TRAIL EASEMENT AGREEMENT

THIS TRAIL EASEMENT AGREEMENT (“**Agreement**”) is made by and between Seattle Children’s Hospital, a Washington nonprofit corporation (“**Children’s**” or “**Grantor**”) and the City of Seattle, a municipal corporation of the State of Washington, by and through its Department of Parks and Recreation (the “**City**”) and is effective as of the date of mutual signature between the parties and recording with King County (“**Effective Date**”).

RECITALS

- A. The City is the owner of a public multi-purpose trail known as the Burke-Gilman Trail.
- B. Children’s is the owner of certain real property (the “**Hartmann Property**”) located in the City of Seattle, King County, Washington, and legally described on Exhibit A and graphically depicted on Exhibit B. The City owns portions of real property (“**City-owned Landscape Maintenance Area**” and “**City-owned Trail Connection Area**”), which are legally described and graphically depicted on Exhibit B and shall collectively be referred to as “**City Property**.”
- C. The Seattle City Council granted preliminary approval with conditions of Children’s street vacation petition on June 1, 2010 (City of Seattle Clerk’s File No. 309690) (“**Preliminary Street Vacation Approval**”). One condition of the Preliminary Street Vacation Approval is that Children’s provide a 24-hour pedestrian and bicycle public access from the Burke-Gilman Trail to Sand Point Way NE (the “**Trail Connection**”). The Trail Connection area (which includes the City-owned Trail Connection Area and the Trail Easement Area as defined below) is also legally described and graphically depicted on Exhibit B.
- D. In partial satisfaction of the Trail Connection condition, Children’s has completed construction of a paved trail and associated lighting and landscaping across the Hartmann Property (“**Trail Easement Area**”) pursuant to Seattle Department of Construction and Inspections (“SDCI”) Master Use Permit No. 3014589 and plans approved in connection with SDCI Building Permit 6357361 and desires to grant to the City a public access trail easement for the uses and purposes set forth herein.
- E. The City and Children’s have entered into a Maintenance Agreement dated of even date herewith (the “**Maintenance Agreement**”), pursuant to which Children’s has agreed to maintain and repair the paved recreation trail and associated lighting on the Trail Connection and to maintain the City-owned Landscape Maintenance Area.
- F. Except as otherwise set forth herein, both the City and Children’s intend for the covenants herein to be recorded as public record, as necessary, and are intended to be entered into on behalf of their heirs, successors, and/or assign, and shall run with the properties described herein and be binding on all parties having any right, title, or interest in said properties or any part thereof, including their heirs, successors and assigns, and shall inure to the benefit of each owner thereof.

NOW, THEREFORE, in consideration of the foregoing and the covenants and agreements contained in or referenced by this Agreement, but no monetary consideration, the City and Children’s agree as follows:

1. Grant of Trail Easement to City.

Children's hereby grants to the City, and its successors and assigns, free and clear of all liens and encumbrances an exclusive perpetual easement (the "**Trail Easement**") on, over and across that portion of the Trail Connection area located on the Hartmann Property as legally described and graphically depicted on **Exhibit B** attached hereto and incorporated herein (the "**Trail Easement Area**"), for the purposes and subject to the conditions and reservations contained in this Agreement.

2. Trail Easement Purpose and Use.

The Trail Easement conveyed by Children's to the City is for purposes of public access and use of a paved pathway as part of a public multi-purpose trail system, which shall include but not be limited to, the right of ingress, egress and regress for the City and public pedestrians, bicycles, other non-motorized muscle-powered vehicles and wheeled recreational equipment, and for wheelchairs (including motorized wheelchairs) and like equipment that permits use by disabled users, and for those purposes necessary, incidental, or related thereto consistent with City rules. The City, and its successors and assigns, contractors, agents, guests, invitees, agents, officers and employees shall have continuous access on, across and over the Trail Easement Area for all reasonable and necessary purposes, including, without limitation, inspection and emergency response, at all times and at the City's sole discretion (unless otherwise limited herein).

3. Duration of Trail Easement.

The Trail Easement shall be perpetual and shall inure to the benefit of the City and the public, and shall be binding on Children's and its successors, transferees and assigns, including, without limitation, mortgagees and tenants, unless and until (1) the City, at its discretion, determines that the Trail Connection is unnecessary and no longer in the public's interest and unilaterally terminates this Agreement in writing, in which event the Maintenance Agreement shall be automatically terminated; or (2) if the City mutually agrees to terminate this Agreement with Children's in writing; provided any such termination shall automatically terminate all agreements between Children's and the City related to the Trail Connection (including but not limited to the Maintenance Agreement) and the parties will promptly execute and record any necessary documents to effect such terminations.

4. Trail Easement Area: Public Access.

The Trail shall be open and available continuously to the public twenty-four (24) hours per day on every day of the year except for temporary closures that are necessary for maintenance, repair, reconstruction or replacement, or for emergencies, or unless approved in writing by the City through the Superintendent of Parks and Recreation.

5. Children's Reservation of Rights.

A. Children's Use of Trail Easement.

Children's shall have the same rights as the general public to use the Trail Easement Area.

