ORDINANCE 125623

COUNCIL BILL 119282

AN ORDINANCE relating to historic preservation; imposing controls upon the Shannon & Wilson Office Building, a landmark designated by the Landmarks Preservation Board under Chapter 25.12 of the Seattle Municipal Code, and adding it to the Table of Historical Landmarks contained in Chapter 25.32 of the Seattle Municipal Code.

WHEREAS, the Landmarks Preservation Ordinance, Chapter 25.12 of the Seattle Municipal Code (SMC), establishes a procedure for the designation and preservation of sites, improvements, and objects having historical, cultural, architectural, engineering, or geographic significance; and

WHEREAS, the Landmarks Preservation Board ("Board"), after a public meeting on July 19, 2017, voted to approve the nomination of the improvement located at 3670 Woodland Park Avenue North / 1101-1111 North 38th Street and the site on which the improvement is located (which are collectively referred to as the "Shannon & Wilson Office Building") for designation as a landmark under SMC Chapter 25.12; and

WHEREAS, after a public meeting September 6, 2017, the Board voted to approve the designation of the Shannon & Wilson Office Building under SMC Chapter 25.12; and

WHEREAS, on January 3, 2018, the Board agreed to controls and incentives recommended by the City Historic Preservation Officer; and

WHEREAS, the Board recommends that the City Council enact a designating ordinance approving the controls and incentives; NOW, THEREFORE,

BE IT ORDAINED BY THE CITY OF SEATTLE AS FOLLOWS:

Section 1. Designation. Under Seattle Municipal Code (SMC) 25.12.660, the designation by the Landmarks Preservation Board ("Board") of the improvement located at 3670 Woodland

1 Parke Avenue North / 1101-1111 North 38th Street and the site on which the improvement is
2 located (which collectively are referred to as the “Shannon & Wilson Office Building”) is
3 acknowledged.

4 A. Legal Description. The Shannon & Wilson Office Building is located on the
5 property legally described as:

6 Plat Block 3, Lots 1-2-3-4 Edgemont Addition to the City of Seattle, according to the plat
7 thereof recorded in Volume 4 of Plats, Page 86, in King County, Washington.

8
9 B. Specific Features or Characteristics Designated. Under SMC 25.12.660.A.2, the
10 Board designated the following specific features or characteristics of the Shannon & Wilson
11 Office Building:

12 1. The site.

13 2. The building exterior.

14 C. Basis of Designation. The designation was made because the Shannon & Wilson
15 Office Building is more than 25 years old; has significant character, interest, or value as a part of
16 the development, heritage, or cultural characteristics of the City, state, or nation; has integrity or
17 the ability to convey its significance; and satisfies the following SMC 25.12.350 provisions:

18 1. It is associated in a significant way with the life of a person important in
19 the history of the City, state or nation (SMC 25.12.350.B).

20 2. It is associated in a significant way with a significant aspect of the
21 cultural, political, or economic heritage of the community, City, state or nation (SMC
22 25.12.350.C).

23 3. It embodies the distinctive visible characteristics of an architectural style,
24 or period, or of a method of construction (SMC 25.12.350.D).

25 4. It is an outstanding work of a designer or builder (SMC 25.12.350.E).

5. Because of its prominence of spatial location, contrasts of siting, age, or scale, it is an easily identifiable visual feature of its neighborhood or the City and contributes to the distinctive quality or identity of such neighborhood or the City (SMC 25.12.350.F).

Section 2. Controls. The following controls are imposed on the features or characteristics of the Shannon & Wilson Office Building that were designated by the Board for preservation:

A. Certificate of Approval Process.

1. Except as provided in subsection 2.A.2 or subsection 2.B of this ordinance, the owner must obtain a Certificate of Approval issued by the Board according to SMC Chapter 25.12, or the time for denying a Certificate of Approval must have expired, before the owner may make alterations or significant changes to the features or characteristics of the Shannon & Wilson Office Building that were designated by the Board for preservation.

2. No Certificate of Approval is required for the following:

a. Any in-kind maintenance or repairs of the features or characteristics of the Shannon & Wilson Office Building that were designated by the Board for preservation.

b. Removal of the following landscape elements: trees less than 8 inches in diameter measured 4 ½ feet above ground; shrubs; perennials; and annuals.

c. Installation or repair of underground utilities and irrigation, provided that the site is restored in kind.

d. Installation or removal of interior, temporary window shading devices that are operable, and therefore do not obscure the glazing when in the open position.

B. City Historic Preservation Officer Approval Process.

1. The City Historic Preservation Officer (CHPO) may review and approve alterations or significant changes to the features or characteristics listed in subsection 2.B.3 of this ordinance according to the following procedure:

a. The owner shall submit to the CHPO a written request for the alterations or significant changes, including applicable drawings or specifications.

b. If the CHPO, upon examination of submitted plans and specifications, determines that the alterations or significant changes are consistent with the purposes of SMC Chapter 25.12, the CHPO shall approve the alterations or significant changes without further action by the Board.

2. If the CHPO does not approve the alterations or significant changes, the owner may submit revised materials to the CHPO, or apply to the Board for a Certificate of Approval under SMC Chapter 25.12. The CHPO shall transmit a written decision on the owner's request to the owner within 14 days of receipt of the request. Failure of the CHPO to timely transmit a written decision constitutes approval of the request.

3. CHPO approval of alterations or significant changes to the features or characteristics of the Shannon & Wilson Office Building that were designated by the Board for preservation is available for the following:

a. For the specified features and characteristics of the building, the addition or elimination of fire escapes, ducts, conduits, HVAC vents, grills, pipes, and other similar wiring or mechanical elements necessary for the normal operation of the building.

b. Removal of hazardous trees more than 8 inches in diameter measured 4 ½ feet above the ground.

1 c. Installation, removal, or alterations of building and landscape
2 lighting and exterior security equipment.

3 d. Installation, removal, or alterations of exterior signage.

4 Section 3. Incentives. The following incentives are granted on the features or
5 characteristics of the Shannon & Wilson Office Building that were designated by the Board for
6 preservation:

8 landmark by means of an administrative conditional use permit issued under SMC Title 23.

1 to the Director of the Seattle Department of Construction and Inspections. The CHPO is directed
2 to provide a certified copy of this ordinance to the Shannon & Wilson Office Building's owner.
