17 (2) The Parity Conditions have been met or satisfied so that the
18 Bonds may be issued as Parity Bonds.

19 (3) The City Council has given due regard to the cost of operation
20 and maintenance of the Light System and to any portion of the Gross Revenues pledged for the
21 payment of any bonds, warrants or other indebtedness, and finds and determines that the Gross
22 Revenues, at the rates established consistent with Section 13(d) of the Bond Ordinance, will be
23 sufficient to meet all expenses of operation and maintenance of the Light System and to provide

No proceeds of the Bonds shall be deposited into the Reserve Fund.

Section 5. Reserve Fund Requirement.

(a) **Amount of the Reserve Fund Requirement for the Bonds.** With respect to the Bonds, the Reserve Fund Requirement shall mean (1) for so long as the 2005 Reserve Surety remains in effect, the additional amount necessary, if any, to provide an overall level of funding in the Reserve Fund equal to the maximum amount permitted by the Code as a “reasonably required reserve or replacement fund,” calculated as of the Initial Issue Date based on the debt service requirements for all Parity Bonds then outstanding; and (2) from and after the expiration or termination of the 2005 Reserve Surety, the Reserve Fund Requirement for the Bonds shall be zero.

1 (b) **Method of Funding the Reserve Fund Requirement.** Prior to the Initial
2 Issue Date, the City shall deposit into the Reserve Fund an amount sufficient to satisfy the

5 proceeds of the Bonds.

6 **Section 6. Election of Interest Rate Period; Determination of Interest.** Each
7 Series of the Bonds shall bear interest in one of the following interest rate modes: Daily Interest
8 Rate, Weekly Interest Rate, Long-Term Interest Rate or Index Rate. Bonds that become
9 Unremarketed Bonds shall bear interest either (a) as set forth in the applicable Direct Purchase
10 Agreement or (b) if not subject to a Direct Purchase Agreement, then at the Stepped Interest
11 Rate; Bonds that become Bank Bonds shall bear interest at the Bank Rate as set forth in the
12 applicable Credit Facility. The interest rate and Interest Rate Period for any Series of the Bonds
13 may be adjusted as set forth in this section. All Bonds of a single Series shall be in the same
14 interest rate mode. The Interest Rate Period for a Series of the Bonds may not be adjusted prior
15 to the Purchase Date, except for a Conversion of all outstanding Bonds of such Series.

16 (a) **Election of Interest Rate Period.**

17 (1) **Election of Daily Interest Rate.** Except as provided in subsection
18 (c) of this Section, the Designated Representative, on behalf of the City may, from time to time,
19 by written notice to the Credit Provider (if any), the Bond Registrar, the Calculation Agent and
20 the Remarketing Agent (if any), Elect that any Series of the Bonds bear interest at a Daily
21 Interest Rate. The notice of Election given by the Designated Representative shall (A) specify
22 the proposed Conversion Date, which shall be (i) in each case, a Business Day not earlier than
23 the 30th day following the second Business Day after receipt by the Bond Registrar of such

notice; (ii) in the case of a Conversion from a Long-Term Interest Rate Period, the day following the last day of such Long-Term Interest Rate Period or a day on which such Series of the Bonds would otherwise be subject to optional redemption pursuant to Section 9(a)(3) if such Conversion did not occur; and (iii) in the case of a Conversion from an Index Rate Period, the day following the last day of such Index Rate Period or on or after a Par Call Date; and (B) state whether a Credit Facility is to be in effect on the Conversion Date.

(2) **Election of Weekly Interest Rate.** Except as provided in subsection (c) of this Section, the Designated Representative, on behalf of the City, may, from time to time, by written notice to the Credit Provider (if any), the Bond Registrar, the Calculation Agent and the Remarketing Agent (if any), Elect that any Series of the Bonds bear interest at a Weekly Interest Rate. The notice of Election given by the Designated Representative shall (A) specify the proposed Conversion Date, which shall be (i) in each case, a Business Day not earlier than the 30th day following the second Business Day after receipt by the Bond Registrar of such notice; (ii) in the case of a Conversion from a Long-Term Interest Rate Period, the day following the last day of such Long-Term Interest Rate Period or a day on which that Series of the Bonds would otherwise be subject to optional redemption pursuant to Section 9(a)(3) if such Conversion did not occur; and (iii) in the case of a Conversion from an Index Rate Period, the day following the last day of such Index Rate Period or on or after a Par Call Date; and (B) state whether a Credit Facility is to be in effect on the Conversion Date.

(3) **Election of Long-Term Interest Rate.** Except as provided in subsection (c) of this Section, the Designated Representative, on behalf of the City may, from time to time, by written notice to the Credit Provider (if any), the Bond Registrar, the Calculation Agent and the Remarketing Agent (if any), Elect that any Series of the Bonds bear,

1 or continue to bear, interest at the Long-Term Interest Rate. The notice of Election given by the
2 Designated Representative shall specify (A) the proposed Conversion Date, which shall be (i) in
3 each case, a Business Day not earlier than the 30th day following the second Business Day after
4 receipt by the Bond Registrar of such notice; (ii) in the case of a Conversion from a Long-Term
5 Interest Rate Period, the day following the last day of such Long-Term Interest Rate Period or a
6 day on which such Series of the Bonds would otherwise be subject to optional redemption
7 pursuant to Section 9(a)(3) if such Conversion did not occur; and (iii) in the case of a
8 Conversion from an Index Rate Period, the day following the last day of such Index Rate Period
9 or on or after a Par Call Date; and (B) the last day of the Long-Term Interest Rate Period, which
10 shall be either the day prior to the Maturity Date or a day that both immediately precedes a
11 Business Day and is at least 181 days after the proposed Conversion Date.

12 (4) **Election of Index Rate.** Except as provided in subsection (c) of
13 this Section, the Designated Representative, on behalf of the City may, from time to time, by
14 written notice to the Credit Provider (if any), the Bond Registrar, the Calculation Agent and the
15 Remarketing Agent (if any), Elect that any Series of the Bonds bear, or continue to bear, interest
16 at an Index Rate. The notice of Election given by the Designated Representative shall specify
17 the proposed Conversion Date, which shall be (A) in each case, a Business Day not earlier than
18 the 30th day following the second Business Day after receipt by the Bond Registrar of such
19 notice; (B) in the case of a Conversion from a Long-Term Interest Rate Period, the day
20 following the last day of such Long-Term Interest Rate Period or a day on which such Series of
21 the Bonds would otherwise be subject to optional redemption pursuant to Section 9(a)(3) if such
22 Conversion did not occur; (C) in the case of a Conversion from an Index Rate Period, the day
23 following the last day of such Index Rate Period or on or after a Par Call Date (or, if applicable,

the day specified pursuant to a Direct Purchase Agreement then in effect); (D) the date on which the Index Rate Period is to end (which date shall be a Mandatory Tender Date) or, if applicable, a statement that the Index Rate Period is to end on the day prior to the Maturity Date; and (E) the notice shall also specify: (i) the Index that is to be in effect, (ii) the Index Rate Percentage and Index Rate Spread (if applicable); and (iii) the Par Call Date for such Index Rate Period (if applicable).

If, by the second Business Day preceding the 29th day prior to the last day of any Index Rate Period other than an Index Rate Direct Purchase Period, the Bond Registrar has not received notice of the City's Election to effect a Conversion, then (A) the next Interest Rate Period shall be an Index Rate Period, (B) the Index (and the Index Rate Percentage or Index Rate Spread, as applicable) for such Index Rate Period shall remain unchanged, and (C) the term of such Index Rate Period shall be the same as the preceding Index Rate Period (but shall not extend beyond the day prior to the Maturity Date).