B. Relocation of Trail Easement Area.

Children's shall be permitted to relocate the Trail Easement Area to another location on the Hartmann Property, provided that the replacement trail is the same or greater square footage, ADA compliant and of similar grade at Children's sole cost and expense, but only with the City's prior written approval, which may be reasonably withheld, as to the location, design, and connectivity of the proposed new location. Any reconfiguration or realignment of the City-owned Trail Connection required by the relocation of the Trail Easement Area shall also be at Children's sole cost and expense. Children's shall provide written notice to the City together with three sets of detailed plans for the City's review. If the City approves relocation of the Trail Easement Area and the design of the new improvements, Children's shall obtain all necessary permits and complete construction and landscaping at its sole cost and expense. Children's shall keep the Trail Connection open and operational in the Trail Easement Area until a new trail is constructed and ready for public use unless the City and Children's agree that closure during construction is necessary. Children's shall prepare an amendment to this Agreement and the Maintenance Agreement, at its sole cost, for signature by the City and Children's with new Exhibits as needed.

C. Maintenance Agreement

Children's shall have the right to access the Trail Connection in accordance with the Maintenance Agreement.

6 Indemnification.

Children's hereby covenants and agrees to forever release, defend, indemnify, and hold harmless the City, its officials, officers, employees, and agents, from all liabilities, claims, causes of action, judgments, or expenses, including reasonable attorney fees and necessary litigation expenses, resulting from any actual or alleged bodily injury (including death) or actual or alleged damage to property arising out of or in connection with Children's activities on the Trail Connection or on City Property to the extent permitted by RCW 4.24.115. Children's further covenants and agrees to forever release, defend, indemnify, and hold harmless the City, its officials, officers, employees, and agents, from all liabilities, claims, causes of action, judgments, or expenses, including reasonable attorney fees and necessary litigation expenses, resulting from the presence or release or disposal of Hazardous Materials in, on, under, or migrating to or from, the Hartmann Property. Solely to give full force and effect to Children's indemnity obligation contained herein and not for the benefit of any person, Children's specifically and expressly waives any immunity it may have under the Washington State Industrial Insurance Act, Title 51 RCW or any other industrial insurance, workers' compensation or similar laws and acknowledges that this waiver was mutually negotiated by the parties as part of the consideration for this Agreement. This provision shall not be interpreted or construed as a waiver of Children's right to assert such immunity, defense or protection directly against any of its own employees. In no event shall Children's indemnification obligations under this Agreement be limited to the extent of any insurance available to or provided by Children's. The indemnification obligations under this Agreement do not apply to any liabilities, claims, causes of action, judgments or expenses resulting from bodily injury or property damage caused by the sole negligence or intentional acts of the public or the City, its officers, employees, elected officials, agents or subcontractors.

For purposes of this Agreement, "Hazardous Substance" means any hazardous, toxic, or dangerous substance, waste, or material that is regulated under any Environmental or Safety Law. "Environmental or Safety Law" means the Federal Water Pollution Control Act, the Clean Air Act, the Resource Conservation and Recovery Act ("RCRA"), the Comprehensive Environmental Response, Compensation and Liability Act

("CERCLA"), the Superfund Amendment and Reauthorization Act, the Toxic Substances Control Act ("TSCA"), the Occupational Safety and Health Act, the Hazardous Materials Transportation Act, the Hazardous Materials Transportation Uniform Safety Act, the Oil Pollution Act of 1990, the Washington Water Pollution Control Act, the Clean Air Washington Act, the Washington Hazardous Waste Management Act ("HWMA"), the Washington Model Toxics Control Act ("MTCA"), the Washington Industrial Safety and Health Act, the Washington Worker and Community Right to Know Act, and the Washington Oil and Hazardous Substance Spill Prevention and Response Act, together with all regulations promulgated under any such authority, and any and all other federal, state, regional, local or international statutes, regulations, rules, ordinances, orders, court or regulatory agency directives, permits, licenses, governmental authorizations and common law causes of action that apply to (1) any hazardous substance or material regulated or restricted under CERCLA, RCRA, TSCA, MTCA, or the HWMA; (2) any other pollutant, contaminant, or waste; (3) the health or safety of persons; or (4) the protection of the environment or land use. "Environmental or Safety Law" includes past and future amendments and supplements.

In carrying out its obligations under this Agreement, Children's agrees not to bring onto or allow any employee or agent or contractor to bring onto the Trail Connection or City Property any Hazardous Substance, as defined above, except to the extent such materials are used in the ordinary course of performing its obligations under this Agreement. All Hazardous Substances used in the ordinary course of performing maintenance, repair, reconstruction or replacement shall be disposed of in a lawful manner.

7. Notices.

All notices required or permitted to be given pursuant to this Agreement shall be in writing and shall be deemed given and received upon personal service or three days after deposit in the U.S. Mail, certified or registered mail, postage prepaid, return receipt requested, addressed as follows:

To The City

Seattle Department of Parks and Recreation
800 Maynard Avenue South, Third Floor
Seattle, Washington 98134
Attention: Property Management

To Children's:

Attn: General Counsel
P.O. Box 5371
Seattle, WA 98105

The foregoing addresses may be changed by written notice, given in the same manner. Notice given in any manner other than the manner set forth above shall be effective when received by the party for whom it is intended.

8. **Insurance.**

As of the Effective Date of this Agreement, Children's shall, at its sole cost and expense, maintain in full force and effect until termination of this Agreement the following minimum limits of insurance. Children's will also require its contractors to carry insurance, as described below.

