CITY OF SEATTLE

ORDINANCE 125706

COUNCIL BILL 119388

AN ORDINANCE relating to street and sidewalk use; amending the Street Use Permit Fee Schedule authorized by Section 15.04.074 of the Seattle Municipal Code; removing street vacation fees from the Seattle Municipal Code in conformity with the new Street Use Permit Fee Schedule; and amending Section 15.62.030 of the Seattle Municipal Code.

WHEREAS, Section 15.04.074 of the Seattle Municipal Code authorizes and directs the Director of Transportation to prepare and recommend to the City Council, for passage by ordinance, a schedule of fees applicable to all street and sidewalk use permits ("the Street Use Permit Fee Schedule" or "fee schedule") that may take into consideration the undesirability of the use or occupation relative to the rights of the public; and

WHEREAS, street vacation filing fees have not been updated since 1983 and do not accurately reflect the cost of administering petitions as required under Section 15.04.074; and

WHEREAS, all other fees for street use-related activities are in the Street Use Permit Fee Schedule, and relocating the street vacation fees to the fee schedule establishes greater consistency; and

WHEREAS, it is appropriate that The City of Seattle adjust those fees to comply with current City policy to protect the right-of-way for the traveling public, especially those by active and high-occupancy modes; NOW, THEREFORE,

BE IT ORDAINED BY THE CITY OF SEATTLE AS FOLLOWS:

Section 1. The Seattle Department of Transportation (SDOT) Street Use Fee Schedule, Attachment A to Ordinance 125452, is replaced by the SDOT Street Use Permit Fee Schedule attached as Attachment A to this ordinance. Otherwise, Ordinance 125452 remains in effect.

Section 2. The Director shall adjust use fees in Attachment A to this ordinance based on changes in the average assessed land value in Seattle as calculated from the King County Assessor's average assessed land value for King County.

Section 3. Section 15.62.030 of the Seattle Municipal Code, last amended by Ordinance 118409, is amended as follows:

15.62.030 Petition fees((;))

Every petition for the vacation of any street, alley, or public place, or any part thereof, shall be accompanied by an initial filing fee payment to the ~~((City of a pre-hearing fee of Four Hundred Fifty Dollars (\$450.00) to defray a portion of the administrative costs incurred in processing such vacation petitions. Subsequent fees for post-hearing activities shall be One Hundred Fifty Dollars (\$150.00) for single-family residential-zoned land, and Three Hundred Dollars (\$300.00)))~~ for all other street vacation petitions)) Department of Transportation to cover the administrative costs incurred in processing the vacation petition. The filing fee amount shall be established according to the Street Use Permit Fee Schedule. ((Such)) The fees shall not be refunded under any circumstances. In addition, ~~((at the time))~~ when the City Council, or a committee thereof, recommends granting a vacation petition ~~((for single-family residential-zoned land))~~, the petitioner shall deposit ~~((Six Hundred Dollars (\$600.00) with the Director of Transportation to be applied to the cost of an appraisal. If the land is zoned other than single-family residential or multiple parcels of land are involved in the vacation, the petitioner shall deposit))~~ an amount determined by the Director of Transportation to be the Director's best estimate of the cost of an appraisal of the land to be used by the City for reviewing the appraisal. ((In the event)) If an appraisal cost is less than the amount deposited, the vacation compensation payable to the City shall be reduced by the difference between the deposit and the actual cost, or ((;)) in the

1 alternative(~~(, such))~~ the difference shall be refunded. (~~(In the event))~~ If an appraisal cost is more
2 than the amount deposited, the vacation compensation payable to the City shall be increased by
3 the difference between the deposit and the actual cost, or (~~(,))~~ in the alternative(~~(, such))~~ the
4 difference shall be separately billed and paid (~~(prior to))~~ before final vacation approval (~~(of the~~
5 vacation))).

Section 4. This ordinance shall take effect and be in force on April 1, 2019.

Passed by the City Council the 19th day of November, 2018,
and signed by me in open session in authentication of its passage this 19th day of
November, 2018.

President _____ of the City Council

Approved by me this 26th day of November, 2018.

Attachment A - Definitions

The Department of Transportation is directed to use the vending Street Use permit fees credited to the Transportation Fund for the following purposes: administering the vending program, including notifying property owners abutting a proposed vending site designated by the Department of Transportation; verifying property boundaries and square footage of usage; designating pre-approved vending sites by the Department of Transportation; signing and demarcating designated vending sites and food-vehicle zones; attending meetings or hearings; preparing documents, legislation, forms, and notices; inspecting and enforcing permitted or illegal vending activity; or engaging in any other vending-related activity as directed by the Director of Transportation.

