedules as will least interfere with the functions of the department but which accommodate the desires of the employees to the greatest degree feasible.
- 8.8 In the event that the City cancels an employee's already scheduled and approved vacation, leaving no time to reschedule such vacation before the employee's maximum balance will be reached, the employee's vacation balance will be permitted to exceed the allowable maximum and the employee will continue to accrue vacation for a period of up to three (3) months if such exception is approved by both the appointing authority and the Seattle Human Resources Director in order to allow rescheduling of the employee's vacation. In such cases the appointing authority shall provide the Seattle Human Resources Director with the circumstances and reasons leading to the need for such an extension. No extension of this grace period will be allowed.
- 8.9 An employee who leaves the City service for any reason after more than six (6) months' service shall be paid in a lump sum for any unused vacation he/she has previously accrued.
- 8.10 Upon the death of an employee in active service, pay shall be allowed for any vacation earned and not taken prior to the death of such employee.
- 8.11 Where an employee has exhausted his/her sick leave balance, the employee may use vacation for further leave for medical reasons subject to verification by the medical care provider. Employees who are called to active military service or who respond to requests for assistance from the Federal Emergency Management Agency (FEMA) may, at their option, use accrued vacation in conjunction with a leave of absence.
- 8.12 Vacation scheduling policies will be considered an appropriate topic for labor-management meetings if requested by the Union.

ARTICLE 9 – HOLIDAYS

9.1 The following days or days in lieu thereof shall be recognized as paid holidays:

New Year's Day	January 1
Martin Luther King, Jr.'s, Birthday	3rd Monday in January
Presidents' Day	3rd Monday in February
Memorial Day	Last Monday in May
Independence Day	July 4
Labor Day	1st Monday in September
Veterans' Day	November 11
Thanksgiving Day	4th Thursday in November
Day After Thanksgiving Day	Day after Thanksgiving Day
Christmas Day	December 25
First Personal Holiday	
Second Personal Holiday	
Third Personal Holiday	(available after completion of 9 years of service (18,720 hours)).
Fourth Personal Holiday	(available after completion of 9 years of service (18,720 hours)).

9.1.1 Whenever any legal holiday falls upon a Sunday, the following Monday shall be a legal holiday. Whenever any legal holiday falls upon a Saturday, the preceding Friday shall be the legal holiday; provided, however, paid holidays falling on Saturday or Sunday shall be recognized and paid pursuant to Section 9.3 on those actual days (Saturday or Sunday) for employees who are regularly scheduled to work those days. Payment pursuant to Section 9.3 shall be made only once per affected employee for any one holiday.

9.1.2 Employees who have either:

1. completed eighteen thousand seven hundred and twenty (18,720) hours or more on regular pay status (Article 8.2) or
2. are accruing vacation at a rate of .0615 or greater (Article 8.3)

on or before December 31st of the current year shall receive an additional two (2) personal holidays for a total of four (4) personal holidays (per Article 9.1) to be added to their leave balance on the pay date of the first full pay period in January of the following year.

9.2 To qualify for holiday pay, City employees covered by this Agreement must have been on pay status their normal workday before or their normal workday following the holiday; provided, however, employees returning from non-pay leave starting

work the day after a holiday shall not be entitled to pay for the holiday preceding their first day of work.

- 9.3 Employees who are regularly scheduled to work on a holiday shall be paid for the holiday at their regular straight-time rate of pay and, in addition, they shall receive either one and one-half (1½) times their straight-time rate of pay for the hours worked or, with mutual agreement between the affected employee and the City, one and one-half (1½) times the hours worked (compensatory time) to be taken off at another date. For purposes of this Section, regularly scheduled shall be defined as forty-eight (48) hours' advance notice. In instances where forty-eight (48) hours' advance notice is not provided to an employee, said employee will be entitled to pay or compensatory time at two (2x) times the straight-time rate of pay for hours worked on the holiday in addition to the straight-time rate of pay for the holiday.

There shall be no pyramiding of holiday premium pay and overtime pay.

- 9.4 A Personal Holiday shall be used during the calendar year as a regular holiday, in eight (8) hour increments or a pro-rated equivalent for part time employees. Use of a Personal Holiday shall be requested in advance per existing division policy. When a Personal Holiday has been approved in advance and is later canceled by the City with less than a thirty (30)-day advance notice, the employee shall have the option of rescheduling the day or receiving holiday premium pay pursuant to Section 9.3 for all time worked on the originally scheduled Personal Holiday.

- 9.5 For employees who work a four (4) day, forty (40) hour workweek the following shall apply:

If a holiday falls on a Saturday or on a Friday that is the normal day off, then the holiday will be taken on the last normal workday. If a holiday falls on a Monday that is the normal day off or on a Sunday, then the holiday will be taken on the next normal workday. This schedule will be followed unless the employee and his/her supervisor determine that some other day will be taken off for the holiday; provided, however, that in such case the holiday time must be used no later than the end of the following pay period. If the holiday falls on a Tuesday, Wednesday, or Thursday, the holiday must be scheduled off no later than the end of the following pay period.

- 9.6 A regular part-time employee shall receive paid holiday time off (or paid time off in lieu thereof) based upon straight-time hours compensated during the pay period immediately prior to the pay period in which the holidays falls. The amount of paid holiday time off for which the part-time employee is eligible shall be in proportion to the holiday time off provided for full-time employees. For example, a full-time employee working eighty (80) hours per pay period would be eligible for eight (8) hours off with pay on a holiday, while a part-time employee who works forty (40) hours during the pay period preceding the holiday would be eligible for four (4) hours off with pay.

ARTICLE 10 – SICK LEAVE AND BEREAVEMENT LEAVE

- 10.1 Sick Leave: Regular employees shall accumulate sick leave credit at the rate of .046 hours for each hour on regular pay status as shown on the payroll, but not to exceed forty (40) hours per week. New employees entering City service shall not be entitled to sick leave with pay during the first thirty (30) days of employment but shall accumulate sick leave credits during such thirty (30) day period. Sick leave credit may be used for bona fide cases of:
- A. Illness or injury that prevents the employee from performing his regular duties;
 - B. Disability due to pregnancy and/or childbirth;
 - C. Medical or dental appointments;
 - D. Care of family members as required of the City by state law and/or for care of family members, including domestic partners, as defined and provided for by City of Seattle Ordinance;

 - G. Employee absence from work to care for a child whose school or place of care has been closed by order of a public official to limit exposure to an infectious agent, biological toxin or hazardous material.
 - H. Eligible reasons related to domestic violence, sexual assault, or stalking as set out in RCW 49.76.030
- 10.2 Abuse of sick leave shall be grounds for suspension or dismissal.
- 10.3 Unlimited sick leave credit may be accumulated.
- 10.4 Upon the death of an employee, either by accident or natural causes, twenty-five percent (25%) of such employee's accumulated sick leave credits shall be paid to his/her designated beneficiary.

- 10.5 Change in position or transfer to another City department shall not result in a loss of accumulated sick leave. An employee reinstated or re-employed in the same or another department after termination of service, except after dismissal for cause, resignation, or quitting, shall be credited with all unused sick leave accumulated prior to such termination.
- 10.6 Compensation for the first four (4) consecutive workdays of absence shall be paid upon approval of the Seattle Human Resources Director or his/her designee. In order to receive compensation for such absence, employees shall make themselves available for such reasonable investigation, medical or otherwise, as the Seattle Human Resources Director or his/her designee may deem appropriate. Compensation for such absences beyond four (4) consecutive workdays shall be paid only after approval of the Seattle Human Resources Director or his/her designee of a request from the employee supported by a report of the employee's physician. The employee shall provide himself/herself with such medical treatment or take such other reasonable precautions as necessary to hasten recovery and provide for an early return to duty.
- 10.7 Upon request by the employing unit, an employee shall provide documentation verifying cancellation of his or her child's school, day care, or other childcare service or program for sick leave use greater than four (4) days for reasons authorized in Section 10.1(G) of this Agreement.
- 10.8 An appointing authority or designated management representative may require that a request for paid sick leave to cover absences greater than four (4) days for reasons set forth under Section 10.1(H) of this Agreement be supported by verification that the employee or employee's family member is a victim of domestic violence, sexual assault, or stalking, and that the leave taken was for an eligible reason as set forth in RCW 49.76.030. An employee may satisfy such request by providing documentation as set forth in RCW 49.76.040(4).
- 10.9 Conditions Not Covered: Employees shall not be eligible for sick leave:
- A. When suspended or on leave without pay and when laid off or on other non-pay status;
 - B. When off work on a holiday;
 - C. When an employee works during his/her free time for an employer other than the City of Seattle and his/her illness or disability arises therefrom.
- 10.10 Prerequisites for Payment: The following applicable requirements shall be fulfilled in order to establish an employee's eligibility for sick leave benefits.

- 10.11 Prompt Notification: The employee shall promptly notify the immediate supervisor, by telephone or otherwise, on the first day off due to illness and each day thereafter unless the employee believes the absence will last for more than one (1) day, in which case notification on his/her first day off will include an expected date of return. The employee shall advise the supervisor of any change in expected date of return. If an employee is on a special work schedule, particularly where relief replacement is necessary when they are absent, the employee shall notify the immediate supervisor as far as possible in advance of the scheduled time to report to work.
- 10.12 Notification While on Paid Vacation or Compensatory Time Off: If an employee is injured or is taken ill while on paid vacation or compensatory time off, he/she shall notify his/her department on the first day of disability. However, if it is physically impossible to give the required notice on the first day, notice shall be provided as soon as possible and shall be accompanied by an acceptable showing of reasons for the delay. A doctor's statement or other acceptable proof of illness or disability, while on vacation or compensatory time off, may be required regardless of the number of days involved.
- 10.13 Filing Application: Unless there are extenuating circumstances, the employee shall submit the required application for sick leave pay within sixteen (16) working hours after his/her return to duty. However, if he/she is absent because of illness or injury for more than eighty (80) working hours, he/she shall then file an application for an indefinite period of time. Each supervisor and crew chief shall obtain the necessary forms provided by the Seattle Human Resources Department and make them available to the employee.
- 10.14 Claims to be in 15 minute increments: Sick leave shall be claimed in fifteen (15)-minute increments to the nearest full fifteen (15)-minute increment, a fraction of less than 8 minutes being disregarded. Separate portions of an absence interrupted by a return to work shall be claimed on separate application forms.
- 10.15 Limitations of Claims: All sick leave claims shall be limited to the actual amount of time lost due to illness or disability. The total amount of sick leave claimed in any pay period by an employee shall not exceed the employee's sick leave accumulation as shown on the payroll for the pay period immediately preceding his illness or disability. It is the responsibility of his/her department to verify that sick leave accounts have not been overdrawn; and if a claim exceeds the number of hours an employee has to his/her credit, the department shall correct his/her application.
- 10.16 Rate of Pay for Sick Leave Used: An employee who uses paid sick leave shall be compensated at the rate of pay he or she would have earned had he or she worked as scheduled, with the exception of overtime (see Section 10.17). For example, an employee who misses a scheduled night shift associated with a graveyard premium pay is entitled to receive the premium for those hours missed due to sick leave.