(i). **Commercial General Liability (CGL)** written on an occurrence form at least as broad as ISO CG 00 01, with Minimum Limits of Liability:

\$1,000,000 per Occurrence
\$2,000,000 General Aggregate
\$2,000,000 Products/Completed Operations Aggregate
\$1,000,000 Personal/Advertising Injury Liability

However, insurance on a "claims made" form may be acceptable with prior City approval. If coverage is approved and purchased on a "claims made" basis, Children's warrants continuation of coverage, either through policy renewals or the purchase of an extended discovery period, if such extended coverage is available, for not less than five (5) years from the date of Contract termination, and/or conversion from a "claims made" form to an "occurrence" coverage form. If any insurance policy is issued on a "claims made" basis, the retroactive date shall be prior to or coincident with the effective date of the Contract.

(ii). **Coverage shall include:** Premises and Operations; Broad Form Property Damage (Including Completed Operations); Liability assumed under an Insured Contract (including tort liability of another assumed in a business contract); Personal Injury and Advertising Liability; Independent Contractors; Severability of Interest Clause; Waiver of Subrogation endorsement in favor of the City as required by contract; General Aggregate Limits of Insurance shall apply separately; The limits of liability described above are minimum limits of liability only. Regardless of provisions to the contrary under the terms of any insurance policy maintained by Children's, the specification of any such minimum limits shall neither be (1) intended to establish a maximum limit of liability to be maintained by Children's as respects this Agreement, nor (2) construed as limiting the liability of any of Children's insurers, which must continue to be governed by the stated limits of liability of the relevant insurance policies.

(iii). **Umbrella or Excess Liability** insurance if and as necessary to maintain total CGL insurance limits of \$2,000,000 Each Occurrence and be no less broad than coverages described above.

(iv). **Automobile Liability** insurance for owned, non-owned, leased or hired vehicles, as applicable, written on a form CA 00 01 or equivalent **WITH MINIMUM LIMITS OF LIABILITY OF \$1,000,000 CSL.**

(v). **Worker's Compensation** insurance for Washington State as required by Title 51 RCW.

(vi). **General Requirements.**

City shall have the right to periodically review and revise insurance coverages and/or limits of liability as necessary to reflect changes in exposure to risk, inflation, industry conditions or other relevant circumstances upon ninety days prior written notice.

The insurance shall include “The City of Seattle, its officers, officials, employees, agents and volunteers” as additional insureds on the liability insurance policies listed above. Children’s insurance shall be primary and non-contributory to any insurance maintained by or available to the City. Children’s and its insurers expressly acknowledge that (a) coverages and limits of liability requirements herein are strictly intended to specify minimum levels of coverage and limits of liability, and (b) where the City is to be included as an additional insured, such additional insured status shall, notwithstanding any insurance policy language to the contrary, extend to the total limits of all insurance and/or self-insurance limits of liability maintained by Children’s, whether such limits are primary, excess, contingent or otherwise.

Coverage shall not be cancelled without forty-five (45) day written notice of such cancellation, except ten (10) day written notice as respects cancellation for non-payment of premium, to the City at its notice address except as may otherwise be specified in Revised Code of Washington (RCW) 48.18.290 (Cancellation by insurer.). The City and Children’s mutually agree that for the purpose of RCW 48.18.290 (1) (e), for both liability and property insurance, the City is deemed to be a “mortgagee, pledge, or other person shown by (the required insurance policies) to have an interest in any loss which may occur thereunder.”

Each insurance policy required hereunder shall be (1) subject to reasonable approval by City that it conforms with the requirements of this Section, and (2) be issued by an insurer rated A–: VII or higher in the then-current A. M. Best’s Key Rating Guide and licensed to do business in the State of Washington unless procured under the provisions of chapter 48.15 RCW (Unauthorized insurers).

Children’s has disclosed, and the City has approved, Children’s self-insured retention (“S.I.R.”). The cost of any claim falling within S.I.R. shall be the responsibility of Children’s. If S.I.R. for CGL or equivalent insurance is not “fronted” by an insurer but is funded and/or administered by Children’s or a contracted third-party claims administrator, Children’s agrees to defend and indemnify the City to the same extent as the City would be protected as an additional insured for primary and non-contributory limits of liability as required herein by an insurer.

(vii). Evidence of Insurance. On or before the Effective Date, and thereafter not later than the last business day prior to the expiration date of each such policy, the following documents must be delivered to City at its notice address as evidence of the insurance coverage required to be maintained by Children’s:

Certification of insurance documenting compliance with the coverage, minimum limits and general requirements specified herein; and

A copy of the policy’s declarations pages, showing the insuring company, policy effective dates, limits of liability and the Schedule of Forms and Endorsements specifying all endorsements listed on the policy including any company-specific or manuscript endorsements;

A copy of the CGL and excess insurance policy provision(s) documenting the City of Seattle and its officers, elected officials, employees, agents and volunteers as additional insureds (whether on ISO Form CG 20 26 or an equivalent additional insured or blanket additional insured policy wording), showing the policy number, and the original signature and printed name of the representative of the insurance company authorized to sign such endorsement;

Pending receipt of the documentation specified in this Section, Children's may provide a copy of a current complete binder. An ACORD certificate of insurance will not be accepted in lieu thereof.