(5) Election of Index Rate Subject to a Direct Purchase Agreement. Except as provided in subsection (c), the Designated Representative, on behalf of the City may, from time to time, by written notice to the Credit Provider (if any), the Bond Registrar, the Calculation Agent and the Remarketing Agent (if any), Elect that any Series of the Bonds bear interest at an Index Rate subject to a Direct Purchase Agreement. The notice of Election given by the Designated Representative shall specify the proposed Conversion Date, which shall be (A) in each case, a Business Day not earlier than the 30th day following the second Business Day after receipt by the Bond Registrar of such notice; (B) in the case of a Conversion from a Long-Term Interest Rate Period, the day following the last day of such Long-Term Interest Rate Period or a day on which such Series of the Bonds would otherwise be

subject to optional redemption pursuant to Section 9(a)(3) if such Conversion did not occur; (C) in the case of a Conversion from an Index Rate Period other than an Index Rate Direct Purchase Period, the day following the last day of such Index Rate Period or on or after a Par Call Date (or, if applicable, the day specified pursuant to a Direct Purchase Agreement then in effect); and (D) the Conversion Date on which the new Index Rate Period is to end or, if applicable, a statement that the Index Rate Period is to end on the day prior to the Maturity Date. The notice to the Bond Registrar and the Calculation Agent shall be accompanied by a copy of the Direct Purchase Agreement to go into effect on the Conversion Date.

(6) **Rescission of Election to Effect a Conversion.** The Designated Representative may rescind any Election to effect a Conversion by delivering to the Credit Provider (if any), the Bond Registrar, the Calculation Agent and the Remarketing Agent (if any), on or prior to 10:00 a.m., New York time, on the second Business Day preceding a proposed Conversion Date, a notice to the effect that the City has determined to rescind its Election to effect such Conversion.

If the City rescinds its Election to effect a Conversion of a Series of the Bonds, then such Series shall bear interest at a Weekly Interest Rate commencing on the proposed Conversion Date, except that (A) if a Daily Interest Rate Period is in effect immediately prior to the proposed Conversion, such Series shall continue to bear interest at the Daily Interest Rate, (B) if an Index Rate Period (other than an Index Rate Direct Purchase Period) is in effect immediately prior to the proposed Conversion, such Series shall continue to bear interest at the applicable Index Rate, or (C) if an Index Rate Direct Purchase Period is in effect immediately prior to the proposed Conversion, the effect of a rescission shall be that the Bonds remain subject to such Direct Purchase Agreement, shall remain subject to mandatory tender as set

1 forth in Section 10(b)(1)(D), and any portion not purchased on the Mandatory Tender Date may
2 be subject to a Term-Out Provision, if included in the applicable Direct Purchase Agreement. If
3 notice of a Conversion of a Series of the Bonds (other than a Series with respect to which a
4 Direct Purchase Agreement is then in effect) has been mailed to the Registered Owner(s) of
5 such Series of the Bonds as provided in Section 8(d) and the City subsequently rescinds its
6 Election to effect such Conversion, such Series of the Bonds shall nevertheless be subject to
7 mandatory tender for purchase on the proposed Conversion Date.

8 (b) **Determination of Interest Rates.**

9 (1) **Determination of Daily Interest Rate.** Each Series of the Bonds
10 in a Daily Interest Rate mode shall bear interest at the Daily Interest Rate, which shall be
11 determined by the Remarketing Agent by 9:30 a.m., New York time, on each Business Day.
12 The Daily Interest Rate for any day that is not a Business Day shall be the same as the Daily
13 Interest Rate for the preceding Business Day.

14 Each Daily Interest Rate shall be the rate of interest per annum
15 determined by the Remarketing Agent (based on an examination of tax-exempt obligations
16 comparable, in the judgment of the Remarketing Agent, to such Series of the Bonds and known
17 by the Remarketing Agent to have been priced or traded under then-prevailing market
18 conditions) to be the minimum interest rate that, if borne by such Series of the Bonds, would
19 enable the Remarketing Agent to sell all of that Series of the Bonds on such Business Day at a
20 price (without regard to accrued interest) equal to the principal amount thereof.

21 If no Daily Interest Rate is established by the Remarketing Agent, then
22 the Daily Interest Rate for such Business Day shall be the same as the preceding Daily Interest
23 Rate, and such Daily Interest Rate shall continue to be in effect until the earlier of (A) the date

1 on which the Remarketing Agent determines a new Daily Interest Rate or (B) the seventh day
2 succeeding the first day on which the Daily Interest Rate was not determined by the
3 Remarketing Agent. If the Daily Interest Rate is held to be invalid or unenforceable by a court
4 of law, or the Remarketing Agent fails to determine the Daily Interest Rate for a period of seven
5 days as described in clause (B) of the preceding sentence, then the Daily Interest Rate, as
6 determined by the Remarketing Agent, shall be equal to 110% of the SIFMA Index, or if such
7 index is no longer available, 85% of the interest rate on 30-day high grade unsecured
8 commercial paper notes sold through dealers by major corporations as reported in *The Wall*
9 *Street Journal* on the Business Day such Daily Interest Rate would otherwise have been
10 determined, until the Daily Interest Rate is again validly determined by the Remarketing Agent.

11 (2) **Determination of Weekly Interest Rate.** Each Series of the
12 Bonds in a Weekly Interest Rate mode shall bear interest at the Weekly Interest Rate, which
13 shall be determined by the Remarketing Agent by 5:00 p.m., New York time, on Tuesday of
14 each week, or if such day is not a Business Day, then on the succeeding Business Day. The first
15 Weekly Interest Rate for each Weekly Interest Rate Period shall be determined on or prior to the
16 first day of such Weekly Interest Rate Period and shall be in effect for the period commencing
17 on and including the first day of such Weekly Interest Rate Period and ending on and including
18 the succeeding Tuesday. Thereafter, each Weekly Interest Rate shall be in effect for the period
19 commencing on and including Wednesday and ending on and including the succeeding
20 Tuesday, unless such Weekly Interest Rate Period ends on a day other than Tuesday, in which
21 event the last Weekly Interest Rate for such Weekly Interest Rate Period shall be in effect for
22 the period commencing on and including the Wednesday preceding the last day of such Weekly

1 Interest Rate Period and ending on and including the last day of such Weekly Interest Rate
2 Period.

3 Each Weekly Interest Rate shall be the rate of interest per annum
4 determined by the Remarketing Agent (based on an examination of tax-exempt obligations
5 comparable, in the judgment of the Remarketing Agent, to the Bonds and known by the
6 Remarketing Agent to have been priced or traded under then-prevailing market conditions) to
7 be the minimum interest rate which, if borne by the applicable Series of the Bonds, would
8 enable the Remarketing Agent to sell all of that Series of the Bonds on the effective date of that
9 rate at a price (without regard to accrued interest) equal to the principal amount thereof.

10 If no Weekly Interest Rate is established by the Remarketing Agent, then
11 the Weekly Interest Rate shall be the same as the preceding Weekly Interest Rate if such
12 Weekly Interest Rate was determined by the Remarketing Agent. If the preceding Weekly
13 Interest Rate was not determined by the Remarketing Agent, or if the Weekly Interest Rate
14 determined by the Remarketing Agent is held to be invalid or unenforceable by a court of law,
15 then the Weekly Interest Rate, as determined by the Remarketing Agent, shall be equal to 110%
16 of the SIFMA Index, or if such index is no longer available, 85% of the interest rate on 30-day
17 high grade unsecured commercial paper notes sold through dealers by major corporations as
18 reported in *The Wall Street Journal* on the day such Weekly Interest Rate would otherwise have
19 been determined, until the Weekly Interest Rate is again validly determined by the Remarketing
20 Agent.

21 **(3) Determination of Long-Term Interest Rate.** Each Series of the
22 Bonds in a Long-Term Interest Rate mode shall bear interest at the Long-Term Interest Rate.
23 The Long-Term Interest Rate for each Long-Term Interest Period shall be determined by the

Remarketing Agent on a Business Day no later than the first day of such Long-Term Interest Rate Period.

The Long-Term Interest Rate shall be the rate of interest per annum determined by the Remarketing Agent (based on an examination of tax-exempt obligations comparable, in the judgment of the Remarketing Agent, to such Series of the Bonds and known by the Remarketing Agent to have been priced or traded under then-prevailing market conditions) to be the minimum interest rate at which the Remarketing Agent will agree to purchase such Series of the Bonds on the effective date of that rate for resale at a price (without regard to accrued interest) equal to the principal amount thereof.