10.17 Rate of Pay for Sick Leave Used to Cover Missed Overtime: An employee may use paid sick leave for scheduled mandatory overtime shifts missed due to a qualifying reason as provided in Section 10.1. Payment for the missed shifts shall be at the employee's regular straight-time rate of pay. An employee may not use paid sick leave for missed voluntary overtime shifts, which is scheduled work that the employee elected or agreed to add to his or her schedule.

10.18 Bereavement/Funeral Leave: Regular employees shall be allowed one (1) day off without salary deduction for bereavement purposes in the event of the death of any close relative; provided, that where attendance at a funeral requires total travel of two hundred (200) miles or more, one (1) additional day with pay shall be allowed; provided, further, that the appointing authority may, when circumstances require and upon application stating the reasons therefore, authorize for such purpose not to exceed an additional four (4) days chargeable to the sick leave account of the employee, but no combination of paid absence under this Section shall exceed five (5) days for any one (1) period of absence. In like circumstances and upon like application, the appointing authority may authorize for the purpose of attending the funeral of a relative other than a close relative, not to exceed five (5) days chargeable to the sick leave account of an employee. For purposes of this Section, the term "close relative" shall mean the spouse or domestic partner, child, mother, father, stepmother, stepfather, brother, sister, grandchild, grandfather, grandmother of the employee or spouse or domestic partner, and the term "relative other than a close relative" shall mean the uncle, aunt, cousin, niece, nephew, or the spouse or domestic partner of the brother, sister, child, or grandchild of the employee or spouse or domestic partner.

Bereavement/Funeral leave may be allowed for bereavement purposes and/or attendance at the funeral of any other person as allowed by City Ordinance. Such persons shall be determined as close relatives or relatives other than close relatives pursuant to the terms of the Ordinance for purposes of determining the extent of bereavement/funeral leave or sick leave allowable as provided above.

ARTICLE 11 – EMERGENCY, SABBATICAL AND
OTHER LEAVES OF ABSENCE

- 11.1 Emergency Leave: One (1) day leave per Agreement year without loss of pay may be taken with the approval of the employee's supervisor and/or appointing authority when it is necessary that the employee be off work in the event of a serious illness or accident of a member of the immediate family or when it is necessary that the employee be off work in the event of an unforeseen occurrence with respect to the employee's household (e.g., fire, flood, or ongoing loss of power) that necessitates action on the part of the employee. The "*household*" is defined as the physical aspects of the employee's residence. The immediate family is limited to the spouse or domestic partner, children, and parents of the employee.

The "*day*" of emergency leave may be used for two separate incidents. The total hours compensated under this provision, however, shall not exceed eight (8) in a contract year.

- 11.2 Sabbatical Leave: Regular employees covered by this Agreement shall be eligible for sabbatical leave under the terms of Seattle Municipal Code, Chapter 4.33 and Article 12.2.B.

- 11.3 Military Deployment: Regular employees covered by this Agreement shall be eligible for a wage supplement when mobilized by the United States Armed Forces as provided for by City of Seattle Ordinance 124664.

- 11.3.1 A bargaining unit member who is ordered to active military duty by the United States government and who has exhausted his or her annual paid military leave benefit, and is on unpaid military leave of absence, shall be eligible to retain the medical, dental and vision services coverage, and optional insurance coverage, for the member's eligible dependents provided as a benefit of employment with the City of Seattle, at the same level and under the same conditions as though the member was in the City's employ, pursuant to program guidelines and procedures developed by the Seattle Human Resources Director and the City's administrative contracts and insurance policies. Optional insurance includes but is not necessarily limited to Group Term Life (Basic and Supplemental), Long Term Disability, and Accidental Death and Dismemberment. Eligibility for coverage shall be effective for the duration of the employee's active deployment.

- 11.4 Paid Parental Leave: Employees who meet the eligibility requirements of the Seattle Municipal Code Chapter 4.27, "Paid Parental Leave," may take leave for bonding with their new child.

- 11.5 Employees who furloughed in 2010 shall be granted the equivalent number of hours furloughed to be used as paid leave. The employee shall receive half the allotted hours in 2016 and half in 2017. In no case shall an employee receive more than eighty (80) hours. Employees shall use such leave in full-day increments to the extent possible. The hours must be used in the year in which they are granted; there will be no carryover of hours to the following year. Employees must be in a regular or benefits-eligible temporary status in order to receive this benefit. If an employee did not take furlough days in 2010 because they had planned to retire, and then elected not to retire and subsequently “paid” for those furlough days, they will be compensated with the same leave.

ARTICLE 12 – RETIREMENT AND VEBA

12.1 Pursuant to City Ordinance as cited in the Seattle Municipal Code, eligible employees shall be covered by the Seattle City Employees Retirement System (SCERS).

12.1.1 Effective January 1, 2017, consistent with Ordinance No. 78444, as amended, the City shall implement a defined benefit plan, SCERS II, for employees hired on or after January 1, 2017.

12.2 Employees who are eligible to retire shall participate in a vote administered by the union to determine if the Voluntary Employee Benefits Association (VEBA) benefit shall be offered to employees who elect to retire. The VEBA benefit allows employees who are eligible to retire from City Service to cash out their unused sick leave balance upon retirement and place it in a VEBA account to be used for post-retirement healthcare costs as allowed under IRS regulations.

A. Eligibility-to-Retire Requirements:

- 5 – 9 years of service and are age 62 or older
- 10 – 19 years of service and are age 57 or older
- 20 – 29 years of service and are age 52 or older
- 30 years of service and are any age

For purposes of identifying all potential eligible-to-retain employees, the City shall create a list of members who are in the City's HRIS system as age 45 or older and provide this list to the union so that the union can administer the vote.

1. **If the eligible-to-retain members of the bargaining unit votes to accept the VEBA**, then all members of the bargaining unit who retire from City service from the date of the vote until the end of the contract term, shall either:
 - a. place their sick leave cashout at 35% into their VEBA account, or
 - b. forfeit the sick leave cash out altogether. There is no minimum threshold for the sick leave cash out.

Members are not eligible to deposit their sick leave cashout into their deferred compensation account or receive cash.

2. **If the eligible-to-retain members of the bargaining unit vote to reject the VEBA**, all members of the bargaining unit who retire from City service shall be ineligible to place their sick leave cashout into a VEBA account. Instead, these members shall have two choices:

- a. Members can cash out their sick leave balance at 35% and deposit those dollars into their deferred compensation account. The annual limits for the deferred compensation contributions as set by the IRS would apply; or
 - b. Members can cash out their sick leave balance at 25% and receive the dollars as cash on their final paycheck.
- B. Sabbatical Leave and VEBA: Members of a bargaining unit that votes to accept the VEBA **and** who meet the eligible-to-retire criteria are not eligible to cash out their sick leave at 25% as a part of their sabbatical benefit. Members who do not meet the eligible-to-retire criteria may cash out their sick leave at 25% in accordance with the sabbatical benefit.

ARTICLE 13 – HEALTH CARE, DENTAL CARE,
LONG-TERM DISABILITY AND LIFE INSURANCE

- 13.1 The City shall provide medical, dental, and vision plans (Group Health, Aetna Traditional, Aetna Preventative and Washington Dental Service as self-insured plans and Dental Health Services, and Vision Services Plan) for all regular employees (and eligible dependents) represented by Unions that are a party to the Memorandum of Agreement established to govern the plans. Said plans, changes thereto, and premiums shall be established through the Labor-Management Health Care Committee in accordance with the provisions of the Memorandum of Agreement established by the parties to govern the functioning of said Committee.
- A. An employee may choose, when first eligible for medical benefits or during the scheduled open enrollment periods, the plans referenced in 13.1 or similar programs as determined by the Labor-Management Health Care Committee.
- 13.1.1 Employees who retire and are under the age of sixty-five (65) shall be eligible to enroll in retiree medical plans that are experience-rated with active employees.
- 13.1.2 New, regular employees will be eligible for benefits the first month following the date of hire (or immediately, if hired on the first working day of the month).
- 13.1.3 Employees who have worked on average thirty (30) hours per week, as determined by the City, shall be offered medical benefits per the Affordable Care Act (ACA).
- 13.2 Life Insurance: The City shall offer a voluntary Group Term Life Insurance option to eligible employees. The employee shall pay sixty percent (60%) of the monthly premium, and the City shall pay forty percent (40%) of the monthly premium at a premium rate established by the City and the carrier. Premium rebates received by the City from the voluntary Group Term Life Insurance option shall be administered as follows:
- 13.2.1 Commencing with the signing of this Agreement, future premium rebates shall be divided so that forty percent (40%) can be used by the City to pay for the City's share of the monthly premiums, and sixty percent (60%) shall be used for benefit of employees participating in the Group Term Life Insurance Plan in terms of benefit improvements to pay the employees' share of the monthly premiums or for life insurance purposes otherwise negotiated.
- 13.2.2 The City will offer an option for employees to purchase additional life insurance coverage for themselves and/or their families.