If Children's SIR exceeds the insurance requirements of this agreement, there will be no policies from which to issue declaration pages, an endorsement or a copy of the policy. In lieu of such requirements, Children's shall issue the City a letter verifying the coverage of the City and its officers, elected officials, employees, agents and volunteers through Children's SIR.

(viii). **Original certification** of insurance shall be issued to the City at the address specified in Section 9 of this Agreement.

(ix). **Children's Responsibility:** The procuring of the policies of insurance required by this Agreement shall not be construed to limit Children's liability hereunder.

(x). **REQUIRED SEPARATION OF INSURED PROVISION; CROSS-LIABILITY EXCLUSION AND OTHER ENDORSEMENTS PROHIBITED:** Children's insurance policy shall include a "separation of insureds" or "severability" clause that applies coverage separately to each insured and additional insured, except regarding the limits of the insurer's liability. Children's insurance policy shall contain no provision, exclusion or endorsement that limits, bars, or effectively precludes the City of Seattle from coverage or asserting a claim under the Children's insurance policy on the basis that the coverage or claim is brought by an insured or additional insured against an insured or additional insured under the policy. Children's CGL policy or other policies shall include none of the following Endorsements (or their equivalent endorsement or exclusions): (a) Contractual Liability Limitation, (CGL Form 21 39 or equivalent), b) Amendment Of Insured Contract Definition, (CGL Form 24 26 or equivalent), (c) Limitation of Coverage to Designated Premises or Project, (CGL Form 21 44 or equivalent), (d) any endorsement modifying or deleting the exception to the Employer's Liability exclusion, (e) any "Insured vs. Insured" or "cross-liability" exclusion, and (f) any type of punitive, exemplary or multiplied damages exclusion.

9. **Severability/Waiver.** If any provision in this Agreement, or the application thereof to any person or circumstance, is found to be invalid, the remainder of the provisions of this Agreement, or the application of such provision to persons or circumstances other than those as to which it is found to be invalid, as the case may be, shall not be affected thereby. The waiver by either party of the breach of any term set forth herein shall not be deemed to be a waiver of any subsequent breach of the same term or any other term.

10. **Successors.**

Except as set forth herein, the covenants, terms, conditions, obligations and restriction of this Agreement shall be binding upon, and inure to the benefit of, Children's and the City and their respective successors, transferees and assigns and shall continue as a servitude running in perpetuity with the Hartmann Property. In the event of a sale of the Hartmann Property by Children's, the successor owner of the Hartmann Property shall become solely responsible for the obligations under this Agreement, and from and after the date of closing of such sale, Children's shall be relieved of any obligation hereunder.

11. Children's Compliance with Applicable Law.

Children's shall comply, and shall cause its agents, employees and contractors to comply with all applicable federal, state, county and municipal laws, ordinances, ADA compliance, including but not limited to the Americans with Disability Act and its implementing regulation and regulations relating to any activity under this Agreement.

12. No Liens: City Property.

Children's shall keep the City Property free from liens of any kind or nature relating to work performed by or for Children's. If, because of any act or omission of Children's, any mechanic or other lien or order for payment of money shall be filed against the City Property, Children's shall promptly notify the City of the same and, at Children's sole expense, cause the same to be discharged or bonded within thirty (30) days after the date of notice of such filing. At the City's request, Children's shall furnish the City written proof of payment of any item that would or might constitute the basis for such a lien on the City Property if not paid.

13. Damage or Destruction of City Property.

Any property of the City damaged or destroyed by Children's, their agents, employees, contractors or licensees shall be promptly repaired or replaced by Children's to a condition satisfactory to the City, or, at the election of the City, by reimbursement from Children's in an amount necessary for the City to restore or replace the property to a condition satisfactory to the City.

14. Remedies/Right of Entry.

Both the City and Children's acknowledge and agree that damages are not a sufficient remedy for default or breach of obligations by either party under this Agreement. Therefore, an aggrieved party is entitled to seek equitable remedies, including specific performance, under this Agreement. Enforcement by the City is at the discretion of the City and any forbearance by the City to exercise its rights under this Agreement shall not be deemed or construed to be a waiver by the City.

15. Captions. The captions in this Agreement have been inserted solely for convenience of reference and are not a part of this Agreement and shall have no effect upon construction or interpretation.

16. General. This Agreement shall be recorded in the real property records of King County, Washington. This Agreement shall be governed by and construed in accordance with the laws of the State of Washington. This Agreement may be executed and delivered in counterparts, which together shall comprise a complete original Agreement.

17. Amendment; Modification. This Agreement may be changed, modified or amended in whole or in part only by a written and recorded agreement executed by the City and Children's and, if required, approved by City of Seattle ordinance.

18. Exhibits. The Exhibits referenced and attached to this Agreement are hereby incorporated as terms and conditions to this limited easement agreement and the covenants set forth herein.

A. Grant of Limited Permission to Access City Property.

Subject to the terms and conditions set forth in this Agreement, the City hereby grants to Children's limited and nonexclusive permission to access, construct, operate, repair and maintain: (a) the portions of City-owned Trail Connection Area; and (b) the portions of City-owned Landscape Maintenance Area for the sole purpose of performing the maintenance obligations set forth in this Agreement. Children's acknowledges that City Property may be subject to other authorized uses and existing rights, and except as set forth herein, Children's shall not unreasonably interfere with the access or use by such other authorized users. The rights granted to Children's under this Section 2(a) shall constitute the "Access License". The term of the Access License is perpetual and shall continue unless and until the City terminates the Access License in writing or the Agreement is terminated as set forth in Section 2(c). When reasonably necessary to ensure access or use by other authorized users, the City may condition, restrict or delay Children's access to the City-owned portions of the Trail Connection area and/or Landscape Maintenance Area and such condition, restriction or delay shall not be deemed a termination of the Access License. Upon conveyance of the Hartmann Property, the Access License shall pass to the successor owner of the Hartmann Property along with all other terms, conditions, covenants and restrictions set forth in this Agreement.