If, by the second Business Day preceding the 29th day prior to the last day of any Long-Term Interest Rate Period, the Bond Registrar has not received notice pursuant to Section 8(d) of the City's Election to effect a Conversion, the succeeding Interest Rate Period shall be a Weekly Interest Rate Period until Conversion to another Interest Rate Period, and such Series of the Bonds shall be subject to mandatory tender for purchase as provided in Section 10(b)(1) on the first day of such Weekly Interest Rate Period.

(4) Index Rate Period.

(A) Index Rate Direct Purchase Period; Authorization for Direct Purchase Agreement. The Initial Index Rate Period for each Series of the Bonds shall be an Index Rate Direct Purchase Period. During such period, each Series shall bear interest at an Index Rate as set forth in the Continuing Covenant Agreement and, if such Bonds become Unremarketed Bonds, at the interest rate set forth in the Continuing Covenant Agreement, the terms of which shall be in effect for the period commencing on the Initial Issue Date to the date specified in the Continuing Covenant Agreement (which Index Rate is subject to adjustment as

set forth in such Continuing Covenant Agreement). During any subsequent Index Rate Direct Purchase Period, the Interest Rate shall be an Index Rate as set forth in the Direct Purchase Agreement in effect for such period.

In connection with any Election to effect a Conversion of a Series to an Index Rate Direct Purchase Period or to extend or renew a Direct Purchase Agreement then in effect, the Designated Representative is authorized to negotiate, execute and deliver a Direct Purchase Agreement (or an agreement amending, restating or otherwise modifying a Direct Purchase Agreement then in effect) on behalf of the City, consistent with the Bond Legislation, in such form as shall be approved by the Designated Representative, which approval shall be evidenced by such execution and delivery.

(B) Determination of Index Rate When Direct Purchase Agreement Not In Effect. Each Series of the Bonds in an Index Rate mode not subject to a Direct Purchase Agreement shall bear interest at the Index Rate, determined as follows:

(i) If the Index selected by the Designated Representative is the SIFMA Index, such Index Rate shall be the SIFMA Rate. If the Index is One Month LIBOR, Three Month LIBOR or other index, the Index Rate shall be the sum of (I) the product of the Index multiplied by the Index Rate Percentage, plus (II) the Index Rate Spread. Such Index Rate shall initially be determined by the Remarketing Agent after consultation with and approval by the Designated Representative on the initial Interest Determination Date for such Index Rate Period. The Index Rate shall be in effect for the period commencing on the first day of such Index Rate Period to but excluding the first Interest Reset Date of such Index Rate Period. Thereafter, the Index Rate shall be determined by the Calculation Agent on each Interest

Determination Date, and such Index Rate shall be in effect for the period commencing on each Interest Reset Date to but excluding the following Interest Reset Date.

(ii) If the selected Index is either the One Month LIBOR or Three Month LIBOR, and such rate is not available on an Interest Determination Date, such rate determined by the Calculation Agent on the basis of the rates at which deposits in U.S. dollars for a one-month or three-month (as applicable) maturity and in a principal amount of at least U.S. \$1,000,000 are offered at approximately 11:00 a.m., London time, on such Interest Determination Date, to prime banks in the London interbank market by three Reference Banks. The Calculation Agent shall request the principal London office of each such Reference Bank to provide a quotation of its rate. If at least two such quotations are provided, the rate will be the arithmetic mean of such quotations. If fewer than two quotations are provided, the rate will be the arithmetic mean of the rates quoted by three (if three quotations are not provided, two or one, as applicable) major banks in New York City, selected by the Designated Representative, at approximately 11:00 a.m. on the Interest Determination Date for loans in U.S. dollars to leading European banks in a principal amount of at least U.S. \$1,000,000 having a one-month or three-month (as applicable) maturity. If none of the banks in New York City selected by the Designated Representative is then quoting rates for such loans, then such rate shall remain unchanged from the preceding Interest Determination Date.

(iii) The Index Rate Percentage shall be selected by the Designated Representative in connection with the Conversion to each Index Rate Period and shall remain in effect throughout such period. The Index Rate Spread shall be the spread determined by the Remarketing Agent (based on an examination of tax-exempt obligations comparable, in the judgment of the Remarketing Agent, to such Series of the Bonds and known

1 by the Remarketing Agent to have been priced or traded under then-prevailing market
2 conditions) to be the minimum spread which, when added to the Index (multiplied, if
3 applicable, by the Index Rate Percentage), equals the interest rate which, if borne by such Series
4 of the Bonds, would enable the Remarketing Agent to sell all of such Series of the Bonds on the
5 effective date of that rate at a price (without regard to accrued interest) equal to the principal
6 amount thereof. The Index Rate Spread shall be determined on the initial Interest Determination
7 Date with respect to each Index Rate Period and shall remain in effect throughout such Index
8 Rate Period.

9 (iv) The Stepped Interest Rate to be in effect during a
10 Delayed Remarketing Period shall be determined by the Remarketing Agent, after consultation
11 with and approval by the Designated Representative. The Stepped Interest Rate shall be
12 determined on or prior to the initial Interest Determination Date and shall remain in effect
13 throughout such Index Rate Period.

14 (v) If the Designated Representative selects an alternate
15 index other than the One Month LIBOR, Three Month LIBOR or SIFMA Index, a Favorable
16 Opinion of Bond Counsel must be obtained and a certificate shall be prepared and sent to the
17 Bond Registrar setting forth the Index, the Index Rate Spread and Index Rate Percentage, if any,
18 and other appropriate terms.

19 (c) **Renewal or Extension of Existing Index Rate Direct Purchase Period;**
20 **Conversion from Index Rate Direct Purchase Period.** During any Index Rate Direct Purchase
21 Period for a Series of the Bonds (including the Initial Index Rate Period), the Designated
22 Representative, on behalf of the City may submit a written request, on or before the date 90
23 days prior to the end of such period or such later date as the Designated Representative and the

1 then current Index Rate Holder(s) may agree, to the then-current Index Rate Holder to renew or
2 extend an existing Index Rate Direct Purchase Period or to purchase such Series of the Bonds
3 upon a Conversion to a new Index Rate Direct Purchase Period. Upon receipt of such request,
4 the Index Rate Holder shall use commercially reasonable efforts to respond to such request
5 within 60 days after receipt of all information necessary, in the Index Rate Holder's reasonable
6 judgment, to permit the Index Rate Holder to make an informed credit decision. The Index Rate
7 Holder shall inform the City in writing of its decision, in its sole and absolute discretion, to
8 accept (subject to the preparation, execution and delivery of a Direct Purchase Agreement and
9 other documentation in form and substance satisfactory to the Index Rate Holder prior to the
10 Conversion Date) or reject any such request. If the Index Rate Holder fails to respond in writing
11 to such request within such 60-day period (or such later date as the Designated Representative
12 and the then current Index Rate Holder(s) may agree), the Index Rate Holder shall be deemed to
13 have rejected such request.

14 Upon written acceptance (subject to preparation of documentation, as set forth
15 above), the Designated Representative, on behalf of the City, shall, if the terms of such
16 acceptance are acceptable to the Designated Representative in his sole discretion, give written
17 notice to the Index Rate Holder and the Bond Registrar of the City's Election that during the
18 next Interest Rate Period, such Series of the Bonds shall bear interest at an Index Rate subject to
19 a Direct Purchase Agreement. The notice of Election given by the Designated Representative
20 shall specify (A) the proposed Conversion Date, which shall be the day following the last day of
21 the then-current Index Rate Period or on or after a Par Call Date (or, if applicable, the day
22 specified pursuant to a Direct Purchase Agreement then in effect); (B) the date on which the
23 new Index Rate Period is to end (or, if applicable, a statement that the new Index Rate Period is

1 to end on the day prior to the Maturity Date); (C) the Index Rate that is to be in effect and, if
2 applicable, the Index Rate Percentage, Interest Rate Spread, and any Margin Rate Factor; and
3 (D) any Par Call Date or Mandatory Tender Date for the new Index Rate Period. The notice
4 shall be accompanied by a letter of Bond Counsel that it expects to be able to give a Favorable
5 Opinion of Bond Counsel on the Conversion Date. In addition, such direction shall confirm the
6 appointment of a Calculation Agent and a Market Agent, if applicable.