- 13.3 Long-Term Disability: The City shall provide a Long-Term Disability Insurance (LTD) program for all eligible employees for occupational and non-occupational accidents or illnesses. The City will pay the full monthly premium cost of a Base Plan with a ninety (90) day elimination period, which insures sixty percent (60%) of the employee's first Six Hundred Sixty-seven Dollars (\$667) base monthly wage. Employees may purchase through payroll deduction, an optional Buy-Up Plan with a ninety (90) day elimination period, which insures sixty percent (60%) for the remainder of the employee's base monthly wage (up to a maximum \$8,333 per month). Benefits may be reduced by the employee's income from other sources as set forth in the Plan Description. The provisions of the plan shall be further and more fully defined in the Plan Description issued by the Standard Insurance Company.
- 13.3.1 During the term of this Agreement, the City may, at its discretion, change or eliminate the insurance carrier for any of the long-term disability benefits covered by this Section and provide an alternative plan either through self insurance or another insurance carrier, however, the long-term disability benefit level shall remain substantially the same.
- 13.3.2 The maximum monthly premium cost to the City shall be no more than the monthly premium rates established for calendar year 2015 for the Base Plan, but not to exceed the maximum limitation on the City's premium obligation per calendar year as set forth within Section 13.3.
- 13.4 Long-Term Care: The City may offer an option for employees to purchase a new long-term care benefit for themselves and certain family members.
- 13.5 If state and/or federal health care legislation is enacted, the parties agree to negotiate the impact of such legislation. The parties agree that the intent of this agreement to negotiate the impact shall not be to diminish existing benefit levels and/or to shift costs.
- 13.6 Labor-Management Health Care Committee: Effective January 1, 1999, a Labor-Management Health Care Committee shall be established by the parties. This Committee shall be responsible for governing the medical, dental, and vision benefits for all regular employees represented by Unions that are subject to the relevant Memorandum of Agreement. This Committee shall decide whether to administer other City-provided insurance benefits.

ARTICLE 14 – INDUSTRIAL INJURY OR ILLNESS

- 14.1 Any employee who is disabled in the discharge of his duties and if such disablement results in absence from his/her regular duties, shall be compensated, except as otherwise hereinafter provided, in the amount of eighty percent (80%) of the employee's normal hourly rate of pay, not to exceed two hundred and sixty-one (261) regularly scheduled workdays counted from the first regularly scheduled workday after the day of the on-the-job injury; provided the disability sustained must qualify the employee for benefits under State Industrial Insurance and Medical Aid Acts.
- 14.2 Whenever an employee is injured on the job and compelled to seek immediate medical treatment, the employee shall be compensated in full for the remaining part of the day of injury without effect to his/her sick leave or vacation account. Scheduled workdays falling within only the first three (3) calendar days following the day of injury shall be compensable through accrued sick leave. Any earned vacation may be used in a like manner after sick leave is exhausted; provided that, if neither accrued sick leave nor accrued vacation is available, the employee shall be placed on no-pay status for these three (3) days. If the period of disability extends beyond fourteen (14) calendar days, then: (1) any accrued sick leave or vacation leave utilized due to absence from his/her regular duties, as provided for in this Section shall be reinstated, and the employee shall be paid in accordance with Section 14.1, which provides payment at the eighty percent (80%) rate; or (2) if no sick leave or vacation leave was available to the employee at that time, then the employee shall thereafter be compensated for the three (3) calendar days at the eighty percent (80%) compensation rate described in Section 14.1.
- 14.3 Such compensation shall be authorized by the Seattle Human Resources Director or his/her designee with the advice of such employee's appointing authority on request from the employee supported by satisfactory evidence of medical treatment of the illness or injury giving rise to such employee's claim for compensation under SMC 4.44, as now or hereinafter amended.
- 14.4 In no circumstances will the amount paid under these provisions exceed an employee's gross pay minus mandatory deductions (taxes, retirement). This provision shall become effective when SMC 4.44, Disability Compensation, is revised to incorporate this limit.
- 14.5 Employees must meet the standards listed in SMC 4.44.020 to be eligible for the benefit amount provided herein that exceeds the rate required to be paid by state law, hereinafter referred to as supplemental benefits. These standards require that employees: (1) comply with all Department of Labor and Industries rules and regulations and related City of Seattle and employing department policies and procedures; (2) respond, be available for, and attend medical appointments and

treatments and meetings related to rehabilitation, work hardening, conditioning, or other treatment arranged by the City and authorized by the attending physician; (3) accept modified or alternative duty assigned by supervisors when released to perform such duty by the attending physician; (4) attend all meetings scheduled by the City of Seattle Workers' Compensation Unit or employing department concerning the employee's status or claim when properly notified at least five (5) working days in advance of such meeting unless other medical treatment conflicts with the meeting and the employee provides twenty-four (24) hours' notice of such meeting or examination.

The City will provide a copy of the eligibility requirements to employees when they file a workers' compensation claim. If records indicate two (2) no-shows, supplemental benefits may be terminated no sooner than seven (7) calendar days after notification to the employee.

- 14.6 Compensation for holidays and earned vacation falling within a period of absence due to such disability shall be at the normal rate of pay, but such days shall not be considered as regularly scheduled workdays as applied to the time limitations set forth within Section 14.1. Disabled employees affected by the provisions of SMC 4.44 shall continue to accrue vacation and sick leave as though actively employed during the period set forth within Section 14.1.
- 14.7 Any employee eligible for the benefits provided by this Ordinance whose disability prevents him/her from performing his/her regular duties, but, in the judgment of his/her physician could perform duties of a less strenuous nature, shall be employed at his/her normal rate of pay in such other suitable duties as the appointing authority shall direct with the approval of such employee's physician until the Seattle Human Resources Director requests closure of such employee's claim pursuant to SMC 4.44, as now or hereinafter amended.
- 14.8 Sick leave shall not be used for any disability herein described except as allowed in Section 14.2.
- 14.9 The afore-referenced disability compensation shall be understood to be in lieu of State Industrial Insurance Compensation and Medical Aid.
- 14.10 Appeals of any denials under this Article shall be made through the Department of Labor and Industries as prescribed in Title 51 RCW.

ARTICLE 15 – EMPLOYEE RIGHTS, SHOP STEWARD RESPONSIBILITIES,
AND UNION BUSINESS

- 15.1 The City and the Union agree that they will not discriminate against any employee by reason of race, color, age, sex, marital status, sexual orientation, gender identity, veteran status, political ideology, creed, religion, ancestry, or national origin; Union activities; or the presence of any sensory, mental or physical disability, unless based on a bona fide occupational qualification reasonably necessary to the normal operation of the City.

Disputes involving this section of this Article may be processed through an appropriate agency and/or the third step of the grievance procedure, but shall not be subject for arbitration. Use of the grievance procedure may precede the initiation of any other official action involving such a dispute.

- 15.2 Words denoting gender in this agreement are intended to apply equally to either sex.
- 15.3 The Staff Representative of the Union may, after notifying the City official in charge, visit the work location of employees covered by this Agreement at any reasonable time for the purpose of investigating grievances. Such representative shall limit their activities during such investigations for a reasonable period of time and to matters relating to this Agreement. City work hours shall not be used by employees or Union Representatives for the conduct of Union business or the promotion of Union affairs.
- 15.4 The Union shall have the right to appoint a steward at any location where members are employed under the terms of this Agreement. The department shall be furnished with the names of stewards so appointed. Immediately after appointment of its Shop Steward(s) and Local Union Officer(s) who may serve as Stewards, the Union shall furnish the Director of Labor Relations with a list of those employees who have been designated as Shop Stewards and Local Union Officer(s) who may serve as Stewards. Said list shall be updated as needed. The Steward shall see that the provisions of this Agreement are observed, and they shall be allowed reasonable time to perform these duties during regular working hours without suffering a loss in pay. This shall include keeping the Union informed of matters relating to the Agreement and the processing of grievances relating to alleged violations, but not include processing grievances at Step 4 of the grievance procedure enumerated in Article 5 of this Agreement. When a Steward is processing a grievance, arrangements must be made with the supervisor of the Steward for time away from the job. It is understood that all other Steward activities are to be conducted on the Stewards own time (before or after work, rest breaks, lunch).
- 15.5 Any charges by management that indicate that a Shop Steward or Local Union Officer is spending an unreasonable amount of time performing the aforementioned duties shall be settled at the lowest level possible. If these matters are unable to be settled at the Department level, they may be referred to the Director of Labor Relations or a designee

for discussions with the Union's Staff Representative. The Staff Representative shall assume the responsibility of communicating to the Shop Steward or Local Union Officer any concerns or expectations resulting from the above discussions with the Director of Labor Relations or a designee.

- 15.6 Investigatory Interviews: When an employee is required by the City to attend an interview conducted by the City for purposes of investigating an incident which may lead to discipline/discharge of that employee because of that particular incident, the employee shall have the right to request that he/she be accompanied at the investigatory interview by a representative of the Union. If the employee makes such a request, the request shall be made to the City representative conducting the investigatory interview. The City, when faced with such a request, may:

- (1) Grant the employee's request, or
- (2) Deny the employee's request but, in doing so, stop and/or cancel the investigatory interview.

City Light employees located at the Skagit will be permitted forty-eight (48) hours, from the time the request is made to the City, to obtain Union representation.

- 15.6.1 In construing this Section, it is understood that:

- (1) The City is not required to conduct an investigatory interview before discipline or discharging an employee.
- (2) The City may cancel a scheduled interview at any time. The City will make its best effort to notify the parties of canceled interviews.
- (3) The City does not have to grant an employee's request for Union representation when the meeting between the City and the employee is not investigatory, but is solely for the purpose of informing an employee of a disciplinary/discharge decision that the City has already made relative to that employee.
- (4) The employee must make arrangements for Union representation when his/her request for representation is granted. The investigatory interview must be held within a reasonable period of time following the employee's request for representation.
- (5) An employee shall attend investigatory interviews scheduled by the City at reasonable times and reasonable places.

- 15.7 The City shall provide bulletin board space for the use of the Union in areas accessible to the members of the bargaining units for posting:

- A. Union bulletins regarding scheduled business and social meetings.
- B. Information concerning Union elections and the results thereof.
- C. Reports of official business.

Union bulletin board space shall not be used for notices that are political in nature. All material posted shall be officially identified as Washington State Council of County and City Employees, Local 21.

