Attachment 1

PURCHASE AND SALE AGREEMENT

THIS PURCHASE AND SALE AGREEMENT (“Agreement”) FOR SALE OF REAL PROPERTY is entered into as of _____ day of _____, 2016, between THE CITY OF SEATTLE, a Washington State municipal corporation, acting by and through its CITY LIGHT DEPARTMENT (“Seller”), and LENNAR NORTHWEST, INC., a Delaware corporation (“Purchaser”). The Seller and Purchaser are referred to collectively as the “Parties.”

Purchaser is a developer of residential housing projects in the region. Purchaser is constructing a 41-lot single-family residential development, called Lidera Plat Phase II, in unincorporated Snohomish County. As a condition of plat approval, Snohomish County, through its Planning and Development Services Department, is requiring that Purchaser dedicate thirty (30) feet of real property to Snohomish County for road and road-related purposes. The easternmost twenty (20) feet of that thirty (30) feet of real property is owned in fee title by The City of Seattle, and was originally acquired for utility purposes. In order to complete development of its Lidera Plat Phase II, Purchaser must purchase the 20-foot strip of City of Seattle real property abutting its development on behalf of Snohomish County for dedication of a public road.

Therefore, in consideration of the payment and receipt of the Purchase Price from Purchaser in exchange for the quit claim conveyance of the fee simple interest in real property to Snohomish County (legally described below) from Seller, and in reliance on the Parties' mutual promises and undertakings and the mutual benefits to be derived from the promises contained in this Agreement, the Parties agree as follows:

1. PROPERTY AND INTERESTS

Seller owns certain real property located in Snohomish County, Washington, legally described in Exhibit “A”, attached to and made part of this Agreement. Purchaser wishes to purchase from the Seller the fee-simple interest in Seller’s real property (the “Property”), on behalf of Snohomish County. Seller shall convey the fee-simple interest in its Property to Snohomish County by quit claim deed, which is in the form of Exhibit “A” hereto (the “Deed”). Seller has determined that the Property is no longer needed for providing continued public utility service or other municipal use by the Seller.

2. SALE OF PROPERTY

Pursuant to the terms of this Agreement by the duly authorized representatives of Purchaser and Seller, Seller shall convey the fee-simple interest in the Property to Snohomish County on behalf of Purchaser, subject to:

(a) Authorization by ordinance passed by Seattle City Council for the sale of the Property to Purchaser and transfer of title to the Property to Snohomish County by quit claim deed;

- (b) Approval by Snohomish County of the form of the quit claim deed;
- (c) All existing encumbrances, including but not limited to, easements, restrictions, and reservations, if any, and agreements, rights of others, and other matters affecting the Property;
- (d) All applicable zoning rules, restrictions, regulations, resolutions and ordinances and building restrictions and governmental regulations now or hereafter in effect; and
- (e) The right of the public in any street or highway forming a boundary of the Property, together with all improvements and fixtures thereon.

3. PURCHASE PRICE

3.1 Purchase Price. The total purchase price for the Property ("Purchase Price") is One Hundred Sixty Three Thousand Dollars (\$163,000.00). The Purchase Price shall be paid by Purchaser in cash at Closing, less any credits outlined in 3.3 below.

3.2 Escrow. Following execution of this Agreement, Seller shall open an escrow account at the office of Chicago Title, as follows: Chicago Title Insurance Company, 3002 Colby Avenue, Suite 200, Everett, WA 98201, Attn: Lorrie Thompson, telephone: (425) 259-8220, email: lorrie.thompson@ctt.com ("Escrow Agent") in order to consummate the sale and purchase of the Property and the transfer of title by quit claim deed to Snohomish County.

3.3 Permit Payments Credited Toward Purchase Price. It is the intention of Seller and Purchaser to enter into a permit agreement to allow Purchaser to begin the construction of improvements on Seller's property prior to submission of the legislation to Seattle City Council authorizing this sale. All payments made by Purchaser to Seller under such permit agreement, exclusive of 12.84% leasehold excise tax, shall be credited toward the Purchase Price set forth in 3.1 above.