7 **(d) Unremarketed Bonds; Delayed Remarketing Period.** Unremarketed
8 Bonds subject to a Direct Purchase Agreement shall bear interest on the dates, at the rates and in
9 the manner set forth in the applicable Direct Purchase Agreement, and, if such agreement
10 contains a Term-Out Provision, shall become subject to Extraordinary Mandatory Redemption
11 in accordance therewith. Unremarketed Bonds not subject to a Direct Purchase Agreement shall
12 be subject to a Delayed Remarketing Period as set forth in Section 10(f) and shall bear interest
13 at the Stepped Interest Rate until such Bond ceases to be an Unremarketed Bond. A Bond shall
14 cease to be an Unremarketed Bond only if such Unremarketed Bond is remarketed and
15 transferred, or such Unremarketed Bond is redeemed in full.

16 **(e) Bank Bonds.** Bank Bonds shall bear interest at the Bank Rate until such
17 Bonds are no longer Bank Bonds. Bank Bonds may become subject to Extraordinary Mandatory
18 Redemption in accordance with the Reimbursement Agreement or other agreement relating to
19 the applicable Credit Facility.

20 **(f) Determinations of Remarketing Agent and Calculation Agent**
21 **Binding.** All percentages resulting from any calculation of any interest rate for any Series of
22 the Bonds shall be rounded upward to the fifth decimal place. The Remarketing Agent (if any)
23 and the Calculation Agent shall provide prompt notice of each determination of the interest rate

1 for each Series of the Bonds to the City, the Credit Provider (if any), the Bond Registrar and the
2 Remarketing Agent (if any). The Bond Registrar shall provide notice of any such determination
3 to the Index Rate Holder during an Index Rate Direct Purchase Period and to a Registered
4 Owner of any Bond during any other Interest Rate Period upon request. Absent manifest error,
5 each such determination shall be conclusive and binding upon the City, the Credit Provider (if
6 any), the Bond Registrar, the Remarketing Agent (if any) and the Owner of each Bond.

7 (g) **Maximum Interest Rate; Excess Interest.** Notwithstanding any
8 provision in this resolution to the contrary, at no time shall any Series of the Bonds bear interest
9 at a rate higher than the Maximum Interest Rate. With respect to any Series of the Bonds during
10 any Index Rate Direct Purchase Period (including any such Bonds that become Unremarketed
11 Bonds), if the rate of interest on such Bonds exceeds the Maximum Interest Rate for such
12 Bonds, then (i) such Bonds shall bear interest at the Maximum Interest Rate and Excess Interest
13 (as defined in this subsection) shall be deferred until such date as the rate of interest borne by
14 such Bonds as calculated pursuant to the applicable Direct Purchase Agreement is below the
15 Maximum Interest Rate, at which time Excess Interest shall be payable with respect to such
16 Bonds in amounts that, when combined with the then current interest due on the Bonds, does
17 not exceed payment at the Maximum Interest Rate. For purposes of this provision, "Excess
18 Interest" shall mean interest on the affected Bonds calculated at the rate equal to the difference
19 between (i) the rate of interest for such Bonds as calculated pursuant to this resolution and the
20 applicable Direct Purchase Agreement, and (ii) the Maximum Interest Rate. Payments of
21 deferred Excess Interest shall no longer be due and payable upon the earlier to occur of the date
22 on which such Bonds are tendered for purchase in accordance herewith and are so paid, or such
23 Bonds are paid in full.

Section 7. Accrual and Payment of Interest.

(a) **Accrual of Interest.** Each Bond shall bear interest from its date of issuance, including the Interest Accrual Date preceding the date of authentication thereof or, if such date of authentication is an Interest Accrual Date to which interest on such Bond has been paid in full or duly provided for, from such date of authentication. However, if, as shown by the records of the Bond Registrar, interest on a Bond is in default, a Bond issued in exchange for a Bond that is surrendered for registration or transfer or exchange shall bear interest from the date to which interest on such surrendered Bond had been paid or duly provided for or, if no interest has been paid on such surrendered Bond, from the date of authentication of such surrendered Bond.

(b) **Payment of Interest.** Interest shall be payable on each Interest Payment Date, on each redemption date, on each Purchase Date and on the Maturity Date. In any event, interest on each Series of the Bonds shall be payable for the final Interest Rate Period to the date on which that Series of the Bonds is paid in full.

(c) **Daily Interest Rate Period.** Interest on a Series of the Bonds during any Daily Interest Rate Period shall accrue on the basis of the actual number of days elapsed in a 365-day year (or a 366-day year in a leap year) and shall be payable on each Interest Payment Date for the period commencing on the Interest Accrual Date preceding the prior Interest Payment Date and ending on the last day of the month in which such Interest Accrual Date occurs.

(d) **Weekly Interest Rate Period.** Interest on a Series of the Bonds during any Weekly Interest Rate Period shall accrue on the basis of the actual number of days elapsed in a 365-day year (or a 366-day year in a leap year) and shall be payable on each Interest

1 Payment Date for the period commencing on the preceding Interest Accrual Date (or, if any
2 such Interest Payment Date is not a Wednesday, commencing on the second preceding Interest
3 Accrual Date) and ending on and including the Tuesday preceding such Interest Payment Date
4 (or, if sooner, the last day of such Weekly Interest Rate Period).

5 (e) **Long-Term Interest Rate Period.** Interest on a Series of the Bonds
6 during any Long-Term Interest Rate Period shall accrue on the basis of a 360-day year
7 composed of twelve 30-day months and shall be payable on each Interest Payment Date for the
8 period commencing on the Interest Accrual Date of the preceding month and ending on the day
9 preceding the next Interest Accrual Date.

10 (f) **Index Rate Period.** During an Index Rate Period, except as otherwise
11 specified in a Direct Purchase Agreement then in effect, if the applicable Index is (1) the
12 SIFMA Index, interest shall accrue on the basis of the actual number of days elapsed in a
13 365-day year (or a 366-day year in a leap year), (2) One-Month LIBOR or Three-Month
14 LIBOR, interest shall accrue on the basis of the actual number of days elapsed in a 360-day
15 year, or (3) another index determined by the Designated Representative, interest shall accrue as
16 determined by the Designated Representative. Unless otherwise specified in a Direct Purchase
17 Agreement then in effect, interest during an Index Rate Period shall be payable on each Interest
18 Payment Date for the period commencing on the preceding Interest Accrual Date and ending on
19 the day preceding the next Interest Accrual Date.

20 **Section 8. Conversion of Interest Rate Periods.**

21 (a) **Notice of Conversion to Daily Interest Rate Period.** The Bond
22 Registrar shall give notice of a Conversion to a Daily Interest Rate Period to the Registered
23 Owner(s) of the Series of the Bonds to be converted not less than 30 days prior to the proposed

1 Conversion Date, as set forth in a notice of an Election of a Daily Interest Rate Period by the
2 Designated Representative. The notice of the Bond Registrar shall state (1) that the interest rate
3 will be converted to a Daily Interest Rate unless the City rescinds its Election to convert the
4 interest rate to a Daily Interest Rate as provided in Section 6(a); (2) the proposed Conversion

10 Owner(s) of the Series of the Bonds to be converted not less than 30 days prior to the proposed
11 Conversion Date. The notice of the Bond Registrar shall state (1) that the interest rate will be
12 converted to a Weekly Interest Rate unless the City rescinds its Election to convert the interest
13 rate to a Weekly Interest Rate as provided in Section 6(a); (2) the proposed Conversion Date;
14 (3) that such Series is subject to mandatory tender for purchase on the proposed Conversion
15 Date; (4) the Purchase Price; (5) the place of delivery for purchase of such Series of the Bonds;
16 and (6) the information set forth in Section 10(c).

17 (c) **Notice of Conversion to Long-Term Interest Rate Period.** The Bond
18 Registrar shall give notice of a Conversion to a Long-Term Interest Rate Period to the
19 Registered Owner(s) of the Series of the Bonds to be converted not less than 30 days prior to the
20 proposed Conversion Date. The notice of the Bond Registrar shall state (1) that the interest rate
21 will be converted to, or continue to be, the Long-Term Interest Rate unless either the City
22 rescinds its Election to convert the interest rate to the Long-Term Interest Rate as provided in
23 Section 6(a), or all of such Series of the Bonds is not remarketed on the proposed Conversion

1 Date; (2) the proposed Conversion Date; (3) the last day of the new Long-Term Interest Rate
2 Period; (4) that such Series is subject to mandatory tender for purchase on the proposed
3 Conversion Date; (5) the Purchase Price; (6) the place of delivery for purchase of such Series of
4 the Bonds; and (7) the information set forth in Section 10(c).