- 15.8 Personnel File: The employees covered by this Agreement may examine their personnel files in the departmental Personnel Office in the presence of the Personnel Officer or a designated supervisor. In matters of dispute regarding this section, no other personnel files will be recognized by the City or the Union except that supportive documents from other files may be used. Materials to be placed into an employee's personnel file relating to job performance or personal conduct or any other material that may have an adverse effect on the employee's employment shall be reasonable and accurate and brought to their attention with copies provided to the employee upon request.

In accordance with RCW 49.12.250, employees shall be given an opportunity to provide a written response to any written evaluations, disciplinary action or any other material to be included in the personnel file.

- 15.8.1 Supervisor Files: Files maintained by supervisors regarding an employee are considered part of the employee's personnel file and subject to the requirements of state law, RCW 49.12.240, RCW 49.12.250 and RCW 49.12.260, and any provisions of this Agreement applicable to personnel files, including allowing employee access to such files.

- 15.9 Employee Participation in Collective Bargaining: The parties to this agreement recognize the value to both the Union and the City of having employees express their perspective(s) as part of the negotiations process. Therefore, effective August 18, 2004, employees who participate in bargaining as part of the Union's bargaining team during the respective employee's work hours shall remain on paid status, without the Union having to reimburse the City for the cost of their time, PROVIDED the following conditions are met:

- 1. Bargaining preparation and meetings of the Union's bargaining team other than actual negotiations shall not be applicable to this provision;
- 2. No more than an aggregate of one hundred (150) hours of paid time for the negotiation sessions resulting in a labor agreement, including any associated overtime costs, shall be authorized under this provision.

3. If the aggregate of one hundred (150) hours is exceeded, the Union shall reimburse the City for the cost of said employee(s) time, including any associated overtime costs.

ARTICLE 16 – WORK OUTSIDE OF CLASSIFICATION

- 16.1 Work out of class is a management tool, the purpose of which is to complete essential public services whenever an employee is assigned by proper authority to perform the normal, ongoing duties of and accept responsibility of a position. When the duties of a higher-paid position are clearly outside the scope of an employee's regular classification for a period of three (3) hours or longer in any one (1) work week, he/she shall be paid at the out-of-class rate while performing such duties and accepting such responsibility. The out-of-class rate shall be determined in the same manner as for promotion and shall be paid for only actual hours worked. "Proper authority" shall be a supervisor who has been designated the authority by a manager or director directly above the position that is being filled out of class and who has budget management authority of the work unit. The City has the sole authority to direct its supervisors as to when to assign employees to a higher class. Employees must meet the minimum qualifications of the higher class and must have demonstrated or be able to demonstrate their ability to perform the duties of the class. The City may work employees out of class across bargaining unit jurisdictions for a period not to exceed six (6) continuous months for any one position. The six (6) month period may be exceeded under the following circumstances: (1) when a hiring freeze exists and vacancies cannot be filled; (2) extended industrial or off-the-job injury or disability; (3) when a position is scheduled for abrogation; or (4) a position is encumbered (an assignment in lieu of a layoff; e.g., with the renovation of the Seattle Center Coliseum). When such circumstances require that an out-of-class assignment be extended beyond six (6) months for any one position, the City shall notify the Union or Unions that represent the employee who is so assigned and/or the body of work that is being performed on an out-of-class basis. After nine (9) months, the Union that represents the body of work being worked out of class must concur with any additional extension of the assignment. The Union that represents the body of work will consider all requests on a good-faith basis.
- 16.1.1 When an employee is assigned to perform out-of-class duties in the same title for a total of twelve (12) months (each 2,088 hours) of actual service, they will receive one step increment in the higher paid title; provided that they have not received a step increment in the out-of-class title based on changes to the primary pay rate within the previous twelve (12) months, and that such increment does not exceed the top step of the higher salary range. However, hours worked out-of-class that were properly paid per Article 16.1 of this Agreement, shall apply toward salary step placement if the employee's position is reclassified to the same title as the out-of-class assignment within twelve (12) months of the end of such assignment.
- 16.2 An employee may be temporarily assigned to perform the duties of a lower-paid classification without a reduction in pay. When employees voluntarily apply for and voluntarily accept a position in a lower-level classification, they shall receive the

salary rate for the lower class, which, without increase, is nearest to the salary rate to which such employee was entitled in the higher class. For such temporary period, the employee shall continue to pay dues to the Union of the higher class. The overtime provisions applicable are those of the contract covering the bargaining unit position of the work being performed on an overtime basis. At management's discretion, an employee may be temporarily assigned the duties of a lower-level class or the duties of a class with the same pay rate range as his/her primary class, across Union jurisdictional lines, with no change to his or her regular pay rate. Out-of-class provisions related to threshold for payment, salary step placement, service credit for salary step placement, and payment for absences do not apply in these instances.

- 16.3 Out-of-class work shall be formally assigned in advance of the out-of-class opportunity created in normal operating conditions. Where the work is not authorized in advance, it is the responsibility of the proper authority to determine immediately how to accomplish the duties that would otherwise constitute an out-of-class assignment. Any employee may request that this determination be made. The employee will not carry out any duty of the higher-level position when such duty is not also a duty of his or her own classification if the employee is not formally assigned to perform the duties on an out-of-class basis.
- 16.3.1 No employee may assume the duties of the higher-paid position without being formally assigned to do so except in a bona fide emergency. When an employee has assumed an out-of-class role in a bona fide emergency, the individual may apply to his or her department director for retroactive payment of out-of-class pay. The decision of the department director as to whether the duties were performed and whether performance thereof was appropriate shall be final.
- 16.4 An employee who is temporarily unable to perform the regular duties of his/her classification due to an off-the-job injury or illness may opt to perform work within a lower-paying classification dependent upon the availability of such work and subject to the approval of the Employer. The involved employee shall receive the salary rate for the lower class that, without increase, is nearest to the salary rate to which such employee was entitled in the higher class. The Union shall be provided a copy of correspondence to an employee concerning anticipated application of this Section.
- 16.5 Any sick leave taken in lieu of working a scheduled out-of-class assignment must be paid at the same rate as the out-of-class assignment. Such paid sick leave shall count towards salary step placement for the out-of-class assignment, or in the event of a regular appointment to the out-of-class title within twelve (12) months of the out-of-class assignment.

ARTICLE 17 – HOURS OF WORK AND OVERTIME

- 17.1 Eight (8) hours within nine (9) consecutive hours shall constitute a workday, and five (5) consecutive days within seven (7) consecutive days shall constitute a workweek of forty (40) hours. Work schedules shall normally consist of five (5) consecutive days followed by two (2) consecutive days off, except for relief shift assignments, 4/10 work schedules, and other special schedules.
- 17.2 Meal Period: Employees shall receive a meal period that shall commence no less than two (2) hours nor more than five (5) hours from the beginning of the employee's regular shift. The meal period shall be no less than one half (½) hour nor more than one (1) hour in duration and shall be without compensation. Should an employee be required to work in excess of five (5) continuous hours from the commencement of his/her regular shift without being provided a meal period, the employee shall be compensated at two (2) times the employee's straight-time rate of pay for the time worked during his/her normal meal period and be afforded a meal period at the first available opportunity during working hours without compensation.
- 17.3 Rest Breaks: Employees shall receive a fifteen (15)-minute rest break during the first four (4)-hour period of their workday and a second fifteen (15)-minute rest break during the second four (4)-hour period in their workday. Employees shall be compensated at their prevailing wage rate for time spent while on rest breaks.
- 17.3.1 Upon mutual agreement between the affected employee and his/her supervisor, janitors in the Finance and Administrative Services Department and employees in the Seattle Animal Shelter may forego their morning and/or afternoon rest break (consisting of fifteen (15) minutes each) and combine the break with their regularly scheduled lunch period. Either the employee or supervisor may discontinue this practice with advance written notice to the other party.
- 17.4 Where work conditions require continuous staffing throughout a work shift for thirty (30) consecutive days or more, the City may, in lieu of the meal period and rest periods provided in Sections 17.2 and 17.3, provide a working meal period and working rest periods during working hours without a loss in pay so that such periods do not interfere with ongoing work requirements.
- For periods of less than thirty (30) days, a continuous eight (8) hour shift may be implemented by mutual agreement of the appointing authority or his/her designee and the Union Staff Representative. The appointing authority or designee shall be at the level of at least a division director.
- 17.5 When management deems it necessary, work schedules may be established other than the normal Monday through Friday schedule; provided, however, that where work weeks

other than the basic departmental work week schedules in force on the effective date of this Agreement are deemed necessary, the change(s) and reason therefore shall be provided to the Union. At least forty-eight (48) hours' advance notice shall be afforded the Union and employees covered by this Agreement when shift and schedule changes are required by their supervisor. In instances where forty-eight (48) hours' advance notification is not provided to an employee, the employee shall be compensated at the overtime rate of pay for the first shift worked under the new schedule.

- 17.6 All work performed in excess of eight (8) hours in any workday (except for those employees who work a four (4) day, forty (40)-hour work week) or forty (40) hours in any work week shall be considered as overtime. Such overtime work shall be paid for at the rate of two (2) times the employee's regular straight-time rate of pay or, by mutual consent between the employee and his/her supervisor, compensated for by compensatory time off at the applicable overtime rate and in such a manner so as not to conflict with the Fair Labor Standards Act (FLSA). An appointing authority, or his/her designee, may set a maximum level of compensatory time to be accrued at any one time and may set policy and develop procedures for scheduling and approval of compensatory time off.

A "work week" for purposes of determining whether an employee exceeds forty (40) hours in a work week shall be a seven (7) consecutive day period of time beginning on Wednesday and ending on Tuesday, except when expressly designated to begin and end on different days and times from the normal Wednesday through Tuesday work week.

All overtime work shall be offered to qualified regular employees in the classification before any temporary employees are asked to work overtime.

Discussion of a department's compensatory time policies and procedures shall be a proper subject for discussion in a labor-management meeting if requested by the Union.

- 17.7 Call Back: Employees who are called back to work after completing their regular shift and who are relieved of duty before commencing their next regular shift shall be paid a minimum of two (2) hours pay at double the straight-time rate of pay. Any time worked in excess of two (2) hours shall be paid for at double the straight-time rate of pay for actual hours worked.

