PROPERTY USE AND DEVELOPMENT AGREEMENT

THIS INSTRUMENT is executed this date in favor of the City of Seattle, a municipal corporation ("City"), by 2026 Madison Corner, LLC, a Washington limited liability company ("Madison Corner") and LMC 2026 Madison, LLC, a Delaware limited liability company ("LMC"), collectively, the "Owners," and individually, each "Owner."

WHEREAS, LMC is vested in fee simple title in the real property situated in King County, Washington, described in Exhibit A and incorporated into this Agreement (the "LMC Property"); and

WHEREAS, Madison Corner is vested in fee simple title in the real property situated in King County, Washington, described in Exhibit B and incorporated into this Agreement (the "Madison Corner Property"); and

WHEREAS, the LMC Property and the Madison Corner Property are referred to collectively in this Agreement as the "Property"; and

WHEREAS, LMC's predecessor in interest, DEF, Inc., filed a petition in Clerk File 306083 for the vacation of the alley in Block 1, Witt's Addition to the City of Seattle, located between the eastern half of the area bounded by East Denny Way, East Madison Street, and 20th Avenue, which petition was considered under Chapter 35.79 of the Revised Code of Washington and Chapter 15.62 of the Seattle Municipal Code; and

WHEREAS, on March 12, 2004, the Transportation Committee of the Seattle City Council held a public hearing on the vacation petition; and

WHEREAS, on April 5, 2004, the Seattle City Council granted preliminary approval of the vacation petition, subject to conditions; and

WHEREAS, on February 18, 2009 the Chairperson of the Transportation Committee of the Seattle City Council granted an extension of the time within which development activity must be completed pursuant to the alley vacation approval until April 4, 2014; and

WHEREAS, on May 22, 2013, the Chairperson of the Transportation Committee of the Seattle City Council granted an extension of the alley vacation approval until April 4, 2017; and

WHEREAS, on November 6, 2014, the Seattle Design Commission recommended approval of certain phasing of and modification to the public benefits associated with the vacation petition; and

WHEREAS, on November 7, 2014, LMC and Madison Corner executed a private agreement, recording number 20170825000643, stating each Owner's responsibilities with respect to the public benefit and requiring maintenance and repair of such public benefits to be at the sole expense of LMC; and

WHEREAS, LMC completed development activity authorized under the alley vacation approval and subsequent extensions of approval before April 4, 2017; and

WHEREAS, executing a Property Use and Development Agreement ("PUDA") is desired to ensure compliance with any on-going conditions of the vacation approval subsequent to passage of the vacation ordinance; and

NOW, THEREFORE, the Owners covenant, bargain, and agree on behalf of themselves, their successors, and assigns:

Section 1. The conditions passed by the City Council on April 5, 2004 specified the following conditions of approval:

A. Owners shall provide and maintain the following features that are installed as public benefits relating to the vacation (the "Public Amenities,") described on Exhibit C and incorporated into this Agreement:

1. A Public Plaza of approximately 11,700 square feet, including a water feature or an art element, benches, or café seating, stone finishes, and special treatments at the entries to invite the public to use the plaza.
2. Retail located along East Madison Street and East Denny Way, widened sidewalks on those streets, and enhanced landscaping to emphasize the pedestrian character of the area.
3. The Petitioner was required by the City Council to provide traffic mitigation as determined by SDOT and SDCI following review of the Master Use Permit. Following the review, LMC underwent SDOT's Street Improvement Permit permitting process. SDOT determined through that process that no further mitigation is required.

B. The replacement of any of the Public Amenities shall be of similar quality in design and materials as the original. Significant changes to the streetscape or the required public amenities shall require prior approval by the Seattle Department of Transportation. Modified features shall maintain a substantially similar quality and character to the existing required design features.

Section 2. The development project currently on-site, permitted under Master Use Permit numbers 3009856 and 3018081, and building permit 6418877, has constructed the Public Amenities outlined in Section 1 in the following manner:

- A. A portion of the development site was undergoing environmental remediation and therefore a large open space element at the corner of East Denny Way and East Madison Street currently exists as part of the development project on-site. The open space element is not part of the required Public Amenities but is considered an interim condition. There exists on the project site a 13,600 square foot parcel (Witt's Addition, Block 1, Lots 4, 5, 6) that could be developed in the future, and must be developed in substantial conformance with the development proposal approved by the City Council in 2004, which is consistent with the private agreement recorded in King County records under recording number 20170825000643, notwithstanding that the Public Amenities as implemented by 3009856 and 3018081, and building permit 6418877, shall be maintained in perpetuity, or as modified pursuant to Section 1.B of this Agreement.
- B. The Public Amenities, as implemented by Master Use Permit numbers 3009856 and 3038081, and building permit number 6418877, include:
1. 11,700 square feet of public open space, which is not required to be open to the sky, but must be open to the public;
 2. 2,316 square feet of overhead weather protection along East Madison Street;
 3. 38 lineal feet of seating benches;
 4. 802 square feet of public café seating;
 5. 574 square feet of upgraded/specialty finishes within the public open space area;
 6. 4 pedestrian light fixtures;
 7. Building setback of 955 total square feet from the back of sidewalk for potential retail spill out along East Madison Street;
 8. Building setback of 355 total square feet from the back of the north/south alley for potential retail spill out; and
 9. 1,500 square feet public art/lighting installation.