5 (d) **Notice of Conversion to Index Rate Period.** The Bond Registrar shall
6 give notice of a Conversion to an Index Rate Period to the Registered Owner(s) of the Series of
7 the Bonds to be converted not less than 30 days prior to the proposed Conversion Date. Such
8 notice shall state (1) that the interest rate will be converted to, or continue to be, an Index Rate,
9 unless the City rescinds its Election to convert the interest rate to an Index Rate as provided in
10 Section 6(a); (2) the proposed Conversion Date; (3) the Conversion Date on which the Index
11 Rate Period is to end or, if applicable, that the Index Rate Period is to end on the day prior to the
12 Maturity Date; (4) that such Series of the Bonds are subject to mandatory tender for purchase on
13 the proposed Conversion Date; (5) the Purchase Price; (6) the place of delivery for purchase of
14 such Series of the Bonds; and (7) the information set forth in Section 10(c).

15 (e) **Certain Additional Conditions.** No Conversion shall take effect unless
16 each of the following conditions, to the extent applicable, has been satisfied: (1) the City has
17 obtained the written consent of the applicable Credit Provider (if any); (2) if required pursuant
18 to the notice of Conversion, a Credit Facility is in effect on the Conversion Date; (3) the City
19 has received a Favorable Opinion of Bond Counsel with respect to such Conversion dated the
20 Conversion Date; and (4) the Bond Registrar has sufficient funds on hand from remarketing or
21 refunding proceeds, proceeds of a draw on the Credit Facility or other funds made available by
22 the City, to pay the Purchase Price of such Series of the Bonds on the Conversion Date.

23 **Section 9. Redemption and Payment of Bonds.**

(a) **Optional Redemption.**

(1) **Weekly or Daily Interest Rate Period.** During a Daily Interest Rate Period or a Weekly Interest Rate Period, each Series of the Bonds then in a Daily Interest Rate or Weekly Interest Rate mode shall be subject to optional redemption at the written direction of the Designated Representative on any Business Day, in whole or in part, at a redemption price of 100% of the principal amount thereof plus interest, if any, accrued to the date fixed for redemption.

(2) **Index Rate Period.** During an Index Rate Period, each Series of the Bonds then in an Index Rate mode shall be subject to optional redemption at the written direction of the Designated Representative on any Interest Accrual Date on or after any Par Call Date, in whole or in part, at a redemption price of 100% of the principal amount thereof plus interest, if any, accrued to the date fixed for redemption.

(3) **Long-Term Interest Rate Period.** During a Long-Term Interest Rate Period, each Series of the Bonds then in a Long-Term Interest Rate mode shall be subject to optional redemption at the written direction of the Designated Representative, (A) on the first day of such Long-Term Interest Rate Period, in whole or in part, at a redemption price of 100% of the principal amount thereof plus interest accrued to the date fixed for redemption, and (B) thereafter, on any day during the periods specified below in whole or in part, at the redemption prices (expressed as a percentage of principal amount) specified below plus interest, if any, accrued to the date fixed for redemption:

Length of Long-Term Interest Rate Period (expressed in years)	Redemption Prices
greater than 15	after 10 years at 101%, declining by 0.5% every year to 100%
less than or equal to 15 and greater than 10	after 7 years at 101%, declining by 0.5% every year to 100%
less than or equal to 10 and greater than 7	after 5 years at 101%, declining by 0.5% every year to 100%
less than or equal to 7 and greater than 4	after 3 years at 100.5%, declining by 0.5% after one year to 100%
less than or equal to 4	after 2 years at 100%

The Designated Representative may agree to amend the above table prior to a Conversion to the Long-Term Interest Rate Period with respect to which such amended table is to be in effect, if he deems such amendment to be necessary or convenient, but only upon delivery of a Favorable Opinion of Bond Counsel.

If the Conversion Date for a Series of the Bonds converted to a Long-Term Interest Rate Period is other than a day that would be an Interest Payment Date during such Long-Term Interest Rate Period, then the date on which such Series is first subject to redemption pursuant to the foregoing table (after the first day of such Long-Term Interest Rate Period) shall be the first Interest Payment Date succeeding the date on which such Series otherwise would be subject to redemption, and the redemption price shall be adjusted on each anniversary of that Interest Payment Date as provided in such table.

(4) **During Term-Out Period.** In addition, during a Term-Out Period regardless of interest rate mode, the Bonds shall be subject to optional redemption upon the written direction of the Designated Representative, on any Business Day, in whole or in part, at a redemption price of 100% of the principal amount thereof plus interest, if any, accrued to the date fixed for redemption.

(b) **Mandatory Sinking Fund Redemption.** Each Series of the Bonds shall be designated as Term Bonds and, if not redeemed or purchased at the City's option prior to the

1 Maturity Date, such Bonds shall be redeemed, at a price equal to the principal amount thereof to
2 be redeemed plus accrued interest, on November 1 in each of the years and the Sinking Fund
3 Requirements set forth in Exhibit B to this resolution.

4 (c) **Extraordinary Mandatory Sinking Fund Redemption.** In the case of a
5 Series that is subject to a Direct Purchase Agreement or Credit Facility with a Term-Out
6 Provision, Unremarketed Bonds shall be subject to Extraordinary Mandatory Redemption
7 during the Term-Out Period in the amounts, on the dates and in the manner as set forth Term-
8 Out Provision of the applicable Direct Purchase Agreement or Credit Facility.

9 **Section 10. Optional and Mandatory Tender and Purchase.**

10 (a) **Optional Tender for Purchase.** During any Weekly Interest Rate
11 Period and any Daily Interest Rate Period, the Bonds shall be subject to tender for purchase at
12 the option of the Registered Owner (or Beneficial Owner, if such Series of the Bonds is held in
13 Book-Entry Form) as set forth below, and if tendered in accordance with this subsection (a),
14 shall be payable as set forth in subsection (e).

15 (1) **Daily Interest Rate Period.** Bonds of a Series that is in a Daily
16 Interest Rate mode may be tendered for purchase in any Authorized Denomination (provided
17 that the amount of such Series that is not tendered for purchase must also be in an Authorized
18 Denomination) upon delivery by a Registered Owner of such Bonds to the Bond Registrar and
19 to the Remarketing Agent by no later than 11:00 a.m., New York time, on any Business Day, of
20 an irrevocable written notice (or an irrevocable telephonic notice, promptly confirmed by
21 telecopy or other writing), which states (A) the principal amount of such Bonds to be purchased
22 and (B) the Purchase Date, which may be any succeeding Business Day. Any such notice
23 delivered to the Bond Registrar or the Remarketing Agent after 11:00 a.m., New York time,

shall be deemed to have been received on the succeeding Business Day. If the Bonds so tendered for purchase are not registered in the name of the Securities Depository, the Registered Owner shall deliver the Bonds to the Bond Registrar at its designated office for delivery of Bonds at or prior to 12:00 noon, New York time, on the Purchase Date, accompanied by an instrument of transfer in form satisfactory to the Bond Registrar.

(2) **Weekly Interest Rate Period.** Bonds of a Series that is in a Weekly Interest Rate mode may be tendered for purchase in any Authorized Denomination (provided that the amount of such Series that is not tendered for purchase must also be in an Authorized Denomination) upon delivery by the Registered Owner to the Bond Registrar and to the Remarketing Agent of an irrevocable written notice which states (A) the principal amount of such Bonds to be purchased and (B) the Purchase Date, which may be any Business Day not prior to the seventh day after the date of the delivery of such notice to the Bond Registrar and the Remarketing Agent. Any such notice delivered to the Bond Registrar or the Remarketing Agent after 4:00 p.m., New York time, shall be deemed to have been received on the succeeding Business Day. If the Bonds so tendered for purchase are not registered in the name of the Securities Depository, the Registered Owner shall deliver the Bonds to the Bond Registrar at its designated office for delivery of Bonds at or prior to 10:00 a.m., New York time, on the Purchase Date, accompanied by an instrument of transfer in form satisfactory to the Bond Registrar.