B. Limitations of Permission and Use of City Property.

Children's Access is limited for the purposes described in this Agreement, and Children's is responsible to limit its use to those purposes approved herein. Children's shall acquire no right or interest in the City Property set forth throughout this Agreement, nor to the occupancy of the same, or any part thereof, other than as herein described.

C. Binding Effect.

The terms, conditions, covenants and restrictions set forth in this agreement shall be deemed covenants on the Hartmann Property running with the land. This Agreement shall be perpetual and shall

inure to the benefit of the City and the public, and shall be binding on Children's and its successors, transferees and assigns, including, without limitation, mortgagees and tenants, unless and until (1) the City, at its discretion, determines that the Trail Connection is unnecessary and no longer in the public's interest and unilaterally terminates the Trail Easement Agreement in writing, or (2) if the City and Children's mutually terminate this Agreement or the Trail Easement Agreement in writing.

D. Temporary Closure.

Children's may reasonably and temporarily limit public access to the Trail Connection if necessary to perform its routine maintenance and repair obligations, but except in case of emergency, Children's shall coordinate timing with the City, shall post notice of such activities at least 48 hours in advance, and shall work with the City to establish satisfactory detour routes.

E. Contractors.

Upon fourteen (14) days written notice to the City, Children's may hire contractors to perform Children's obligations under this Agreement or license its obligations hereunder to a third party as approved by the City, but Children's must hire qualified, licensed and bonded third parties and all work must be performed, and completed, without delay. At the request of the Superintendent of Parks and Recreation, or the City's designee, Children's or its contractors shall post a bond, or bonds, for the benefit of the City, guaranteeing completion of work and restoration of any land and all improvements disturbed by such work to substantially the same condition as existed before the work.

F. Sale of Hartmann Property.

Notwithstanding any conveyance by Children's of its fee interest ownership in the Hartmann Property, this Agreement and all other covenants herein shall survive and continue as valid and ongoing covenants except those related to Children's personally maintaining the City Property as described herein.

Children's agrees that prior to conveying the Hartmann Property or any interests thereof subject to the covenants herein, Children's shall provide actual notice to such successors or assigns of the covenants set forth in this Agreement. In the event of a sale of the Hartmann Property by Children's, the successor owner of the Hartmann Property shall become solely responsible for the obligations under this Agreement, and from and after the date of closing of such sale, Children's shall be relieved of any obligation hereunder.

3. Indemnification.

Children's hereby covenants and agrees to forever release, defend, indemnify, and hold harmless the City, its officials, officers, employees, and agents, from all liabilities, claims, causes of action, judgments, or expenses, including reasonable attorney fees and necessary litigation expenses, resulting from any actual or alleged bodily injury (including death) or actual or alleged damage to property arising out of or in connection with Children's activities on the Trail Connection or on City Property to the extent permitted by RCW 4.24.115. Children's further covenants and agrees to forever release, defend, indemnify, and hold harmless the City, its officials, officers, employees, and agents, from all liabilities, claims, causes of action, judgments, or expenses, including reasonable attorney fees and necessary litigation expenses, resulting from the presence or release or disposal of Hazardous Materials in, on, under, or migrating to or from, the Hartmann Property. Solely to give full force and effect to Children's indemnity obligation contained herein and not for the benefit of any person, Children's specifically and expressly waives any immunity it may have under the Washington State Industrial Insurance Act, Title 51 RCW or any other industrial insurance,

workers' compensation or similar laws and acknowledges that this waiver was mutually negotiated by the parties as part of the consideration for this Agreement. This provision shall not be interpreted or construed as a waiver of Children's right to assert such immunity, defense or protection directly against any of its own employees. In no event shall Children's indemnification obligations under this Agreement be limited to the extent of any insurance available to or provided by Children's. The indemnification obligations under this Agreement do not apply to any liabilities, claims, causes of action, judgments or expenses resulting from bodily injury or property damage caused by the sole negligence or intentional acts of the public or the City, its officers, employees, elected officials, agents or subcontractors.

For purposes of this Agreement, "Hazardous Substance" means any hazardous, toxic, or dangerous substance, waste, or material that is regulated under any Environmental or Safety Law. "Environmental or Safety Law" means the Federal Water Pollution Control Act, the Clean Air Act, the Resource Conservation and Recovery Act ("RCRA"), the Comprehensive Environmental Response, Compensation and Liability Act ("CERCLA"), the Superfund Amendment and Reauthorization Act, the Toxic Substances Control Act ("TSCA"), the Occupational Safety and Health Act, the Hazardous Materials Transportation Act, the Hazardous Materials Transportation Uniform Safety Act, the Oil Pollution Act of 1990, the Washington Water Pollution Control Act, the Clean Air Washington Act, the Washington Hazardous Waste Management Act ("HWMA"), the Washington Model Toxics Control Act ("MTCA"), the Washington Industrial Safety and Health Act, the Washington Worker and Community Right to Know Act, and the Washington Oil and Hazardous Substance Spill Prevention and Response Act, together with all regulations promulgated under any such authority, and any and all other federal, state, regional, local or international statutes, regulations, rules, ordinances, orders, court or regulatory agency directives, permits, licenses, governmental authorizations and common law causes of action that apply to (1) any hazardous substance or material regulated or restricted under CERCLA, RCRA, TSCA, MTCA, or the HWMA; (2) any other pollutant, contaminant, or waste; (3) the health or safety of persons; or (4) the protection of the environment or land use. "Environmental or Safety Law" includes past and future amendments and supplements.