11. DEFAULT

If either party to this Agreement shall fail or refuse to perform or satisfy a material obligation under this Agreement and the other party has performed all of its obligations under this Agreement, then the party who has failed or refused to perform shall be in default and the non-defaulting party may elect to terminate this Agreement and Purchaser shall have no further rights and Seller shall have no further obligations under this Agreement.

12. INDEMNIFICATION.

12.1 General Indemnification. Purchaser, its successors or assigns, shall indemnify, defend and hold harmless Seller, its authorized agents and employees, from and against any and all loss, claims, demands, causes of action, damages, liability, liens and encumbrances, costs and expenses, including all out-of-pocket litigation costs and the reasonable fees and expense of counsel related to or arising from any act or omission of Purchaser, their successors or assigns, agents, contractors, licensees, invitees, or employees arising out of or in connection with any acts or omissions related to this Agreement or the Property.

This General Indemnification obligation shall not include such claims, costs, damages or expenses which may be caused by the sole negligence of Seller or its authorized agents or employees; *provided that* if the claims or damages are caused by or result from the concurrent negligence of (a) Seller, its agents or employees, and (b) Purchaser, their successors, assigns, agents, contractors, licensees, invitees, or employees, or involves those actions covered by RCW 4.24.115, this indemnity provision shall be valid and enforceable only to the extent of the negligence of Purchaser, their successors, assigns, agents, contractors, licensees, invitees, or employees.

The foregoing indemnity is specifically and expressly intended to constitute a waiver of Purchaser's immunity under Washington's Industrial Insurance Act, RCW Title 51, but only as to Seller and to the extent necessary to provide Seller with a full and complete indemnity from claims made by Purchaser and its employees.

Seller shall notify Purchaser in writing of the nature of any claim for indemnification. Any defense of a matter giving rise to the claim for indemnification shall be conducted by counsel chosen by the Purchaser and satisfactory to the City.

This indemnity shall survive any termination of this Agreement.

12.2 Hazardous Substances Indemnification. The Property described herein is conveyed AS-IS, WHERE-IS, WITH-ALL-FAULTS, AND WITHOUT ANY REPRESENTATION OR WARRANTY WHATSOEVER, EXPRESS OR IMPLIED, AS TO ITS CONDITION, ENVIRONMENTAL OR OTHERWISE, OR ITS SUITABILITY OR SUFFICIENCY FOR PURCHASER'S OR GRANTEE'S INTENDED USES AND PURPOSES. Purchaser acknowledges that adverse physical, economic or other conditions (including without limitation, adverse environmental soils and ground-water conditions), either latent or patent, may exist on the Property and assumes Seller's responsibility for all environmental conditions of the Property, known or unknown, including but not limited to responsibility, if any, for investigation, removal or remediation actions relating to the presence, release or threatened release of any Hazardous Substance or other environmental contamination relating to the Property. Purchaser also releases and shall indemnify, defend, and hold Seller and its past, present and future officials, employees, and agents, harmless from and against any and all claims, demands, penalties, fees, damages, losses, expenses (including but not limited to Grantee's claims or regulatory agencies, attorneys, contractors and consultants' fees and costs), and liabilities arising out of, or in any way connected with, the condition of the Property including but not limited to any alleged or actual past, present or future presence, release or threatened release of any Hazardous Substance in, on, under or emanating from the Property, or any portion thereof or improvement thereon, from any cause whatsoever; it being intended that Purchaser shall so indemnify Seller and such personnel without regard to any fault or responsibility of Seller, Purchaser, or Grantee. The obligation to complete all environmental investigation, removal or remediation of the Property and the acknowledgement, release and are intended to bind Purchaser and Purchaser's heirs, successors and assigns, and inure to the benefit of Seller and its successors and assigns.

For purposes of this Indemnification, the term "Hazardous Substance" shall mean petroleum products and compounds containing them; flammable materials; radioactive materials;

polychlorinated biphenyls (“PCBs”) and compounds containing them; asbestos or asbestos-containing materials in any friable form; underground or above-ground storage tanks; or any substance or material that is now or hereafter becomes regulated under any federal, state, or local statute, ordinance, rule, regulation, or other law relating to environmental protection, contamination or cleanup.