(3) **Irrevocable Notice Deemed to be Tender of Bonds.** The giving of notice of optional tender for purchase by a Registered Owner or Participant as provided in this subsection (a) shall constitute the irrevocable tender for purchase of those Bonds with respect to which such notice is given regardless of whether such Bonds are delivered to the

Bond Registrar for purchase on the applicable Purchase Date. If Bonds tendered for purchase are registered in the name of the Securities Depository, such tender is subject to confirmation by the Securities Depository to the Bond Registrar that the Participant has the required Ownership interest in those Bonds.

(b) Mandatory Tender for Purchase.

(1) Bonds Subject to Mandatory Tender. Each Series of the Bonds shall be subject to mandatory tender for purchase at the Purchase Price on the following Purchase Dates (without duplication):

(A) on the first day of each Interest Rate Period, except if such new Interest Rate Period is the result of an extension or renewal of a Direct Purchase Agreement in connection with an Index Rate Direct Purchase Period;

(B) on each proposed Conversion Date for which notice has been given to the Registered Owner(s) in accordance with subsection (c) of this section;

(C) on or after each Par Call Date for which notice has been given to the Registered Owner(s) in accordance with subsection (c) of this section;

(D) during any Interest Rate Period in which the Series is subject to a Credit Facility, in the event that such Series ceases to be subject to that Credit Facility, as set forth in subsection (2) of this section; and

(E) during any Index Rate Direct Purchase Period, on each Mandatory Tender Date specified in a Direct Purchase Agreement then in effect, for which notice, if required thereunder, has been given as set forth therein.

(2) Mandatory Tender of Bonds Upon Expiration or Termination of Credit Facility. In addition, each Series of the Bonds with respect to which a Credit Facility

1 is then in effect shall be subject to mandatory tender for purchase if at any time the Bond
2 Registrar receives notice that such Series will cease to be subject to purchase pursuant to such
3 Credit Facility as a result of (A) the termination, replacement or expiration of such Credit
4 Facility (including termination at the option of the City in accordance with the terms of any
5 Reimbursement Agreement or upon an event of default under the Reimbursement Agreement),
6 or (B) a Conversion. The Purchase Date for such mandatory tender shall be (A) the fifth
7 Business Day preceding any such expiration or termination of such Credit Facility (if no
8 Alternate Credit Facility is to be delivered to the Bond Registrar), (B) the Business Day on
9 which such Alternate Credit Facility is delivered to the Bond Registrar, or (C) the Conversion
10 Date.

11 (c) **Notice of Mandatory Tender for Purchase.** In connection with any
12 mandatory tender for purchase of a Series of the Bonds under subsection (b) of this section, the
13 Bond Registrar shall give notice to the Registered Owner(s) of the applicable Series of the
14 Bonds (which may be combined with a notice of Conversion under Section 8), as follows:

15 (1) Each notice shall state that if the Purchase Price is provided to the
16 Bond Registrar from remarketing or refunding proceeds, proceeds of a draw on the Credit
17 Facility or other funds made available by the City, such Series will be purchased on the
18 Purchase Date; and

19 (2) In the case of a mandatory tender for purchase pursuant to
20 subsection (b)(1), the notice shall state (A) the Purchase Date, and (B) if in conjunction with a
21 Conversion, the type of Interest Rate Period to which such Series will be converted on the
22 Purchase Date;

1 (3) In the case of a mandatory tender for purchase pursuant to
2 subsection (b)(2), the notice shall state (A) that the Credit Facility will expire, terminate or be
3 replaced, (B) that after the Purchase Date, such Series will no longer be purchased pursuant to
4 the Credit Facility then in effect, and (C) the short-term ratings applicable to such Series may be
5 lowered or withdrawn; and

6 (4) In the case of a Series that is not registered in the name of the
7 Securities Depository, the notice shall state that (A) the Purchase Price will be payable only
8 upon surrender of such Bonds to the Bond Registrar at its designated office for delivery of
9 Bonds, accompanied by an instrument of transfer, in form satisfactory to the Bond Registrar,
10 executed in blank by the Registered Owner or its duly authorized representative, with such
11 signature guaranteed by a commercial bank, trust company or member firm of the New York
12 Stock Exchange, and (B) if the Registered Owner of any such Bond does not surrender that
13 Bond to the Bond Registrar for purchase on the Purchase Date, then that Bond shall be deemed
14 to be an Undelivered Bond, no interest shall accrue on such Bond on and after the Purchase
15 Date and the Registered Owner shall have no rights under the Bond Legislation other than to
16 receive payment of the Purchase Price for such Undelivered Bond.

17 (d) **Delivery of Bonds Subject to Mandatory Tender; Undelivered Bonds.**
18 Payment of the Purchase Price of a Series subject to mandatory tender for which a notice has
19 been given in accordance with subsection (c) shall be as set forth in subsection (e), below.
20 Bonds to be so purchased that are not registered in the name of the Securities Depository must
21 be delivered at or prior to 10:00 a.m., New York time, on the Purchase Date to the Bond
22 Registrar at its designated office for delivery of Bonds, accompanied by an instrument of
23 transfer in form satisfactory to the Bond Registrar and satisfying the conditions set forth in the

1 notice of mandatory tender. If the Registered Owner of a Bond subject to mandatory tender for
2 purchase that is not registered in the name of the Securities Depository fails to deliver its Bond
3 to the Bond Registrar at the place and on the Purchase Date and by the time specified, or fails to
4 deliver its Bond properly endorsed, such Bond shall constitute an Undelivered Bond.

5 If funds in the amount of the Purchase Price of an Undelivered Bond are
6 available for payment to the Registered Owner thereof on the Purchase Date at the time
7 specified, then from and after the Purchase Date and time of that required delivery (1) the
8 Undelivered Bond shall be deemed to be purchased and shall no longer be deemed to be
9 outstanding under the Bond Legislation; (2) interest shall no longer accrue on the Undelivered
10 Bond; and (3) funds in the amount of the Purchase Price of the Undelivered Bond shall be held
11 uninvested and without liability for interest by the Bond Registrar for the benefit of the
12 Registered Owner thereof, to be paid on delivery (and proper endorsement) of the Undelivered
13 Bond to the Bond Registrar at its designated office for delivery of Bonds.

14 (e) **Payment of Purchase Price.** Bonds tendered for purchase under
15 subsection (a) or (b) of this section shall be purchased on the Purchase Date specified in the
16 applicable notice by payment of the Purchase Price made by the Bond Registrar, from the
17 sources specified in this subsection of this section, payable in immediately available funds to the
18 Registered Owner (and not to any Participant), by 3:00 p.m., New York time, on the Purchase
19 Date, or as soon as practicable thereafter upon the receipt by the Bond Registrar of the Purchase
20 Price in the Bond Purchase Fund as set forth in Section 14.

21 The Purchase Price of any Bonds to be purchased on any Purchase Date shall be
22 made from the following sources in the following order of priority: (1) proceeds of the
23 remarketing of such Bonds; (2) proceeds of refunding bonds issued by the City; (3) proceeds of

a draw on the Credit Facility; and (4) other funds made available by the City (which may include Net Revenues, to the extent legally available for such purpose consistent with the Bond Legislation).

(f) **Failure to Pay Purchase Price of Bonds in Index Rate Mode; Unremarketed Bonds.** During any Index Rate Period, if the entire Purchase Price for any Series of the Bonds subject to mandatory tender for purchase under subsection (b)(1) of this section cannot be paid on the applicable Purchase Date, then only a portion of such Series in an amount equal to the funds available to pay the full Purchase Price thereof will be purchased on such Purchase Date. Those Bonds to be purchased shall be selected as provided in Section 8(c) of the Bond Ordinance for partial redemption, unless otherwise provided in a Direct Purchase Agreement applicable to such Series. The remainder of the Bonds of such Series for which there are not sufficient available funds to pay the full Purchase Price shall not be purchased and shall become Unremarketed Bonds, subject to the following:

(1) With respect to Unremarketed Bonds for which no Direct Purchase Agreement is in effect, a Delayed Remarketing Period will commence on the Purchase Date for which funds were insufficient to pay the entire Purchase Price. During a Delayed Remarketing Period, the following will apply: (A) the Unremarketed Bonds will bear interest at the Stepped Interest Rate; (B) interest shall continue to be due and payable on each Interest Payment Date and also shall be payable on the last day of the Delayed Remarketing Period and the Unremarketed Bonds; (C) the Remarketing Agent (if any) will continue to be obligated to remarket the applicable Bonds; (D) the Unremarketed Bonds will continue to be subject to optional redemption by the City as described in Section 9(a); (E) the Designated Representative on behalf of the City, by notice to the Bond Registrar and the Remarketing Agent, may Elect to

1 effect a Conversion of the Unremarketed Bonds as described in Section 6(a); and (F) if and
2 when the Unremarketed Bonds are successfully remarketed as described in Section 13, the
3 Registered Owner(s) of the Unremarketed Bonds will be obligated to tender their Bonds to the
4 Bond Registrar for purchase.