- 17.7.1 Definition of a Call Back: A Call Back shall be defined as a circumstance where an employee has left the work premises at the completion of his/her regular work shift and is required to report back to work due to unplanned or unforeseen circumstances,

prior to the start of his/her next regularly scheduled work shift. An employee who is called back to report to work before the commencement of his/her regular work shift shall be compensated in accordance with the Call Back provisions of this Labor Agreement; provided, however, in the event he/she is called back to report to work within two (2) hours from the starting time of his/her next regularly scheduled work shift, he/she shall be compensated at the overtime rate of pay for only those hours immediately preceding the start of his/her next regularly scheduled work shift, and the Call-Back provision shall not apply. This provision does not apply to planned or scheduled overtime assignments.

17.8 Extended Emergency Situations: In extended emergency situations, without prior notice, City Departments may switch to two (2) twelve (12)-hour shifts until the emergency is resolved.

17.9 Standby Duty: Whenever an employee covered by this Agreement is placed on standby duty by the City, the employee shall be available to respond to the call within fifteen (15) minutes after being contacted and, when necessary, report as directed. Employees who are placed on standby duty by the City shall be paid at the rate of ten percent (10%) of the straight-time hourly rate of pay listed in Appendix A and B for all hours assigned.

If an employee is required to return to work while on standby duty, the standby pay shall be discontinued for the actual hours on work duty, and compensation shall be provided in accordance with Article 17.7 above.

The assignment of standby duties is a management right. The administration of standby duty is subject to the policies or practices within each City department.

17.10 An employee may use paid sick leave to be compensated for eligible sick leave absences from scheduled standby duties.

17.11 Meal Reimbursement: When an employee is specifically directed by the City to work two (2) hours or longer on the end of his/her normal eight (8) hour work shift or otherwise works under circumstances for which meal reimbursement is authorized per Ordinance 111768 and the employee actually purchases a reasonably priced meal away from his place of residence as a result of such additional hours of work, the employee shall be reimbursed for the "reasonable cost" of such meal in accordance with Ordinance 111768. In order to receive reimbursement, the employee must furnish the City with a dated original itemized receipt indicating the time of the meal no later than forty-eight (48) hours from the beginning of his/her next regular shift; otherwise, the employee shall be paid a maximum Six Dollars (\$6.00) in lieu of reimbursement for the meal.

17.12 To receive reimbursement for a meal under this provision, the following rules shall be adhered to:

- A. Said meal must be eaten within two (2) hours after completion of the overtime work. Meals cannot be saved, consumed and claimed at some later date.
- B. In determining "reasonable cost," the following shall also be considered:
 - 1. The time period during which the overtime is worked; and
 - 2. The current Runzheimer Meal – Lodging Cost Index.
- C. The City shall not reimburse for the cost of alcoholic beverages.

17.13 In lieu of any meal compensation as set forth within this Article, the City may, at its discretion, provide a meal.

17.14 When an employee is called out in an emergency to work two (2) hours or longer of unscheduled overtime immediately prior to his/her normal eight (8) hour work shift, said employee shall be eligible for meal reimbursement pursuant to Sections 17.11, 17.12, and 17.13; provided, however, if the employee is not given time off to eat a meal within two (2) hours after completion of the overtime, the employee shall be paid a maximum of Six Dollars (\$6.00) in lieu of reimbursement for the meal. Any time spent consuming a meal during working hours shall be without compensation.

17.15 Four-Day Work Week – It is hereby agreed that the City may, notwithstanding Sections 17.1 and 17.6 of this Article, upon notice to the Union, implement a four (4) day, forty (40) hour work week affecting employees covered by this Agreement. In administering the four (4) day, forty (40) hour work week, the following working conditions (except as modified by Section 17.16) shall prevail:

- A. Employee participation shall be on a voluntary basis;
- B. Overtime shall be paid for any hours worked in excess of ten (10) hours per day or forty (40) hours per week;
- C. Vacation benefits shall be accrued and expended on an hourly basis;
- D. Sick leave benefits shall be accrued and expended on an hourly basis;
- E. Holidays shall be granted in accordance with Article 9 of this Agreement;
- F. The meal period shall commence no less than two (2) nor more than six and one-half (6½) hours from the beginning of the shift.

17.16 With the concurrence of their supervisor, Scale Attendants may schedule their shift breaks immediately preceding and following the one-half (½) hour unpaid lunch break, allowing one (1) hour for lunch, half of which is paid time and one-half (½) of which is the unpaid lunch break.

17.17 9/80 Work Schedule: It is hereby agreed that the City may, notwithstanding Sections 17.1 and 17.6 of this Article, upon notice to the Union, implement a 9/80 work schedule affecting employees covered by this Agreement. In administering the 9/80 work schedule, the following working conditions shall prevail:

- A. Overtime shall be paid for any hours worked in excess of nine (9) hours per day or forty (40) hours per work week;
- B. Holidays, bereavement/funeral leave and emergency leave shall be granted in accordance with Article 9, Article 10 and Article 11 of this Agreement and shall be paid at eight (8) hours per incident. Employees may choose either unpaid leave, accrued paid leave, or, with prior written approval, may work an additional hour during the same work week of the holiday/leave day to cover the one (1) hour for each incident. The additional hour worked referenced in this later option shall not be subject to overtime under the provisions of this Agreement or shift differential pay, and shall be scheduled in such a manner as to not require overtime under the Fair Labor Standards Act.
- C. The meal period shall commence no less than two (2) nor more than six (6) hours from the beginning of the shift.

17.18 An employee who is scheduled to work not less than four (4) hours of his/her regular work shift during the evening (swing) shift or night (graveyard) shift shall receive the following shift premiums for all scheduled hours worked during such shift:

Effective January 1, 2015	SWING SHIFT	\$.65 per hour
....	GRAVEYARD SHIFT	\$.90 per hour
Effective December 30, 2015	SWING SHIFT	\$.75 per hour
....	GRAVEYARD SHIFT	\$1.00 per hour

The above shift premium shall not apply to vacation, holiday pay, funeral leave, or other paid leave benefit. Employees who miss an assigned shift for which they would have received a shift premium, shall be entitled to use sick leave as provided in Section 10.16 of this Agreement.

17.19 Overtime shall be computed from the employee's base pay and shall not include the shift premium pay. However, an employee assigned to work one of these shifts on an

overtime basis shall be paid the premium pay in addition to the overtime pay if actual overtime work continues for four (4) hours or more.

In no event shall shift premium pay be due employees who work overtime as an extension of their regular shift or on a call-out basis if not being assigned to work in one of the positions normally scheduled for swing or graveyard shift.

Due to the unusual operating hours of the Seattle Animal Shelter, an Animal Control Officer II who is scheduled to work not less than three and one-half (3½) hours of his/her regular work shift during the evening (swing) shift shall receive the above-referenced shift premium for all scheduled hours worked during such shift.

- 17.20 Meal Reimbursement while on Travel Status: An employee shall be reimbursed for meals while on travel status at the federal per diem rate. An employee will not be required to submit receipts for meals and may retain any unspent portion of an advance cash allowance for meals.

ARTICLE 18 – TRANSFERS, VOLUNTARY REDUCTION, LAYOFF, AND RECALL

18.1 Transfers: The transfer of an employee shall not constitute a promotion except as provided in Section 18.1.2E.

18.1.1 Intra-departmental Transfers: An appointing authority may transfer an employee from one position to another position in the same class in his/her department without prior approval of the Seattle Human Resources Director but must report any such transfer to the Seattle Human Resources Department within five (5) days of its effective date.

18.1.2 Other transfers may be made upon consent of the appointing authorities of the departments involved and with the Seattle Human Resources Director's approval as follows:

- A. Transfer in the same class from one department to another;
- B. Transfer to another class in the same or a different department in case of injury in line of duty either with the City service or with the armed forces in time of war, resulting in permanent partial disability, where showing is made that the transferee is capable of satisfactorily performing the duties of the new position;
- C. Transfer, in lieu of layoff, may be made to a position in the same class to a different department upon showing that the transferee is capable of satisfactorily performing the duties of the position and that a regular, trial service, or probationary employee is not displaced. The employee subject to layoff shall have this opportunity to transfer, provided there is no one on the Reinstatement Recall List for the same class for that department. If there is more than one employee eligible for transfer, in lieu of layoff, in the same job title, the employee names shall be placed on a Layoff Transfer List in order of job class seniority. Eligibility to choose this opportunity to transfer is limited to those employees who have no rights to other positions in the application of the layoff language herein including Section 18.7.

A department will be provided with the names of eligible employees and their job skills. The department will fill the position with the most senior employee with the job skills needed for the position. The department may test or otherwise affirm the employee has the skills and ability to perform the work.

An employee on the Layoff Transfer List who is not placed in another position prior to layoff shall be eligible for placement on the Reinstatement Recall List pursuant to Section 18.8.

- D. Transfer, in lieu of layoff, may be made to a single position in another class in the same or a different department, upon showing that the transferee is capable of satisfactorily performing the duties of the position, and that a regular, trial service, or probationary employee is not displaced;
 - E. Transfer, in lieu of layoff, may be made to a single position in another class when such transfer would constitute a promotion or advancement in the service, provided a showing is made that the transferee is capable of satisfactorily performing the duties of the position and that a regular, trial service, or probationary employee is not displaced and when transfer in lieu of layoff under Section 18.1.2D is not practicable;
 - F. The Seattle Human Resources Director may approve a transfer under Section 18.1.2A, B, C, D, or E with the consent of the appointing authority of the receiving department only, upon a showing of the circumstances justifying such action;
 - G. Transfer may be made to another similar class with the same maximum rate of pay in the same or different department upon the director's approval of a written request by the appointing authority.
- 18.2 Employees transferred pursuant to the provisions of Section 18.1.2 shall serve probationary and/or trial service periods as may be required in Article 20, Sections 20.16; 20.17; 20.18; and 20.19.
- 18.3 Voluntary Reduction: A regularly appointed employee may be reduced to a lower class upon his/her written request stating his/her reasons for such requested reduction, if the request is concurred in by the appointing authority and is approved by the Seattle Human Resources Director. Such reduction shall not displace any regular, trial service, or probationary employee.
- 18.3.1 The employee so reduced shall be entitled to credit for previous regular service in the lower class and to other service credit in accordance with Section 18.9. Upon a showing, concurred in by the appointing authority that the reason for such voluntary reduction no longer exists, the Seattle Human Resources Director may restore the employee to his/her former status.
- 18.4 The City shall notify the Union and the affected employee in writing at least two (2) weeks in advance whenever possible, when a layoff is imminent within the bargaining unit.
- 18.4.1 Layoff: Layoff for purposes of this Agreement shall be defined as the interruption of employment and suspension of pay of any regular, trial service, or probationary employee because of lack of work, lack of funds, or through reorganization.