In carrying out its obligations under this Agreement, Children's agrees not to bring onto or allow any employee or agent or contractor to bring onto the Trail Connection or City Property any Hazardous Substance, as defined above, except to the extent such materials are used in the ordinary course of performing its obligations under this Agreement. All Hazardous Substances used in the ordinary course of performing maintenance, repair, reconstruction or replacement shall be disposed of in a lawful manner.

4. Notices.

All notices required or permitted to be given pursuant to this Agreement shall be in writing and shall be deemed given and received upon personal service or three days after deposit in the United States Mail, certified or registered mail, postage prepaid, return receipt requested, addressed as follows:

To the City

Seattle Department of Parks and Recreation
800 Maynard Avenue South, Third Floor
Seattle, Washington 98134
Attention: Property Management

To Children's:

Attn: General Counsel
P.O. Box 5371
Seattle, WA 98105

The foregoing addresses may be changed by written notice, given in the same manner. Notice given in any manner other than the manner set forth above shall be effective when received by the party for whom it is intended.

5. Insurance.

As of the Effective Date of this Agreement, Children's shall, at its sole cost and expense, maintain in full force and effect until termination of this Agreement the following minimum limits of insurance. Children's will also require its contractors to carry insurance, as described below.

- (i). **Commercial General Liability (CGL)** written on an occurrence form at least as broad as ISO CG 00 01, with Minimum Limits of Liability:
- \$1,000,000 per Occurrence
 - \$2,000,000 General Aggregate
 - \$2,000,000 Products/Completed Operations Aggregate
 - \$1,000,000 Personal/Advertising Injury Liability

However, insurance on a "claims made" form may be acceptable with prior City approval. If coverage is approved and purchased on a "claims made" basis, Children's warrants continuation of coverage, either through policy renewals or the purchase of an extended discovery period, if such extended coverage is available, for not less than five (5) years from the date of Contract termination, and/or conversion from a "claims made" form to an "occurrence" coverage form. If any insurance policy is issued on a "claims made" basis, the retroactive date shall be prior to or coincident with the effective date of the Contract.

(ii). **Coverage shall include:** Premises and Operations; Broad Form Property Damage (Including Completed Operations); Liability assumed under an Insured Contract (including tort liability of another assumed in a business contract); Personal Injury and Advertising Liability; Independent Contractors; Severability of Interest Clause; Waiver of Subrogation endorsement in favor of the City as required by contract; General Aggregate Limits of Insurance shall apply separately; the limits of liability described above are minimum limits of liability only. Regardless of provisions to the contrary under the terms of any insurance policy maintained by Children's, the specification of any such minimum limits shall neither be (1) intended to establish a maximum limit of liability to be maintained by Children's as respects this Agreement, nor (2) construed as limiting the liability of any of Children's insurers, which must continue to be governed by the stated limits of liability of the relevant insurance policies.

(iii). **Umbrella or Excess Liability** insurance if and as necessary to maintain total CGL insurance limits of \$2,000,000 Each Occurrence and be no less broad than coverages described above.

(iv). **Automobile Liability** insurance for owned, non-owned, leased or hired vehicles, as applicable, written on a form CA 00 01 or equivalent **WITH MINIMUM LIMITS OF LIABILITY OF \$1,000,000 CSL.**

(v). **Worker's Compensation** insurance for Washington State as required by Title 51 RCW.

(vi). **General Requirements.**

City shall have the right to periodically review and revise insurance coverages and/or limits of liability as necessary to reflect changes in exposure to risk, inflation, industry conditions or other relevant circumstances upon ninety days prior written notice.

The insurance shall include "The City of Seattle, its officers, officials, employees, agents and volunteers" as additional insureds on the liability insurance policies listed above. Children's insurance shall be primary and non-contributory to any insurance maintained by or available to the City. Children's and its insurers expressly acknowledge that (a) coverages and limits of liability requirements herein are strictly intended to specify minimum levels of coverage and limits of liability, and (b) where the City is to be included as an additional insured, such additional insured status shall, notwithstanding any insurance policy language to the contrary, extend to the total limits of all insurance and/or self-insurance limits of liability maintained by Children's, whether such limits are primary, excess, contingent or otherwise.

Coverage shall not be cancelled without forty-five (45) day written notice of such cancellation, except ten (10) day written notice as respects cancellation for non-payment of premium, to the City at its notice address except as may otherwise be specified in Revised Code of Washington (RCW) 48.18.290 (Cancellation by insurer.). The City and Children's mutually agree that for the purpose of RCW 48.18.290 (1) (e), for both liability and property insurance, the City is deemed to be a "mortgagee, pledge, or other person shown by (the required insurance policies) to have an interest in any loss which may occur thereunder."