5 (2) If a Direct Purchase Agreement is then in effect for such Series, then
6 as to such Unremarketed Bonds, the following will apply: (A) the Unremarketed Bonds shall
7 bear interest at a Stepped Interest Rate or other increased rate of interest as set forth in the
8 applicable Direct Purchase Agreement; (B) interest on the Unremarketed Bonds shall continue
9 to be due and payable on each Interest Payment Date (or such other date(s) as may be specified
10 in the applicable Direct Purchase Agreement) and also shall be payable on the last day of the
11 Delayed Remarketing Period; (C) the Remarketing Agent (if any) will continue to be obligated
12 to remarket the applicable Bonds; (D) the Unremarketed Bonds will continue to be subject to
13 optional redemption by the City as described in Section 9(a); (E) the Designated Representative
14 on behalf of the City, by notice to the Index Rate Holder, and the Bond Registrar, may Elect to
15 effect a Conversion of the Unremarketed Bonds as described in Section 6(a); (F) if and when
16 the applicable Bonds are successfully remarketed as described in Section 13, the Index Rate
17 Holder will be obligated to tender the Unremarketed Bonds to the Bond Registrar for purchase
18 at par plus accrued interest to the Purchase Date; (G) the Unremarketed Bonds shall remain
19 subject to the provisions of the Direct Purchase Agreement then in effect, which may include
20 Extraordinary Mandatory Redemption of such Unremarketed Bonds in the amounts and on the
21 dates as set forth in a Term-Out Provision (if any) if the failure to purchase the Unremarketed
22 Bonds occurred on a Mandatory Tender Date, and (H) if not otherwise provided for in the

Direct Purchase Agreement, shall otherwise be subject to subsection (2) above as if no Direct Purchase Agreement were in effect.

Section 11. Credit Facility; Bank Bonds.

(a) **Draws on a Credit Facility.** When a Credit Facility is in effect with respect to any Series, the Bond Registrar shall draw on the Credit Facility in accordance with the terms of the Credit Facility and the provisions of the Reimbursement Agreement, to the extent necessary to pay when due the principal and Purchase Price of and interest on such Series of the Bonds.

(b) **Acceptance by the Bond Registrar.** If at any time there are delivered to the Bond Registrar (1) a Credit Facility, (2) all required legal opinions and information (if any), and (3) all information required to give the notice of mandatory tender for purchase of a Series, then the Bond Registrar shall accept such Credit Facility and, after the date of the mandatory tender for purchase established pursuant to Section 10(b), promptly surrender any Credit Facility then in effect to the issuer thereof for cancellation in accordance with its terms.

(c) **Notice of Termination.** The Bond Registrar shall give notice to the Remarketing Agent and the Registered Owner(s) of such Series of the termination or expiration of any Credit Facility in accordance with its terms.

(d) **Bank Bonds.** A Credit Facility may provide that a Bond that is purchased by the Bond Registrar with amounts paid or provided by a Credit Provider under a Credit Facility shall become a Bank Bond and shall bear interest at the Bank Rate for each day from and including the day such Bank Bond becomes a Bank Bond to and excluding the day such Bank Bond ceases to be a Bank Bond or is paid in full. Interest on each Bank Bond shall be calculated and be payable on the dates and in the manner specified in the Credit Facility or

1 Reimbursement Agreement. To the extent there are not remarketing proceeds or refunding bond
2 proceeds available to pay a Bank Bond on any interest or principal payment date for those Bank
3 Bonds, the City shall make such payment to the Bond Registrar from the Parity Bond Fund. A
4 Credit Facility may include a Term-Out Provision applicable to Bank Bonds, providing for the
5 Extraordinary Mandatory Redemption of such Bank Bonds in accordance with the Sinking Fund
6 Requirements specified in the Credit Facility or Reimbursement Agreement.

7 **Section 12. Remarketing Agent.** If the Designated Representative on behalf of the
8 City Elects to effect a Conversion of any Series to a Daily Interest Rate mode, Weekly Interest
9 Rate mode or Long-Term Interest Rate mode, the Designated Representative shall appoint a
10 Remarketing Agent to remarket such Series on the Purchase Date, and shall enter into a
11 Remarketing Agreement with such Remarketing Agent. Each Remarketing Agent appointed by
12 the Designated Representative on behalf of the City shall designate its principal office in the
13 Remarketing Agreement. The Remarketing Agent shall signify its acceptance of the duties and
14 obligations imposed upon it under the Bond Legislation by a written instrument of acceptance
15 (which may be the Remarketing Agreement) delivered to the City, the Bond Registrar and the
16 Credit Provider (if any), under which the Remarketing Agent shall agree to keep such books and
17 records related to the remarketing of such Series as is consistent with prudent industry practice
18 and to make such books and records related to the remarketing of such Series available for
19 inspection by the City, the Bond Registrar and the Credit Provider (if any), at all reasonable
20 times.

21 Each Remarketing Agent shall be a member of the Financial Industry Regulatory
22 Authority, Inc. (FINRA), having a combined capital stock, surplus and undivided profits of at
23 least \$50,000,000, and be authorized by law to perform all the duties imposed upon it by the

Bond Legislation and the Remarketing Agreement. Each Remarketing Agent shall be acceptable to the Credit Provider (if any). A Remarketing Agent may at any time resign and be discharged of the duties and obligations created by this Resolution by giving notice to the City, the Bond Registrar and the Credit Provider (if any). Such resignation shall take effect on the 30th day after the receipt by the City of the notice of resignation. A Remarketing Agent may be removed at any time on 15 days prior written notice, by an instrument signed by the Designated Representative, approved by the Credit Provider (if any), and delivered to the Remarketing Agent, the Bond Registrar and the Credit Provider.

Section 13. Remarketing of Bonds; Notice of Interest Rates.

(a) **Remarketing.** Upon a mandatory tender for purchase of a Series as required by Section 10(b) or notice of optional tender for purchase of a Series under Section 10(a), the Remarketing Agent shall offer for sale and use its best efforts to sell such Bonds on the Purchase Date and, if not remarketed on the Purchase Date, thereafter until sold, at the Purchase Price.

(b) **Notice of Purchase and Remarketing.** The Remarketing Agent shall give notice to the Bond Registrar and the City by facsimile transmission, telephone, e-mail or similar electronic means promptly confirmed by a written notice, in no event later than 9:30 a.m., New York time, on each Purchase Date on which Bonds are purchased pursuant to a tender for purchase under Section 10, specifying the principal amount of such Bonds, if any, remarketed. If such Bonds are not registered in the name of the Securities Depository, the Remarketing Agent shall also provide a list of the purchasers showing the names and Authorized Denominations in which such Bonds are to be registered, and the addresses and taxpayer identification numbers of such purchasers.

1 **Section 14. Bond Purchase Fund.** The Designated Representative is authorized to
2 establish and maintain in the custody of the Bond Registrar a separate trust fund to be
3 designated the “Bond Purchase Fund,” including executing such additional written
4 authorizations or agreements on behalf of the City as may be required for the establishment and
5 maintenance of such fund. The Bond Registrar shall further establish within the Bond Purchase
6 Fund a separate trust account to be designated the “Remarketing Account” and, if a Credit
7 Facility is delivered in connection with a Conversion, a separate trust account to be designated
8 the “Credit Facility Purchase Account.”