Reorganization when used as a criterion for layoff shall be based upon specific policy decision(s) by legislative authority to eliminate, restrict, or reduce functions or funds of a particular department.

18.5 Employees within a given class in a department shall be subject to lay off in accordance with the following order:

- A. Interim appointees;
- B. Temporary or intermittent employees not earning service credit;
- C. Probationary employees*;
- D. Trial service employees*(who cannot be reverted in accordance with Section 20.9); or
- E. Regular employees* in order of their length of service, the one with the least amount of service being laid off first.

*(except as their layoff may be affected by military service during probation).

18.6 However, the City may lay off out of the order described above for one or more of the following reasons:

- A. Upon showing by the appointing authority that the operating needs of the department require a special experience, training, or skill.
- B. When (1) women or minorities are substantially underrepresented in an EEO category within a department; or (2) when a planned layoff would produce substantial underrepresentation of women or minorities, and (3) such layoff in normal order would have a negative, disparate impact on women or minorities; then the Seattle Human Resources Director shall make the minimal adjustment necessary in the order of layoff in order to prevent the negative disparate impact.

18.7 At the time of layoff, a regular employee or a trial service employee (per Section 18.4.1) shall be given an opportunity to accept reduction (bump) to the next lower class in the series from which he/she is being laid off, provided he/she has successfully completed a probation or trial service period in the lower class in his/her department or he/she may be transferred as provided in Section 18.1.2D. An employee so reduced shall be entitled to credit for any previous regular service in the lower class and to other service credit in accordance with Section 18.9. This Section shall apply only within each of the following class series: (1) Animal Control Officer I and Animal Control Officer II; (2) Janitor and Lead Janitor; and (3) General Truck Driver and Heavy Truck Driver.

- 18.8 Recall: The names of regular, trial service, or probationary employees who have been laid off shall be placed upon a Reinstatement Recall List for the same class and for the department from which laid off for a period of two (2) years from the date of layoff.
- 18.8.1 Anyone on a Reinstatement Recall List who becomes a regular employee in the same class in another department shall lose his/her reinstatement rights in his/her former department.
- 18.8.2 Refusal to accept work from a Reinstatement Recall List shall terminate all rights granted under this Agreement; provided, however, no employee shall lose reinstatement eligibility by refusing to accept appointment in a lower class.
- 18.8.3 If a vacancy is to be filled in a given department and a Reinstatement Recall List for the classification for that vacancy contains the names of eligible employees who were laid off from that classification, the following shall be the order of the Reinstatement Recall List:
- A. Regular employees laid off from the department having the vacancy in the order of their length of service. The regular employee on such Reinstatement Recall List who has the most service credit shall be first reinstated;
 - B. Trial service employees laid off from the department having the vacancy in the order of their length of service. The trial service employee on the Reinstatement Recall List who has the most service credit shall be first reinstated.
 - C. Probationary employees laid off from the department having the vacancy without regard to length of service. The names of all these probationary employees shall be listed together on the Reinstatement Recall.
 - D. Regular employees laid off from the same classification in another City department and regular employees on a Layoff Transfer List. The regular employee on this combined list who has the most service credit and who has the job skills necessary for the vacant position will be offered employment on a trial basis in said vacancy. The trial service provisions of Section 20.7 shall apply.
 - E. Trial service employees laid off from the same classification in another City department and trial service employees on a Layoff Transfer List. The trial service employee on this combined list who has the most service credit and who has the job skills necessary for the vacant position will be offered employment on a trial basis in said vacancy. The trial service provisions of Section 20.7 shall apply.

F. Probationary employees laid off from the same classification in another City department and probationary employees on a Layoff Transfer List without regard to length of service. The names of all these probationary employees shall be listed together on the Reinstatement Recall List.

18.8.4 The City may recall laid-off employees out of the order set forth within Section 18.8.3 upon showing by the appointing authority that the operating needs of the department require such experience, training, or skill. The Union will be notified of any recall out of order and be provided the reason for such decision.

18.8.5 The Union agrees that employees from other bargaining units whose names are on the Reinstatement Recall Lists for the same classifications shall be considered in the same manner as employees of this bargaining unit, provided the Union representing those employees has agreed to a reciprocal right to employees of this bargaining unit. Otherwise, this Section shall only be applicable to those positions that are covered by this Agreement.

18.8.6 Nothing in this Article shall prevent the reinstatement of any regular, trial service or probationary employee for the purpose of appointment to another lateral title or for voluntary reduction in class, as provided in this Article.

18.9 For purposes of layoff, service credit in a class for a regular employee shall be computed to cover all service subsequent to his/her regular appointment to a position in that class and shall be applicable in the department in which employed as follows:

A. After completion of the probationary period, service credit shall be given for employment in the same, equal, or higher class, including service in other departments, and shall include temporary or intermittent employment in the same class under regular appointment prior to permanent appointment;

B. A regular employee who receives an appointment to a position exempt from Civil Service shall be given service credit in the former class for service performed in the exempt position.

C. Service credit shall be given for previous regular employment of an incumbent in a position that has been reallocated and in which he/she has been continued with recognized standing;

D. Service credit shall be given for service prior to an authorized transfer;

E. Service credit shall be given for time lost during:

1. Jury duty;

2. Disability incurred in line of service;
3. Illness or disability compensated for under any plan authorized and paid for by the City;
4. Service as a representative of a Union affecting the welfare of City employees;
5. Service with the armed forces of the United States, including, but not to exceed twenty-one (21) days prior to entry into active service and not to exceed ninety (90) days after separation from such service.

18.9.1 Service credit for purposes of layoff shall not be recognized for the following:

- A. For service of a regular employee in a lower class to which he/she has been reduced and in which he/she has not had regular standing, except from the time of such reduction;
- B. For any employment prior to a separation from the service other than by a resignation that has been withdrawn within sixty (60) days from the effective date of the resignation and bears the favorable recommendation of the appointing authority and is approved by the Seattle Human Resources Director;

18.10 The City agrees to support employees facing layoff by providing the Project Hire program during the term of this Agreement. If a department is hiring for a position in which the employee is qualified, and if no business reason would otherwise make the employee unsuitable for employment, the employee will be interviewed for the vacancy. This provision does not create any guarantee or entitlement to any position. The Project Hire guidelines apply.

ARTICLE 19 – SAFETY STANDARDS

- 19.1 All work shall be done in a competent manner and in accordance with the State of Washington Safety Codes and the City of Seattle Safety Rules and Policies.
- 19.2 Upon request of the Union, a department shall provide notice of the safety committees on which members of this bargaining unit are represented and the regularly scheduled meeting dates.

ARTICLE 20 – PROBATIONARY PERIOD AND TRIAL SERVICE PERIOD

- 20.1 The following shall define terms used in this Article:
- 20.1.1 Probationary Period: A twelve (12) month period of employment following an employee's initial regular appointment within the Civil Service to a position.
- 20.1.2 Regular Appointment: The authorized appointment of an individual to a position covered by Civil Service.
- 20.1.3 Trial Service Period/Regular Subsequent Appointment: A twelve (12) month trial period of employment of a regular employee beginning with the effective date of a subsequent, regular appointment from one classification to a different classification; through promotion, or transfer to a classification in which the employee has not successfully completed a probationary or trial service period; or rehire from a Reinstatement Recall List to a department other than that from which the employee was laid off.
- 20.1.4 Regular Employee: An employee who has successfully completed a twelve (12) month probationary period and has had no subsequent break in service as occasioned by quit, resignation, discharge for just cause, or retirement.
- 20.1.5 Revert: To return an employee who has not successfully completed his/her trial service period to a vacant position in the same class and former department (if applicable) from which he/she was appointed.
- 20.1.6 Reversion Recall List: If no such vacancy exists to which the employee may revert, he/she will be removed from the payroll and his/her name placed on a Reversion Recall List for the class/department from which he/she was removed.
- 20.2 Probationary Period/Status of Employee: Employees who are initially appointed to a position shall serve a probationary period of twelve (12) months.
- 20.3 The probationary period shall provide the department with the opportunity to observe a new employee's work, to train and aid the new employee in adjustment to the position, and to terminate any employee whose work performance fails to meet the required standards.
- 20.4 An employee shall become regular after having completed his/her probationary period unless the individual is dismissed under provisions of Section 20.5 and 20.6.
- 20.5 Probationary Period/Dismissal: An employee may be dismissed during his/her probationary period after having been given written notice five (5) working days prior

to the effective date of dismissal. However, if the department believes the best interest of the City requires the immediate dismissal of the probationary employee, written notice of only one (1) full working day prior to the effective date of the dismissal shall be required. The reasons for the dismissal shall be filed with the Director of Personnel and a copy sent to the Union.

20.6 An employee dismissed during his/her probationary period shall not have the right to appeal the dismissal. When proper advance notice of the dismissal is not given, the employee may enter an appeal (for payment of up to five (5) days' salary), which the employee would have otherwise received had proper notice been given. If such a claim is sustained, the employee shall be entitled to the appropriate payment of salary but shall not be entitled to reinstatement.

20.7 Trial Service Period: An employee who has satisfactorily completed his/her probationary period and who is subsequently appointed to a position in another classification shall serve a twelve (12) month trial service period, in accordance with Section 20.1.3.

20.8 The trial service period shall provide the department with the opportunity to observe the employee's work and to train and aid the employee in adjustment to the position, and to revert such an employee whose work performance fails to meet required standards.

20.9 An employee who has been appointed from one classification to another classification within the same or different department and who fails to satisfactorily complete the trial service period shall be reverted to a vacant position within the former department and classification from which he/she was appointed.

Where no such vacancy exists, such employee shall be given fifteen (15) calendar days' written notice prior to being placed on a Reversion Recall List for his/her former department and former classification and being removed from the payroll.