Each insurance policy required hereunder shall be (1) subject to reasonable approval by City that it conforms with the requirements of this Section, and (2) be issued by an insurer rated A-: VII or higher in the then-current A. M. Best's Key Rating Guide and licensed to do business in the State of Washington unless procured under the provisions of chapter 48.15 RCW (Unauthorized insurers).

Children's has disclosed, and the City has approved, Children's self-insured retention ("S.I.R."). The cost of any claim falling within S.I.R. shall be the responsibility of Children's. If S.I.R. for CGL or equivalent insurance is not "fronted" by an insurer but is funded and/or administered by Children's or a contracted third-party claims administrator, Children's agrees to defend and indemnify the City to the same extent as the City would be protected as an additional insured for primary and non-contributory limits of liability as required herein by an insurer.

(vii). **Evidence of Insurance.** On or before the Effective Date, and thereafter not later than the last business day prior to the expiration date of each such policy, the following documents must be delivered to City at its notice address as evidence of the insurance coverage required to be maintained by Children's:

Certification of insurance documenting compliance with the coverage, minimum limits and general requirements specified herein; and

A copy of the policy's declarations pages, showing the insuring company, policy effective dates, limits of liability and the Schedule of Forms and Endorsements specifying all endorsements listed on the policy including any company-specific or manuscript endorsements;

A copy of the CGL and excess insurance policy provision(s) documenting the City of Seattle and its officers, elected officials, employees, agents and volunteers as additional insureds (whether on ISO Form CG 20 26 or an equivalent additional insured or blanket additional insured policy wording), showing the policy number, and the original signature and printed name of the representative of the insurance company authorized to sign such endorsement;

Pending receipt of the documentation specified in this Section, Children's may provide a copy of a current complete binder. An ACORD certificate of insurance will not be accepted in lieu thereof.

If Children's SIR exceeds the insurance requirements of this agreement, there will be no policies from which to issue declaration pages, an endorsement or a copy of the policy. In lieu of such requirements, Children's shall issue the City a letter verifying the coverage of the City and its officers, elected officials, employees, agents and volunteers through Children's SIR.

(viii). **Original certification** of insurance shall be issued to the City at the address specified in Section 9 of this Agreement.

(ix). **Children's Responsibility:** The procuring of the policies of insurance required by this Agreement shall not be construed to limit Children's liability hereunder.

(x). **REQUIRED SEPARATION OF INSURED PROVISION; CROSS-LIABILITY EXCLUSION AND OTHER ENDORSEMENTS PROHIBITED:** Children's insurance policy shall include a "separation of insureds" or "severability" clause that applies coverage separately to each insured and additional insured, except regarding the limits of the insurer's liability. Children's insurance policy shall contain no provision, exclusion or endorsement that limits, bars, or effectively precludes the City of Seattle from coverage or asserting a claim under the Children's insurance policy on the basis that the coverage or claim is brought by an insured or additional insured against an insured or additional insured under the policy. Children's CGL policy or other policies shall include none of the following Endorsements (or their equivalent endorsement or exclusions): (a) Contractual Liability Limitation, (CGL Form 21 39 or equivalent), b) Amendment Of Insured Contract Definition, (CGL Form 24 26 or equivalent), (c) Limitation of Coverage to Designated Premises or Project, (CGL Form 21 44 or equivalent), (d) any endorsement modifying or deleting the exception to the Employer's Liability exclusion, (e) any "Insured vs. Insured" or "cross-liability" exclusion, and (f) any type of punitive, exemplary or multiplied damages exclusion.

6. **Severability/Waiver.** If any provision in this Agreement, or the application thereof to any person or circumstance, is found to be invalid, the remainder of the provisions of this Agreement, or the application of such provision to persons or circumstances other than those as to which it is found to be invalid, as the case may be, shall not be affected thereby. The waiver by either party of the breach of any term set forth herein shall not be deemed to be a waiver of any subsequent breach of the same term or any other term.

7. Successors.

Except as set forth herein, the covenants, terms, conditions, obligations and restriction of this Agreement shall be binding upon, and inure to the benefit of, Children's and the City and their respective successors, transferees and assigns and shall continue as a servitude running in perpetuity with the Hartmann Property.

8. Children's Compliance with Applicable Law.

Children's shall comply, and shall cause its agents, employees and contractors to comply with all applicable federal, state, county and municipal laws, ordinances, and ADA regulations relating to any activity under this Agreement. If, because of any act or omission of Children's, any mechanic or other lien or order for payment of money shall be filed against the City Property, Children's shall furnish the City written proof of payment of any item that would or might constitute the basis for such a lien on the City Property if not paid.

9. No Liens: City Property.

Children's shall keep the City Property free from liens of any kind or nature relating to work performed by or for Children's. If, because of any act or omission of Children's, any mechanic or other lien or order for payment of money shall be filed against the City Property, Children's shall promptly notify the City of the same and, at Children's sole expense, cause the same to be discharged or bonded within thirty (30) days after the date of notice of such filing. At the City's request, Children's shall furnish the City written proof of payment of any item that would or might constitute the basis for such a lien on the City Property if not paid

10. Damage or Destruction of City Property.

Any property of the City damaged or destroyed by Children's, their agents, employees, contractors or licensees shall be promptly repaired or replaced by Children's to a condition satisfactory to the City, or, at the election of the City, by reimbursement from Children's in an amount necessary for the City to restore or replace the property to a condition satisfactory to the City.