Fee Methodology Factors, Terms and Descriptions

Factor/Term	Description
Simple Permit	A simple permit is a permit that requires minimal or no review, such as a dumpster or storage container.
Complex Permit	A complex permit requires technical review and coordination, such as a 50-foot utility trench, a tower crane or other construction.
PSM	Public Space Management (PSM) issues permits ranging from short-term activation of the right of way (e.g., neighborhood block parties) to long-term renewing permits for private encroachments like retaining walls and sidewalk cafes. This includes term permits as well as pilot projects such as streateries and bike share. This applies to the following short-term use codes: 3A, 3B, 3C, 19B-19K, 52A, 54B. This applies to the following long-term use codes: 2A, 3D, 6, 7, 7A, 7C, 8, 11, 12, 14, 16, 18A, 18B, 18D, 18E, 19A, 21, 22B, 29A, 62, WW100, WW150
Short-Term	Permits that are not renewed and are generally less than one year in duration.
Long-Term	Permits that are scheduled to renew on an annual basis.

Land value: For Term permits, the value of the use area in the right-of-way shall be based on the abutting parcel's current per-square-foot land value as determined by the King County Assessor. If the use area extends beyond the right-of-way centerline or abuts multiple parcels, the permit fee shall be calculated by averaging the abutting parcels' current land values.

For Shoreline Street End permits, the value of the use area in the right-of-way shall be based on the abutting parcel's current per-square-foot land value as determined by the King County Assessor. If the use area extends beyond the centerline of the right-of-way or abuts multiple parcels, the permit fee shall be calculated for each portion of the use area according to the current per-square-foot land value of the abutting parcels.

If all parcels abutting the Term or Shoreline Street End permitted use area are government-owned and the parcels are not tax assessed in whole or in part by King County, the parcels shall be excluded when establishing the Term or Shoreline Street End permit fee. To determine the permit fee, the current per-square-foot land value as determined by the King County Assessor of the closest privately-owned parcel or parcels with the same zoning or shoreline designation of the Term or Shoreline Street End permitted use area shall be averaged. If the next closest privately-owned parcel or parcels do not have the same underlying zoning or shoreline designation as the abutting government-owned parcel, the Seattle Department of Transportation shall consult with the City Appraiser. The City Appraiser shall determine if the next closest parcel or parcels with similar zoning or shoreline designation reasonably establishes the current per-square-foot land value of the use area in the right of way for fee calculation purposes.

Use area: Square footage of the permitted encroachment in the right-of-way, as authorized by Seattle Department of Transportation.

Rate of return: Annualized rate of return on market value of the right-of-way, as established by the City Appraiser or a State of Washington Certified General Real Estate Appraiser retained by the Director of Transportation.

Degree of alienation: For Term permits, the degree of impact on the public, utilities, right-of-way, and other potential uses of the right-of-way based on City policy, as established by Seattle Department of Transportation. Refer to Attachment A-Table D1: Degree of Alienation Factor.

Demand probability: For Shoreline Street End permits, the estimated demand of probable use shall be based on factors that include, but are not limited to, location, access, size, view, and topography; as established by the City Appraiser or a State of Washington Certified General Real Estate Appraiser retained by the Director of Transportation. Refer to Ordinance 123611, Attachment A: Demand Probability Factor. The Director of Transportation is authorized to update Attachment A based upon the recommendations of the City Appraiser or a State of Washington Certified General Real Estate Appraiser. The new Demand Probability Factor shall become effective when the updated Demand Probability Factor is adopted by rule.

Maritime Industrial Use Discount Factor: To support the City's policies of protecting its maritime uses, a 50 percent discount factor shall apply to that portion of the Shoreline Street End occupied by a legally-established water-dependent or water-related use as defined in Seattle Municipal Code Section 23.60.944.

The Department of Transportation is directed to use the shoreline street end permit fees credited to the Transportation Operating Fund for the following purposes:

- (a) Notifying property owners that abut shoreline street ends of the need for permits for private use of the street end and of the fee schedule;
- (b) Administering and inspecting shoreline street end use;
- (c) Verifying property boundaries and area of use;
- (d) Matching funds for neighborhood improvements of shoreline street ends for public use;
- (e) Signing, demarcating, and maintaining shoreline street ends;
- (f) Funding street and sidewalk improvements within a half-block radius of any of the shoreline street ends identified in Exhibit A to Resolution 29370 that directly contribute to public access to the shoreline street end.