20.10 Employees who have been reverted during the trial service period shall not have the right to appeal the reversion.

20.11 The names of regular employees who have been reverted for purposes of re-employment in their former department shall be placed upon a Reversion Recall List for the same classification from which they were promoted or transferred for a period of one (1) year from the date of reversion.

20.12 If a vacancy is to be filled in a department and a valid Reversion Recall List for the classification for that vacancy contains the name(s) of eligible employees who have been removed from the payroll from that classification and from that department, such employees shall be reinstated in order of their length of service in that classification.

- The employee who has the most service in that classification shall be the first reinstated.
- 20.13 An employee whose name is on a valid Reversion Recall List for a specific job classification who accepts employment with the City in that same job classification shall have his/her name removed from the Reversion Recall List. Refusal to accept placement from a Reversion Recall List to a position the same, or essentially the same, as that which the employee previously held shall cause an employee's name to be removed from the Reversion Recall List, which shall terminate rights to reemployment under this Reversion Recall List provision.
- 20.14 An employee whose name is on a valid Reversion Recall List who accepts employment with the City in another class and/or department shall have his/her name removed from the Reversion Recall List.
- 20.15 A reverted employee shall be paid at the step of the range that he/she normally would have received had he/she not been appointed.
- 20.16 Subsequent Appointments During Probationary Period or Trial Service Period: If a probationary employee is subsequently appointed in the same classification from one department to another, the receiving department may, with approval of the Seattle Human Resources Director, require that a complete twelve (12) month probationary period be served in that department. If a regular employee or an employee who is still serving a trial service period is subsequently appointed in the same classification from one department to another, the receiving department may, with the approval of the Seattle Human Resources Director, require that a twelve (12) month trial service period be served in that department.
- 20.17 If a probationary employee is subsequently appointed to a different classification in the same or different department, the employee shall serve a complete twelve (12) month probationary period in the new classification. If a regular employee is subsequently appointed to a different classification in the same or different department, the employee shall serve a complete twelve (12) month trial service period in the new classification.
- 20.18 Within the same department, if a regular employee is appointed to a higher classification while serving in a trial service period, the trial service period for the lower classification and the new trial service period for the higher classification shall overlap, provided that the higher and lower classifications are in the same or a closely related field. The employee shall complete the term of the original trial service period and be given regular status in the lower classification. Such employee shall also be granted the rights normally accruing to trial service for the remainder of the trial service period in the higher classification.

- 20.19 Within the same department, if a probationary employee is regularly appointed to a higher classification while serving in a probationary period, the probationary period and the new trial service period for the higher classification shall overlap, provided the higher and the lower classifications are in the same or a closely related field. The employee shall complete the term of the original probationary period and be given regular standing in the lower class. Such employee shall also be granted the rights normally accruing to trial service for the remainder of the trial service period in the higher classification.
- 20.20 The probationary period shall be equivalent to twelve (12) months of service following regular appointment. Occasional absences due to illness, vacations, jury duty, and military leaves shall not result in an extension of the probationary period, but upon approval of the Seattle Human Resources Director, an employee's probationary period may be extended so as to include the equivalent of a full twelve (12) months of actual service where there are numerous absences.
- 20.21 Nothing in this Article shall be construed as being in conflict with provisions of Article 18.

ARTICLE 21 – GENERAL CONDITIONS

- 21.1 City Light/Skagit: When City Light employees are prevented (due to impassable roads or similar conditions) from returning to their regular place of residence after completing their day's work, the department shall provide the employees with suitable food and lodging at no cost to the employees. In addition, the department shall pay one (1) hour's pay per day at the employee's regular hourly rate for each night the employees are away from their regular place of residence.
- 21.1.1 Employees normally assigned to Ross Powerhouse will continue to travel on their own time. However, when employees normally assigned to either Gorge Powerhouse or Diablo Powerhouse are required to report to Ross Powerhouse, they shall travel in department vehicles or vessels on department time. Travel time shall not be paid when suitable board and lodging are available at Ross.
- 21.1.2 During extreme weather conditions, Skagit employees shall be allowed to report to the closest City Light facility for their workday.
- 21.2 Solid Waste Field Operations Division (Seattle Public Utilities): Employees within the Solid Waste Field Operations Division classified as Heavy Truck Driver (long-haul drivers) shall pick their shift assignments on the basis of length of service; provided, however, that "shift trading" shall continue in accordance with past practice within the Solid Waste Field Operations Division. Shift selection under this provision shall be conducted twice each year, once during the month of April and again during the month of October. In addition, shift selection will also be conducted when there is a business need or when a Heavy Truck Driver (long-haul driver) position in the Solid Waste Field Operations Division becomes vacant, provided the Seattle Public Utilities has determined the need to fill the position. If a shift selection has been conducted to fill a vacancy or for a business need up to two (2) months prior to the month of April or October, the regularly scheduled shift selection may be canceled by mutual agreement between Management and the Union.
- 21.2.1 Length of service for the above purpose shall be computed from the date when an employee is appointed as a regular Heavy Truck Driver within the Solid Waste Field Operations Division; provided, however, any employee who is so appointed on or after September 1, 1975, who immediately preceding said appointment had been employed in the Solid Waste Field Operations Division in another classification or status, shall have all time worked as a "temporary," "as needed," or "provisional" Heavy Truck Driver within the Solid Waste Field Operations Division counted toward establishing his/her seniority for shift pick purposes; provided, further, time worked in the status of "temporary," "as needed," or "provisional" as described above will only be counted for the current year and prior calendar year immediately

preceding the regular appointment as a Heavy Truck Driver within the Solid Waste Field Operations Division.

21.2.2 Employees classified as Scale Attendant shall pick their shift assignments on the basis of length of service. Shift selection under this provision shall be conducted twice each year, once during the month of April and again during the month of October. In addition, shift selection will also be conducted when there is a business need or when a Scale Attendant position in the Solid Waste Operations becomes vacant, provided the Seattle Public Utilities has determined the need to fill the position. If a shift selection has been conducted to fill a vacancy or for a business need up to two (2) months prior to the month of April or October, the regularly scheduled shift selection may be canceled by mutual agreement between Management and the Union.

21.2.3 Length of service for the above purpose shall be computed from the date when an employee is appointed as a regular Scale Attendant within the Solid Waste Field Operations Division; provided, however, an employee who is so appointed on or after January 1, 1992, who, immediately preceding said appointment, had been employed in the Solid Waste Field Operations Division as a "temporary," "as needed," or "provisional" Scale Attendant, shall have such service counted toward establishing his/her seniority for shift pick purposes; provided, further, time worked in the status of "temporary," "as needed," or "provisional" as described above will only be counted for the current year and prior calendar year immediately preceding the regular appointment as a Scale Attendant within the Solid Waste Field Operations Division. Current employees who feel they are eligible for an adjusted length of service for this purpose must indicate their eligibility for this service credit within thirty (30) calendar days of the signing of this Agreement in 1992. New employees must claim such eligibility within one (1) year of their regular appointment. If such claims are not timely made, the service credit will not be counted in determining the employee's seniority date for the above purpose.

21.2.4 The City and the Union acknowledge that the safety of staff and the public by maintaining legal load weights is of paramount importance. The parties further have an interest in maximizing efficiencies in the performance of City work. To that end, the City has established procedures to prevent overweight loads and commits to meeting with the Union upon request to address any problems associated with load weights.

21.3 Finance and Administrative Services Department: Employees classified as Animal Control Officers in the Seattle Animal Shelter shall pick their hours of work and days off on the basis of length of service. Selection under this provision shall be conducted at least once per calendar year. The annual selection shall be accomplished during the month of August so as to become effective during the first part of September. In addition, shift selection will also be conducted when a bargaining unit position becomes vacant, provided the department has determined the position will be filled.

Also, an exception to this procedure will be allowed for purposes of placing a probationary employee on a shift with staffing available for backup consisting of two or more non-probationary employees. The assignment made in this manner will not exceed ninety (90) work days in length, after which the shift selection process will be conducted.

- 21.3.1 Length of service for the above purpose shall be computed from the date when an employee is appointed as a regular Animal Control Officer within the Finance and Administrative Services Department.
- 21.3.2 The Union and the City hereby agree that a proper visual image of employees of the Enforcement Section to the public is essential, and, as such, employees are required to wear the uniforms and/or apparel provided and encouraged to wear the recommended wearing apparel. (Note: See 7.10 and 7.11.)
- 21.3.3 If an Animal Control Officer II is assigned to lead a public employment program crew (as referenced in Article 2.5) in a "pet canvas" program, the Animal Control Officer II will be paid an additional Fifty Cents (\$.50) per hour while so assigned.
- 21.4 Parks and Recreation Department: When employees in Truck Driver and Heavy Truck Driver classifications represented by the Washington State Council of County and City Employees, AFSCME Local 21, perform the same body of work during the cleanup of an illegal encampment as employees in classifications represented by Public Service and Industrial Employees Local 1239, those employees shall receive "Encampment Pay" under the following terms and conditions:
1. Employees who have completed the required training shall be eligible to receive a premium pay of ten percent (10%) of their regular hourly wage in addition to their respective regular hourly wage rate for all hours assigned to sort and/or remove materials associated with illegal encampments.
 2. The assignment of sorting and/or removing of materials associated with illegal encampments are additional duties that shall be assigned at the sole discretion of the appointing authority. As an additional duty, this work includes the physical removal of encampment materials at the encampment site, such as sorting, bagging, cleaning and removal of personal belongings. Such assignment does not include typical truck driver duties, such as loading materials associated with an illegal encampment into the vehicle, or operating mechanical and/or hydraulic equipment attached to a truck during the cleanup of an illegal encampment.
 3. This provision shall be in effect when the City, in its sole discretion, posts an area with a "72-hour Notice and Order to Remove Personal Property", for the purpose of sorting and/or removing materials associated with an illegal encampment and

subsequently cleans the area. This shall not include postings providing notice that a removal has already occurred.

