CITY OF SEATTLE

RESOLUTION 31765

A RESOLUTION relating to the City Light Department; acknowledging and approving City Light's adoption of a biennial energy conservation target for 2018-2019 and a ten-year conservation potential.

WHEREAS, Ballot Initiative 937 (I-937), also known as the Energy Independence Act, was passed by Washington State voters on November 7, 2006, which requires qualifying electric utilities to obtain new renewable resources and undertake cost-effective energy conservation; and

WHEREAS, I-937 was codified in Chapter 19.285 of the Revised Code of Washington (RCW); and

WHEREAS, RCW 19.285.040 calls for each qualifying utility to pursue all available conservation that is cost-effective, reliable, and feasible, including requiring the development of conservation potential and biennial conservation targets; and

WHEREAS, Washington Administrative Code (WAC) 194-37-070 requires that each qualifying utility must document that the methodologies and inputs used in the development of its ten-year potential and biennial target are consistent with the requirements of RCW 19.285.040; and

WHEREAS, City Light undertook a Conservation Potential Assessment study to develop its ten-year potential and biennial target, which was consistent with the methodologies set forth in RCW 19.285.040 and WAC 194-37-070; and

WHEREAS, the Conservation Potential Assessment identifies a ten-year conservation potential of 90.3 average annual megawatts (aMW) starting in 2018, and a biennial energy conservation target of 24.5 aMW for City Light in 2018-2019; and

1 WHEREAS, City Light anticipates meeting or exceeding the energy conservation target for 2018
2 and 2019, and updating its Conservation Potential Assessment by the year 2019; and

3 WHEREAS, WAC 194-37-070 requires that each utility must establish its ten-year potential and
4 biennial target by action of the utility's governing board, after public notice and
5 opportunity for comment; NOW, THEREFORE,

6 **BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF SEATTLE, THE**
7 **MAYOR CONCURRING, THAT:**

8 Section 1. Pursuant to RCW 19.285 et seq., WAC 194-37-070, and after public hearing,
9 the City Council acknowledges and approves the City Light Department's ("City Light")
10 adoption of a biennial energy conservation target of 24.5 average annual megawatts (aMW) for
11 2018-2019 and a ten-year conservation potential of 90.3 aMW starting in 2018. City Light's
12 biennial energy conservation target and ten-year conservation potential are based upon a
13 Conservation Potential Assessment conducted using methodologies consistent with those used by
14 the Pacific Northwest Electric Power and Conservation Planning Council in order for City Light
15 to pursue all available conservation that is cost-effective, reliable, and feasible.

16 Section 2. The City Council further acknowledges that City Light anticipates meeting or
17 exceeding the biennial energy conservation target with its proposed 2018 budget and the
18 spending plan adopted in the Strategic Plan's rate path for the 2019 budget.

Adopted by the City Council the 11th day of December, 2017,
and signed by me in open session in authentication of its adoption this 11th day of
December, 2017.

President _____ of the City Council

The Mayor concurred the 15th day of December, 2017.

Jenny A. Durkan, Mayor

Filed by me this 15th day of December, 2017.

Monica Martinez Simmons, City Clerk

City of Seattle

Resolution 31765

A RESOLUTION relating to the City Light Department; acknowledging and approving City Light's adoption of a biennial energy conservation target for 2018-2019 and a ten-year conservation potential.

Resolution 31784

A RESOLUTION approving the alignment, station locations, and maintenance base location for Sound Transit's Central Link, University Link, Northgate Link Extension, East Link, and Lynnwood Link Extension light rail lines in The City of Seattle; and superseding the alignment, station locations, and maintenance base location approved in Resolution 31465.

Resolution 31786

A RESOLUTION calling for the issuance of a combined Request for Proposals (RFP) for the disposition of 800 Mercer Street and 620 Aurora Avenue N where that disposition would address neighborhood interests, creating opportunities for all City residents to take advantage of South Lake Union as a "neighborhood of opportunity."

Resolution 31788

A RESOLUTION relating to the Central Puget Sound Regional Transit Authority ("Sound Transit"); affirming the Mayor's execution of a Partnering Agreement with Sound Transit to implement light rail extensions between Ballard and West Seattle as approved by regional voters under Sound Transit 3.

Resolution 31789

A RESOLUTION relating to committee structure, membership, meeting times, and duties of the standing committees of the Seattle City Council for 2018 and 2019; and superseding Resolution 31643.

Resolution 31790

A RESOLUTION designating the monthly President Pro Tem of the City Council of The City of Seattle for 2018-2019 and superseding Resolution 31777.

Date of publication in the Seattle Daily Journal of Commerce, January 5, 2018.
