1. BILL SUMMARY

Legislation Title: AN ORDINANCE relating to the 2016 Budget; amending Ordinance 124927, which adopted the 2016 Budget; changing appropriations to various departments and budget control levels due to changes in City employment compensation; and ratifying and confirming certain prior acts; all by a 3/4 vote of the City Council.

Summary and background of the Legislation: This legislation accompanies Council Bills which provide various wage increases for certain City employees. This legislation increases budget appropriation authority for cost increases as a result of the following Council Bills:

Ordinance 124976 and other subsequent Council Bills authorized the execution of collective bargaining agreements between The City of Seattle and certain City unions. The bargaining agreements provide a retroactive 2 percent annual wage increase for 2015, a 2 percent annual wage increase for 2016, a 3.5 percent wage increase for job titles with recruitment and retention issues effective December 31, 2014, and brings all City employee wages up to at least \$15 per hour effective April 1, 2015.

Ordinance 124975 authorized the same wage adjustments provided above to be extended to certain non-represented City employees.

Finally, Ordinance 124974 authorized the adjusted pay zone structures for the City's discretionary pay programs retroactively for the year 2015 and the year 2016.