All Departments

- 21.5 Upon request of the Union, a labor-management meeting will be convened to discuss new vehicles or equipment assigned to be driven or operated by employees within the bargaining unit.
- 21.6 Upon request of the Union, a labor-management meeting will be convened to discuss employee requests for training, the available funding, and processes for job application and career advancement.
- 21.7 Identification Cards: Picture identification cards may be issued to employees by the City, and if so, shall be worn in a sensible, but conspicuous place on their person by all such employees or as reflected in the current practice of the department. Any such picture identification cards shall identify the employee by name, department and photograph, consistent with the practice of each department. The cost of replacing the card damaged due to normal wear and tear shall be borne by the City.
- 21.8 Ethics and Elections Commission: Nothing contained within this Agreement shall prohibit the Seattle Ethics and Elections Commission from administering the Code of Ethics, including, but not limited to, the authority to impose monetary fines for violations of the Code of Ethics. Such fines are not discipline under this Agreement, and, as such, are not subject to the Grievance Procedure contained within this Agreement. Records of any fines imposed or monetary settlements shall not be included in the employee's personnel file. Fines imposed by the Commission shall be subject to appeal on the record to the Seattle Municipal Court.
- In the event the Employer acts on a recommendation by the Commission to discipline an employee, the employee's contractual rights to contest such discipline shall apply. No record of the disciplinary recommendations by the Commission shall be placed in the employee's personnel file unless such discipline is upheld or unchallenged. Commission hearings are to be closed if requested by the employee who is the subject of such hearing.
- 21.9 Flexcar Program: If the City intends to implement a flexcar program in a manner that would constitute a benefit for any employee(s) represented by a Union that is a member of the Coalition of City Unions, the parties agree to open negotiations to establish the elements of said program that are mandatory subjects of bargaining prior to program implementation.
- 21.10 Parking Past Practice: In exchange for all of the foregoing, the parties to the Memorandum of Understanding hereby acknowledge and affirm that a past practice

shall not have been established obligating the City to continue to provide employee parking in an instance where employees were permitted to park on City property at their work location if the City sells the property, builds on existing parking sites, or some other substantial change in circumstance occurs. However, the City shall be obligated to bargain the impacts of such changes.

21.11 During the term of this Agreement, the City and the Union agree to enter into bargaining on impacts associated with the following:

- a. Implementation of the Affordable Care Act (ACA).
- b. Changes to mandatory subjects related to the Gender/Race Workforce Equity efforts.
- c. The City's compensation philosophy, methods and processes associated with determining wage adjustment, including the City's interest in total compensation.
- d. Modifications to Personnel Rule 10.3.3 to include current employees in the City's criminal background check policy.

ARTICLE 22 – DISCIPLINARY ACTIONS

- 22.1 The City may discipline, suspend, demote, or discharge an employee for just cause.
- 22.2 The parties agree that in their respective roles primary emphasis shall be placed on preventing situations requiring disciplinary actions through effective employee-management relations. The primary objective of discipline shall be to correct and rehabilitate, not to punish or penalize. To this end, in order of increasing severity, the disciplinary actions that the City may take against an employee include:
- A. Verbal warning, which shall be accompanied by a notation in the employee's personnel file;
 - B. Written reprimand;
 - C. Suspension;
 - D. Demotion; or
 - E. Discharge.

Coaching and counseling are deemed to be means of communicating and addressing performance deficiencies or behavioral problems to an employee and are not grievable.

Which disciplinary action is taken depends upon the seriousness of the affected employee's conduct. The City maintains the right to take disciplinary action as it deems appropriate, which may include advancing to an appropriate step in the progressive discipline process to address major disciplinary offenses.

ARTICLE 23 – LABOR-MANAGEMENT CONFERENCE COMMITTEE

23.1 The City and the Union agree to convene a joint Conference Committee at the written request of either party to this Agreement. The Conference Committee shall consist of no more than three (3) representatives of each of the parties and shall include the Staff Representative of the Union or his/her designated representative and the City of Seattle Director of Labor Relations or his/her designated representative. When the issues to be discussed pertain to a single department, the other members of each party's committee shall be from the given department. Any increase in either party's committee members must be through mutual agreement of the parties. The purpose of the committee is to deal with matters of general concern to the Union and/or the City or a particular department, as opposed to individual complaints of employees; provided, however, it is understood that the Conference Committee shall function in a consultative capacity and shall not be considered a decision-making body. Either the Union representatives or the City representatives may initiate a discussion of any subject of a general nature affecting employees covered by this Agreement. All written requests for a committee meeting shall contain specific reasons for the meeting, including the subject(s) and the names of committee members.

23.2 Employment Security: Labor and management support continuing efforts to provide the best service delivery and the highest quality service in the most cost-effective manner to the citizens of Seattle. Critical to achieving this purpose is the involvement of employees in sharing information and creatively addressing workplace issues, including administrative and service delivery productivity, efficiency, quality controls, and customer service.

Labor and management agree that, in order to maximize participation and results from the Employee Involvement Committees (EIC), no one will lose employment or equivalent rate of pay with the City of Seattle because of efficiencies resulting from an EIC initiative.

In instances where the implementation of an EIC recommendation does result in the elimination of a position, management and labor will work together to find suitable alternative employment for the affected employee. An employee who chooses not to participate in and/or accept a reasonable employment offer, if qualified, will terminate his/her rights under this employment security provision.

23.3 Labor-Management Leadership Committee: The Labor-Management Leadership Committee will be a forum for communication and cooperation between labor and management to support the delivery of high-quality, cost-effective service to the citizens of Seattle while maintaining a high-quality work environment for City employees.

- 23.3.1 The management representatives to the Committee will be determined in accordance with the Labor-Management Leadership Committee Charter. The Coalition of City Unions will appoint a minimum of six (6) labor representatives and a maximum equal to the number of management representatives of the Committee. The Co-chairs of the Coalition will be members of the Leadership Committee.

ARTICLE 24 – SUBORDINATION OF AGREEMENT

- 24.1 It is understood that the parties hereto and the employees of the City are governed by the provisions of applicable federal law, state law, and the City Charter. When any provisions thereof are in conflict with the provisions of this Agreement, the provisions of said federal law, state law, or City Charter are paramount and shall prevail.
- 24.2 It is also understood that the parties hereto and the employees of the City are governed by applicable City Ordinances and said Ordinances are paramount except where they conflict with the express provisions of this Agreement.

ARTICLE 25 – SAVINGS CLAUSE

- 25.1 If an article of this Agreement or any addendum thereto should be held invalid by any tribunal of competent jurisdiction, or if compliance with or enforcement of any article should be restrained by such tribunal, the remainder of this Agreement and addenda shall not be affected thereby, and the parties shall enter into immediate collective bargaining negotiations for the purpose of arriving at a mutually satisfactory replacement for such article.

ARTICLE 26 – ENTIRE AGREEMENT

- 26.1 The Agreement expressed herein in writing constitutes the entire Agreement between the parties, and no oral statement shall add to or supersede any of its provisions.
- 26.2 The parties acknowledge that each has had the unlimited right and opportunity to make demands and proposals with respect to any matter deemed a proper subject for collective bargaining. The results of the exercise of that right are set forth in this Agreement. Therefore, except as otherwise provided in this Agreement, each voluntarily and unqualifiedly agrees to waive the right to oblige the other party to bargain with respect to any subject or matter not specifically referred to or covered in this Agreement.

ARTICLE 27 – TERM OF AGREEMENT

- 27.1 This Agreement shall become effective on January 1, 2015, and shall remain in effect through December 31, 2018. Written notice must be served by both parties of their intent to terminate or modify this Agreement at least ninety (90) but not more than one hundred and twenty (120) days prior to December 31, 2018. Any modifications requested by either party shall be presented at the parties' first meeting, and any modifications requested at a later date shall not be subject to negotiations, unless mutually agreed upon by both parties.

1. BILL SUMMARY

Legislation Title: AN ORDINANCE relating to City employment; authorizing the execution of a collective bargaining agreement between The City of Seattle and Washington State Council of County and City Employees, AFSCME, Local 21; and ratifying and confirming certain prior acts.

Summary and background of the Legislation: This legislation authorizes the Mayor to implement a collective bargaining agreement between the City of Seattle (“City”) and Washington State Council of County and City Employees, AFSCME, Local 21 (“Local 21”). The collective bargaining agreement is a four-year agreement on wages, benefits, hours and other working conditions for the time period January 1, 2015 through December 31, 2018. This legislation affects up to approximately 150 regularly appointed City employees.

The collective bargaining agreement provides for wage adjustments of 2 percent in 2015, 2 percent in 2016, 2.5 percent in 2017 and 2.75 percent in 2018. Employees who work a graveyard or swing shift will receive an additional \$0.10 per hour effective on December 30, 2015. Employees in 2016 will receive an increase of \$20 for boots, clothing or tools, and an additional \$20 increase for the same in 2017.

The City and union agreed to continue health care cost sharing the same as in the previous agreements: the City will pay up to 7 percent of annual healthcare cost increases and then additional costs will be covered by the Rate Stabilization Fund. Once that Fund is exhausted, the City will pay 85 percent and employees will pay 15 percent of any additional costs.

The collective bargaining agreement provides other working conditions. Employees who furloughed in 2010 will receive the same number of hours taken and those hours will be split equally in 2016 and 2017; the leave cannot be cashed out or carried over from year to year. The City and unions also agreed to a SCERS II retirement system for new employees hired on or after January 1, 2017, among other items.

2. SUMMARY OF FINANCIAL IMPLICATIONS

 X **This legislation does not have direct financial implications.**

Labor Relations developed the estimate below to approximate the costs of ratifying the Local 21 agreement along with other employee groups who receive the same increases. Costs for the

collective bargaining agreements – which include City contributions to retirement, social security and Medicare – were included in the cost of the 2015-2016 biennial budget. Funds were set aside in the 2016 Adopted Budget to cover these cost increases; separate, future legislation will be forwarded by the City Budget Office in early 2016 to authorize appropriations of funds to departments.

Local 21 union members' base wages will increase by 2 percent for 2015, 2 percent for 2016, 2.5 percent for 2017 and 2.75 percent for 2018. The aggregate cost of wages for unions in the Coalition of City Unions (and for non-represented employees, which have historically been extended the same increases) is estimated to grow from \$823 million in 2014 to \$916 million in 2018.

3. OTHER IMPLICATIONS