Purchaser's release shall include both claims by Purchaser against Seller and cross-claims against Seller by Purchaser based upon claims made against Purchaser by any and all third parties. The obligation to indemnify and defend shall include, but not be limited to, any liability of Seller to any and all federal, state or local regulatory agencies or other persons or entities for remedial action costs and natural resources damages claims. The obligation to complete all environmental investigation, removal or remediation of the Property and the acknowledgement, release and are intended to bind Purchaser and Purchaser's heirs, successors and assigns, and inure to the benefit of Seller and its successors and assigns. This release means that Purchaser accepts the Property “as-is, where-is and with-all-faults,” and that Seller assumes all responsibility of Grantor to investigate, remove and remediate any environmental conditions on the Property and has no recourse against Grantor or any of its officers, employees or agents for any claim or liability with respect to the Property.

Seller shall have the right to defend itself and seek from Purchaser recovery of any damages, liabilities, settlement awards and defense costs and expenses incurred by Seller if Purchaser does not accept unconditionally Seller's tender to Purchaser of the duty to investigate, remove and/or remediate environmental conditions on the Property and/or defend and indemnify Seller against any such claim, suit, demand, penalty, fee, damages, losses, cost or expense. This Indemnification shall apply regardless of whether or not Purchaser is culpable, negligent or in violation of any law, ordinance, rule or regulation. This Indemnification is not intended, nor shall it, release, discharge or affect any rights or causes of action that Seller or Purchaser may have against any other person or entity, except as otherwise expressly stated herein, and each of the parties reserves all such rights including, but not limited to, claims for contribution or cost recovery relating to any Hazardous Substance in, on, under or emanating from the Property.

13. ASSIGNMENT; BINDING EFFECT

Purchaser may not assign its interest in this Agreement to any other party without Seller's prior written consent to such assignment. The terms and conditions of this Agreement shall apply to and be binding upon the executors, administrators, successors and assigns of each Party.

COVENANT REGARDING ENVIRONMENTAL CONDITIONS

The real property ("Property") described herein is conveyed AS-IS, WHERE-IS, WITH-ALL-FAULTS, AND WITHOUT ANY REPRESENTATION OR WARRANTY WHATSOEVER, EXPRESS OR IMPLIED, AS TO ITS CONDITION, ENVIRONMENTAL OR OTHERWISE, OR ITS SUITABILITY OR SUFFICIENCY FOR THE GRANTEE'S INTENDED USES AND PURPOSES. Grantee acknowledges that adverse physical, economic or other conditions (including without limitation, adverse environmental soils and ground-water conditions), either latent or patent, may exist on the Property and assumes Grantor's responsibility for all environmental conditions of the Property, known or unknown, including but not limited to responsibility, if any, for investigation, removal or remediation actions relating to the presence, release or threatened release of any Hazardous Substance or other environmental contamination relating to the Property. Grantee also releases and shall indemnify, defend, and hold Grantor and its past, present and future officials, employees, and agents, harmless from and against any and all

claims, demands, penalties, fees, damages, losses, expenses (including but not limited to regulatory agencies, attorneys, contractors and consultants' fees and costs), and liabilities arising out of, or in any way connected with, the condition of the Property including but not limited to any alleged or actual past, present or future presence, release or threatened release of any Hazardous Substance in, on, under or emanating from the Property, or any portion thereof or improvement thereon, from any cause whatsoever; it being intended that Grantee shall so indemnify Grantor and such personnel without regard to any fault or responsibility of Grantor or Grantee. The obligation to complete all environmental investigation, removal or remediation of the Property and the acknowledgement, release and indemnification touch and concern the Property, restrict the use of the Property, constitute an assessment against the Property and are intended to run with the land and bind Grantee and Grantee's heirs, successors and assigns, and inure to the benefit of Grantor and its successors and assigns.

For purposes of this COVENANT, the term "Hazardous Substance" shall mean petroleum products and compounds containing them; flammable materials; radioactive materials; polychlorinated biphenyls ("PCBs") and compounds containing them; asbestos or asbestos-containing materials in any friable form; underground or above-ground storage tanks; or any substance or material that is now or hereafter becomes regulated under any federal, state, or local statute, ordinance, rule, regulation, or other law relating to environmental protection, contamination or cleanup.