11. Remedies/Right of Entry.

Enforcement by the City is at the discretion of the City and any forbearance by the City to exercise its rights under this Agreement shall not be deemed or construed to be a waiver by the City. In addition to other rights, the City has the right, but not the obligation, to inspect the Trail Connection and City-owned Landscape Maintenance Area from time to time, and may send notice to Children's of maintenance, repair, replacement or reconstruction issues. If Children's fails to maintain or repair or initiate required action to replace or reconstruct within 15 days after written notice by the City to Children's of a maintenance, repair, replacement, or reconstruction issue, then the City has the right, but not the obligation, to maintain or repair or replace or reconstruct at Children's expense. Children's agrees to reimburse the City for maintenance or repair or replacement or reconstruction costs within 30 days of receipt of a bill for services.

12. Captions. The captions in this Agreement have been inserted solely for convenience of reference and are not a part of this Agreement and shall have no effect upon construction or interpretation.

13. **General.** This Agreement shall be recorded in the real property records of King County, Washington. This Agreement shall be governed by and construed in accordance with the laws of the State of Washington. This Agreement may be executed and delivered in counterparts, which together shall comprise a complete original Agreement.

14. **Amendment; Modification.** This Agreement may be changed, modified or amended in whole or in part only by a written and recorded agreement executed by the City and Children's and, if required, approved by City of Seattle ordinance.

15. **Exhibits.** The Exhibits referenced and attached to this Agreement are hereby incorporated as terms and conditions to this Agreement and the covenants set forth herein.

** Note that the Summary and Fiscal Note describes the version of the bill or resolution as introduced; final legislation including amendments may not be fully described.*

1. BILL SUMMARY

Legislation Title: AN ORDINANCE relating to the Department of Parks and Recreation; accepting an easement from and entering into a Maintenance Agreement with Seattle Children's Hospital, a Washington nonprofit corporation, as a condition of the public benefit requirement for the street vacation of portions of 41st Avenue NE and a portion of NE 46th Street petition approval contained in Clerk File 309690.

Summary and background of the Legislation: This legislation is part of a cooperative effort between the City of Seattle ("City") and Seattle Children's Hospital ("Children's") to provide a public benefit in return for granting a street vacation. City approval of the street vacation is conditioned, in part, on Children's Hospital providing a trail connection from the Burke-Gilman Trail across Children's property ("Hartmann Property") to Sand Point Way NE. The newly acquired trail connection and associated rights will expand the public space and access adjacent to the Burke-Gilman Trail at no cost to the City. Children's, or its successor, will also improve and maintain portions of City property immediately surrounding the intersection of the trail connection and the Burke-Gilman Trail. A Trail Easement Agreement and a Maintenance Agreement, Attachments 1 and 3 to the ordinance, are the governing documents and they define the location, space, conditions and terms of Children's maintenance responsibilities. The pending street vacation ordinance will be approved after the Easement and Maintenance Agreements have been accepted through a separate City Council action.

2. CAPITAL IMPROVEMENT PROGRAM

a. Does this legislation create, fund, or amend a CIP Project? ☐ Yes ☒ No

3. SUMMARY OF FINANCIAL IMPLICATIONS

a. Does this legislation amend the Adopted Budget? ☐ Yes ☒ No

b. Does the legislation have other financial impacts to the City of Seattle that are not reflected in the above, including direct or indirect, short-term or long-term costs?
The City will receive a newly installed trail connection and landscaping on City property, to be maintained at no cost to the City. The annual savings in maintenance costs is estimated at \$2,426 initially and is predicted to escalate annually over time.

c. Is there financial cost or other impacts of *not* implementing the legislation?

Yes. This would delay or prevent a pending street vacation action and improvements already made by Children's to the connection trail could be subject to removal. The City would not receive free maintenance of the trail.

4. OTHER IMPLICATIONS

a. Does this legislation affect any departments besides the originating department?

Yes, Seattle Department of Transportation, since this is a public benefit condition issued by the City Council in exchange for a street vacation.

b. Is a public hearing required for this legislation?

No

c. Does this legislation require landlords or sellers of real property to provide information regarding the property to a buyer or tenant?

No, except for specific terms as specified in the Easement Agreement if and when Children's decides to sell the Hartmann property.

d. Is publication of notice with *The Daily Journal of Commerce* and/or *The Seattle Times* required for this legislation?

No

e. Does this legislation affect a piece of property?

Yes, a map is included as Summary Attachment 1.

f. Please describe any perceived implication for the principles of the Race and Social Justice Initiative. Does this legislation impact vulnerable or historically disadvantaged communities?

Although located in an affluent part of the City, the connection trail will provide a safe, alternative path from the Burke-Gilman Trail to a major regional medical facility that specializes in treating children, some with serious and complex conditions. The Burke-Gilman Trail is heavily used by pedestrians and cyclists and provides an alternate transportation corridor for those who may not have access to a motor vehicle and depend on cycling for transportation as well as recreational users. The connection trail has been improved to provide greater access to the general public.

g. If this legislation includes a new initiative or a major programmatic expansion: What are the specific long-term and measurable goal(s) of the program? How will this legislation help achieve the program's desired goal(s).