9 (a) **Remarketing Account.** Upon receipt of the proceeds of a remarketing
10 of Bonds on a Purchase Date, the Bond Registrar shall deposit such proceeds in the
11 Remarketing Account of the Bond Purchase Fund for application to the Purchase Price of such
12 Bonds.

13 (b) **Credit Facility Purchase Account.** Upon receipt from the Credit
14 Provider of immediately available funds, the Bond Registrar shall deposit such money in the
15 Credit Facility Purchase Account of the Bond Purchase Fund for application to the Purchase
16 Price of such Bonds required to be purchased on a Purchase Date to the extent that the money
17 on deposit in the Remarketing Account of the Bond Purchase Fund is not sufficient. Any
18 amounts deposited in the Credit Facility Purchase Account and not needed on any Purchase
19 Date for the payment of the Purchase Price for any Bonds shall be immediately returned to the
20 Credit Provider. Any amounts in the Credit Facility Purchase Account shall be used only to
21 purchase such Bonds.

1 (c) **Other City Funds.** Amounts contributed by the City to the Purchase
2 Price as provided in Section 10(e) shall be transferred from the Parity Bond Fund to the Bond
3 Registrar and deposited into the Bond Purchase Fund for use in accordance with Section 14(a).

4 **Section 15. Defaults and Remedies Under a Direct Purchase Agreement.** In
5 addition to and without limiting the terms and conditions that may be included in a Direct
6 Purchase Agreement (including the Continuing Covenant Agreement), the Designated
7 Representative may agree to terms that provide that, in the event of a default that becomes an
8 Event of Default under the terms of an applicable Direct Purchase Agreement, the Series of the
9 Bonds with respect to which the Event of Default occurred shall automatically and without
10 notice bear interest at a Default Rate (as defined therein) which shall not exceed the Maximum
11 Interest Rate, subject to the terms hereof and of the related Direct Purchase Agreement. The
12 Default Rate shall commence upon occurrence of the Event of Default and shall continue in
13 effect until such time as the Event of Default is cured or the affected Bonds are redeemed in
14 full. The remedy of acceleration is expressly denied.

15 Notwithstanding anything contained in this resolution, during an Index Rate Direct
16 Purchase Period, if any Owner of Parity Bonds, any Qualified Counterparty, or any provider of
17 a Credit Facility, Qualified Insurance or Qualified Letter of Credit with respect to any Parity
18 Bonds causes any such debt or any party causes any other obligations secured by all or any
19 portion of the Gross Revenues to become immediately due and payable (whether by repurchase,
20 mandatory tender, mandatory redemption, acceleration or otherwise), the Index Rate Holder
21 may immediately, and without notice, declare or cause to be declared the unpaid principal
22 amount of the Bonds, all interest accrued and unpaid thereon, and all other amounts owing or

payable with respect to the Bonds and under the related Direct Purchase Agreement to be immediately due and payable.

Section 16. Other Payment Obligations Under a Direct Purchase Agreement or Credit Facility; Security. To the extent that a Direct Purchase Agreement or agreement relating to a Credit Facility imposes payment obligations (other than obligations to pay the principal of and interest on the Bonds, which shall be subject to the pledge of Section 12 of the Ordinance) (the "Obligations") on the City, such Obligations shall be special limited obligations of the City payable from and secured solely by Gross Revenues, which pledge shall constitute a lien and charge upon such Gross Revenues subordinate only to reasonable charges for maintenance and operation of the Light System and the payments required to be made into the Parity Bond Fund and the accounts therein under the Ordinance. The Obligations shall not constitute general obligations of the City, the State or any political subdivision of the State or a charge upon any general fund or upon any money or other property of the City, the State or any political subdivision of the State not specifically pledged herein.

Section 17. General Authorization. The Mayor and the Director of Finance and each of the other appropriate officers of the City are each authorized and directed to do everything as in their judgment may be necessary, appropriate or desirable in order to carry out the terms and provisions of, and complete the transactions contemplated by, the Bond Ordinance and this resolution. Without limiting the foregoing, the Designated Representative is authorized to select, from time to time, such Calculation Agents, Remarketing Agents, Market Agents or other agents as he may deem necessary or desirable in order to carry out the terms of this resolution, the Bonds and any Direct Purchase Agreement that may be in effect. The Designated Representative is further authorized to execute such amendments, supplements,

1 restatements or other modifications to the Continuing Covenant Agreement as he may deem
2 appropriate or desirable from time to time in any manner that is not inconsistent with the Bond
3 Legislation; and is authorized to execute future Direct Purchase Agreements (along with such
4 amendments, supplements, restatements or other modifications thereto as he may deem
5 appropriate or desirable from time to time) with respect to future Index Rate Direct Purchase
6 Periods.

7 **Section 18. Severability.** The provisions of this resolution are declared to be
8 separate and severable. If a court of competent jurisdiction, all appeals having been exhausted
9 or all appeal periods having run, finds any provision of this resolution to be invalid or
10 unenforceable as to any person or circumstance, such offending provision shall, if feasible, be
11 deemed to be modified to be within the limits of enforceability or validity. If the offending
12 provision cannot be so modified, it shall be null and void with respect to the particular person or
13 circumstance, and all other provisions of this resolution in all other respects, and the offending
14 provision with respect to all other persons and all other circumstances, shall remain valid and
15 enforceable.

16 **Section 19. Ratification of Prior Acts.** All acts taken pursuant to the authority of
17 this resolution but prior to its effective date are ratified, approved and confirmed.

Section 20. Section Headings. Section headings in this resolution are used for convenience only and shall not constitute a substantive portion of this resolution.

Mandatory Tender Date:

Three years from the initial purchase date or upon the occurrence of any event of default under the CCA; *provided, however*, that, if the Bonds are not remarketed on a Mandatory Tender Date caused by any event of default under the CCA, the Bonds shall be payable as described below under "Repayment After Mandatory Tender Date" only after the date which is three years from the initial purchase date; *provided, however*, further that the Bonds shall always be subject to mandatory sinking fund redemption on the dates and in the amounts set forth in the Financing Documents.

Downgrade Pricing:

The Applicable Spread is subject to the maintenance of the current ratings assigned to the long term, unenhanced debt of the Obligor that is secured on parity with the Bonds ("Parity Debt"). The Applicable Spread will be increased upon each downgrade of any Parity Debt below its current ratings of Aa2/AA by the corresponding additional basis points reflected below:

Credit Rating (Moody's/S&P)	Applicable Spread

In the event ratings are assigned by all three Rating Agencies and no two such ratings are equivalent, the middle rating shall be used for the purpose of determining the applicable level from the above grid. In the event ratings are assigned by only two Rating Agencies and such

If one or more of the underlying ratings are withdrawn or suspended for any reason, any rating falls below investment grade, or an event of default occurs, the Bonds shall bear interest at the Default Rate.

All of the foregoing pricing increases shall be cumulative.

References above are to rating categories as presently determined by the rating agencies, and in the event of the adoption of any new or changed rating systems or a "global" rating scale by any such rating agency, the ratings categories shall be adjusted accordingly to a new rating which most closely approximates the ratings currently in effect.

Computation Basis:

Computations of interest shall be calculated on the basis of a 360-day year and actual days elapsed.

At the option of the Obligor, the Bonds may be optionally redeemed or converted to another interest rate mode to be effective on any interest payment date prior to the Mandatory Tender Date upon 60 days prior written notice to the Bank and compliance with the applicable provisions of the Financing Documents; provided that voluntary redemptions or conversions of Bonds made on a date other than an interest payment date shall be subject to the payment of customary LIBOR breakage costs, if any; provided further that any redemption or conversion shall be subject to the provisions below under "Termination/Reduction Fee."

Upon the receipt of written notification from the Obligor of its desire to change interest rate modes, the Bank will, not more than 60 days after such notification, notify the Obligor in writing whether or not the Bank agrees to either purchase the Bonds in a new Index Rate Mode or provide liquidity or credit enhancement necessary to facilitate the conversion of the Bonds to another interest rate mode and the terms under which the Bank will purchase the bonds or provide such liquidity or credit enhancement. If the Bank fails to notify the Obligor of its decision within such 60 day period, the Bank shall be deemed to have rejected such request.