Grantee's release shall include both claims by Grantee against Grantor and cross-claims against Grantor by Grantee based upon claims made against Grantee by any and all third parties. The obligation to indemnify and defend shall include, but not be limited to, any liability of Grantor to any and all federal, state or local regulatory agencies or other persons or entities for remedial action costs and natural resources damages claims. The obligation to complete all environmental investigation, removal or remediation of the Property and the acknowledgement, release and indemnification touch and concern the Property, restrict the use of the Property, constitute an assessment against the Property and are intended to run with the land and bind Grantee and Grantee's heirs, successors and assigns, and inure to the benefit of Grantor and its successors and assigns. This release means that Grantee accepts the Property "as-is, where-is and with-all-faults," and that Grantee assumes all responsibility of Grantor to investigate, remove and remediate any environmental conditions on the Property and has no recourse against Grantor or any of its officers, employees or agents for any claim or liability with respect to the Property.

Grantor shall have the right to defend itself and seek from Grantee recovery of any damages, liabilities, settlement awards and defense costs and expenses incurred by Grantor if Grantee does not accept unconditionally Grantor's tender to Grantee of the duty to investigate, remove and/or remediate environmental conditions on the Property and/or defend and indemnify Grantor against any such claim, suit, demand, penalty, fee, damages, losses, cost or expense. This Covenant shall apply regardless of whether or not Grantee is culpable, negligent or in violation of any law, ordinance, rule or regulation. This Covenant is not intended, nor shall it, release, discharge or affect any rights or causes of action that Grantor or Grantee may have against any other person or entity, except as otherwise expressly stated herein, and each of the parties reserves all such rights including,

but not limited to, claims for contribution or cost recovery relating to any Hazardous Substance in, on, under or emanating from the Property.

SUMMARY and FISCAL NOTE

1. BILL SUMMARY

Legislation Title: AN ORDINANCE relating to the City Light Department; declaring certain real property in Section 16, Township 27 North, Range 5 East, W.M., in Snohomish County, Washington, surplus to utility needs; authorizing the General Manager and Chief Executive Officer to execute a Purchase and Sale Agreement between The City of Seattle and Lennar Northwest, Inc. (“Lennar”) for the conveyance of said property to Snohomish County; accepting payment for the true and full value of said property from Lennar; and ratifying and confirming certain prior acts.

Summary and Background of the Legislation: This legislation will authorize Seattle City Light to enter a Purchase and Sale Agreement with Lennar Northwest, Inc. (“Lennar”), which will result in the City conveying a 20-foot strip of land to Snohomish County for road purposes. Lennar will pay City Light the true and full value for the land, in the amount of \$163,000.

Seattle City Light owns a 230 kV transmission line, the Bothell to Creston-Nelson or Eastside transmission line, in south Snohomish County. Most of this line is built on a 155-foot- wide, easement-held right-of-way. However, between 184th Street SE and 188th Street SE, City Light owns the east 20 feet of this right-of-way in fee title.

Much of the land abutting City’s Light’s transmission line in south Snohomish County has been designated as an Urban Growth Area in the Snohomish County GMA (Growth Management Act) Comprehensive Plan.

Lennar owns a 20.62 acre parcel on the west side of City Light’s transmission line, with the east 135 feet of Lennar’s parcel being encumbered by City Light’s transmission line easement. Lennar has proposed to develop a portion of its parcel as a 41-lot, single-family, residential subdivision called Lidera Plat Phase II.

The Snohomish County Hearing Examiner has granted a conditional approval of the Lidera subdivision. As a condition of this approval, Snohomish County is requiring Lennar to provide certain access and circulation improvements, including the completion of 43rd Avenue SE along the east edge of the City-owned property. The City-owned property will be needed to meet road construction standards.

The completion of 43rd Avenue SE will improve City Light’s access to its easement-held transmission corridor and will not affect future development of City Light transmission facilities.

This legislation will authorize City Light to enter a Purchase and Sale Agreement with Lennar, which will result in the City conveying its 20-foot strip to Snohomish County for road purposes.

Lennar will construct the street improvements and pay City Light the true and full value for the property, in the amount of \$163,000.00.
