Section 7. Section 22.900G.080 of the Seattle Municipal Code, last amended by Ordinance 125492, is amended as follows.

22.900G.080 Design Commission fees

~~((A. City Capital Improvement Projects, as Defined in Section 3.58.020. Design Commission fees shall be assessed at a rate of 0.3 percent of the construction cost for City capital~~

1 ~~improvement projects for which billing will commence on or before December 31, 1998, except~~
2 ~~as specified in subsections 22.900G.080.B and 22.900G.080.D. Billing will occur at the time of~~
3 ~~contract award by the Department of Finance, who will forward the bills to the Department for~~
4 ~~distribution to appropriate City departments. Payment will be made through a fund transfer to the~~
5 ~~Department Operating Fund.~~

6 ~~B. Major City Capital Improvement Projects. Except as specified in subsection~~
7 ~~22.900G.080.D, Design Commission fees shall be assessed at a rate of up to 0.3 percent of the~~
8 ~~construction cost for major City capital improvement projects (greater than \$10,000,000~~
9 ~~construction budget) for which billing will commence on or before December 31, 1998. The fee~~
10 ~~shall be set through negotiations with the City Budget Director and the Design Commission.~~
11 ~~Billing shall occur in accordance with a schedule agreed upon by the City Budget Director and~~
12 ~~the Design Commission.~~

13 ~~C. 1. For City capital improvement projects, as defined in Section 3.58.020, for which no~~
14 ~~billing commenced under subsections 22.900G.080.A or 22.900G.080.B on or before December~~
15 ~~31, 1998, and that do not fall within an exception in subsection 22.900G.080.D, the City Budget~~
16 ~~Director, the Design Commission, and each affected City department will attempt to agree on~~
17 ~~that department's projects that are expected to be assessed by the Design Commission in the~~
18 ~~following year. If no agreement is reached by a date established by the City Budget Director, the~~
19 ~~City Budget Director will establish the list of such projects. The City Budget Director may~~
20 ~~establish the assessable appropriation of a City capital improvement below the actual~~
21 ~~appropriation in order that the project not be assessed an unduly high fee relative to the cost of~~
22 ~~the anticipated Design Commission review.~~

1 2. ~~The City Budget Director will assess a uniform fee of up to one percent of the~~
2 ~~total of all departments' capital improvement project appropriations for those projects assessable~~
3 ~~for Design Commission fees. Such fee shall be set so as to be sufficient, when combined with~~
4 ~~other funding sources, to support the anticipated costs of the Design Commission for the~~
5 ~~following year, but in no case shall the fee exceed one percent.~~

6 3. ~~The Director of the Seattle Department of Construction and Inspections shall~~
7 ~~bill each department in the amount determined by the City Budget Director, and that amount~~
8 ~~shall be paid by fund transfer to the Department Operating Fund.~~

9 4. ~~If a capital improvement project's appropriation has been included in a fee~~
10 ~~assessed under this section, but Design Commission review of that project is delayed into a~~
11 ~~future year, that appropriation amount shall not be counted again in the calculation of the fee for~~
12 ~~any future year. If review of a project on which a fee has been assessed under this subsection~~
13 ~~22.900G.080.C is canceled, or if review commences on a project that, but for timeliness, would~~
14 ~~have been included but was not included in the calculation of a fee under this subsection~~
15 ~~22.900G.080.C, the City Budget Director shall adjust the department's total assessable~~
16 ~~appropriation downwards or upwards, respectively, when establishing the subsequent year's fee.~~

17 D. ~~Special exceptions.))~~

18 The Commission will bill non-City ((projects)) applicants seeking long-term or
19 permanent use of a right of way through a street, alley, or other public place vacation pursuant to
20 Chapter 15.62, a skybridge term permit pursuant to Chapter 15.64 or a significant structure
21 pursuant to Chapter 15.65 at the hourly rate of \$112 an hour per Commissioner for subcommittee
22 review, or \$791 an hour for full Commission review. Billing will be sent to the Seattle
23 Department of Transportation for inclusion in the plan review costs charged to the applicant or

1 will be billed directly to the applicant by the Seattle Department of Transportation. For projects
2 billed through the Seattle Department of Transportation, applicant payments made to the Seattle
3 Department of Transportation will be transferred from the Transportation Fund to the Office of
4 Planning and Community Development to support the Commission's work. ((, except that
5 fees)) Fees may be waived, in whole or in part, at the discretion of the Commission with the
6 concurrence of the City Budget Director in the following circumstances:

7 1. ((Whenever)) When Commission fees, if charged, would be disproportionate to
8 the sums available for the project and could cause abandonment of the project for the following
9 types of projects: art-works, projects funded by grants and donations, neighborhood self-help
10 projects undertaken by volunteers and nonprofit organizations, and small public agency capital
11 improvements;

12 2. For low-income and special needs housing projects subject to ((Design))
13 Commission review.

14 ~~((E. Street use permit reviews. Street use permit reviews, which are required before~~
15 ~~issuance of a street use permit for improvements within the public right of way, will be billed at~~
16 ~~the hourly rate of \$112 an hour per Commissioner for subcommittee review, or \$794 an hour for~~
17 ~~full Commission review. Billing will be sent to the Seattle Department of Transportation for~~
18 ~~inclusion into the plan review costs charged to the applicant, or be billed directly by the~~
19 ~~Department. For those projects billed through the Seattle Department of Transportation, payment~~
20 ~~will be made by a fund transfer from the Transportation Fund to the Department Fund from~~
21 ~~funds paid by the applicant.~~

22 ~~F. Early Master Use Permit stage or projects outside City contract process. For design~~
23 ~~review at an early Master Use Permit stage or for projects outside The City of Seattle contract~~

1 ~~award process, Design Commission fees will be billed by the Department at an hourly rate of~~
2 ~~\$112 an hour per Commissioner for subcommittee review, or \$791 an hour for full Commission~~
3 ~~review.))~~

Dear Ms. Martinez Simmons,

I am returning Council Bill 119234. This legislation amends several sections of the Seattle Municipal Code related to the Seattle Design Commission and its role in the City's street vacation process.

Although the street vacation process is governed by the Legislative branch per RCW Chapter 35.79, I want to convey my concern that this legislation may create quasi-legislative and executive authority in an unelected Commission. Moreover, department staff has education and professional experience in the necessary fields and should be the primary resource for the Council in their determination of public benefits.

Since the legislation impacts duties delegated to the legislative branch by state law, I am returning it to you unsigned. By returning this legislation unsigned, I understand that it will become law.

Sincerely,

Jenny A. Durkan
Mayor of Seattle