Section 3. The Owners shall install and maintain signage facing East Madison Street and East Denny Way that identifies the public open space. The signage shall clearly identify that public access and allowed free speech activities is required at the public open space elements. The signage shall be reviewed and approved by the Seattle Department of Transportation Street Vacations staff. Signage shall be consistent with signage provided for public amenity spaces.

Section 4. The Owners shall have the right to temporarily close, obstruct, limit access, or establish temporary hours of public access to the Public Amenities for: (1) construction, including, specifically to temporarily remove Public Amenities in order to construct a project on the 13,600 s.f. parcel referenced in Section 2.A above, provided that any Public Amenities removed or closed shall be replaced by the developer of the 13,600 s.f. parcel to the satisfaction of the City upon completion of the construction; (2) maintenance and repair; (3) temporary use for private functions directly related to the development; (4) the maintenance

of or security for the development or persons using the development; or (5) other circumstances beyond the Owners' control.

Section 5. The Owners may adopt reasonable rules and regulations regarding the use of and access to the Public Amenities and the development. The rules and regulations shall be consistent with this Agreement. A summary of the current rules and regulations, if rules are adopted, shall be posted in several visible locations.

Section 6. Free speech activities such as hand billing, signature gathering, and holding signs; all without obstructing access to the space, the building, or other adjacent amenity features, and without unreasonably interfering with the enjoying of the space by others shall be allowed within these vacation public benefit features. While engaged in allowed activities, members of the public may not be asked to leave because of their involvement with the allowed activities. Any violation of this Section may be enforced through Chapter 23.90 of the Seattle Municipal Code.

Section 7. This Agreement may be amended or modified by agreement between the Owners and the City; provided the amended Agreement shall be subject to approval by the City Council by ordinance. Nothing in the Agreement shall be construed as a surrender of the City's governmental powers.

Section 8. The Owners reserve the right to use the Public Amenities for any purpose which does not interfere with the public's use, including but not limited to the right to use the areas as described in the Agreement for the Owners' purposes, and the right to grant easements, provided the easements are consistent with the public's use of the areas.

Section 9. Notwithstanding the covenants in this Agreement, nothing in the Agreement shall constitute a public dedication of any portion of the Property.

Section 10. The legal description of the where the Property is located is included in Exhibits A and B to this Agreement, which are incorporated to this Agreement. An executed copy of this PUDA shall be recorded in the records of King County and the PUDA covenants shall to attach to and run with the Property.

Section 11. This PUDA is made for the benefit of the City and the public. The City may institute and prosecute any proceeding at law or in equity to enforce this PUDA.

Section 12. If any covenant, condition, or restriction in this instrument or any portion is invalidated or voided, the invalidity or voidness shall in no way affect any other covenant, condition, or restriction.

Section 13. Upon the effective date of the vacation ordinance, the Owners shall provide and thereafter maintain in full force and effect, commercial general liability insurance providing for a limit of not less than \$1,000,000 per occurrence for damages arising out of bodily

injuries or death. The insurance policies obtained shall be issued by companies authorized to conduct business in Washington State and shall name the City as an additional insured. Owners shall provide evidence of insurance to the City Risk Manager at the City's reasonable request.

Section 14. Owners covenant and agree to defend, indemnify, and hold harmless the City of Seattle, its officials, officers, employees, and agents from all liabilities, claims, causes of action, judgments, or expenses, including reasonable attorney fees and necessary litigation expenses, resulting from any actual or alleged bodily injury including death or actual or alleged damage to property arising out of or in connection with the use or occupation of the Public Benefits (Public Amenities) during the term of its ownership. Upon any transfer of ownership, this obligation shall be binding on all successors and assigns. The indemnification obligations under this Agreement do not apply to any liabilities, claims, causes of action, judgments or expenses resulting from bodily injury or property damage caused by the negligence or intentional acts of the public or the City, or the City's officers, employees, elected officials, agents, or subcontractors.

Section 15. This Agreement shall be binding on the Owners' successors and assigns.
